**Death Beyond the Go-Thru** Baynard Kendrick,2021-03-09 A PI and his sidekick tackle a case of murder and mayhem at a Florida lumber mill in this Golden Age mystery by the author of *The Iron Spiders*. Arnold Drenner had been warned not to take his boat through Florida's coastal waterways at night—especially alone. However, the businessman was never any good at heeding advice, and the trait appears to have brought about his demise. When an employee of Drenner's lumber mill discovers his boss's boat run aground, Drenner's onboard—dead. When Connie Drenner arrives on the scene, she's advised to sell her father's struggling mill. But she soon receives a frightening warning: it seems someone doesn't want her around either. Desperate for help, Connie calls on a family friend. Now, private detective Miles Standish Rice and his majordomo, George, must root out the source of the trouble. And they better be quick—before Connie is made to follow in her father's footsteps . . . Baynard Kendrick was a founding member of the Mystery Writers of America, the holder of the organization's first membership card, and a winner of its Grand Master Award.

**Chapter Rose Croix** Albert Pike,2013-04-24 No Scottish Rite Mason can truly claim his title without an understanding of the philosophy, religious examinations and ethics as offered in the degrees the Chapter Rose Croix. This classic study by Albert Pike, taken from his *Morals and Dogma*, along with the historical background by Albert Mackey makes this work required reading for all sincere Scottish Rite Masons. Part of the Cornerstone Scottish Rite Education Series.

*Marion's Faith* Charles King,1886

In these degrees, Albert Pike explores human relations, responsibilities and moral codes. The Lodge of Perfection provides each Masonic student with a collection of reflective philosophical lessons which can be used to grow as

The Iron Spiders Baynard Kendrick,2021-03-09 A bizarre death on an isolated Florida island requires a unique detective in this Golden Age mystery by the author of the Duncan Maclain series. Young electrical engineer Donald Buchanan is excited to be working again—and to spend his winter in Florida instead of New York. Instead of waiting tables, he'll be running a small power plant on Broken Heart Key, a private island owned by eccentric billionaire Aaron Tuckerton. Never mind his boss's strange warning about people wanting him dead . . . But trouble quickly follows Don to paradise when a servant mysteriously jumps to her death in what she should've known were barracuda-infested waters. Then a mysterious necklace known as "the Iron Spider" is discovered in her room. Don believes there needs to be an inquest, but Aaron phones for a special investigator instead. The next morning, Don is greeted by Miles Standish Rice. With his schoolboy attitude and voracious appetite, "Stan" may not seem like the type to bring a killer to justice. But as things take a turn for the deadlier on Broken Heart Key, it becomes clear to Don the PI is his only chance of getting off the island alive . . . Baynard Kendrick was a founding member of the Mystery Writers of America, the holder of the organization's first membership card, and a winner of its Grand Master Award.

**Blood on Lake Louisa** Baynard Kendrick,2021-03-09 An apparent hunting accident may prove to be something far more sinister in this thrilling Golden Age mystery by the author of the Duncan Maclain series. Doc Ryan has practiced medicine for twenty years in the quiet Florida town of Orange Crest, the county seat of Manasaw County. He knows more about the lives of the town's inhabitants than anyone else—not that it amounts to much. There's not a lot to do in Orange Crest apart from going to the movie theater, where all the latest pictures are shown. There is, however, hunting and fishing, which draws in tourists from all over. On the final night of the season, Ryan heads out to fish, taking his shotgun along as well in order to bag a duck or two if he's able. As the sun sets, the fish aren't taking the bait, though Ryan manages to fire off a few rounds at some mallards. But when he goes to collect his prize, he instead finds the body of David Mitchell, with shotgun wounds near his heart . . . When Sheriff Pete Crossley hears his friend Ryan claim to be a murderer, he doesn't believe him. Something about the story doesn't add up. And together, sheriff and doctor will set out to find the real killer and restore peace to Orange Crest. Baynard Kendrick was a founding member of the Mystery Writers of America, the holder of the organization's

first membership card, and a winner of its Grand Master Award. He wrote the Duncan Maclain Mysteries and the Miles Standish Rice Mysteries. Blood on Lake Louisawas his first novel.

Masonic Burial Services with General Instructions Robert Macoy,1983

**The Whistling Hangman** Baynard Kendrick,2021-02-23 What seems like an unfortunate fall turns out to be far more disturbing, as a blind detective discovers, in this mystery from the author of The Last Express. Following the loss of his sight in World War I, ex-intelligence officer Capt. Duncan Maclain honed his other senses and became one of the most successful and well-known private investigators in New York City . . . Wealthy businessman Dryden Winslow spent over twenty years self-exiled in Australia, but he's recently returned to the United States. He's staying at Doncaster House, a luxury hotel in Manhattan, where he's rented out six suites for himself and his estranged family. Given Winslow's weakened heart has him on the verge of death, the hotel staff are on high alert, knowing he could drop at any moment. Of course, no one expects him to drop from his balcony . . . Captain Maclain is playing chess with the hotel manager when a startled housekeeper reports her account of Winslow's accident, claiming she heard whistling before the fall. Stranger yet, when Maclain examines the body, he declares Winslow was hanged. Now, with his seeing eye dog at his side and a hotel full of secrets, Maclain sets out to prove his case. It's a lofty goal and, with a lunatic killer still roaming the hotel, a dangerous one too. Baynard Kendrick was the first American to enlist in the Canadian Army during World War I. While in London, he met a blind English soldier whose observational skills inspired the character of Capt. Duncan Maclain. Kendrick was also a founding member of the Mystery Writers of America and winner of the organization's Grand Master Award.
