Souljacker Yasmine Galenorn, 2021-11-16 “Yasmine Galenorn is a powerhouse author; a master of the craft who is taking the industry by storm, and for good reason!” —Maggie Shayne, New York Times bestselling author
Ostensibly the story centers on the search for the killer, but it goes much deeper, laying the foundation for what promises to be an insightful exploration of Lily’s process of personal change while giving readers a peek at a political chess game. The characters leap to life, carrying readers along on a journey through a world much like this one but with a dangerous allure. --Publishers Weekly, Starred Review
One of Publishers Weekly's Top 100 Books of 2017
Lily O’Connell, a succubus, owns Lily Bound, an elite sex salon in the Blood Night District of Seattle. When a client is murdered in her house, a patch of skin missing from his chest, she knows there’s something evil afoot. Then comes the news that the Souljacker—a tattoo-artist-turned-vampire—has escaped from an institution for criminally deranged Supernaturals. And he’s hunting and killing everyone he has ever inked. With one of the Souljacker’s tattoos on her thigh and nowhere else to turn, Lily hires Archer Desmond, a chaos demon and PI, to help her track down the vampire before he finds her and her friends. But Lily didn’t plan to fall for Archer. And as the old tales say—a succubus who falls in love will destroy the heart of the one she seeks to claim.

Intentioning Gloria Feldt, 2021-09-28
Intentioning by best-selling author Gloria Feldt will help you envision the life and career you might have thought were impossible dreams, then give you the courage and actionable tools to achieve them. In the wake of the coronavirus pandemic and a pandemic of racial injustice that together shook our world to its core and revealed deep fault lines in our culture, Gloria Feldt, New York Times best-selling author, speaker, commentator, international leadership expert, successful CEO, and feminist icon, shows how we can seize the once-in-a-lifetime opportunity created by massive disruption to build back stronger with diverse women at the center of the recovery. In *Intentioning: Sex, Power, Pandemics, and How Women Will Take The Lead for (Everyone’s) Good*, Feldt inspires diverse women to embrace their personal power to lead with intention, confidence, and joy. It comes as no surprise to her that women flexed their formidable muscles when needed most, representing a disproportionate number of essential workers during the darkest days

of the coronavirus global outbreak and leading the charge against racism in the United States. But this book is decidedly about the future, taking the leadership lessons learned from this disruption and creating a better world for all. Feldt not only unveils the next step in advancing gender parity in all spheres of business and life, but she also lays out the vital next steps in the overall advancement of our economy and our civilization. The “Lead Like a Woman” framework and the “9 Leadership Intentioning Tools” she presents in this book will prepare, motivate, and propel women of all diversities and intersectionalities now so that by 2025, women will have attained their fair and equal share of leadership positions across all sectors of industry and society. We simply cannot squander women’s talents when so much hangs in the balance. Women must be at the vanguard of reimagining and reconstructing a vibrant and sustainable future for us all.

Believe in People Charles Koch, Brian Hooks, 2020-11-17 A surprising take on how you can help tackle the really big problems in society—from one of America’s most successful entrepreneurs. People are looking for a better way. Towering barriers are holding millions of people back, and the institutions that should help everyone rise are not doing the job. Crumbling communities. One-size fits all education. Businesses that rig the economy. Public policy that stifles opportunity and emboldens the extremes. As a result, this country is quickly heading toward a two-tiered society. Today’s challenges call for nothing short of a paradigm shift – away from a top-down approach that sees people as problems to be managed, toward bottom-up solutions that empower everyone to realize their potential and foster a more inclusive society. Such a shift starts by asking: What would it mean to truly believe in people? Businessman and philanthropist Charles Koch has devoted his life to answering that question. Learn what he’s discovered during his 60-year career to help you apply the principles of empowerment in your life, in your business, and in society. By learning from the social movements and applying the principles that have enabled social progress throughout history, Koch has achieved more than he dreamed possible – building one of the world’s most successful companies and founding Stand Together, one of America’s most innovative philanthropic communities. Stand Together CEO Brian Hooks and Koch show how the only way to solve the really big problems – from poverty and addiction to harmful business practices and destructive public policy – is for each and every one of us to find and take action in our unique role as part of the solution. Full of compelling examples of what works – including several first-person accounts from individuals whose lives have been transformed – Koch and Hooks’ refreshing approach promotes partnership instead of partisanship and speaks to people from different perspectives and all walks of life. They show that no injustice is too tough to overcome if you share a deep belief in people, are willing to unite with anyone to do right, and work to empower others from the bottom up.

My Salinger Year Joanna Rakoff, 2014-06-03 A keenly observed and irresistibly funny memoir about literary New York in the late nineties, a pre-digital world on the cusp of vanishing. Now a major motion picture starring Sigourney Weaver and Margaret Qualley After leaving graduate school to pursue her dream of becoming a poet, Joanna Rakoff takes a job as

assistant to the storied literary agent for J. D. Salinger. Precariously balanced between poverty and glamour, she spends her days in a plush, wood-paneled office—where Dictaphones and typewriters still reign and agents doze after three-martini lunches—and then goes home to her threadbare Brooklyn apartment and her socialist boyfriend. Rakoff is tasked with processing Salinger’s voluminous fan mail, but as she reads the heart-wrenching letters from around the world, she becomes reluctant to send the agency’s form response and impulsively begins writing back. The results are both humorous and moving, as Rakoff, while acting as the great writer’s voice, begins to discover her own.

Raising Race Questions Ali Michael, 2015 Conversations about race can be confusing, contentious, and frightening, particularly for White people. Even just asking questions about race can be scary because we are afraid of what our questions might reveal about our ignorance or bias. *Raising Race Questions* invites teachers to use inquiry as a way to develop sustained engagement with challenging racial questions and to do so in community so that they learn how common their questions actually are. It lays out both a process for getting to questions that lead to growth and change, as well as a vision for where engagement with race questions might lead. Race questions are not meant to lead us into a quagmire of guilt, discomfort, or isolation. Sustained race inquiry is meant to lead to anti-racist classrooms, positive racial identities, and a restoration of the wholeness of spirit and community that racism undermines. Book Features: Case studies of expert and experienced White teachers who still have questions about race. Approaches for talking about race in the K-12 classroom. Strategies for facilitating race conversations among adults. A variety of different resources useful in the teacher inquiry groups described in the book. Research with teachers, not on teachers, including written responses from each teacher whose classroom is featured in the book. “In *Raising Race Questions* Ali Michael is an excavator, determined to dig into every unexplored crevice of White teachers’ experiences with race in order to unearth the complex realities of racism and schooling, and a model of reflective inquiry, willing to lay herself and her assumptions bare in service to the reader’s consciousness and her own. This book grew my consciousness in multiple ways, and that is the greatest gift an author can give me.” —Paul Gorski, founder, EdChange, associate professor, George Mason University “Ali Michael has a gift for getting people talking. This must-read book captures her ‘magic’ and shares useful strategies for teachers and schools working to develop their racial proficiency. As a White teacher engaged in this work, I’ve watched these tools help educators support one another as they make mistakes, reflect, and grow together.” —Lynn Eckerman, Teacher, Independence Charter School, Philadelphia, PA

Article 5 Kristen Simmons, 2012-01-31 New York, Los Angeles, and Washington, D.C., have been abandoned. The Bill of Rights has been revoked, and replaced with the Moral Statutes. There are no more police—instead, there are soldiers. There are no more fines for bad behavior—instead, there are arrests, trials, and maybe worse. People who get arrested usually

don't come back. Seventeen-year-old Ember Miller is old enough to remember that things weren't always this way. Living with her rebellious single mother, it's hard for her to forget that people weren't always arrested for reading the wrong books or staying out after dark. It's hard to forget that life in the United States used to be different. Ember has perfected the art of keeping a low profile. She knows how to get the things she needs, like food stamps and hand-me-down clothes, and how to pass the random home inspections by the military. Her life is as close to peaceful as circumstances allow. That is, until her mother is arrested for noncompliance with Article 5 of the Moral Statutes. And one of the arresting officers is none other than Chase Jennings...the only boy Ember has ever loved.
