The Book of Will Lauren Gunderson, 2018-06-18 Without William Shakespeare, we wouldn't have literary masterpieces like Romeo and Juliet. But without Henry Condell and John Heminges, we would have lost half of Shakespeare's plays forever! After the death of their friend and mentor, the two actors are determined to compile the First Folio and preserve the words that shaped their lives. They'll just have to borrow, beg, and band together to get it done. Amidst the noise and color of Elizabethan London, THE BOOK OF WILL finds an unforgettable true story of love, loss, and laughter, and sheds new light on a man you may think you know.

An Iliad Lisa Peterson, Denis O'Hare, 2014-09-24 From Robert Fagles's acclaimed translation, An Iliad telescopes Homer's Trojan War epic into a gripping monologue that captures both the heroism and horror of war. Crafted around the stories of Achilles and Hector, in language that is by turns poetic and conversational, An Iliad brilliantly refreshes this world classic. What emerges is a powerful piece of theatrical storytelling that vividly drives home the timelessness of mankind's compulsion toward violence.

Passing Performances Robert A. Schanke, Kim Marra, 1998 Passing Performances gathers a range of critical and biographical essays on notable personalities whose major contributions to the stage occurred before 1969, the year of the Stonewall riots that kicked off the gay rights movement in the United States. How these theater practitioners variously

passed-- i.e., managed unconventional sexual inclinations both on- and offstage--significantly determined the course of their personal and professional lives and thus the course of U.S. theater history. The actors, directors, producers, and agents examined here include Edwin Forrest, Charlotte Cushman, and Adah Isaacs Menken, whose personal lives and careers traded on the same-sex erotics of true love in the antebellum period; Elisabeth Marbury, Elsie de Wolfe, Elsie Janis, Nance O'Neil, and Alla Nazimova, whose intimate female liaisons were variously interpreted around the turn of the century; the lavender marriages of Alfred Lunt to Lynne Fontanne and Guthrie McClintic to Katharine Cornell; the lesbian collaborations of Margaret Webster and Cheryl Crawford; the comic antics of Monty Woolley, which negotiated codified constructions of homosexual perversion in the post-Freudian interwar years; and the on- and offstage performances of Mary Martin and Joe Cino, which resisted the paranoid enforcements of heterosexual normality in the McCarthy era. Central to these investigations are the complex connections of performances of sexuality and gender and their different implications for men and women practitioners working under pervasive sexism and homophobia. The volume also includes striking archival photographs of the performers and their performances, and an index to facilitate the cross-referencing of subjects' intersecting careers. *Passing Performances* will engage both general and academic readers interested in theater, gay and lesbian history, American studies, and biography. Robert A. Schanke is Professor of Theatre and Chair of the Division of Fine Arts, Central College, Iowa. Kim Marra is Associate Professor of Theatre Arts, University of Iowa.
