It is only after she runs a sting operation on a home for the differently abled that Sandy makes a connection between an institute acting as a front for something sinister and the strange family she lives with. Chasing the truth up a trail of brutal murders, Sandy must evade the grasping clutches of a thriving sex racket and expose the predators before her time runs out.

The Inheritance of Exile Susan Muaddi Darraj, 2007-04-01 In *The Inheritance of Exile*, Susan Muaddi Darraj expertly weaves a tapestry of the events and struggles in the lives of four Arab-American women. Hanan, Nadia, Reema, and Aliyah search for a meaningful sense of home, caught in the cultural gap that exists between the Middle East and the United States. Daughters of Palestinian immigrants who have settled into the diverse southern section of Philadelphia, the four friends live among Vietnamese, Italians, Irish, and other ethnic groups. Each struggles to reconcile her Arab identity with her American one. Muaddi Darraj adds the perspectives of the girls' mothers, presented in separate stories, which illuminate the often troubled relationship between first and second generations of immigrants. Her suite of finely detailed portraits of arresting characters, told in evocative, vivid language, is sure to intrigue those seeking enjoyment and insight.

Too Bright to Hear Too Loud to See Juliann Garey, 2012-12-26 An NPR Great Read: This novel about bipolar disorder and one man's journey through the world is a "convincing portrait of mental illness" (Entertainment Weekly). This tour-de-force novel takes us inside the restless mind, ravaged heart, and anguished soul of Greyson Todd—a successful Hollywood studio executive who leaves his wife and young daughter for a decade to travel the globe, finally giving free rein to the bipolar disorder he's been forced to keep hidden for almost twenty years. The story intricately weaves together three timelines—Greyson's wanderings to Rome, to Israel, to Santiago, to Thailand, to Uganda; the progressive unraveling of his own father as seen through Greyson's childhood memories; and the intricacies and estrangements of his marriage—all of which unfolds in a narrative spanning twelve thirty-second electroshock treatments in a New York psychiatric ward.

Second Story Man Charles Salzberg, 2018-03-26 Francis Hoyt, arrogant, athletic, brilliant, manipulative and ruthless, is a master burglar. He specializes in stealing high-end silver, breaking into homes that seem impenetrable. He's never been caught in the act, although he has spent some time in prison on a related charge, time he used to hone his craft and make valuable connections. (Hoyt is based on two real-life master burglars: the so-called Dinnertime Bandit, who only stole when his victims were home, and The Silver Thief, who was only interested in high-end silver). Hoyt follows the money. In the winter, he works down south, primarily in southern Florida and Georgia, around the Atlanta area. Summers, he moves back up north, where he plies his trade in New York, New Jersey, Connecticut and Massachusetts. One day, Charlie Floyd, brilliant, stubborn, an experienced investigator, who has recently retired from his job with the attorney general's department for the state of Connecticut, receives a phone call from Manny Perez, a Cuban-American Miami police detective. Perez, who's worked with Floyd previously, wants to enlist the former investigator in his efforts to put an end to Francis Hoyt's criminal career. Floyd accepts the offer and they team up to bring Hoyt to justice. Told in alternating chapters representing Hoyt's, Floyd's and Perez's points-of-view, the story develops into a contest between the two lawmen and this master burglar. As Floyd and Perez get closer to their prey, Hoyt finds out they're after him and rather than backing down, he taunts them, daring them to bring him in. The stakes get higher and higher, and Hoyt, who is always concerned about proving he's the best at what he does, even resorts to murder. Eventually, the story climaxes in a confrontation between the three men. Praise for *SECOND STORY MAN*: "Second Story Man is a down and dirty game of cat and mouse, only this time there are two cats and the mouse hasn't yet seen the trap that can touch him. Are two cats better than one? Read it and see." —Reed Farrel Coleman, New York Times bestselling author of *What You Break* "Salzberg is a superb wordsmith, with an honest ear for dialogue, and a delight in plot twists. If you're not already a Salzberg fan, read this book; you will become one." —Michael Sears, Edgar Award nominee and Shamus Award winner for *Black Fridays* "With *Second Story Man*, Charles Salzberg works his magic on the old cat-and-mouse game: he adds an extra cat, a (Michael J) foxy mouse, and a mousetrap you won't see coming until it snaps shut." —Tim O'Mara, Barry Award-nominated author of the Raymond Donne mysteries "Traversing my old stomping grounds, from Connecticut to South Beach, I loved the local touches and flavors. But what hit me hardest is how much this plays like a re-envisioned Michael Mann's *Heat*. The terse dialogue, two men on opposite sides of the law but oh-so-much alike, the chess match. I would've liked to see that movie." —Joe Clifford, author of the Jay Porter thriller series "Terrific. And the riveting *Second Story Man* is also a master class in voice and dialogue and storytelling. This caper about three men—two cops and a burglar—reinventing themselves for the second stories of their lives is unique, textured and even hilarious. Charles Salzberg has perfected the existential crime novel—and this one will break your heart." —Hank Phillippi Ryan, Anthony, Agatha and Mary Higgins Clark Award-winning author "Charlie Floyd and Manny Perez are a new and most welcome team on the investigative scene. Now that they've dispensed with master burglar Francis Hoyt—or have they?—I'm

expecting, and looking forward to, more of their unique take on how to bring down evil-doers.” —SJ Rozan, Edgar Award-winning author of *Ghost Hero*

The Strange Case of Dr. Couney Dawn Raffel, 2019-09-10 "A mosaic mystery told in vignettes, cliffhangers, curious asides, and some surreal plot twists as Raffel investigates the secrets of the man who changed infant care in America."—NPR, 2018's Great Reads What kind of doctor puts his patients on display? This is the spellbinding tale of a mysterious Coney Island doctor who revolutionized neonatal care more than one hundred years ago and saved some seven thousand babies. Dr. Martin Couney's story is a kaleidoscopic ride through the intersection of ebullient entrepreneurship, enlightened pediatric care, and the wild culture of world's fairs at the beginning of the American Century. As Dawn Raffel recounts, Dr. Couney used incubators and careful nursing to keep previously doomed infants alive, while displaying these babies alongside sword swallowers, bearded ladies, and burlesque shows at Coney Island, Atlantic City, and venues across the nation. How this turn-of-the-twentieth-century émigré became the savior to families with premature infants—known then as "weaklings"—as he ignored the scorn of the medical establishment and fought the rising popularity of eugenics is one of the most astounding stories of modern medicine. Dr. Couney, for all his entrepreneurial gusto, is a surprisingly appealing character, someone who genuinely cared for the well-being of his tiny patients. But he had something to hide... Drawing on historical documents, original reportage, and interviews with surviving patients, Dawn Raffel tells the marvelously eccentric story of Couney's mysterious carnival career, his larger-than-life personality, and his unprecedented success as the savior of the fragile wonders that are tiny, tiny babies. Triple Shot Ross Klavan, Tim O'Mara, Charles Salzberg, Shadow towns, smugglers and secret notes — this trio of New York authors are a TRIPLE SHOT of twists and turns in three novellas. Payback leads to an unmarked grave in Ross Klavan's *Thump Gun Hitched*. A freak accident forces two L.A. cops to play out a deadly obsession that takes them from back alley payoffs to hard time in prison, then deep into the tunnel networks south of the border to a murderous town that's only

rumored to exist. Before the last shot is fired, everything they thought was certain proves to be a shadow and everything they trusted opens into a trap. Life was so much simpler for Tim O'Mara's marijuana-selling narrator in *Smoked* when all he had to worry about was keeping his customers, now ex-wife, and daughter satisfied. When he forges a reluctant alliance with his ex-wife's new lover, he realizes there's lots of money to be made from the world's number one smuggled legal product — cigarettes. Unfortunately, his latest shipment contained some illegal automatic weapons. Now he's playing with the big boys and finds the price of the game way over his head. Murder was never part of his business model. And finally in *Twist of Fate*, Charles Salzberg follows Trish Sullivan, an ambitious TV reporter working in a small, upstate New York market. She receives a note from Meg Montgomery, a beautiful young woman convicted of murdering her husband and two children. Montgomery claims she's innocent and Sullivan, smelling a big story that may garner some national attention, investigates and turns up evidence that the woman has, indeed, been framed. What happens next changes the life of both women in unexpected ways.

The Fiction Class Susan Breen, 2008-02-26 Read Susan Breen's posts on the Penguin Blog. A witty, honest, and hugely entertaining story for anyone who loves books, or has a difficult mother. And, let's face it, that's practically everybody . . . On paper, Arabella Hicks seems more than qualified to teach her fiction class on the Upper West Side: she's a writer herself; she's passionate about books; she's even named after the heroine in a Georgette Heyer novel. On the other hand, she's thirty-eight, single, and has been writing the same book for the last seven years. And she has been distracted recently: on the same day that Arabella teaches her class she also visits her mother in a nursing home outside the city. And every time they argue. Arabella wants the fighting to stop, but, as her mother puts it, "Just because we're family, doesn't mean we have to like each other." When her class takes a surprising turn and her lessons start to spill over into her weekly visits, she suddenly finds she might be holding the key to her mother's love and, dare she say it, her own inspiration. After all, as a lifelong lover of books, she knows the power of a good story.

Like Shaking Hands with God Kurt Vonnegut, Lee Stringer, 2011-01-04 *Like Shaking Hands with God* details a collaborative journey on the art of writing undertaken by two distinguished writers separated by age, race, upbringing, and

education, but sharing common goals and aspirations. Rarely have two writers spoken so candidly about the intersection where the lives they live meet the art they practice. That these two writers happen to be Kurt Vonnegut and Lee Stringer makes this a historic and joyous occasion. The setting was a bookstore in New York City, the date Thursday, October 1, 1998. Before a crowd of several hundred, Vonnegut and Stringer took up the challenge of writing books that would make a difference and the concomitant challenge of living from day to day. As Vonnegut said afterward, It was a magical evening. A book for anyone interested in why the simple act of writing things down can be more important than the amount of memory in our computers.

In the Year of Long Division Dawn Raffel, 1994 Dawn Raffel's debut delivers us to the wild spaces of a youth in the Midwest and to the blank terrors of the heart. There is a cold wind blowing through these stories, whose sentences come to us as a rebuke to anything felt. In her flight from sentiment, Raffel masterfully reifies the new will to absence that marks the moral and emotional bearing of her generation. The result is not just an acknowledgment of all our long divisions - the divide between impulse and the means to apprehend it, between desire and entrapment - but of the final sweet concession that we must each of us make to the futility of even the smallest mending. In the Year of Long Division gives us the triumph of craft over the obstinance of expression and the installation of a writer certain to be cited in the continuing reinvention of the American short story.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
