Togetherness Redefined Celeste Orr, 2020-06-27 In this book, author and divergent thinker Celeste Orr shares 52 of her popular togetherness tips to help families build big family togetherness on good days and bad days, in big ways and small ways, with everything from playing board games to having one-on-ones, talking about tough issues, reframing frozen pizza nights, and going after big family dreams, long-term travel, and adventure too. As a mom of teenagers who often feels like there aren't enough hours in the day or ideas in her head, and as someone who has shared these tips with families around the world in her email group and online platform, Celeste knows no effort is too small and it's never too late to build togetherness with your family - no matter what. With real-life stories and simple, honest examples, this book gives parents, grandparents, and families of all kinds a go-to list of ideas to break the disconnect that is so often a by-product of the modern-day trappings that keep us from having the kind of family life we truly want. It's great as a one-time read and also designed for those who want to keep it at their fingertips for on-the-fly togetherness suggestions when things get sticky at home.

Breathe in Jesus and Other Poems Dr. Victoria Z. Veloria, 2015-10-09 Breathe in Jesus and Other Poems is a collection of stories in poetry form that revolves within and around the writer's life and those near her family and circle of friends. It is the reflection of life itself: its beauty and bliss, wounds and scars brought by trials, and God's own way of revealing Himself, lighting the path and directing those who seek Him. It is in the spirit of sharing and witnessing to the Lord's glory and grace that events are unfolded and not on personal note to conceal what the general public may consider private. For it is said, Whoever boasts should boast in the Lord (2 Corinthians 10:17). Breathe in Jesus is meant to inspire the broken-hearted and

those who suffer or are still undergoing persecution and loss in different degrees or measure. Not until one sees others suffering or loss could he understand himself and his situation, not until he is shown the manifestation of Gods intervention would enable him to reflect too and be able to see what the Lord has in store for him, and not until he calls on Him could he find God and be blessed by Him! It is on this motive that this book is written, for indeed, the Word of the Living God rules the human heart and makes it breathe in Jesus!

Busy Monsters William Giraldi, 2012-08-07 "The best literary present . . . has a delicate sweetness that shows through at just the right moments."—Ron Charles, Washington Post Book World Echoing a narrative line that includes Kurt Vonnegut and Joseph Heller, William Giraldi's *Busy Monsters* has been hailed as one of the most exciting fiction debuts in years. Penned with a linguistic bravado that explores the diaphanous line between fiction and fact, this "very funny, very inventive debut novel" (The New Yorker) has at last revived the great American picaresque tradition.

Crazy Busy Kevin DeYoung, 2013-09-23 Winner of the 2014 Christian Book of the Year Award "I'M TOO BUSY!" We've all heard it. We've all said it. All too often, busyness gets the best of us. Just one look at our jam-packed schedules tells us how hard it can be to strike a well-reasoned balance between doing nothing and doing it all. That's why award-winning author and pastor Kevin DeYoung addresses the busyness problem head on in his newest book, *Crazy Busy* — and not with the typical arsenal of time management tips, but rather with the biblical tools we need to get to the source of the issue and pull the problem out by the roots. Highly practical and super short, *Crazy Busy* will help you put an end to "busyness as usual."
