**Greedy Little Eyes** Billie Livingston, 2010-06-01 In Greedy Little Eyes, award-winning writer Billie Livingston explores the universal craving for connection, both emotional and physical. A young misfit is assaulted by a delusional homeless man and subsequently finds herself caught in the middle of two bullying cops who invite her to hit back; an impulsive and restless mother hungers for independence but wants company along the way; a middle-aged man who yearns for a life off the grid rejects his family and heads into the woods with a young bohemian while he slowly loses his mind; a journalist questions her scruples and complicity after she is invited to visit a friend in New York who is in the midst of an affair with a married man. Fiercely independent, yet struggling to fit in, isolated but exploding with love and longing, Livingston's characters whisper and roar as they wrestle with the notion of normal.

**Blue and Other Colors** Henri Matisse, 2016-04-18 Fine artists are paired with early learning concepts in this groundbreaking series for the toddler set. Henri Matisse's abstract cut-outs are used to teach colors in this polished read-aloud board book. Blue & Other Colors takes children through Matisse's color palette, one artwork per page, beginning with blue and returning to it as a familiar refrain throughout. The variance of shapes, depth, and scale will keep readers engaged, while the text enriches the reading experience with relatable and humorous commentary. Readers will not only learn their

colors, but also grow familiar with fine art in this relevant and relatable first title in this series of concept books featuring the most innovative and influential artists. Includes a read-aloud about the artist at the end. Created for ages 1-3 years

**Beautiful Scars** Tom Wilson, 2019-10-01 I'm scared and scarred but I've survived Tom Wilson was raised in the rough-and-tumble world of Hamilton—Steeltown— in the company of World War II vets, factory workers, fall-guy wrestlers and the deeply guarded secrets kept by his parents, Bunny and George. For decades Tom carved out a life for himself in shadows. He built an international music career and became a father, he battled demons and addiction, and he waited, hoping for the lies to cease and the truth to emerge. It would. And when it did, it would sweep up the St. Lawrence River to the Mohawk reserves of Quebec, on to the heights of the Manhattan skyline. With a rare gift for storytelling and an astonishing story to tell, Tom writes with unflinching honesty and extraordinary compassion about his search for the truth. It's a story about scars, about the ones that hurt us, and the ones that make us who we are. From *Beautiful Scars*: Even as a kid my existence as the son of Bunny and George Wilson seemed far-fetched to me. When I went over it in my head, none of it added up. The other kids on East 36th Street in Hamilton used to tell me stories of their mothers being pregnant and their newborn siblings coming home from the hospital. Nobody ever talked about Bunny's and my return from the hospital. In my mind my birth was like the nativity, only with gnarly dogs and dirty snow and a chipped picket fence and old blind people with short tempers and dim lights, ashtrays full of Export Plain cigarette butts and bottles of rum. Once, when I was about four, I asked Bunny, How come I don't look anything like you and George? How come you are old and the other moms are young? There are secrets I know about you that I'll take to my grave, she responded. And that pretty well finished that. Bunny built up a wall to protect her secrets, and as a result I built a wall to protect myself.

**The Man Behind the Bow Tie** Arthur Porter, 2014-09-16 How does it feel to be deemed guilty before trial? To be held in a cutthroat Panamanian prison while suffering from terminal lung cancer? How does it feel to rise to the top of the medical and public arenas in your adopted country, only to crash miserably to earth under allegations of fraud and money laundering? In short: What is it like to be Dr. Arthur Porter? There are few contemporary figures in Canada more intriguing and controversial than the former spy watchdog of the Canadian Security Intelligence Service. A physician by trade, Porter, always in his iconic bow tie, has been described as intelligent, charismatic, and relentless in his ambitions. Others have called him deceitful, manipulative, and unscrupulous.

How To Be Autistic Charlotte Amelia Poe, 2019-09-19 An urgent, funny, shocking, and impassioned memoir by the winner of the Spectrum Art Prize 2018, *How To Be Autistic* presents the rarely shown point of view of someone living with autism. Poe's voice is confident, moving and often funny, as she reveals to us a very personal account of autism, mental illness, gender and sexual identity. As we follow Charlotte's journey through school and college, we become as awestruck by her extraordinary passion for life as by the enormous privations that she must undergo to live it. From food and fandom, to body

modification and comic conventions, Charlotte's experiences through the torments of schooldays and young adulthood leave us with a riot of conflicting emotions: horror, empathy, despair, laugh-out-loud amusement and, most of all, respect.

**Frida Kahlo at Home** Suzanne Barbezat, 2016-10-27 Frida Kahlo at Home explores the influence of Mexican culture and tradition, the Blue House and other places Frida travelled to and called home, on her life and work. Fully illustrated, the book features Frida's paintings together with archive images and family photographs, objects and artefacts she collected and photographs of the surrounding landscape to provide an insight into how these people and places shaped this much-loved artist and how the homes and landscapes of her life relate to her work.

**Flower Diary** Molly Peacock, 2021-09-14 "Graceful yet precise, poetic yet deeply rooted in research, this exploration of an overlooked painter is gorgeous — a joy to read. Molly Peacock's insights and empathy with her subject bring to life both Mary Hiester Reid and her luscious flower paintings." — Charlotte Gray, author of *The Massey Murder* Molly Peacock uncovers the history of neglected painter Mary Hiester Reid, a trailblazing artist who refused to choose between marriage and a career. Born into a patrician American family in the middle of the nineteenth century, Mary Hiester Reid was determined to be a painter and left behind women's design schools to enter the art world of men. After she married fellow artist George Reid, she returned with him to his home country of Canada. There she set about creating over 300 stunning still life and landscape paintings, inhabiting a rich, if sometimes difficult, marriage, coping with a younger rival, exhibiting internationally, and becoming well-reviewed. She studied in Paris, traveled in Spain, and divided her time between Canada and the United States where she lived among America's Arts and Crafts movement titans. She left slender written records; rather, her art became her diary and *Flower Diary* unfolds with an artwork for each episode of her life. In this sumptuous and precisely researched biography, celebrated poet and biographer Molly Peacock brings Mary Hiester Reid, foremother of painters such as Georgia O'Keefe, out of the shadows, revealing a fascinating, complex woman who insisted on her right to live as a married artist, not as a tragic heroine. Peacock uses her poet's skill to create a structurally inventive portrait of this extraordinary woman whom modernism almost swept aside, weaving threads of her own marriage with Hiester Reid's, following the history of empathy and examining how women manage the demands of creativity and domesticity, coping with relationships, stoves, and steamships, too. How do you make room for art when you must go to the market to buy a chicken for dinner? Hiester Reid had her answers, as Peacock gloriously discovers.

Galileo's Mistake Wade Rowland, 2012-05 In a revisionist look at the seventeenth-century battle between ecclesiastical authorities and Galileo Galilei, Rowland provocatively challenges the prevailing view of the episode. The central issue for the inquisitors investigating Galileo's orthodoxy, insists Rowland, was never the sun-centered astronomy of Copernicus. No, much broader philosophical issues were at stake. And on these issues, Rowland argues, the church stood closer to the truth than did Galileo. The astronomer erred--in Rowland's judgment--not in his advocacy of Copernican theory but rather in his

endorsement of a thoroughgoing mathematical empiricism. And while everyone now agrees with Galileo in accepting Copernicus, the doctrinaire empiricism Galileo deployed to advance Copernicanism looks as shallow and misleading to today's quantum physicists as it once did to the Renaissance theologians who forced Galileo to recant.

**New Architecture New York**, 2017-10-24 A magnificent photographic compilation of New York City's best new architecture, this book features projects by leading firms working today. From Bjarke Ingels Group's VIA West 57 to SHoP Architects' Barclays Center, and from Diller Scofidio + Renfro's High Line to SOM's One World Trade Center, New York City has been home to some of this century's most exciting new architecture. Profiling more than fifty projects that are shaping the city's streets and skylines, this book features color photographs of each building and a brief, informative text about its significance. Renzo Piano Building Workshop, Ateliers Jean Nouvel, Foster + Partners, Selldorf Architects, Gehry Partners, and Adjaye Associates are just some of the firms that have recently completed projects in New York City. Visitors to the city as well as its denizens will find this book an exhilarating guide, while fans of architecture will gain an even greater appreciation of the city's unprecedented development in the past fifteen years by the world's best architects.

**The Night the Gods Smiled** Eric Wright, 1984-01-01

**Sweet Affliction** Anna Leventhal, 2014 A pregnancy test is taken at a wedding, a bad diagnosis leads a patient to a surprising outlook, and a civic holiday becomes a dystopian nightmare. By turns caustic, tender, and creepily hilarious, *Sweet Affliction* reveals the frailties, perversions, and resilience of Anna Leventhal's cast of city-dwellers. Shiftless youths, a compulsive collector of cigarette butts, and a dying pet rat populate fifteen sharply-observed and darkly funny stories that suck at the marrow of modern life.
