*New Dimensions in Photo Processes* Laura Blacklow, 2018-05-04 *New Dimensions in Photo Processes* invites artists in all visual media to discover contemporary approaches to historical techniques. Painters, printmakers, and photographers alike will find value in this practical book, as these processes require little to no knowledge of photography, digital means, or chemistry. Easy to use in a studio or lab, this edition highlights innovative work by internationally respected artists, such as Robert Rauschenberg, Chuck Close, Mike and Doug Starn, and Emmet Gowin. In addition to including new sun-printing techniques, such as salted paper and lumen printing, this book has been updated throughout, from pinhole camera and digital methods of making color separations and contact negatives to making water color pigments photo-sensitive and more. With step-by-step instructions and clear safety precautions, *New Dimensions in Photo Processes* will teach you how to: Reproduce original photographic art, collages, and drawings on paper, fabric, metal, and other unusual surfaces. Safely mix chemicals and apply antique light-sensitive emulsions by hand. Create imagery in and out of the traditional darkroom and digital studio. Relocate photo imagery and make prints from real objects, photocopies, and pictures from magazines and newspapers, as well as from your digital files and black and white negatives. Alter black and white photographs, smart phone images, and digital prints.

*PlantYou* Carleigh Bodrug, 2022 Tacos, pizza, wings, pasta, hearty soups, and crave-worthy greens—for some folks looking for a healthier way of eating, these dishes might all seem, well, off the table. Carleigh Bodrug has shown hundreds of thousands of people that that just isn't true. Like so many of us, Carleigh thought that eating healthy meant preparing the same chicken breast and broccoli dinner every night. Her skin and belly never felt great, but she thought she was eating well—until a family health scare forced her to take a hard look at her diet and start cooking and sharing recipes. Fast forward, and her @plantyou brand continues to grow and grow, reaching +470k followers in just a few short years. Her secret? Easy, accessible recipes that don't require any special ingredients, tools, or know-how; what really makes her recipes stand out are the helpful infographics that accompany them, which made it easy for readers to measure ingredients, determine portion size, and become comfortable enough to personalize recipes to their tastes. Now in her debut cookbook, Carleigh redefines what it means to enjoy a plant-based lifestyle with delicious, everyday recipes that anyone can make and enjoy. With mouthwatering dishes like Bewitchin' Breakfast Cookies, Rainbow Summer Rolls, Irish Stew, and Tahini Chocolate Chip

Cookies, this cookbook fits all tastes and budgets. PlantYou is perfect for beginner cooks, those wishing to experiment with a plant-based lifestyle, and the legions of flexitarians who just want to be healthy and enjoy their meals--

**When Tragedy Strikes** Laura Diehl,2016-01-26 “If you have suffered great tragedy and struggle to connect with God in your grief and disappointment, When Tragedy Strikes was written for you” (Wayne Jacobsen, author of He Loves Me! Learning to Live in the Father’s Affection). After the death of a child, there is no closure. It is like learning how to live with an amputation—you are forever changed and need to learn how to live a new “normal.” There can be a feeling of desperation to find someone farther ahead on the path who can understand the crushing pain that makes you feel like you can’t even breathe at times. Laura Diehl was plunged into that place with the death of her daughter, and meets the deep need to connect with others who have experienced what cannot be put into words. When Tragedy Strikes is the raw account of her journey from deep darkness back into light and life, extending a hand of hope to those traveling on the path behind her, who need to rebuild their lives after the death of a child.

**The Inviting Life** Laura Calder,2017-11-07 Far more than a guide to homemaking and being a fine host—although it is definitely all that too—The Inviting Life is about how to live each day with a desire and determination to turn the ordinary into something lovely. It’s also a book about why we should bother. **The Queer Biopic in the AIDS Era** Laura Stamm, 2021-12-21 The *Queer Biopic* returns to the historical moment of the AIDS crisis and the emergence of New Queer Cinema to investigate the phenomena of queer biopic films produced during the late 1980s-early 1990s. More specifically, the book asks why queer filmmakers repeatedly produced biographical films of queer individuals living and dead throughout the years surrounding the AIDS crisis. While film critics and historians typically treat the biopic as a conservative, if not cliché, genre, queer filmmakers have frequently used the biopic to tell stories of queer lives. This project pays particular attention to the genre's queer resonances, opening up the biopic's historical connections to projects of education, public health, and social hygiene, along with the production of a shared history and national identity. Queer filmmakers' engagement with the biopic evokes the genre's history of building life through the portrayal of lives worthy of admiration and emulation, but it also points to another biopic history, that of representing lives damaged. By portraying lives damaged by inconceivable loss, queer filmmakers challenge the illusion of a coherent self presumably reinforced by the biopic genre and in doing so, their films open up the potential for new means of connection and relationality. The book features fresh readings of the cinema of Derek Jarman, John Greyson, Todd Haynes, Barbara Hammer, and Tom Kalin. By calling for a reappraisal of the queer biopic, the book also calls for a reappraisal of New Queer Cinema's legacy and its influence of contemporary queer film--

**The God in Flight** Laura Argiri, 2016-06-01 In 1878, young Satterwhite arrives at Yale University to discover what life holds for fellows with sharp aesthetic senses. He has never imagined anyone like Professor Doriskos Klionarios, who teaches art and poetry. The two are so dissimilar: a provincial youth and a cultured man of thirty, a foreigner who will never be a fine Englishman. But the tumultuous love affair scorned by their society is a gilded construct between one who believes that he is ready to know real love and a willing partner who understands that what the heart sees, it cannot forget; better to acquiesce to desire. Desire leads to danger, and danger to flight—from the rabid moralists of the college, the law, a peer's obsessive jealousy. Their flight takes them to England in the rising glory of its Decadence, the artistic arena where Wilde was trying his luck.

*French Taste* Laura Calder, 2010-04-13 The time is right for getting back to French home cooking and discovering how it

has evolved, how easy it is for anyone to make, and how appropriate it is for the moment. Laura Calder reminds us that we don't have to commit to mastering the entire canon of French cuisine to make a delectable chocolate mousse or a sole amandine. And just because we're in the mood for coq au vin doesn't mean we have to start dinner with a foie gras terrine and end with Grand Marnier soufflé. We can integrate a French dish into the menus already in our repertoire -- serve coq au vin as a main course, with gingerbread or ice-cream sundaes for dessert. Why not? French Taste is all about simplicity. If we get too caught up in the "how to" of French cooking, we miss the point. Yes, French cuisine has given the world impressive recipes and techniques, but the most valuable things the French have to offer when it comes to food are a sense of how to eat with joyful abandon, how to make food look as beautiful as it tastes and how to take time to enjoy good food in good company.

**These Violent Delights** Chloe Gong, 2023-05-30 In 1926 Shanghai, eighteen-year-old Juliette Cai, heir of the Scarlet Gang, and her first love-turned-rival Roma Montagov, leader of the White Flowers, must work together when mysterious deaths threaten their city.

**Share Your Stuff. I'll Go First.** Laura Tremaine, 2021-02-02 Part memoir and part guidebook, Share Your Stuff. I'll Go First. is the invitation you've been waiting for to show up with your whole self and discover the intimate, meaningful friendships you long for. In spite of the hyper-connected culture we live in today, women still feel shamed for oversharing and being publicly vulnerable. And no matter how many friends we seem to have, many of us are still desperately lonely. Laura Tremaine, blogger and podcaster behind 10 Things To Tell You, says it's time for something better. Openness and vulnerability are the foundation for human growth and healthy relationships, and it all starts when we share our stuff, the nitty-gritty daily details about ourselves with others. Laura has led the way in her personal life with her popular blog and podcast, and now with lighthearted self-awareness, a sensitivity to the important things in life, and compelling storytelling, Laura gives you the tools to build and deepen the conversations happening in your life. Laura's stories about her childhood, her complicated shifts in faith and friendships, and her marriage to a Hollywood movie director will prompt you to identify the beautiful narrative and pivotal milestones of your own life. Each chapter offers intriguing and reflective questions that will reveal unique details and stories you've never thought to tell and will guide you into cultivating the authentic connection with others that only comes from sharing yourself. So let's get started! Share Your Stuff. I'll Go First.

**Wilderness Ethics: Preserving the Spirit of Wildness** Guy Waterman, Laura Waterman, 2014-09-15 The classic environmental call to action 2014 marks the 50th anniversary of the passing of the Wilderness Act—the landmark piece of legislation to set aside and protect pristine parts of the American landscape. **The Cat I Never Named** Amra Sabic-El-Rayess, Laura L. Sullivan, 2020-09-15 The stunning memoir of a Muslim teen

struggling to survive in the midst of the Bosnian genocide--and the stray cat who protected her family through it all. \*Six Starred Reviews\* A YALSA Excellence in Nonfiction Finalist A Capitol Choices Remarkable Book A Mighty Girl Best Book A Malala Fund Favorite Book Selection In 1992, Amra was a teen in Bihac, Bosnia, when her best friend said they couldn't speak anymore. Her friend didn't say why, but Amra knew the reason: Amra was Muslim. It was the first sign her world was changing. Then Muslim refugees from other Bosnian cities started arriving, fleeing Serbian persecution. When the tanks rolled into Bihac, bringing her own city under siege, Amra's happy life in her peaceful city vanished. But there is light even in the darkest of times, and she discovered that light in the warm, bonfire eyes of a stray cat. The little calico had followed the refugees into the city and lost her own family. At first, Amra doesn't want to bother with a stray; her family doesn't have the money to keep a pet. But with gentle charm this kitty finds her way into everyone's heart, and after a few near miracles when she seems to save the family, how could they turn her away? Here is the stunning true story of a teen who, even in the brutality of war, never wavered in her determination to obtain an education, maintain friendships, and even find a first love--and the cat who gave comfort, hope, and maybe even served as the family's guardian spirit.

*Race, Work, and Leadership* Laura Morgan Roberts, Anthony J. Mayo, David A. Thomas, 2019-08-13 Rethinking How to Build Inclusive Organizations *Race, Work, and Leadership* is a rare and important compilation of essays that examines how race matters in people's experience of work and leadership. What does it mean to be black in corporate America today? How are racial dynamics in organizations changing? How do we build inclusive organizations? Inspired by and developed in conjunction with the research and programming for Harvard Business School's commemoration of the fiftieth anniversary of the founding of the HBS African American Student Union, this groundbreaking book shines new light on these and other timely questions and illuminates the present-day dynamics of race in the workplace. Contributions from top scholars, researchers, and practitioners in leadership, organizational behavior, psychology, sociology, and education test the relevance of long-held assumptions and reconsider the research approaches and interventions needed to understand and advance African Americans in work settings and leadership roles. At a time when--following a peak in 2002--there are fewer African American men and women in corporate leadership roles, *Race, Work, and Leadership* will stimulate new scholarship and dialogue on the organizational and leadership challenges of African Americans and become the indispensable reference for anyone committed to understanding, studying, and acting on the challenges facing leaders who are building inclusive organizations.
