Vashon-Maury Island Bruce Haulman, Jean Cammon Findlay, 2011 Vashon-Maury Island lies between Seattle and Tacoma and is connected to the mainland by the Washington State Ferries. The bridge proposed in the 1950s and 1960s did not materialize, which helped retain the island's isolation and rural lifestyle. Like other Puget Sound islands, its original economy was based on logging, fishing, brick-making, and agriculture, especially its strawberries. Island industries included the largest dry dock on the West Coast, shipbuilding, and ski manufacturing. Distinct from the other islands, Vashon-Maury is the only one whose major town is not on the water. Originally inhabited for thousands of years by the S'Homamish people, the island's first white settler arrived in 1865. Today, 145 years later, the population is more than 11,000.

Modern Rustic Emily Henson, 2021-02-09 Rustic isn't what it used to be. Gone are the days when rustic style meant fusty dried flower arrangements, antlers over a stone fireplace and acres of tartan. At its heart, the modern rustic look celebrates the fabric of a home, from the roof beams to the brickwork. This style revels in earthy colours and rich textures; in natural materials such as wood and stone; and the ruggedly handsome bones of a building. In this book, stylist Emily Henson and writer Joanna Simmons first lead you through the Elements of the Modern Rustic look. Pure Rustic elegantly blends clean lines with muted shades of grey. Bohemian Rustic mixes texture and pattern with lush colour, while Pop Rustic teams raw wood with pops of neon and tongue-in-cheek artworks. Retro Rustic, meanwhile, brings a relaxed feel, showcasing beaten-up leather armchairs and brick floors. In Details, textiles, furniture, fabric and display are explored, while Living Spaces shows how Modern Rustic style translates beautifully to every room in the house.

The Rebirthing of God John Philip Newell, 2014-06-06 Dare to imagine a new birth from deep within Christianity, a fresh stirring of the Spirit. “The walls of Western Christianity are collapsing. In many parts of the West that collapse can only be described as seismic.... There are three main responses or reactions to this collapse. The first is to deny that it is happening. The second is to frantically try to shore up the foundations of the old thing. The third, which I invite us into, is to ask what is trying to be born that requires a radical reorientation of our vision. What is the new thing that is trying to emerge from deep within us and from deep within the collective soul of Christianity?” —from the Introduction In the midst of dramatic changes in Western Christianity, internationally respected spiritual leader, peacemaker and scholar John Philip Newell offers the hope of a fresh stirring of the Spirit among us. He invites us to be part of a new holy birth of sacred living. Speaking directly to the heart of Christians—those within the well-defined bounds of Christian practice and those on the disenchanting edges—as well as to the faithful and seekers of other traditions, he explores eight major features of a new birthing of Christianity: Coming back into relationship with the Earth as sacred Reconnecting with compassion as the ground of true relationship Celebrating the Light that is at the heart of all life Reverencing the wisdom of other religious traditions Rediscovering spiritual practice as the basis for transformation Living the way of nonviolence among nations Looking to the unconscious as the wellspring of new vision Following love as the seed-force of new birth in our lives and world

The Remarkable Ordinary Frederick Buechner, 2017-10-03 Learn to see God's remarkable works in the everyday ordinary of your life. Your remarkable life is happening right here, right now. You may not be able to see it--your life may seem predictable and your work insignificant until you look at your life as Frederick Buechner does. Named the father of today's spiritual memoir movement by Christianity Today, Frederick Buechner reveals how to stop, look, and listen to your life. He reflects on how both art and faith teach us how to pay attention to the remarkableness right in front of us, to watch for the greatness in the ordinary, and to use our imaginations to see the greatness in others and love them well. Pay attention, says Buechner. Listen to the call of a bird or the rush of the wind, to the people who flow in and out of your life. The ordinary points you to the extraordinary God who created and loves all of creation, including you. Pay attention to these things as if your life depends upon it. Because, of course, it does. As you learn to pay attention to your life and what God is doing in it, you will uncover the plot of your life's story and the sacred opportunity to connect with the Divine in each moment.

Creating Connecticut Walter W. Woodward,2020-05-01 Connecticut State Historian Walter Woodward helps us understand how people and events in Connecticut's past played crucial roles in forming the culture and character of Connecticut today. Woodward, a gifted story-teller, brings the history we thought we knew to life in new ways, from the nearly forgotten early presence of the Dutch, to the time when Connecticut was New England's fiercest prosecutor of witches, the decades when Connecticutans were rapidly leaving the state, and the years when Irish immigrants were hurrying into it. Whether it's his investigation into the unusually rough justice meted out to Revolutionary War hero Nathan Hale, or a peek into Mark Twain's smoking habits, *Creating Connecticut* will leave you thinking about our state's past--and its future--in a whole new way.

Once Upon a Dream Charles Solomon,2014-06-17 Sleeping Beauty remains one of the most celebrated of all fairy tales. First published by Charles Perrault in 1697, his vision of the ageless, enchanted princess slumbering in her vine-encrusted tower has fascinated readers and artists for more 300 years - three times as long as the heroine slept. This heavily-illustrated book will trace the history of that fascination, which has manifested itself in literature, fine art, poetry, music and film. Includes lots of behind the scenes content for 2014's new film Maleficent, starring Angelina Jolie.

Hartford Seen Pablo Delano,2020-03-06 Hartford Seen is the first modern-day art photography book focused exclusively on Connecticut's capital city. Born and raised in Puerto Rico, Pablo Delano relocated from Manhattan to Hartford in 1996 to teach photography at Trinity College. On his daily drive to work, he was struck continually by the city's visual beauty and

complexity. He left the car and began to explore, using his camera as a means of gaining a deeper understanding of what he found. In this personal meditation on Hartford's built environment, Delano implements a methodical but intuitive approach, scrutinizing the layers of history embedded in the city's fabric. He documents commercial establishments, industrial sites, places of worship, and homes with a painter's eye to color and composition. His vision tends to eschew the city's better-known landmarks in favor of vernacular structures that reflect the tastes and needs of the city's diverse population at the dawn of the 21st Century. Over the last 100 years Hartford may have transformed from one of America's wealthiest cities to one of its poorest, but as suggested by *Hartford Seen*, today it nevertheless enjoys extraordinary cultural offerings, small entrepreneurship, and a vibrant spiritual life. The city's historical palette consists mostly of the brownstone, redbrick, and gray granite shades common in New England's older cities. Yet Delano perceives that it is also saturated with the blazing hues favored by many of its newer citizens. With more than 150 full-color images, *Hartford Seen* vitally expands the repertoire of photographic studies of American cities and of their contemporary built environments.

Hopes and Expectations Barbara J. Beeching, 2016-12-29 Describes in rich detail African American daily life among free blacks in the North in the 1860s. Based on a treasure trove of more than two hundred personal letters written in the 1860s, *Hopes and Expectations* tells the story of three young African Americans in the North. Living on Maryland's eastern shore, schoolteacher Rebecca Primus sent "home weeklies" to her parents in Hartford and also corresponded with friend Addie Brown, a domestic worker back home. Addie wrote voluminously to Rebecca, lamenting their separation and describing her struggle to achieve a semblance of security and stability. Around the same time, Rebecca's brother, Nelson, began writing home about his new life in Boston, as he set out to make a name and a career for himself as an artist. The letters describe their daily lives and touch on race, class, gender, religion, and politics, offering rare entry into individual black lives at that time. Through extensive archival research, Barbara J. Beeching also shows how the story of the Primus family intersects with changes over time in Hartford's black community and the country. Newspapers and census tracts, as well as probate, land, court, and vital records help her trace an arc of local black fortunes between 1830 and 1880. Seeking full equality, blacks sought refinement and respectability through home ownership, literacy, and social gains. One of the many paradoxes Beeching uncovers is that just as the Civil War was tearing the nation apart, a recognizable black middle class was emerging in Hartford. It is a story of individuals, family, and community, of expectation and disappointment, loss and endurance, change and continuity. "This is a powerful book and a truly important story. Beeching provides a richly detailed survey of life in Connecticut, the political and racial climates at various historical moments, and the web of intraracial and interracial networks that informed the Primus family experiences. Multifaceted and thoroughly absorbing, *Hopes and Expectations* will reintroduce people to a New England that they thought they knew." — Lois Brown, author of *Pauline Elizabeth Hopkins: Black Daughter of the Revolution*
