## Michael Hoelscher

**The Oxford Handbook of Irish Politics** David M. Farrell, Niamh Hardiman, 2021 Ireland has enjoyed continuous democratic government for almost a century, an unusual experience among countries that gained their independence in the 20th century. But the way this works in practice has changed dramatically over time. Ireland's colonial past had an enduring influence over political life for much of the time since independence, enabling stable institutions of democratic accountability, while also shaping a dismal record of economic under-development and persistent emigration. More recently, membership of the EU has brought about far-reaching transformation across almost all aspects of Irish life. But if anything, the paradoxes have only intensified. Now one of the most open economies in the world, Ireland has experienced both rapid growth and one of the most severe crashes in the wake of the Great Recession. On some measures Ireland is among the most affluent countries in the world, yet this is not the lived experience for many of its citizens. Ireland is an unequivocally modern state, yet public life continues to be marked by formative ideas and values in which tradition and modernity are held in often uneasy embrace. It is a small state that has ambitions to leverage its distinctive place in the Atlantic and European worlds to carry more weight on the world stage. Ireland continues to be deeply connected to Britain through ties of culture and trade, now matters of deep concern in the context of Brexit. And the old fault-lines between North and South, between Ireland and Britain, which had been at the core of one of Europe's longest and bloodiest civil conflicts, risk being reopened by Britain's new hard-edged approach to national and European identities. These key issues are teased out in the 41 chapters of this book, making this the most comprehensive volume on Irish politics to date.

*Mixed Race Cinemas* Zélie Asava, 2017-09-07 Using critical race theory and film studies to explore the interconnectedness between cinema and society, Zélie Asava traces the history of mixed-race representations in American and French filmmaking from early and silent cinema to the present day. *Mixed Race Cinemas* covers over a hundred years of filmmaking to chart the development of (black/white) mixed representations onscreen. With the 21st century being labelled the Mulatto Millennium, mixed bodies are more prevalent than ever in the public sphere, yet all too often they continue to be positioned as exotic, strange and otherworldly, according to 'tragic mulatto' tropes. This book evaluates the potential for moving beyond fixed racial binaries both onscreen and off by exploring actors and characters who embody the in-between. Through analyses of over 40 movies, and case studies of key films from the 1910s on, *Mixed Race Cinemas* illuminates

landmark shifts in local and global cinema, exploring discourses of subjectivity, race, gender, sexuality and class. In doing so, it reveals the similarities and contrasts between American and French cinema in relation to recognising, visualising and constructing mixedness. *Mixed Race Cinemas* contextualizes and critiques raced and 'post-race' visual culture, using cinematic representations to illustrate changing definitions of mixed identity across different historical and geographical contexts.

*A History of Irish Women's Poetry* Ailbhe Darcy, David Wheatley, 2021-07-01 *A History of Irish Women's Poetry* is a ground-breaking and comprehensive account of Irish women's poetry from earliest times to the present day. It reads Irish women's poetry through many prisms – mythology, gender, history, the nation – and most importantly, close readings of the poetry itself. It covers major figures, such as Máire Mhac an tSaoi, Eavan Boland, Eiléan Ní Chuilleanáin, as well as neglected figures from the past. Writing in both English and Irish is considered, and close attention paid to the many different contexts in which Irish women's poetry has been produced and received, from the anonymous work of the early medieval period, through the bardic age, the coterie poets of Anglo-Ireland, the nationalist balladeers of Young Ireland, the Irish Literary Revival, and the advent of modernity. As capacious as it is diverse, this book is an essential contribution to scholarship in the field.

**The Black Irish Onscreen** Zélie Asava, 2013 This book examines the position of black and mixed-race characters in Irish film culture. Exploring key film and TV productions from the 1990s to the present day, the author interrogates concepts of Irish identity, history and nation, making a significant theoretical contribution to scholarly work on representation and identity in Irish film.

**The Henna Wars** Adiba Jaigirdar, 2020-05-12 Impossible to put down. - Kirkus, starred review Nishat doesn't want to lose her family, but she also doesn't want to hide who she is, and it only gets harder once a childhood friend walks back into her life. Flávia is beautiful and charismatic, and Nishat falls for her instantly. But when a school competition invites students to create their own businesses, both Flávia and Nishat decide to showcase their talent as henna artists. In a fight to prove who is the best, their lives become more tangled—but Nishat can't quite get rid of her crush, especially since Flávia seems to like her back. As the competition heats up, Nishat has a decision to make: stay in the closet for her family, or put aside her differences with Flávia and give their relationship a chance.

**Critical Race Theory and Inequality in the Labour Market** Ebun Joseph, 2021-11 This book employs critical race theory as a theoretical and analytical framework to unveil how racial stratification shapes the socioeconomic outcomes and racial inequality in the labour market. The pages guide students interested in CRT and investigating racism, discrimination and inequality.

Hani and Ishu's Guide to Fake Dating Adiba Jaigirdar, 2021-05-25 Everyone likes Humaira Hani Khan—she's easy going

and one of the most popular girls at school. But when she comes out to her friends as bisexual, they invalidate her identity, saying she can't be bi if she's only dated guys. Panicked, Hani blurts out that she's in a relationship...with a girl her friends absolutely hate—Ishita Ishu Dey. Ishu is the complete opposite of Hani. She's an academic overachiever who hopes that becoming head girl will set her on the right track for college. But Ishita agrees to help Hani, if Hani will help her become more popular so that she stands a chance of being elected head girl. Despite their mutually beneficial pact, they start developing real feelings for each other. But relationships are complicated, and some people will do anything to stop two Bengali girls from achieving happily ever after.
