Fat Off, Fat On Clarkisha Kent, 2023-03-07 In this disarming and candid memoir, cultural critic Clarkisha Kent unpacks the kind of compounded problems you face when you're a fat, Black, queer woman in a society obsessed with heteronormativity. There was no easy way for Kent to navigate personal discovery and self-love. As a dark-skinned, first-generation American facing a myriad of mental health issues and intergenerational trauma, at times Kent's body felt like a cosmic punishment. In the face of body dysmorphia, homophobia, anti-Blackness, and respectability politics, the pursuit of "high self-esteem" seemed oxymoronic. *Fat Off, Fat On: A Big Bitch Manifesto* is a humorous, at times tragic, memoir that follows Kent on her journey to realizing that her body is a gift to be grown into, that sometimes family doesn't always mean home, and how even ill-fated bisexual romances could free her from gender essentialism. Perfect for readers of Keah Brown's *The Pretty One*, Alida Nugent's *You Don't Have to Like Me*, and Stephanie Yeboah's *Fattily Ever After*, Kent's debut explores her own lived experiences to illuminate how fatphobia intertwines with other oppressions. It stresses the importance of addressing the violence scored upon our minds and our bodies, and how we might begin the difficult—but joyful—work of setting ourselves free.

The Ladies of the Secret Circus Constance Sayers, 2021-03-23 From the author of *A Witch in Time* comes a magical story spanning from Jazz Age Paris to modern-day America of family secrets, sacrifice, and lost love set against the backdrop of a mysterious circus. Paris, 1925: To enter the Secret Circus is to enter a world of wonder—a world where women weave illusions of magnificent beasts, carousels take you back in time, and trapeze artists float across the sky. Bound to her family's circus, it's the only world Cecile Cabot knows until she meets a charismatic young painter and embarks on a passionate affair that could cost her everything. Virginia, 2004: Lara Barnes is on top of the world until her fiancé disappears on their wedding day. When her desperate search for answers unexpectedly leads to her great-grandmother's journals, Lara is swept into a story of a dark circus and ill-fated love. Soon secrets about Lara's family history begin to come to light, revealing a curse that has been claiming payment from the women in her family for generations. A curse that might be tied to her fiancé's mysterious disappearance Praise for *The Ladies of the Secret Circus*: At times decadent and macabre, *The Ladies of the Secret Circus* is a mesmerizing tale of love, treachery, and depraved magic percolating through four generations of Cabot women. —Luanne G. Smith, author of *The Vine Witch* Fans of Erin Morgenstern's *The Night Circus* will love this page-turning

story of dark magic, star-crossed love, and familial sacrifice. —Publishers Weekly (starred review) Ambitious and teeming with magic, Sayers creates a fascinating mix of art, The Belle Époque, and more than a little murder.” —Erika Swyler, author of The Book of Speculation For more from Constance Sayers, check out A Witch in Time.

The Great Liberal Death Wish Canadian League of Rights, Malcolm Muggeridge, 1979

A Witch in Time Constance Sayers, 2020-02-11 A witch is cursed to relive a doomed love affair through many lifetimes, as both troubled muse and frustrated artist, in this haunting debut novel. Helen Lambert has lived several lives—a young piano virtuoso in 1890s Paris, an actress in 1930's Hollywood, a rock star in 1970s Los Angeles -- only she doesn't know it. Until she meets a strange man who claims he's watched over her for centuries, bound to her from the beginning. At first, Helen doesn't believe him. Her life is as normal as any other modern career woman's. Then she begins having vivid dreams about ill-fated love and lives cut short. Caught in a curse, Helen will be forced to relive the same tragic events that ruined her previous lives. But with each rebirth, she's developed uncanny powers. And as the most powerful version of herself, Helen must find a way to break the curse before her time runs out. A Witch in Time is a bewitching tale of passion, reincarnation, and magic perfect for fans of A Secret History of Witches and Outlander. Praise for A Witch in Time: A sweeping story of magical, star-crossed love, as glamorous as it is romantic. Prepare to be dazzled.—Alma Katsu, author of The Hunger Incredibly engrossing and decadent in all the best ways, A Witch in Time is a sumptuous story of love and loss that's perfect for fans of historical fiction with a touch of fantasy.—Hypable A narrative rich in historical detail, brightened by flashes of humor, and filled with colorful characters and fascinating settings. A most rewarding read! —Louisa Morgan, author of A Secret History of Witches For more from Constance Sayers, check out The Ladies of the Secret Circus.

Ever After Samantha Chase, 2022-06-09 She could have had the fairy tale wedding of her dreams. Instead, she walked away to find her true happily ever after. But it found her before she could even start her search. It took her eight months, but Ava Callahan finally has her life just how she wants it after walking out on her own wedding. But it doesn't take long for chaos to reign once again thanks to a chance encounter with the man who threw her world into complete disarray in the first place. Brian McCabe has spent eight months seeking the woman he loves but he's about to run out of patience. There's no time left for subtlety and he'll do what it takes to get Ava's attention, including purposefully putting himself in her path even when it doesn't always work out the way he wanted. Now he just needs to hope that she'll finally see him for who he is. Her happily ever after.

The Memory of Earth Orson Scott Card, 1993-01-15 The first volume in the Homecoming saga from bestselling author Orson Scott Card, The Memory of Earth High above the planet Harmony, the Oversoul watches. Its task, programmed so many millennia ago, is to guard the human settlement on this planet—to protect this fragile remnant of Earth from all threats. To protect them, most of all, from themselves. The Oversoul has done its job well. There is no war on Harmony. There are no

weapons of mass destruction. There is no technology that could lead to weapons of war. By control of the data banks, and subtle interference in the very thoughts of the people, the artificial intelligence has fulfilled its mission. But now there is a problem. In orbit, the Oversoul realizes that it has lost access to some of its memory banks, and some of its power systems are failing. And on the planet, men are beginning to think about power, wealth, and conquest. Homecoming series The Memory of Earth The Call of Earth The Ships of Earth Earthfall Earthborn At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Spy Who Stayed Out in the Cold Adrian Havill, 2002-11-18 Robert Philip Hansen thought he was smarter than the system. For decades, the quirky but respected counterintelligence expert, religious family man, and father of six, sold top secret information to agents of the Soviet Union and Russia. A self-taught computer expert, Hansen often encrypted his stolen files on wafer-thin disks. The data-some 6000 pages of highly classified documents-revealed precious nuclear secrets, outlined American espionage initiatives, and named names of agents-spies who covertly worked for both sides. Soviet government leaders, and their successors in the Russian Federation, used the stolen information to undermine U.S. policies and to eliminate spies in their own ranks. Moscow did not allow their moles the luxury of a defense: at least two men named by Hanssen were executed; a third languished for years in a Siberian hard labor camp. For more than twenty years, Bob Hanssen was the perfect spy. He personally collected at least \$600,000 from his Russian handlers while another \$800,000 was deposited in his name at a Moscow bank. Along with the cash came Rolex watches and cut diamonds. The money financed both his children's education at schools run by the elite and ultra-conservative Catholic organization, Opus Dei, and an inexplicably strange fling with a former Ohio stripper of the year. But he didn't just do it for the money; he did it for the thrill and for a mysterious third reason rooted in religious mysticism. He lacked the people skills to play office politics, and it seemed the aging FBI analyst faced a disappointing career mired in middle management. Instead, he chose to become one of the most dangerous spies in America's history. And no one suspected him until just weeks before his arrest. Robert Philip Hanssen thought he was smarter than the system. And until February 18, 2001, he was right. That's when federal agents surrounded him while he was attempting to complete an exchange with his handlers at a Virginia park. When the G-men captured their mark, they catapulted the once innocuous bureaucrat onto the front pages of every newspaper in America. The most notorious spy since the Rosenbergs had finally become a victim of his own undoing. Now, drawing on more than 100 interviews with Bob Hanssen's friends, colleagues, coworkers, and family members, and confidential sources, best-selling author Adrian Havill tells the entire story you haven't read as only he can. *The Spy Who Stayed Out in the Cold* tells not only how he did it, but why.

The Secret Betrayal Nikolai Tolstoy, 1978

Unexpected Odds Kaylee Ryan, Kaylee Ryan Tbd, 2020-03-19 They say the mistakes of our past shape our future. That

we're molded from experience, from heartache, and from pain. What happens when your past is riddled with regrets? How do you see through the fog, to navigate the path to your future? One breath. One second. One minute. One hour. One day at a time, you learn to live with your unexpected odds.

Sex, Dating, and Relationships Gerald Hiestand, Jay S. Thomas, 2012-02-29 Considering the pervasive immorality and high divorce rate of our contemporary Christian culture, we evidently need a biblically based, theologically compelling, practical understanding of sex, dating, and relationships. Pastors Gerald Hiestand and Jay Thomas counteract this problem with their paradigm-shifting view of purity and relationships—a view that challenges even the basic assumptions of evangelical subculture. Unlike most books on dating, this one cuts straight to the heart of dating relationships, asserting with confidence that the line must be drawn at no sexual activity whatever. Few have dared to define and apply the Bible's understanding of purity in premarital relationships to this degree, but Heistand and Thomas have done it. Furthermore, both authors are vocational pastors who communicate regularly with the target audience and have a proven ability to express biblical truth in a winsome and compelling manner. Sex, Dating, and Relationships adds a new, almost provocative voice to the conversation that, with straightforward theological insight, pleads with Christians to get serious about honoring Christ with their sexuality.

Portraits of Courage George W. Bush, 2017-02-28 #1 NEW YORK TIMES BESTSELLER • A vibrant collection of oil paintings and stories by President George W. Bush honoring the sacrifice and courage of America's military veterans. With Forewords by former First Lady Laura Bush and General Peter Pace, 16th Chairman of the Joint Chiefs of Staff. Growing out of President Bush's own outreach and the ongoing work of the George W. Bush Institute's Military Service Initiative, Portraits of Courage brings together sixty-six full-color portraits and a four-panel mural painted by President Bush of members of the United States military who have served our nation with honor since 9/11—and whom he has come to know personally. Our men and women in uniform have faced down enemies, liberated millions, and in doing so showed the true compassion of our nation. Often, they return home with injuries—both visible and invisible—that intensify the challenges of transitioning into civilian life. In addition to these burdens, research shows a civilian-military divide. Seventy-one percent of Americans say they have little understanding of the issues facing veterans, and veterans agree: eighty-four percent say that the public has little awareness of the issues facing them and their families. Each painting in this meticulously produced hardcover volume is accompanied by the inspiring story of the veteran depicted, written by the President. Readers can see the faces of those who answered the nation's call and learn from their bravery on the battlefield, their journeys to recovery, and the continued leadership and contributions they are making as civilians. It is President Bush's desire that these stories of courage and resilience will honor our men and women in uniform, highlight their family and caregivers who bear the burden of their sacrifice, and help Americans understand how we can support our veterans and empower them to succeed. President Bush

will donate his net author proceeds from PORTRAITS OF COURAGE to the George W. Bush Presidential Center, a non-profit organization whose Military Service Initiative works to ensure that post-9/11 veterans and their families make successful transitions to civilian life with a focus on gaining meaningful employment and overcoming the invisible wounds of war.

Anatomy of a Boyfriend Daria Snadowsky, 2008-09-23 Like [Judy Blume's] *Forever*, this sensitive, candid novel is sure to find a wide audience among curious teens.--Booklist Before this all happened, the closest I'd ever come to getting physical with a guy was playing the board game Operation. Okay, so maybe that sounds pathetic, but it's not like there were any guys at my high school who I cared to share more than three words with, let alone my body. Then I met Wes, a track star senior from across town. Maybe it was his soulful blue eyes, or maybe my hormones just started raging. Either way, I was hooked. And after a while, he was too. I couldn't believe how intense my feelings became, or the fact that I was seeing—and touching—parts of the body I'd only read about in my Gray's Anatomy textbook. You could say Wes and I experienced a lot of firsts together that spring. It was scary. It was fun. It was love. And then came the fall. Daria Snadowsky's unflinching dissection of seventeen-year-old Dominique's first relationship reveals the ecstasy and the agony of love, and everything in between. [Snadowsky] deals in modern terms with the real issues of discovering sex for the first time . . . in a responsible way.--SLJ

The Marbury Lens Andrew Smith, 2010-11-09 A 16-year-old boy who escapes a kidnapper thinks he can forget his trauma, but instead, he loses his grip on reality and believes he's part of an alternate world called Marbury. Sixteen-year-old Jack gets drunk and is in the wrong place at the wrong time. He is kidnapped. He escapes, narrowly. The only person he tells is his best friend, Conner. When they arrive in London as planned for summer break, a stranger hands Jack a pair of glasses. Through the lenses, he sees another world called Marbury. There is war in Marbury. It is a desolate and murderous place where Jack is responsible for the survival of two younger boys. Conner is there, too. But he's trying to kill them. Meanwhile, Jack is falling in love with an English girl, and afraid he's losing his mind. Andrew Smith has written his most beautiful and personal novel yet, as he explores the nightmarish outer limits of what trauma can do to our bodies and our minds. "An engrossing horror/fantasy hybrid...Nightmarish imagery is chillingly effective, and the pacing superbly builds suspense." --Kirkus Reviews

How to Paint Like Turner Nicola Moorby, Mike Chaplin, Ian Warrell, Tony Smibert, 2015-05-01 JMW Turner is one of the greatest artists Britain has ever produced. His watercolours, with their extraordinary effects of shifting light and dramatic skies, are especially highly regarded. For the first time, the secrets of Turner's technique are revealed, allowing present-day watercolourists to learn from his achievements. This book combines unrivalled knowledge of Turner's working methods from Tate curators and conservators with practical advice from some of the world's most respected watercolour experts. Twenty-two thematic exercises are illustrated with Turner's works. Expert contemporary watercolourists explain, step-by-

step, how to paint a similar composition, learning from Turner's techniques. Packed with invaluable information, from the materials Turner used to achieve the masterpieces we know and love today, to the modern materials the twenty-first-century watercolour artist will need. Backed by the authority of Tate, the world centre for Turner scholarship, with a glossary of technical terms, this is an invaluable resource both for lovers of Turner's art and of watercolour painting.

A Hole Is to Dig Ruth Krauss, 1989-09-07 What is a hole? A hole is when you step in it you go down A hole is for a mouse to live in. And, of course, a hole is to dig. This is the funniest book of definitions you'll ever read!

Catching a Witch Heidi Eljarbo, 2017-07-27 Clara Dahl, an educated and upstanding minister's daughter, returns to her childhood home in Norway after several years abroad. She's excited to reconnect with her lifelong friend, Bess and to spend some time becoming reacquainted with the townsfolk. But before long, Clara realizes her sleepy, little, picturesque corner of the world has been invaded by evil. The year is 1660, a time in history when women-especially poor women-were tried and executed for witchcraft. When an English witch-hunter arrives in Clara's seaside village home, she watches in horror as the townsfolk not only welcome him but begin to work with him. As neighbor turns against neighbor, Clara finds herself drawn into the fray, forced to do what she can to protect her friends and others she cares about. Clara struggles against the witch-hunter's influence, speaking out against his unjust treatment of those accused of witchcraft as he plays on other peoples' superstitious and religious beliefs. She is appalled by the townsfolk's behavior, and aside from a handful of close friends, she feels she has no one she can trust. But when Clara's best friend Bess is accused of being a witch, Clara must find others to join her quest to save not only her friend but the entire town...before it's too late.

Ty Cobb Charles Leerhsen, 2015-05-12 Details the life of the legendary, record-holding baseball player, who retired in 1928 and became the first inductee into the Hall of Fame, but who has also been categorized as a belligerent, aggressive player and a racist who hated women and children.

Vic Lee's Corona Diary Vic Lee, 2021-01-12 Vic Lee's Corona Diary is an exquisitely illustrated graphic novel-style memoir chronicling the dramatic events around the global spread of the coronavirus.

Superman For All Seasons (1998-) #2 Jeph Loeb, 2013-06-20 Book Two: Summer! Superman's arrival in Metropolis gained him the attention of the city's star reporter, Lois Lane. FAQs About Kent Hansen Photo 150x150.jpg Books

What is a Kent Hansen Photo 150x150.jpg PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Kent Hansen Photo 150x150.jpg PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Kent Hansen Photo 150x150.jpg PDF?** Editing a PDF can

be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Kent Hansen Photo 150x150.jpg PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Kent Hansen Photo 150x150.jpg PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows

splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
