The Velvet Hours Alyson Richman, 2016-09-06 From the international bestselling author of *The Lost Wife* and *The Garden of Letters*, comes a story—inspired by true events—of two women pursuing freedom and independence in Paris during WWII. As Paris teeters on the edge of the German occupation, a young French woman closes the door to her late grandmother's treasure-filled apartment, unsure if she'll ever return. An elusive courtesan, Marthe de Florian cultivated a life of art and beauty, casting out all recollections of her impoverished childhood in the dark alleys of Montmartre. With Europe on the brink of war, she shares her story with her granddaughter Solange Beaugiron, using her prized possessions to reveal her innermost secrets. Most striking of all are a beautiful string of pearls and a magnificent portrait of Marthe painted by the Italian artist Giovanni Boldini. As Marthe's tale unfolds, like velvet itself, stitched with its own shadow and light, it helps to guide Solange on her own path. Inspired by the true account of an abandoned Parisian apartment, Alyson Richman brings to life Solange, the young woman forced to leave her fabled grandmother's legacy behind to save all that she loved.

The Education of a Christian Society N. Scott Amos,Andrew Pettegree,2017-07-05 Throughout the sixteenth century, political and intellectual developments in Britain and The Netherlands were closely intertwined. At different times religious refugees from one or other country found a secure haven across the Channel, and a constant interchange of books, ideas and personnel underscored the affinity of lands which both made a painful progress towards Protestantism during the course of the century. This collection of ten new studies, all by specialists active in the field, explores the full ramifications of these links, from the first intellectual contacts inspired by the growth of Humanism to the planting of established Protestant churches. With contributions from specialists in art history, literary studies and history, the volume also underscores the vitality of new research in this field and points the way to several new departures in the field of Reformation and Renaissance studies.

From Monk to Money Manager Doug Lynam,2019-03-26 Build a better financial future for yourself and the world. Former monk turned financial advisor, Doug Lynam, shares the rules of money management that will change your approach

to earning, saving, and investing. From Monk to Money Manager is an entertaining and self-deprecating journey through Lynam's relationship with the almighty dollar—his childhood in a rich family, the long-haired hippie days running away from materialism, time in the Marine Corps looking for selfless service, and his twenty years in the monastery under a vow of poverty that led to his current profession as a financial advisor. In this unique look at wealth from a spiritual perspective, Lynam shares his belief that God doesn't expect us to live in poverty. The truth is, we need financial peace so we can help others. When money becomes a part of our spiritual practice, used in love and service, it can bring us closer to our highest spiritual ideals. With humor and humility, Lynam uses stories told through the lens of his own money mistakes, and those of counseling clients, to understand how our attitudes about money hold us back. He also provides clear, step-by-step guidance on how to grow a little bit wealthy. His insights include how to build a compassionate relationship to our finances; some of the good, bad, and ugly truths about money; and the tricks to unlocking financial freedom.

Roosevelt's try for a third term in office, approximately 60 percent of the elections had Hoosiers on a party's national ticket. *Indiana Political Heroes* features essays on eight Hoosier politicians who have made a difference in Indiana and in the nation's capital.

This book explains the process of induction of labour and shares information from research studies, debates and women's, midwives' and doctors' experiences to help women and families become more informed and make the decision that is right for them.

Still Evangelical? Mark Labberton, 2018-02-01 2018 Foreword INDIES Book of the Year Award Finalists - Religion Evangelicalism in America has cracked, split on the shoals of the 2016 presidential election and its aftermath, leaving many wondering if they want to be in or out of the evangelical tribe. The contentiousness brought to the fore surrounds what it means to affirm and demonstrate evangelical Christian faith amidst the messy and polarized realities gripping our country and world. Who or what is defining the evangelical social and political vision? Is it the gospel or is it culture? For a movement that has been about the primacy of Christian faith, this is a crisis. This collection of essays was gathered by Mark Labberton, president of Fuller Theological Seminary, who provides an introduction to the volume. What follows is a diverse and provocative set of perspectives and reflections from evangelical insiders who wrestle with their responses to the question of what it means to be evangelical in light of their convictions. Contributors include: Shane Claiborne, Red Letter Christians Jim Daly, Focus on the Family Mark Galli, Christianity Today Lisa Sharon Harper, FreedomRoad.us Tom Lin, InterVarsity Christian Fellowship Karen Swallow Prior, Liberty University Soong-Chan Rah, North Park University Robert Chao Romero, UCLA Sandra Maria Van Opstal, Grace and Peace Community Allen Yeh, Biola University Mark Young, Denver Seminary Referring to oneself as evangelical cannot be merely a congratulatory self-description. It must instead be a commitment and aspiration guided by the grace and mercy of Jesus Christ. What now are Christ's followers called to do in response to this identity crisis?

From an internationally renowned and respected midwife, this new edition retains the personal and engaging style that made the first edition so popular. The book is enhanced with photos taken from the author's own travels around the world, and features a wealth of interactive material – including an expansion of the Birth Story feature, whereby first-hand accounts of waterbirth from both mothers and practitioners worldwide provide an often moving conclusion to each chapter. With a strong focus on developing practitioners' knowledge and skills in this area, enabling them to confidently offer waterbirth as a safe and viable option, this classic text is an invaluable one-stop resource for anyone with academic, professional or personal interests in waterbirth.
