*Introduction to Transgender Studies* Ardel Haefele-Thomas, 2019-02-05 This is the first introductory textbook intended for transgender/trans studies at the undergraduate level. The book can also be used for related courses in LGBTQ, queer, and gender/feminist studies. It encompasses and connects global contexts, intersecting identities, historic and contemporary issues, literature, history, politics, art, and culture. Ardel Haefele-Thomas embraces the richness of intersecting identities—how race, ethnicity, sexual orientation, class, nation, religion, and ability have cross-influenced to shape the transgender experience and trans culture across and beyond the binary. Written by an accomplished teacher with experience in a wide variety of higher learning institutions, this new text inspires readers to explore not only contemporary transgender issues and experiences but also the global history of gender diversity through the ages. *Introduction to Transgender Studies* features: -A welcoming approach that creates a safe space for a wide range of students, from those who have never thought about gender issues to those who identify as transgender, trans, nonbinary, agender, and/or gender expansive. -Writings from the Community essays that relate the chapter theme to the lived experiences of trans and LGB people and allies from different parts of the world. -Key concepts, film and media suggestions, topics for discussion, activities, and ideas for writing and research to engage students and serve as a review at exam time. -Instructors' resources that will be available that include key teaching points with discussion questions, activities, research projects, tips for using the media suggestions, PowerPoint presentations, and sample syllabi for various course configurations. Intended for introductory transgender, LGBTQ+, or gender studies courses through upper-level electives related to the expanding field of transgender studies, this text has been successfully class-tested in community colleges and public and private colleges and universities.

*Queerly Beloved* Diane Anderson-Minshall, Jacob Anderson-Minshall, 2014-05-01 Imagine if, after fifteen years as a lesbian couple, your partner turned to you and said, I think I'm really a man. What would you do? How would you respond? For Diane and Jacob (née Suzy) Anderson-Minshall this isn't a hypothetical question. It's what really happened. Eight years later, the couple not only remains together, they still identify as queer, still work in LGBT media, and remain part of the LGBT community. How did their relationship survive a gender transition? The authors explore this question and delve into their relationship to reveal the trials and tribulations they have faced along the way. In doing so, they paint a portrait of love, not only to each other, but to the San Francisco Bay Area, LGBT publishing, and the queer community. *Queerly Beloved* is a love

story that flies in the face of expectations and raises questions about the true nature of identity, sexuality, and love.

**Ho'onani: Hula Warrior** Heather Gale,2019-10-01 An empowering celebration of identity, acceptance and Hawaiian culture based on the true story of a young girl in Hawai'i who dreams of leading the boys-only hula troupe at her school. Ho'onani feels in-between. She doesn't see herself as wahine (girl) OR kane (boy). She's happy to be in the middle. But not everyone sees it that way. When Ho'onani finds out that there will be a school performance of a traditional kane hula chant, she wants to be part of it. But can a girl really lead the all-male troupe? Ho'onani has to try . . . Based on a true story, Ho'onani: Hula Warrior is a celebration of Hawaiian culture and an empowering story of a girl who learns to lead and learns to accept who she really is--and in doing so, gains the respect of all those around her. Ho'onani's story first appeared in the documentary *A Place in the Middle* by filmmakers Dean Hamer and Joe Wilson.

**Transgender Experience** Chantal Zabus,David Coad,2013-11-26 This collection by trans and non-trans academics and artists from the United States, the UK, and continental Europe, examines how transgenderism can be conceptualized in a literary, biographical, and autobiographical framework, with emphasis on place, ethnicity and visibility. The volume covers the 1950s to the present day and examines autobiographical accounts and films featuring gender transition. Chapters focus on various stages of transitioning. Interviews with trans people are also provided.

**Human Rights, Sexual Orientation, and Gender Identity** Anne Hellum,2018-04-19 How human rights principles, like the right to gender identity, freedom, integrity and equality, respond to the concerns of different groups of adults and children who experience gender harm due to the binary conception of sexuality and gender identity is the overall theme of this book. The Yogyakarta Principles on the Application of International Human Rights Law in Relation to Sexual Orientation and Gender Identity are analysed in the light of the dynamic jurisprudence of different human rights treaty bodies. Whether and how the status quo of gender duality is reproduced, in spite of international law's growing recognition of the multiplicity of sexualities and gender identities, is discussed. How transgender men, in countries that permit legal gender change, have been successfully prosecuted for gender fraud by female partners claiming to be unaware of their gender history is given attention. While human rights discourse related to LGBTI persons so far has been moulded on the experiences of adults this book gives voice to the concerns of gender-non confirming children. The jurisprudence of the Child Rights Committee, with focus on the complex social and legal issues faced by gender non-confirming children, is addressed. Through narratives, that give voice to these children's experiences, the book demonstrates how the legal gender assigned at birth impacts on their feeling of recognition, self-confidence and self-respect in the private, social, and legal spheres. This book was previously published as a special issue of the *Nordic Journal of Human Rights*.

**Becoming a Visible Man** Jamison Green,2020-09-15 At least two generations of transgender, nonbinary, and gender-nonconforming people have emerged since *Becoming a Visible Man* was first published in 2004, but the book remains a

beloved resource for trans people and their allies. Since the first edition's publication, author Jamison Green's writings and advocacy among business and governmental organizations around the world have led to major changes in the fields of law, medicine, and social policy, and his (mostly invisible) work has had significant effects on trans people globally. This new edition captures the changes of the last two decades, while also imparting a message of self-acceptance and health. With profoundly personal and eminently practical threads, Green clarifies transgender experience for transgender people and their families, friends, and coworkers. Medical and mental health care providers, educators, business leaders, and advocates seeking information about transgender concerns can all gain from Green's integrative approach to the topic. This book candidly addresses emotional relationships that are affected by a transition, and brings refined integrity to the struggle to self-define, whether one undergoes a transition or chooses not to. Emphasizing the lives of transgender men—who are often overlooked—he elucidates the experience of masculinity in a way that is self-assured and inclusive of feminist values. Green's inspirational wisdom has informed and empowered thousands of readers. There is still no other book like *Becoming a Visible Man* in the transgender canon.

**The Reflective Workbook for Partners of Transgender People** D. M. Maynard, 2019-01-21 Partners of people in transition go through their own transitions and may or may not be conflicted as to whether they will remain in their relationship. This unique self-help workbook was created for and focuses on the partner's perspective and own journey. By providing the support and structure needed for partners to reflect, this resource helps navigate the unexpected transition that affects both of their lives. Providing an essential tool that is currently missing, this book gives guidance and advice specifically designed for this situation, alongside activities, quizzes, and personal anecdotes. By combining portions of the author's self-exploration-as the partner of someone who began to transition after 17 years of being in their relationship- with the experiences shared by those who attended her workshops, this workbook examines the challenges, uncertainties, and possible grieving some partners experience throughout the transition process. With space for responding to reflective questions, exercises and games, this workbook offers partners a safe haven to discover their own wants and needs and will be of interest to both couples and individual counselors.

**Amateur** Thomas Page McBee, 2019-05-14 \*Shortlisted for the Baillie Gifford Prize for Nonfiction \*Shortlisted for the Lambda Literary Award in Transgender Memoir/Biography \*Shortlisted for the Wellcome Book Prize One of The Times UK's Best Memoirs of 2018, BuzzFeed's Best Nonfiction of 2018, Autostraddle's Best LGBT Books of 2018, Book Riot's Best Queer Books of 2018, and 52 Insight's Favorite Nonfiction Books of 2018 A "no-holds-barred examination of masculinity" (BuzzFeed) and violence from award-winning author Thomas Page McBee. In this "refreshing and radical" (The Guardian) narrative, Thomas McBee, a trans man, sets out to uncover what makes a man—and what being a "good" man even means—through his experience training for and fighting in a charity boxing match at Madison Square Garden. A self-

described “amateur” at masculinity, McBee embarks on a wide-ranging exploration of gender in society, examining sexism, toxic masculinity, and privilege. As he questions the limitations of gender roles and the roots of masculine aggression, he finds intimacy, hope, and even love in the experience of boxing and in his role as a man in the world. Despite personal history and cultural expectations, “Amateur is a reminder that the individual can still come forward and fight” (The A.V. Club). “Sharp and precise, open and honest,” (Women’s Review of Books), McBee’s writing asks questions “relevant to all people, trans or not” (New York Newsday). Through interviews with experts in neuroscience, sociology, and critical race theory, he constructs a deft and thoughtful examination of the role of men in contemporary society. Amateur is a graceful and uncompromising look at gender by a fearless, fiercely honest writer.

**Men Speak Out** Shira Tarrant, 2013-02-11 Men Speak Out: Views on Gender, Sex, and Power, Second Edition highlights new essays on pornography, pop culture, queer identity, Muslim masculinity, and the war on women. With personal candor and political insight, this collection of diverse authors explores sex work, digital activism, incarceration, domestic violence, surviving incest, and standing firmly as male allies facing the backlash against women’s reproductive rights. Featuring eleven new essays and six revised thematic sections, this second edition of a favorite anthology continues to encourage robust discussion and vibrant debate about masculinity and the possibilities for progressive change. The contemporary, compelling essays in Men Speak Out appeal to students, scholars, activists, and everyday readers.

**Blind Curves** Diane Anderson-Minshall, Jacob Anderson-Minshall, 2007-03-01 The murdered body of lesbian publisher Rosemary Finney is found on a remote hiking path south of San Francisco. Local police of the wealthy Woodside enclave quickly focus on a prime suspect: Investigative Reporter Velvet Erickson. Velvet appeals to her friend and former lover—private eye Yoshi Yakamota, whose detective skills more than make up for her failing eyesight—for help. Yoshi dedicates the resources of her firm, Blind Eye Detective Agency, to proving her friend's innocence. But every time the investigators rule out one suspect, another takes their place. What has Rosemary Finney done to make so many enemies? And which one did it?

**Punishment with Kisses** Diane Anderson-Minshall, 2013-03-01 Home from college, Megan spends her days in her east-wing room of her parents' palatial estate overlooking the pool house where her sister has taken up residence. Her sister Ashley spends her days wildly bucking convention, bringing home a bevy of female lovers, each one more dangerous than the last, and making love to them by the pool—in plain view of her sister, their conservative parents, and their bewildered staff. Ashley stays out all hours, goes places that she doesn't tell anyone about, and keeps secrets that only she knows. Then one night, Ashley is murdered, and when the case grows cold, Megan immerses herself in her sister's underground life in order to find out who killed her and why. She starts by finding Ashley's diary and begins a sexual odyssey of her own. Will she find the answers she seeks, or will her growing relationship with one of Ash's exes blind her to the real truth?

**Blind Leap** Diane Anderson-Minshall, Jacob Anderson-Minshall, 2007 When Jeff Conant, executive director of San Francisco's Frameline Film Festival, dives off the Golden Gate Bridge, he's considered just another statistic - until an independent filmmaker's camera on the bridge reveals that Jeff's death was neither accident nor suicide.
