Much Ado About a Latte Kathleen Fuller,2022-01-04 A coffee war is brewing in Maple Falls, where Anita and Tanner are serving up plenty of sparks to keep the town buzzing. Anita Bedford needs to face reality. It's time to decaffeinate the dream that she and Tanner will ever be more than friends. Growing up in small-town Maple Falls, she's had a crush on Tanner for years. But he'll only ever see her as good, old, dependable Anita. Now she's finally ready to make her own goals a reality. In fact, that deserted building next door to Sunshine Diner looks like a promising location to open her own café . . . Tanner Castillo may know how to operate a diner, but he doesn't know beans about love. After pouring his life savings into buying the Sunshine Diner, he needs to keep his mind on making a success of it and supporting his widowed mother, not on kissing Anita Bedford. First order of business: improve his customers' coffee experience. Next, he should probably find out who bought the building next door . . . It's a bitter cup to swallow when ambition turns longtime friends and coworkers Anita and Tanner into rivals. Now that they own competing businesses, how could they ever compete for each other's hearts? Or will the two of them come to see what's obvious to the whole, quirky town of Maple Falls: potential for a full-roast romance, with an extra splash of dream? Welcome to Maple Falls, where everyone knows your name, your coffee order, and your relationship status. Praise for *Much Ado About a Latte*: "You've heard of friends to lovers; now get ready for childhood friends, to coworkers, to fake-dating coworkers, to business rivals, to lovers. *Much Ado About a Latte* has it all—charming and sweet, with delectable dialogue and just enough biting tension to keep you on the edge of your seat. Chasing Fireflies Charles Martin, 2008-02-10 When paramedics find a malnourished six-year-old boy near a burning car that holds a dead woman, they wonder who he is—and why he won't speak. From the New York Times bestselling author of *The Mountain Between Us* comes a story of self-discovery, healing, and hope. On a stifling summer day, an old Chevy Impala ignored the warning signals and was annihilated by the oncoming train. What no one realized until much later was that the driver had paused just before entering the tracks and kicked a small boy out of the car. A small boy with broken glasses who is clutching a notebook with all his might . . . but who never speaks. Chase Walker was one of the lucky ones. He was in foster care as a child, but he finally ended up with a family who loved him and cared for him. Now, as a journalist for the local paper, he's moved on and put the past behind him. But when he's assigned the story of this young boy, painful, haunting questions about his own childhood begin to rise to the surface. And as Chase Walker discovers, learning the truth about who you are can be as elusive—and as magical—as chasing fireflies on a summer night. "Martin understands the power of story and he uses it to alter the souls and lives of both his characters and his readers . . ." —Patti Callahan Henry, New York Times bestselling author Full-length emotive Southern fiction Bonus excerpt from *The Water Keeper* Includes discussion questions for book clubs Also by Charles Martin: *The Water Keeper*, *The Mountain Between Us*, *Send Down the Rain*, and *When Crickets Cry*

It begins on the shaded town square in a sleepy Southern town. A spirited seven-year-old has a brisk business at her lemonade stand. But the little girl's pretty yellow dress can't quite hide the ugly scar on her chest. Her latest customer, a bearded stranger, drains his cup and heads to his car, his mind on a boat he's restoring at a nearby lake. The stranger understands more about the scar than he wants to admit. And the beat-up bread truck careening around the corner with its radio blaring is about to change the trajectory of both their lives. Before it's over, they'll both know there are painful reasons why crickets cry . . . and that miracles lurk around unexpected corners. "Charming characters and twists that keep the pages

High Quality Care for All Secretary of State for Health, 2008 This review incorporates the views and visions of 2,000 clinicians and other health and social care professionals from every NHS region in England, and has been developed in discussion with patients, carers and the general public. The changes proposed are locally-led, patient-centred and clinically driven. Chapter 2 identifies the challenges facing the NHS in the 21st century: ever higher expectations; demand driven by demographics as people live longer; health in an age of information and connectivity; the changing nature of disease; advances in treatment; a changing health workplace. Chapter 3 outlines the proposals to deliver high quality care for patients and the public, with an emphasis on helping people to stay healthy, empowering patients, providing the most effective treatments, and keeping patients as safe as possible in healthcare environments. The importance of quality in all aspects of the NHS is reinforced in chapter 4, and must be understood from the perspective of the patient's safety, experience in care received and the effectiveness of that care. Best practice will be widely promoted, with a central role for the National Institute for Health and Clinical Excellence (NICE) in expanding national standards. This will bring clarity to the high standards expected and quality performance will be measured and published. The review outlines the need to put frontline staff in control of this drive for quality (chapter 5), with greater freedom to use their expertise and skill and

decision-making to find innovative ways to improve care for patients. Clinical and managerial leadership skills at the local level need further development, and all levels of staff will receive support through education and training (chapter 6). The review recommends the introduction of an NHS Constitution (chapter 7). The final chapter sets out the means of implementation.

Last Letter to a Reader Gerald Murnane,2021-11-01 Final work by internationally acclaimed Australian author Gerald Murnane, reflecting on his career as a writer, and the fifteen books which have led critics to praise him as 'a genius on the level of Beckett'. A book which will appeal equally to Murnane's legion of fans, and to those new to his work, attracted by his reputation as a truly original Australian writer. In the first days of spring in his eighty-second year, Gerald Murnane began a project which would round off his career as a writer - he would read all of his books in turn and prepare a report on each. His original intention was to lodge the reports in two of his legendary archives, the Chronological Archive, which documents his life as a whole, and the Literary Archive, which is devoted to everything he has written. But as the reports grew, they themselves took on the form of a book, Last Letter to a Reader. The essays on each of his works travel through the capacious territory Murnane refers to as his mind: they dwell on the circumstances which gave rise to the writing, images, associations, reflections on the theory of fiction, and memories of a deeply personal kind. The final essay is on Last Letter to a Reader itself: it considers the elation and exhilaration which accompany the act of writing, and offers a moving ending to what must surely be his last work as death approaches. 'Help me, dear one, to endure patiently my going back to my own sort of heaven.' 'No living Australian writer, not even Les Murray, has higher claims to permanence or a richer sense of distinction' — Sydney Morning Herald 'The emotional conviction...is so intense, the somber lyricism so moving, the intelligence behind the chiseled sentences so undeniable, that we suspend all disbelief.' — J.M. Coetzee
