Minimalista Shira Gill, 2021-11-02 Elevate your personal style, trim your belongings, and transform your life, one room at a time, with this visionary lifestyle and home organization book from professional organizing expert, Shira Gill. “Warm, funny, and direct, Shira builds you up while helping you edit down to the best version of yourself.”—Stacy London, New York Times bestselling author of *The Truth About Style* As a professional home organizer with clients ranging from students to multi-millionaires, Shira Gill observed that clutter is a universal stress trigger. Over the years she created a signature decluttering and organization process that promotes sustainability, achieves lasting results, and can be applied to anyone, regardless of their space or lifestyle. Rather than imposing strict rules and limitations, Shira redefines minimalism as having the perfect amount of everything—for you—based on your personal values and the limitations of your space. Now, in *Minimalista*, Shira shares her complete toolkit for the first time, built around five key steps: Clarify, Edit, Organize, Elevate, and Maintain. Once you learn the methodology you'll dive into the hands-on work, choose-your-own-adventure style: knock out a room, or even a single drawer; style a bookshelf; donate a sweater. Shira teaches that the most important thing you can do is start, and that small victories, achieved one at a time, will snowball into massive transformation. Broken into small, bite-sized chunks, *Minimalista* makes it clear that if the process is fun and easy to follow, anyone can learn the principles of editing and organization.

The Whole30 Melissa Hartwig Urban, Dallas Hartwig, 2015 The best-selling authors of *It Starts With Food* outline a scientifically based, step-by-step guide to weight loss that explains how to change one's relationship with food for better habits, improved digestion and a stronger immune system. 150,000 first printing.

My Life with the Walter Boys Ali Novak, 2014-03-01 From a fresh new voice on the contemporary YA scene, *My Life with the Walter Boys* centers on the prim, proper, and always perfect Jackie Howard. When her world is turned upside down by tragedy, Jackie must learn to cut loose and be part of a family again. Jackie does not like surprises. Chaos is the enemy! The best way to get her successful, busy parents to notice her is to be perfect. The perfect look, the perfect grades—the perfect daughter. And then... Surprise #1: Jackie's family dies in a freak car accident. Surprise #2: Jackie has to move cross-country to live with the Walters—her new guardians. Surprise #3: The Walters have twelve sons. (Well, eleven, but Parker acts like a boy anyway) Now Jackie must trade in her Type A personality and New York City apartment for a Colorado ranch and all the

wild Walter boys who come with it. Jackie is surrounded by the enemy-loud, dirty, annoying boys who have no concept of personal space. Okay, several of the oldest guys are flat-out gorgeous. But still annoying. She's not stuck-up or boring-no matter what they say. But proving it is another matter. How can she fit in and move on when she needs to keep her parents' memory alive by living up to the promise of perfect? Ali Novak wrote *My Life with the Walter Boys* when she was just 15 years old. First a hit on the online community Wattpad, this debut novel has already been read over 33 million times and is loved by readers around the world.

Meant to Be Emily Giffin, 2022-05-31 NEW YORK TIMES BESTSELLER • He's American royalty. She comes from a troubled past. Is their love story meant to be? This "lively page-turner" (The New York Times) offers a nostalgic, hopelessly romantic escape—from the author of *Something Borrowed* and *The Lies That Bind*. "I'm a sucker for an iconic, against-all-odds love story, and *Meant to Be* truly delivers."—Tia Williams, author of *Seven Days in June* "A chic, history-inspired summer read [that] strikes a careful balance between simply retelling the true story of JFK Jr. and his wife, Carolyn Bessette, and crafting an entirely new one."—Bookreporter The Kingsley family is American royalty, beloved for their military heroics, political service, and unmatched elegance. In 1967, after Joseph S. Kingsley, Jr. is killed in a tragic accident, his charismatic son inherits the weight of that legacy. But Joe III is a free spirit—and a little bit reckless. Despite his best intentions, he has trouble meeting the expectations of a nation, as well as those of his exacting mother, Dottie. Meanwhile, no one ever expected anything of Cate Cooper. She, too, grew up fatherless—and after her mother marries an abusive man, she is forced to fend for herself. After being discovered by a model scout at age sixteen, Cate decides that her looks may be her only ticket out of the cycle of disappointment that her mother has always inhabited. Before too long, Cate's face is in magazines and on billboards. Yet she feels like a fraud, faking it in a world to which she's never truly belonged. When Joe and Cate unexpectedly cross paths one afternoon, their connection is instant and intense. But can their relationship survive the glare of the spotlight and the so-called Kingsley curse? In a beautifully written novel that captures a gilded moment in American history, Emily Giffin tells the story of two people searching for belonging and identity, as well as the answer to the question: Are certain love stories meant to be?

We Are Not Like Them Christine Pride, Jo Piazza, 2021-10-05 A GOOD MORNING AMERICA BOOK CLUB PICK Named a Best Book Pick of 2021 by Harper's Bazaar and Real Simple Named a Most Anticipated Book of Fall by People, Essence, New York Post, PopSugar, New York Newsday, Entertainment Weekly, Town & Country, Bustle, Fortune, and Book Riot Told from alternating perspectives, this "propulsive, deeply felt tale of race and friendship" (People) follows two women, one Black and one white, whose friendship is indelibly altered by a tragic event. Jen and Riley have been best friends since kindergarten. As adults, they remain as close as sisters, though their lives have taken different directions. Jen married young, and after years of trying, is finally pregnant. Riley pursued her childhood dream of becoming a television journalist and is poised to become

one of the first Black female anchors of the top news channel in their hometown of Philadelphia. But the deep bond they share is severely tested when Jen's husband, a city police officer, is involved in the shooting of an unarmed Black teenager. Six months pregnant, Jen is in freefall as her future, her husband's freedom, and her friendship with Riley are thrown into uncertainty. Covering this career-making story, Riley wrestles with the implications of this tragic incident for her Black community, her ambitions, and her relationship with her lifelong friend. Like Tayari Jones's *An American Marriage* and Jodi Picoult's *Small Great Things*, *We Are Not Like Them* takes "us to uncomfortable places—in the best possible way—while capturing so much of what we are all thinking and feeling about race. A sharp, timely, and soul-satisfying novel" (Emily Giffin, New York Times bestselling author) that is both a powerful conversation starter and a celebration of the enduring power of friendship.

Love & Olives Jenna Evans Welch, 2020-11-10 A New York Times Bestseller From the New York Times bestselling author of *Love & Gelato* comes a *Mamma Mia!*-inspired tale about a teen girl finding romance while trying to connect with her absent father in beautiful Santorini, Greece. Liv Varanakis doesn't have a lot of fond memories of her father, which makes sense—he fled to Greece when she was only eight. What Liv does remember, though, is their shared love for Greek myths and the lost city of Atlantis. So when Liv suddenly receives a postcard from her father explaining that National Geographic is funding a documentary about his theories on Atlantis—and will she fly out to Greece and help?—Liv jumps at the opportunity.

But when she arrives to gorgeous Santorini, things are a little...awkward. There are so many questions, so many emotions that flood to the surface after seeing her father for the first time in years. And yet Liv doesn't want their past to get in the way of a possible reconciliation. She also definitely doesn't want Theo—her father's charismatic so-called “protégé”—to witness her struggle. And that means diving into all that Santorini has to offer—the beautiful sunsets, the turquoise water, the hidden caves, and the delicious cuisine. But not everything on the Greek island is as perfect as it seems. Because as Liv slowly begins to discover, her father may not have invited her to Greece for Atlantis, but for something much more important.

This Is Big Marisa Meltzer, 2020-04-14 From a contributor to *The Cut*, one of *Vogue's* most anticipated books bravely and honestly (Busy Philipps) talks about weight loss and sheds a light on *Weight Watchers* founder Jean Nidetch: a triumphant chronicle (New York Times). Marisa Meltzer began her first diet at the age of five. Growing up an indoors-loving child in Northern California, she learned from an early age that weight was the one part of her life she could neither change nor even really understand. Fast forward nearly four decades. Marisa, also a contributor to the *New Yorker* and the *New York Times*, comes across an obituary for Jean Nidetch, the Queens, New York housewife who founded *Weight Watchers* in 1963. Weaving Jean's incredible story as weight loss maven and pathbreaking entrepreneur with Marisa's own journey through *Weight Watchers*, she chronicles the deep parallels, and enduring frustrations, in each woman's decades-long efforts to lose weight and keep it off. The result is funny, unexpected, and unforgettable: a testament to how transformation goes far beyond a number on the scale.

Whoa, Baby! Kelly Rowland, Tristan Bickman, 2017-04-11 When global pop star Kelly Rowland became a mom for the first time, giving birth to her son Titan, she felt the most incredible love she had ever experienced. But after spending nine months so focused on the baby growing inside her, she was caught completely off guard by how much she had changed. Like many first-time moms, she was not ready for what had happened to her body and for so many overwhelming new thoughts and emotions. She wondered: Will I Ever Walk Again? Will I Ever Sleep Again? Are My Boobs Always Going to Be Like This? Rowland had questions about everything from postpartum bleeding, skin and hair changes, and dealing with aches and pains to getting back in shape and sex after baby. She also weighed the larger notions about what she wanted out of motherhood and the rest of her life. It was a good thing that Rowland's longtime OB/GYN Dr. Tristan Emily Bickman was right there to answer every single crazy question that popped into her head. Nothing fazed Dr. Bickman and she provided Rowland with the answers she so desperately needed, telling her over and over that, in the months after a woman gives birth, nothing is exactly strange, but nothing is necessarily normal either. It's all just part of the miracle of birth. In Whoa, Baby! Rowland and Dr. Bickman team up to share this reassuring information with new moms everywhere. Often hilarious and always down-to-earth, Rowland and Dr. Bickman cover every surprising challenge that new moms face.
