Ceres, a Harvest Home Festival Olive S. England, 2012-01 Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

**Work and Days** Tess Taylor, 2016 A poet hailed as stunning reveals a fierce and sensual intelligence in a meditation about farming, reproducing, and what it means to try to forge a relationship with the earth.

**At Blackwater Pond** Mary Oliver, 2006-04-01 One of the astonishing aspects of Oliver's work is the consistency of tone over this long period. What changes is an increased focus on nature and an increased precision with language that has made her one of our very best poets. --Stephen Dobyns, New York Times Book Review Mary Oliver has published fifteen volumes of poetry and five books of prose in the span of four decades, but she rarely performs her poetry in live readings. Now, with the arrival of *At Blackwater Pond*, Mary Oliver has given her audience what they've longed to hear: the poet's voice reading her own work. In this beautifully produced compact disc, Mary Oliver has recorded forty of her favorite poems, nearly spanning the length of her career, from *Dream Work* through her newest volume, *New and Selected Poems, Volume Two*. The package is shrink-wrapped so that the elegant clothbound audiobook can take its place on the poetry shelf. It also includes a fifteen-page booklet with an original essay, Performance Note, photos of the author at Blackwater Pond, and a full listing of the poems and their sources.

**The Hip Hop Movement** Reiland Rabaka, 2013-04-04 Connecting classic rhythm & blues and rock & roll to the Civil Rights Movement, and classic soul and funk to the Black Power Movement, *The Hip Hop Movement* critically explores what each of these musics and movements contributed to rap, neo-soul, hip hop culture, and the broader Hip Hop Movement.

**Stumbling Toward Happiness** Kat Lehmann, 2019-08-04 Happiness meditations. Field notes from an inward journey

home. With 111 meditations of interconnected poetry and prose compiled into in 9 chapters, *Stumbling Toward Happiness* is an all-immersive journey of self-discovery, personal transformation, and triumph. The relatable insights celebrate the process of growth and the personal and enduring center of joy within. Like a diary of inner travel, this third book in its series is rooted in the lived experience that happiness is a journey not a destination. These elegant Japanese-form hybrid poems, called haibun and tanka prose, combine a lyrical paragraph of spiritual reflection with a haiku, tanka, or other 1-5 line small stone poem that expands its meaning. Informed by the author's deep contemplation of nature as a scientist and a poet and reminiscent of the reflections of Mark Nepo and Mary Oliver, the book encourages deep soul-searching. Themes include connection and compassion, the gifts of imperfection, radical forgiveness, the search for happiness and healing, a return to simple abundance, and awakening to the wonder of the universe and ourselves. *Stumbling Toward Happiness* will resonate with every reader as they reflect on their own source of inner wisdom and joy.

**Small Stones from the River** Kat Lehmann, 2017-06-29 2017 Wishing Shelf Book Awards Finalist Kat Lehmann's original poetry shows an advanced understanding of the human condition. -Hall of Fame, Top 500, Vine Voice reviewer *Small Stones from the River* is a collection of inspirational poetry and word meditations that will appeal to readers who love the soul-force reflections of Rumi, Nayyirah Waheed, and Lao Tzu. The entries resonate and build so the book becomes an extended meditation that explores love, loss, forgiveness, resilience, and happiness. *Small Stones from the River* is a companion book for journaling or journeying. These small stones are the words you will want to keep in your pocket for later. Profound and inspiring... One of the best poetry collections I've read in a long time. - Top 500, Vine Voice reviewer

**The Great War as I Saw It** Frederick George Scott, 2021-11-01 'May the eyes of Canada never be blind to that glorious light which shines upon our young national life from the deeds of those who counted not their lives dear unto themselves'. When World War I broke out in the summer of 1914, the Canadian chaplain Frederick George Scott volunteered for service despite his fears. He spent four long years in the trenches on the western front, where he developed close bonds with his fellow soldiers and sought to maintain his faith while the world around him collapsed into chaos. In evocative language befitting his background as a poet, Scott lays bare the horrors of modern warfare. Filled with heart-wrenching descriptions and tragic detail, *The Great War as I Saw It* is a powerful meditation on the Canadian experience during World War I and an important look into the life of the ordinary soldier.

**We and Our Neighbors, Or The Records of an Unfashionable Street** Harriet Beecher Stowe, 1910

**Reflections on My Life** Thomas H. Olbricht, 2012-04-25 Thomas H. Olbricht grew up in Churches of Christ, has taught in several of their universities, and has given religious lectures on six continents and in most states in the United States. He has met most leaders in Churches of Christ globally. He has been active in several religious and rhetoric societies and has worked with leaders in all these organizations to bring about changes over the past sixty years. C. Clifton Black and Duane F.

Watson wrote about Olbricht, Tom Olbricht possesses a memory of elephantine proportions. Not only does he have at his fingertips the names and places and dates; better than most he understands how the study of rhetoric has flourished among, while cross-pollinating, multiple disciplines in the humanities, classics, English, speech communication, and religion.

**The Last Flower** James Thurber,1998

*Illuminating Love* Hazel Frankel,2011 Hazel Frankel's multi-layered new book takes you into the search for meaning that lies at the heart of an apparently comfortable life in suburban Johannesburg. It's simultaneously an evocation of the Highveld, of hadedahs and sprinklers and night-time meals under the Milky Way, of traditional Jewish food like teygl and cheese cake ... and an exploration of the heritage of violence.--Back cover.

**Music and Musicians** ,1927

**Joyride** Jennifer Hambrick,2021-04 This collection of haibun is indeed a travelogue. Jennifer Hambrick's award-winning haibun take us from one place to another, but these tales also traverse the delicate, awkward, and hilarious territory between the seasons of life. Joyride is reminiscent of Jack Kerouac's *On the Road*, in search of the inherent goodness in people, despite their circumstances and quirks. Hambrick reiterates that joy is not only a contagious outlook but a reliable tonic-something that our souls need.

**The Curiosities of Ale & Beer** John Bickerdyke,1886

**The Wonder Code** Scott Mason,2017-09-15

**After Amen** Tia Haynes,Jonathan Roman,2021-08-12 *After Amen: A Memoir in Two Voices* reveals the collective experiences between two people from vastly different cultures and backgrounds. As former members of separate fundamentalist religious sects, Haynes and Roman find common ground in their daily struggles, alienation from society, loss of faith, and ultimately their healing. This journey of resiliency is a rare glimpse into the lives of those who silently struggle after leaving all they knew behind them for hope of life on the other side.

**The Girls with Stone Faces** Arleen Paré,2017 Arleen Paré turns her cool, benevolent eye to the shared lives of Florence Wyle and Frances Loring, two of Canada's greatest artists, whose sculptures she comes face to face with at the National Gallery of Canada. In the guise of a curator, Paré takes us on a moving, carefully structured tour through the rooms where their work is displayed, the Gallery's walls falling away to travel in time to Chicago (where they met at art school and fell in love in the 1910s), New York, and Toronto (where they lived and worked for the next six decades). Along the way, Paré looks at fashions in art, the politics of gender, and the love that longtime proximity calls forth in us.--
