Mount Vernon Love Story Mary Higgins Clark, 2012-09-04 Always a lover of history, Mary Higgins Clark wrote this extensively researched biographical novel and titled it *Aspire to the Heavens*, after the motto of George Washington's mother. Published in 1969, the book was more recently discovered by a Washington family descendant and reissued as *Mount Vernon Love Story*. Dispelling the widespread belief that although George Washington married Martha Dandridge Custis, he reserved his true love for Sally Carey Fairfax, his best friend's wife, Mary Higgins Clark describes the Washington marriage as one full of tenderness and passion, as a bond between two people who shared their lives -- even the bitter hardship of a winter in Valley Forge -- in every way. In this author's skilled hands, the history, the love, and the man come fully and dramatically alive.

You Grow, Gurl! Christopher Griffin, 2022-03-29 Discover the joys and self-nurturing benefits of plant parenthood, from learning how to begin building your own lush plant family to getting into those fun tips on how to care for your green gurls, with this beautiful, illustrated guide from the dazzling creator of the @plantkween Instagram account. "We all love some new growth, dahling." Six years ago, Christopher Griffin was just beginning the plant parenthood journey with one small Marble Queen Pothos. Today, this Black Queer non-binary femme plant influencer known as Plant Kween tends to a family of more than 200 healthy green gurls in the Brooklyn apartment they call home. *You Grow, Gurl!* is Kween's fun and fabulous guide to becoming a plant parent and keeping your green gurls growing and thriving. Anyone can be a plant parent! It's all about TLC—taking the time and energy to focus on a plant's needs, and ultimately your own. Featuring 200 full-color photos and illustrations, practical instructions and tips—on everything from propagating to measuring humidity to repotting—activities, and stories, this fun and joyful guide shows how to green-up any space and have it serving those lush lewks. Self-care takes many forms and tending to your plants' needs helps you grow too. In addition to information and advice on plant care, Kween provides meditations, mindfulness activities, playlists, and more to help you practice self-care through plant-care. As Kween says, "We can learn a lot about how we treat ourselves, how we treat others, and how we navigate the world from these green lil creatures." Healing and growing your heart, body, and soul takes time, love, and focus. Taking care of plants teaches you to apply that same attention and love to yourself and helps you find new pathways to explore on your own botanical adventure to self-love.

An Imperfect God Henry Wiencek, 2013-11-12 *An Imperfect God* is a major new biography of Washington, and the first to explore his engagement with American slavery. When George Washington wrote his will, he made the startling decision to set his slaves free; earlier he had said that holding slaves was his only unavoidable subject of regret. In this groundbreaking work, Henry Wiencek explores the founding father's engagement with slavery at every stage of his life--as a Virginia planter, soldier, politician, president and statesman. Washington was born and raised among blacks and mixed-race people; he and his wife had blood ties to the slave community. Yet as a young man he bought and sold slaves without scruple, even raffled off children to collect debts (an incident ignored by earlier biographers). Then, on the Revolutionary battlefields where he commanded both black and white troops, Washington's attitudes began to change. He and the other framers enshrined slavery in the Constitution, but, Wiencek shows, even before he became president Washington had begun to see the system's evil. Wiencek's revelatory narrative, based on a meticulous examination of private papers, court records, and the voluminous Washington archives, documents for the first time the moral transformation culminating in Washington's determination to emancipate his slaves. He acted too late to keep the new republic from perpetuating slavery, but his repentance was genuine. And it was perhaps related to the possibility--as the oral history of Mount Vernon's slave descendants has long asserted--that a slave named West Ford was the son of George and a woman named Venus; Wiencek has new evidence that this could indeed have been true. George Washington's heroic stature as Father of Our Country is not diminished in this superb, nuanced portrait: now we see Washington in full as a man of his time and ahead of his time.

Boy @ the Window Donald Earl Collins, 2013-11 As a preteen Black male growing up in Mount Vernon, New York, there were a series of moments, incidents and wounds that caused me to retreat inward in despair and escape into a world of imagination. For five years I protected my family secrets from authority figures, affluent Whites and middle class Blacks while attending an unforgiving gifted-track magnet school program that itself was embroiled in suburban drama. It was my imagination that shielded me from the slights of others, that enabled my survival and academic success. It took everything I had to get myself into college and out to Pittsburgh, but more was in store before I could finally begin to break from my past. *Boy @ The Window* is a coming-of-age story about the universal search for understanding on how any one of us becomes the person they are despite-or because of-the odds. It's a memoir intertwined with my own search for redemption, trust, love, success-for a life worth living. *Boy @ The Window* is about one of the most important lessons of all: what it takes to overcome inhumanity in order to become whole and human again.

Root Shock Mindy Thompson Fullilove, 2016-10-24 Dr. Mindy Thompson Fullilove, a clinical psychiatrist, exposes the devastating outcome of decades of urban renewal projects to our nation's marginalized communities. Examining the traumatic stress of "root shock" in three African American communities and similar widespread damage in other cities, she makes an impassioned and powerful argument against the continued invasive and unjust development practices of displacing

poor neighborhoods.

Never Caught, the Story of Ona Judge Erica Armstrong Dunbar, Kathleen Van Cleve, 2020-08-18 “A brilliant work of US history.” —School Library Journal (starred review) “Gripping.” —BCCB (starred review) “Accessible...Necessary.” —Kirkus Reviews (starred review) A National Book Award Finalist for Nonfiction, *Never Caught* is the eye-opening narrative of Ona Judge, George and Martha Washington’s runaway slave, who risked everything for a better life—now available as a young reader’s edition! In this incredible narrative, Erica Armstrong Dunbar reveals a fascinating and heartbreaking behind-the-scenes look at the Washingtons when they were the First Family—and an in-depth look at their slave, Ona Judge, who dared to escape from one of the nation’s Founding Fathers. Born into a life of slavery, Ona Judge eventually grew up to be George and Martha Washington’s “favored” dower slave. When she was told that she was going to be given as a wedding gift to Martha Washington’s granddaughter, Ona made the bold and brave decision to flee to the north, where she would be a fugitive. From her childhood, to her time with the Washingtons and living in the slave quarters, to her escape to New Hampshire, Erica Armstrong Dunbar, along with Kathleen Van Cleve, shares an intimate glimpse into the life of a little-known, but powerful figure in history, and her brave journey as she fled the most powerful couple in the country.

Savy Wisdom Peggy McColl, 2021-01-03 We're all faced with challenges in our lives which in the moment often seem unsurmountable and hopeless. That was the case for Sophie, a high school student who found herself sitting on a park bench one torturous autumn day, ready to end her life and her struggle. In Sophie's moment of truth, a stranger suddenly appeared next to her, offering his handkerchief which was embroidered with these words: If you want your life to change, you must change. Little did she know the adventure she was about to embark upon as a young woman, inspired by a mysterious man who called himself Savy. Page by page, Sophie discovers more and more about who she truly is, unmasking the illusion of her false identity and limitations, paving her road to endless love, abundance and a life beyond her wildest dreams. You'll find that this book is a fun and suspenseful parable based on real-life events that inspires you to move from victim to victor with actionable takeaways for the betterment of your life.

Shades of L.A. Carolyn Kozo Cole, Kathy Kobayashi, Los Angeles Public Library, 1996 *Shades of L.A.*, a collection of more than one hundred photographs selected from the family albums of eight different communities, makes available, for the first time, rare images of family life in Southern California. Taken not by outsiders reporting to the world, but by families recording their own history, these photographs are important cultural documents of the twentieth century. Together with a timeline of L.A.'s ethnic history, they give a compelling portrait of life in one of America's most diverse cities from the 1880s to the 1960s.

The Humane Gardener Nancy Lawson, 2017-04-18 In this eloquent plea for compassion and respect for all species, journalist and gardener Nancy Lawson describes why and how to welcome wildlife to our backyards. Through engaging anecdotes and inspired advice, profiles of home gardeners throughout the country, and interviews with scientists and horticulturalists, Lawson applies the broader lessons of ecology to our own outdoor spaces. Detailed chapters address planting for wildlife by choosing native species; providing habitats that shelter baby animals, as well as birds, bees, and butterflies; creating safe zones in the garden; cohabiting with creatures often regarded as pests; letting nature be your garden designer; and encouraging natural processes and evolution in the garden. *The Humane Gardener* fills a unique niche in describing simple principles for both attracting wildlife and peacefully resolving conflicts with all the creatures that share our world.

Cinder Marissa Meyer, 2013-01-08 As plague ravages the overcrowded Earth, observed by a ruthless lunar people, Cinder, a gifted mechanic and cyborg, becomes involved with handsome Prince Kai and must uncover secrets about her past in order to protect the world in this futuristic take on the Cinderella story.

Creating the National Park Service Horace M. Albright, Marian Albright Schenck, 1999 Two men played a crucial role in the creation and early history of the National Park Service: Stephen T. Mather, a public relations genius of sweeping vision, and Horace M. Albright, an able lawyer and administrator who helped transform that vision into reality. In *Creating the National Park Service*, Albright and his daughter, Marian Albright Schenck, reveal the previously untold story of the critical missing years in the history of the service. During this period, 1917 and 1918, Mather's problems with manic depression were kept hidden from public view, and Albright, his able and devoted assistant, served as acting director and assumed Mather's responsibilities. Albright played a decisive part in the passage of the National Park Service Organic Act of

1916; the formulation of principles and policies for management of the parks; the defense of the parks against exploitation by ranchers, lumber companies, and mining interests during World War I; and other issues crucial to the future of the fledgling park system. This authoritative behind-the-scenes history sheds light on the early days of the most popular of all federal agencies while painting a vivid picture of American life in the early twentieth century.

Action Park Andy Mulvihill,Jake Rossen,2020-06-30 Citizen Kane does Adventureland. —The Washington Post The outlandish, hilarious, terrifying, and almost impossible-to-believe story of the legendary, dangerous amusement park where millions were entertained and almost as many bruises were sustained, told through the eyes of the founder's son. Often called Accident Park, Class Action Park, or Traction Park, Action Park was an American icon. Entertaining more than a million people a year in the 1980s, the New Jersey-based amusement playland placed no limits on danger or fun, a monument to the anything-goes spirit of the era that left guests in control of their own adventures--sometimes with tragic results. Though it closed its doors in 1996 after nearly twenty years, it has remained a subject of constant fascination ever since, an establishment completely anathema to our modern culture of rules and safety. Action Park is the first-ever unvarnished look at the history of this DIY Disneyland, as seen through the eyes of Andy Mulvihill, the son of the park's idiosyncratic founder, Gene Mulvihill. From his early days testing precarious rides to working his way up to chief lifeguard of the infamous Wave Pool to later helping run the whole park, Andy's story is equal parts hilarious and moving, chronicling the life and death of a uniquely American attraction, a wet and wild 1980s adolescence, and a son's struggle to understand his father's quixotic quest to become the Walt Disney of New Jersey. Packing in all of the excitement of a day at Action Park, this is destined to be one of the most unforgettable memoirs of the year.

"The Only Unavoidable Subject of Regret" Mary V. Thompson, 2019 American historians began producing in-depth studies of slavery and slave life shortly after World War II, but it was not until the early 1980s that the country's museums took the first tentative steps to interpret those same controversial topics. Perhaps because of the tremendous amount of primary material related to George Washington, almost no one looked into the lives of Mount Vernon's enslaved population. Incorporating the results of detailed digging, of both the archaeological and archival varieties, the number of chapters grew as further questions arose. While a few scholars outside Mount Vernon turned their attention to Washington's changing ideas about slavery, they largely overlooked the daily lives of those who were enslaved on the estate, a subject about which visitors expressed a desire to know more. The resulting book makes use of a wide range of sources, including letters, financial ledgers, work reports, travel diaries kept by visitors to Mount Vernon, the reminiscences of family members, former slaves, and neighbors, reports by archaeologists, and surviving artifacts to flesh out the lives of a people who left few written records, but made up 90 percent of the estate's population. The book begins with a look at George and Martha Washington as slaveowners, before turning to various facets of slave life ranging from work, to family life, housing, foodways, private enterprise, and resistance. Along the way, readers will see a relationship between Washington's military career and his style of plantation management, learn of the many ways slaves rebelled against their condition, and get to know many of the enslaved people who made Mount Vernon their home--
