The Sign for Home Blair Fell,2023-03-14 Arlo Dilly is young, handsome and eager to meet the right girl. He also happens to be DeafBlind, a Jehovah's Witness, and under the strict guardianship of his controlling uncle. His chances of finding someone to love seem slim to none. And yet, it happened once before: many years ago, at a boarding school for the Deaf, Arlo met the love of his life-a mysterious girl with onyx eyes and beautifully expressive hands which told him the most amazing stories. But tragedy struck, and their love was lost forever. Or so Arlo thought. After years trying to heal his broken heart, Arlo is assigned a college writing assignment which unlocks buried memories of his past. Soon he wonders if the hearing people he was supposed to trust have been lying to him all along, and if his lost love might be found again. No longer willing to accept what others tell him, Arlo convinces a small band of misfit friends to set off on a journey to learn the truth. After all, who better to bring on this quest than his gay interpreter and wildly inappropriate Belgian best friend? Despite the many forces working against him, Arlo will stop at nothing to find the girl who got away and experience all of life's joyful possibilities--

Mother Daughter Me Katie Hafner, 2014-04-08 The complex, deeply binding relationship between mothers and daughters is brought vividly to life in Katie Hafner's remarkable memoir, an exploration of the year she and her mother, Helen, spent working through, and triumphing over, a lifetime of unresolved emotions. Dreaming of a "year in Provence"

with her mother, Katie urges Helen to move to San Francisco to live with her and Zoë, Katie's teenage daughter. Katie and Zoë had become a mother-daughter team, strong enough, Katie thought, to absorb the arrival of a seventy-seven-year-old woman set in her ways. Filled with fairy-tale hope that she and her mother would become friends, and that Helen would grow close to her exceptional granddaughter, Katie embarked on an experiment in intergenerational living that she would soon discover was filled with land mines: memories of her parents' painful divorce, of her mother's drinking, of dislocating moves back and forth across the country, and of Katie's own widowhood and bumpy recovery. Helen, for her part, was also holding difficult issues at bay. How these three women from such different generations learn to navigate their challenging, turbulent, and ultimately healing journey together makes for riveting reading. By turns heartbreaking and funny—and always insightful—Katie Hafner's brave and loving book answers questions about the universal truths of family that are central to the lives of so many. Praise for *Mother Daughter Me* "The most raw, honest and engaging memoir I've read in a long time."—KJ Dell'Antonia, *The New York Times* "A brilliant, funny, poignant, and wrenching story of three generations under one roof, unlike anything I have ever read."—Abraham Verghese, author of *Cutting for Stone* "Weaving past with present, anecdote with analysis, [Katie] Hafner's riveting account of multigenerational living and mother-daughter frictions, of love and forgiveness, is devoid of self-pity and unafraid of self-blame. . . . [Hafner is] a bright—and appealing—heroine."—Cathi Hanauer, *Elle* "[A] frank and searching account . . . Currents of grief, guilt, longing and forgiveness flow through the compelling narrative."—Steven Winn, *San Francisco Chronicle* "A touching saga that shines . . . We see how years-old unresolved emotions manifest."—Lindsay Deutsch, *USA Today* "[Hafner's] memoir shines a light on nurturing deficits repeated through generations and will lead many readers to relive their own struggles with forgiveness."—Erica Jong, *People* "An unusually graceful story, one that balances honesty and tact . . . Hafner narrates the events so adeptly that they feel enlightening."—Harper's "Heartbreakingly honest, yet not without hope and flashes of wry humor."—Kirkus Reviews "[An] emotionally raw memoir examining the delicate, inevitable shift from dependence to independence and back again."—O: *The Oprah Magazine* (Ten Titles to Pick Up Now)

Think again. Many businesses create an ideal consumer profile—aiming all their sales and marketing efforts towards this single type of person—and end up missing out on endless opportunities to sell their services or products. Award-winning business coach, speaker and author Pamela Slim has helped thousands of entrepreneurs around the world start, sustain, and scale their businesses. In *The Widest Net*, she explains how to build strong diverse relationships, identify and connect with new partners, expand markets, generate leads, and find new customers in places you may never have considered. Skill in Action Michelle Cassandra Johnson, 2021-11-02 Transform your yoga practice into a force for creating social change with this concise, eloquent manual of social justice tools and skills. Skill in Action asks you to explore the deeply transformational practice of yoga as a way to become an agent of social change and work toward a just world. Through yoga practices and philosophy, this book explores liberation for ourselves and others, while asking us to engage in our own agency—whether that manifests as activism, volunteer work, or changing our relationships with others and ourselves. To provide a strong foundation to begin this work, Michelle Cassandra Johnson clearly defines power and privilege, oppression, liberation, and suffering, and invites you to make changes in your life that promote equality and freedom for all. This revised and expanded edition offers journaling practices and prompts in each chapter; includes more material on how power and privilege inform the yoga industry; explains how to integrate justice into teaching the eight limbs of yoga; and offers ways to support people as they move through their resistance and discomfort in the face of injustice. This edition also offers a fuller look at how the yamas and niyamas—the ethical precepts of yoga—can be studied in order to create a more just world, and it offers more support for yoga teachers seeking to radicalize their yoga.

The Go-Giver Bob Burg, John David Mann, 2007-12-27 A new edition with expanded content is available now, “The Go-Giver, Expanded Edition: A Little Story About a Powerful Business Idea” An engaging book that brings new relevance to the old proverb “Give and you shall receive” The Go-Giver tells the story of an ambitious young man named Joe who yearns for success. Joe is a true go-getter, though sometimes he feels as if the harder and faster he works, the further away his goals seem to be. And so one day, desperate to land a key sale at the end of a bad quarter, he seeks advice from the enigmatic Pindar, a legendary consultant referred to by his many devotees simply as the Chairman. Over the next week, Pindar introduces Joe to a series of “go-givers:” a restaurateur, a CEO, a financial adviser, a real estate broker, and the “Connector,” who brought them all together. Pindar’s friends share with Joe the Five Laws of Stratospheric Success and teach him how to open himself up to the power of giving. Joe learns that changing his focus from getting to giving—putting others’ interests first and continually adding value to their lives—ultimately leads to unexpected returns. Imparted with wit and grace, The Go-Giver is a heartwarming and inspiring tale that brings new relevance to the old proverb “Give and you shall receive.” From the Hardcover edition.

The World Beneath Richard Smith, 2019-09-10 Meet the world's most fascinating sea creatures—see the lives and curiosities of colorful fish and coral reefs—this spectacular volume has more than 300 color photos and extraordinary text from a leading marine biologist and underwater photographer, and the international expert on seahorses. In this richly informative volume, brimming with new discoveries and more than three hundred colorful images of jaw-dropping fish and coral reefs, you'll swim in the Atlantic, Pacific, and Indian Oceans; you'll be dazzled in the Coral Triangle and amazed in Triton Bay. Up close you'll meet the Cenderawasih fairy wrasse, with its florescent yellow streak; the polka-dot longnose filefish; and the multicolored seadragon. There are scarlet-colored corals, baby-blue sponges, daffodil crinoids, and all sorts of mystifying creatures that change color at the drop of a hat. The whale shark is almost larger than life and the author's beloved pygmy seahorse, unless photographed, is almost too tiny to see. The wondrous creatures inside are charmers and tricksters and excel in the arts of seduction and deception, and you'll have the rare chance to see and delight in their antics. You'll also learn what they eat, how they play, and how they care for one another, live on one another, and mimic others when they're afraid. There is also compelling insight into the naming process, which sea creatures are facing extinction, and how we can help them before it's too late.
