The Sacred Art of Joking James Cary, 2019-01-17 Every few weeks a politician, pundit or soap star causes a media storm by making a gaffe or tweeting a joke that some people do not find funny. Comedy is very hard to get right and yet we think it's important to have a sense of humour and not take yourself too seriously. On the other hand, a sense of humour failure can lead to losing your friends, your twitter account, your job, your career and, in some cases, your life. James Cary knows about this. He is a sitcom writer who's written jokes about bomb disposal in Afghanistan (Bluestone 42), defended comments about Islam by Ben Elton on Newsnight, been on a panel with radical Muslim cleric Anjem Choudary, sits on the General Synod of the Church of England and somehow managed to co-write episodes of Miranda. An odd mix, but one that makes him very readable. This entertaining, breezy book, explains how comedy works (with jokes and quotes) and gives much-needed insights into the controversy surrounding humour.

City of Light, City of Dark Avi, 2013-11-26 For use in schools and libraries only. Avi's ground-breaking graphic novel gets a stunning new cover to celebrate its twentieth anniversary! Two kids fight to save their city from eternal winter in this gripping fantasy by Newbery Medalist Avi, illustrated by three-time Sibert Honoree Brian Floca. To begin with--there were these KURBS. These Kurbs owned an Island...with their POWER they controlled both day and night...Years ago, when People first came to the Kurbs' Island, they wanted to build themselves a City. The Kurbs give people light and warmth to establish a city, on one condition: The people must return the Power every year or risk losing the city--forever. This system works for centuries until evil Mr. Underton tries to steal the Power. If he succeeds, the Kurbs will take back the City, reducing it to a dark and frozen tundra. It's up to Carlos and Sarah to find the Power--housed in a subway token--and keep the City safe, despite secrets of Sarah's history that are entwined with the token. What ensues is a race against darkness. A race against the lies of the past. And most of all, a race against time.

Gender, Sexuality and Peace Education Laura L. Finley, Robin Cooper, 2018-06-01 This edited volume, authored by scholars, students, and activists, focuses on how peace educators at the collegiate level can more effectively address gender and sexuality. Chapters focus on the classroom and the campus at large, and emphasize the importance of interdisciplinary

practice, thoughtful approaches that offer both challenges and safety, and solidarity and support. The volume includes entries on hot and important topics, including trigger warnings, using popular culture in the classroom, sex trafficking, campus sexual assault, and more. Contributors come from a variety of disciplinary areas, making the volume eclectic in nature. Further, most entries include student voices, providing much-needed agency for college youth. While the book does offer a critical perspective, importantly, chapters also offer hope and possibility.

Send Me an Image Felix Hoffmann, 2021-04-16 On photography's role in social communication, from early analog film to social media Photography has always been a social medium shared with others. Regenesi George M Church, Edward Regis, 2014-04-08 A Harvard biologist and master inventor explores how new biotechnologies will enable us to bring species back from the dead, unlock vast supplies of renewable energy, and extend human life. In *Regenesi*, George Church and science writer Ed Regis explore the possibilities of the emerging field of synthetic biology. Synthetic biology, in which living organisms are selectively altered by modifying substantial portions of their genomes, allows for the creation of entirely new species of organisms. These technologies—far from the out-of-control nightmare depicted in science fiction—have the power to improve human and animal health, increase our intelligence, enhance our memory, and even extend our life span. A breathtaking look at the potential of this world-changing technology, *Regenesi* is nothing less than a guide to the future of life.

I Want to Go Home Gordon Korman, 2015-05-01 Gordon Korman's uproarious, outrageous, and all-too-familiar summer camp adventure is BACK! Rudy Miller really isn't into the whole camping thing. So when his parents send him to Camp Algonkian "for his own good" all he wants to do is go home. Rudy teams up with his cabin-mate Mike for a series of carefully planned — yet hilariously bungled — escape attempts. Unfortunately, their counsellor (and nemesis) Chip is as determined to keep them there as they are to get away. Rudy and Mike spend their days plotting, playing chess, and working off punishments for their failed escapes. Hmmm, maybe it isn't such a bad way to spend the summer after all . . .

The Gospel According to a Sitcom Writer James Cary, 2021-06-17 Maybe Jesus was joking, the disciples didn't know what they were doing and the New Testament is a lot funnier than you might think. You would think it weird if someone

suddenly ascended into heaven, right? Reading between the lines, do we detect a touch of rivalry between Peter and John? And surely the lack of parables in the latter's mystical tome is simply crying out to be redressed . . . In this sparkingly witty book, BBC sitcom writer James Cary gives us a new and liberating way of looking at the gospel as he entertainingly relates it to a modern context, with references ranging from Charles Dickens to The Vicar of Dibley. Cheerfully playing around with the text, he takes the Bible seriously but allows us to laugh at our own petty vanities and foibles - and be enlightened in the process. The Gospel According to a Sitcom Writer is ideal for anyone wanting to liven up their Bible reading and looking for new ways to be thrilled by this sacred text. It's also perfect for priests, pastors, youth leaders and all those involved in ministry and giving sermons, as James Cary shows using comedy and humour is a brilliant way to communicate the gospel. Warm, funny and full of brilliant insight and Christian humour, The Gospel According to a Sitcom Writer will make you laugh out loud and shake your head in awe. You'll never read the Bible the same way again.

Journey to the Cross Paul David Tripp, 2020-12-18 Journey through Lent with Best-Selling Author Paul David Tripp During our forty days together, may your mourning increase so that your joy may deepen. — Paul David Tripp Lent is a time in the yearly Christian calendar when we mourn our sin and let go of worldly things that keep our hearts from experiencing God more fully. But how do we reevaluate and recalibrate the values of our hearts to match those of our suffering Savior? In this forty-day Lenten devotional, best-selling author Paul David Tripp invites us to set aside time from the busyness of our lives to focus on the suffering and sacrifice of Jesus. Each of the short readings encourages us to abide in the abundant joy found in Christ as we encounter the Savior more fully and follow him more faithfully during this Lenten season.

From Duty to Delight Eileen Scipione, 2022-01-15 Tired of just doing your duty in the bedroom? This book is for you. Do you want to have all (and I mean all) that God designed for a wife's sexual pleasure? This book is very practical. Do you want calming tools to bring down your levels of fear and anxiety when intimate with your husband? This book gives step-by-step instructions for reducing fear and worry and even wrong attractions. Wonder how to strengthen your core muscles for better orgasms? There is a chapter for you. Ever consider what foods to eat for improved sexual responses? Again, a chapter by a registered dietitian spells it out. If you are single, widowed, or divorced, there is a chapter for you too. Just go straight to the last chapter, which guides you into greater spiritual and emotional intimacy with your Bridegroom, Jesus Christ. The topic of sexual intimacy is taboo in the church. Women who struggle with sexual dissatisfaction do not know where to get help. From Duty to Delight: Sexual Intimacy for the Whole Woman is a treasure trove of biblical knowledge and wisdom for the church. In this powerful and passionate book, biblical counselor Eileen Scipione takes us on a necessary and adventurous biblical journey to teach Christian women how to develop physically, emotionally, and spiritually into becoming more fulfilled sexual beings. Shannon Kay McCoy Eileen Scipione offers a biblical approach to sexuality, openly discussing topics that seem off-limits to many. She unapologetically offers wisdom that many young women wished their mothers had openly discussed with

them. Contrasting the cultural misconceptions of monogamous sexual union as drab and dull, she provides the beauty of biblical sexual intimacy filled with pleasure and purpose. Dr. Dale Johnson, Director of ACBC About The Author The author is a committed follower of Christ and an experienced biblical counselor. She was a pastor's wife for several years, and then her husband George helped launch CCEF. Eileen was a pioneer in the homeschooling movement in New Jersey and also in home birthing. She has five grown children and two grandchildren. She earned her BS in education for the visually impaired and also earned her ThM in biblical counseling at Reformed Presbyterian Theological Seminary. A conference and retreat speaker for many years, Eileen loves to use her gifts for those who want biblical and practical help for spiritual, emotional, and even physical challenges. Now a widow, she senses a call on her life to sharing the secrets of her own enriched and intimate marriage of forty-seven years.

Drawing the Line Tom Sito, 2006-10-06 Some of the most beloved characters in film and television inhabit two-dimensional worlds that spring from the fertile imaginations of talented animators. The movements, characterizations, and settings in the best animated films are as vivid as any live action film, and sometimes seem more alive than life itself. In this case, Hollywood's marketing slogans are fitting; animated stories are frequently magical, leaving memories of happy endings in young and old alike. However, the fantasy lands animators create bear little resemblance to the conditions under which these artists work. Anonymous animators routinely toiled in dark, cramped working environments for long hours and low pay, especially at the emergence of the art form early in the twentieth century. In *Drawing the Line*, veteran animator Tom Sito chronicles the efforts of generations of working men and women artists who have struggled to create a stable standard of living that is as secure as the worlds their characters inhabit. The former president of America's largest animation union, Sito offers a unique insider's account of animators' struggles with legendary studio kingpins such as Jack Warner and Walt Disney, and their more recent battles with Michael Eisner and other Hollywood players. Based on numerous archival documents, personal interviews, and his own experiences, Sito's history of animation unions is both carefully analytical and deeply personal. *Drawing the Line* stands as a vital corrective to this field of Hollywood history and is an important look at the animation industry's past, present, and future. Like most elements of the modern commercial media system, animation is rapidly being changed by the forces of globalization and technological innovation. Yet even as pixels replace pencils and bytes replace paints, the working relationship between employer and employee essentially remains the same. In *Drawing the Line*, Sito challenges the next wave of animators to heed the lessons of their predecessors by organizing and acting collectively to fight against the enormous pressures of the marketplace for their class interests -- and for the betterment of their art form.

I Look Divine Christopher Coe, 2013-11-01 Nicholas is beautiful, wealthy and hopelessly vain. With his older brother in tow, he jets from one glamorous scene to another. Whether it's in Rome, Madrid, or Mexico, what matters to him most is the admiration of others. Then one day, not even forty and his beauty faded, his life comes to an early end. His brother is left to pick up the pieces and make sense of Nicholas' untimely demise. *I Look Divine* is a precisely told and moving tale about what lurks beneath the ripples of Narcissus' reflecting pool.

The Case for Easter Lee Strobel, 2004 Of the many world religions, only one claims that its founder returned from the grave. The resurrection of Jesus Christ is the very cornerstone of Christianity. But a dead man coming back to life? In our sophisticated age, when myth has given way to science, who can take such a claim seriously? Some argue that Jesus never died on the cross. Conflicting accounts make the empty tomb seem suspect. How credible is the evidence for the resurrection? Focusing his award-winning skills as a legal journalist on history's most compelling enigma, Lee Strobel retraces the startling findings that led him from atheism to belief. Drawing on expert testimony first shared in his blockbuster book *The Case for Christ*, Strobel examines: The Medical Evidence -- Was Jesus' death a sham and his resurrection a hoax? The Evidence of the Missing Body -- Was Jesus' body really absent from his tomb? The Evidence of Appearances -- Was Jesus seen alive after his death on the cross? Written in a hard-hitting journalistic style, *The Case for Easter* probes the core issues of the resurrection. Jesus Christ, risen from the dead: superstitious myth or life-changing reality? The evidence is in. The verdict is up to you. Book jacket.

You Are Not Your Own Alan Noble, 2021-10-12 The Gospel Coalition Book Awards Honorable Mention You are your own, and you belong to yourself. This is the fundamental assumption of modern life. And if we are our own, then it's up to us to forge our own identities and to make our lives significant. But while that may sound empowering, it turns out to be a crushing responsibility—one that never actually delivers on its promise of a free and fulfilled life, but instead leaves us burned out, depressed, anxious, and alone. This phenomenon is mapped out onto the very structures of our society, and helps explain our society's underlying disorder. But the Christian gospel offers a strikingly different vision. As the Heidelberg Catechism puts it, I am not my own, but belong with body and soul, both in life and in death, to my faithful Savior Jesus Christ. In *You Are Not Your Own*, Alan Noble explores how this simple truth reframes the way we understand ourselves, our families, our society, and God. Contrasting these two visions of life, he invites us past the sickness of contemporary life into a better understanding of who we are and to whom we belong.

Poet's Cottage Josephine Pennicott, 2012 When Sadie inherits Poet's Cottage, she sets out to discover all she can about her notorious grandmother, Pearl Tatlow. Pearl, a children's writer who scandalised 1930s Tasmania, was violently murdered

in the cellar and her killer never found. Sadie grew up with a loving version of Pearl through her mother, but her aunt Thomasina tells a different story, one of a self-obsessed, abusive and licentious woman. As Sadie and her daughter Betty work to uncover the truth, strange events begin to occur in the cottage. And as the terrible secret in the cellar threads its way into the present day, it reveals a truth more shocking than the decades-long rumours. *Poet's Cottage* is a beautiful and haunting mystery of families, bohemia, truth, creativity, lies, memory and murder.

The Equibrists, 2017 A testament to the perseverance of the human character in difficult times, *The Equibrists* is a celebration of 33 Greek and Cypriot artists of the new generation who, in the face of precariousness and material uncertainty, maintain faith in the physical process of object making.
