Be the Miracle Regina Brett, 2012-01-06 Want to live your dreams--or even surpass them? Want the world to change for the better? Want to see a miracle? What are we waiting for? Why not be the miracle? That's the challenge Regina Brett sets forth in BE THE MIRACLE. To be a miracle doesn't necessarily mean tackling problems across the globe. It means making a difference, believing change is possible, even in your own living room, cubicle, neighborhood, or family. Through a collection of inspirational essays, Regina shares lessons that will help people make a difference in the world around them. The lessons come from Regina's life experience and from the lives of others, especially those she has met in her 24 years as a journalist. Each chapter is a lesson that can stand alone, but together they form a handbook for seeing the miracle of change everywhere. With upbeat lessons from Do Your Best and Forget the Rest to Sometimes It's Enough to Make One Person Happy, these lessons will help you accept and embrace yourself, challenge and change yourself, and better serve others.

Chris Ofili Minna A. Moore Ede, Chris Ofili, Gabriele Finaldi, 2017-05 Two and a half years in the making, 'The Caged Bird's Song' is a monumental tapestry by the celebrated British artist, Chris Ofili. Accompanying 'Chris Ofili: Weaving Magic', the artist's ambitious presentation of the tapestry within a specially conceived environment in the Sunley Room at the National Gallery, this publication tells the story of the work's evolution and documents the close collaboration between Ofili and master weavers who have interpreted his designs with astonishing nuance. A suite of previously unseen preparatory watercolours and works on paper and a revealing essay by the exhibition's curator, Minna Moore Ede, further illuminate this extraordinary project by one of the most acclaimed artists working today.

The Military Justice System United States. Air Force ROTC., 1962 This text is designed to give the advanced Air Force ROTC student an over-all view of the military justice system, of how it operates in the Air Force, and of the general responsibilities of those in 'authority or command' who must administer the system. And, above all, it is hoped that the text will engender a feeling that military justice is directly, intimately, and essentially concerned with human conduct - rather than with arbitrary rules, legalistic distinctions, and inflexible classifications--Pref.
