Alastair Gordon,Andrew Geller

They're Playing Our Song Marvin Hamlisch,Neil Simon,Carole Bayer Sager,1980 America's premier funny man and the Tony Award-winning composer of A Chorus Line; collaborated on this hit musical; a funny, romantic show about an established composer and his relationship with an aspiring young female lyricist, not unlike Carole Bayer Sager. Professionally, their relationship works beautifully, but ultimately leads to conflict on the home front. Of course, there's a happy ending.

Beach Houses Alastair Gordon,Andrew Geller,2003-04 For clients in the Hamptons, the Jersey shore, and in New England, Andrew Geller built dozens of houses, most of wood, and most on modest budgets. These spirited houses, many shown here for the first time through vintage photos and drawings, still delight today and will inspire anyone interested in beach house living. 85 photos, 25 in color.

International Guide to Children's Theatre and Educational Theatre Lowell Swortzell,1990 Swortzell has constructed a seminal reference work that chronicles the history, current state of artistic achievement, and foremost future needs of children's theater in 44 different countries. . . . an excellent first resource for diverse forms of research, and quite accessible to both undergraduate and graduate students. Choice After a visit to the Children's Educational Theatre in New York City, the first American theatre intended specifically for children and adolescents, Mark Twain declared that children's theatre is one of the very, very great inventions of the twentieth century. The Guide is designed as a reference book, surveying theatre for young people in forty-five countries from Australia to Zimbabwe, as well as examining some of the provocative paradoxes, questions, and concerns that plague and inspire children's theatre. Arranged in alphabetical order by country, the Guide documents the history of the children's theatre movement in each country, defines its current state of artistic achievement, and projects its foremost needs for the future. For each chapter, the Guide includes profiles of representative companies. Important productions and influential dramatists, directors, designers, performers, and pedagogues are also mentioned.

#GenerationG Nancy Gianni,2018-03-13 Nancy Gianni is living proof that miracles exist. Fourteen years ago, she had no idea that the birth of her daughter, GiGi, and the shock of a subsequent Down syndrome diagnosis would trigger a series of miracles that would eventually help change how the world sees differences. Through it all, she learned that although a miracle is not always pretty or obvious and may even be disguised as pain or tragedy, it is what we do with that pain that

brings the miracle to light. In an inspiring memoir that not only tells the true story of her journey after the birth of GiGi but also shares a call to action, Gianni chronicles the growth of the GiGi's Playhouses empire, as well as the personal struggles and joys that influenced the movement of global acceptance for all #GenerationG. While sharing details of how she learned to tap into her inner strength and rise above negativity, preconceptions, and the unfiltered views of outside observers and how she founded an organization focused on teaching acceptance, Gianni gently reminds us that it is possible to make a conscious decision to be better every day at loving everyone. #GenerationG is the true story of a mother's determination to create a movement of positive change and acceptance after her daughter was born with Down syndrome. All profits from the sale of this book will go toward GiGi's Playhouse and furthering our mission of global acceptance for all through Generation G!

The Rock from the Sky Jon Klassen, 2021-04-13 Look up! From the Caldecott Medal-winning creator of the hat trilogy comes a new deadpan gem. There is a spot. It is a good spot. It is the perfect spot to stand. There is no reason to ever leave. But somewhere above there is also a rock. A rock from the sky. Here comes *The Rock from the Sky*, a hilarious meditation on the workings of friendship, fate, shared futuristic visions, and that funny feeling you get that there's something off somewhere, but you just can't put your finger on it. Merging broad visual suspense with wry wit, celebrated picture book creator Jon Klassen gives us a wholly original comedy for the ages.

We Found a Hat Jon Klassen, 2021-04-06 Hold on to your hats for the conclusion of the celebrated hat trilogy by Caldecott Medalist Jon Klassen, who gives his deadpan finale a surprising new twist. Two turtles have found a hat. The hat looks good on both of them. But there are two turtles. And there is only one hat. . . . Evoking hilarity and sympathy, the shifting eyes tell the tale in this brilliantly paced story in three parts, highlighting Jon Klassen's visual comedy and deceptive

simplicity. The delicious buildup takes an unexpected turn that is sure to please loyal fans and newcomers alike.

Biloxi Blues Neil Simon, 1986 The second in Pulitzer Prize-winning playwright Neil Simon's trilogy which began with *Brighton Beach Memoirs* and concluded with *Broadway Bound*. When we last met Eugene Jerome, he was coping with adolescence in 1930's Brooklyn. Here, he is a young army recruit during WW II, going through basic training and learning about Life and Love with a capital 'L' along with some harsher lessons, while stationed at boot camp in Biloxi, Mississippi in 1943.

The Great American Novel Philip Roth, 2013-07-02 Philip Roth's richly imagined satiric narrative, *The Great American Novel*, turns baseball's status as national pastime and myth into an unfettered farce Featuring heroism and perfidy, lively wordplay and a cast of characters that includes the House Un-American Activities Committee. Roth is better than he's ever been before.... The prose is electric. (The Atlantic) Gil Gamesh is the only pitcher who ever tried to kill the umpire, and John Baal, The Babe Ruth of the Big House, never hit a home run sober. But you've never heard of them -- or of the Ruppert Mundys, the only homeless big-league ball team in American history -- because of the communist plot and the capitalist scandal that expunged the entire Patriot League from baseball memory.

Founding Gardeners Andrea Wulf, 2012-04-03 From the bestselling author of *The Invention of Nature*, a fascinating look at the Founding Fathers like none you've seen before. "Illuminating and engrossing.... The reader relives the first decades of the Republic ... through the words of the statesmen themselves." —The New York Times Book Review For the Founding Fathers, gardening, agriculture, and botany were elemental passions: a conjoined interest as deeply ingrained in their characters as the battle for liberty and a belief in the greatness of their new nation. *Founding Gardeners* is an exploration of that obsession, telling the story of the revolutionary generation from the unique perspective of their lives as gardeners, plant hobbyists, and farmers. Acclaimed historian Andrea Wulf describes how George Washington wrote letters to his estate manager even as British warships gathered off Staten Island; how a tour of English gardens renewed Thomas

Jefferson's and John Adams's faith in their fledgling nation; and why James Madison is the forgotten father of environmentalism. Through these and other stories, Wulf reveals a fresh, nuanced portrait of the men who created our nation.

The Cake Bekah Brunstetter, 2018 Della makes cakes, not judgment calls – those she leaves to her husband, Tim. Waiting for the Parade Roger O'Guin, 2019-11-20 If you are reading this, you must have come upon it not by happenstance but by a predictable course of events that we call kismet or fate. You may be seeking answers that have not yet come your way, and perhaps they are within this book. All too often many people cling to useless, outdated, ineffective codes of behavior that keep them chained to mediocrity or sameness which, is a life they believe to be their inheritance but, want to dream their way out of! They have no idea that they can in fact, dictate their way out of it and prescribe new possibilities and directions through a new state of mind. The course of our lives is not static, not predetermined but, fluid, flexible. We can change our attitudes and consequently change our future. It's being done all of the time by others who have figured this out. Despite feelings of entrapment there is a built-in resolution in all of us. An insight or intuition that can be cultivated and will bring new possibilities for the future. Uncertainty then is the enemy of success and the continuum becomes success or failure, both choices being ours to embrace. But too often people choose compliance. They decide to conform to the life they already know and avoid the unfamiliar. So, they choose the same behaviors while overlooking the possibilities that could begin a new and exciting future. My book, *Waiting for the Parade*, details information on the individual aspects of success and is a unique approach to personal development. It outlines a system of success that has proved effective for Americans competing in the workforce or struggling with life's personal challenges. The book also contains historical facts on political movements, especially socialism, that are not always healthy for the American people or their wallets. I believe it is time for us to speak out and become voices for truth, sanity, and reality. Many people have become swayed by misinformation, so I have chosen politics, especially socialism, as an example of how a limited education can bring about unintended but large-scale consequences. I have included historical research that exposes the real outcomes of long-term and amateurish socialist attempts at governing. One of the most important elements of my work is the posing and answering of important questions. Are our chosen leaders creative or divisive? Are they really helping our country or dividing it? Are we all capable of learning and achievement? Can all of us succeed if each of us is provided with personally tailored education and opportunity?

Chase the Lion Mark Batterson, 2019-04-23 Quit playing it safe and start running toward the roar! Now available for the first time in a convenient paperback edition and featuring a brand new group discussion guide. When the image of a man-

eating beast travels through the optic nerve and into the visual cortex, the brain sends the body a simple but urgent message: run away! That's what normal people do, but not lion chasers. Rather than seeing a five-hundred-pound problem, they see an opportunity for God to show up and show His power. Chase the Lion is more than a catch phrase; it's a radically different approach to life. It's only when we stop fearing failure that we can fully seize opportunity by the mane. With grit and gusto, New York Times best-selling author Mark Batterson delivers a bold message to everyone with a big dream. This is a wake-up call to stop living as if the purpose of life was to simply arrive safely at death. Our dreams should scare us. They should be so big that without God they would be impossible to achieve. Quit running away from what you're afraid of. Chase the lion! Change the world! What is your five-hundred-pound dream? In this highly anticipated sequel to his best-selling *In a Pit with a Lion on a Snowy Day*, Mark Batterson invites lion chasers everywhere to chase dreams so impossible that victory demands we face our fears, defy the odds, and hold tight to God. These are the kind of dreams that will make you a bigger person and the world a better place. Based upon 2 Samuel 23, *Chase the Lion* tells the true story of an ancient warrior named Benaiah who chased a lion into a pit on a snowy day—and then killed it. For most people, that situation wouldn't just be a problem...it would be the last problem they ever faced. For Benaiah, it was an opportunity to step into his destiny. After defeating the lion, he landed his dream job as King David's bodyguard and eventually became commander-in-chief of Israel's army under King Solomon. Written in a way that both challenges and encourages, this revolutionary book will help unleash the faith and courage you need to identify, chase, and catch the five-hundred-pound dreams in your life.
