**Laughter Is the Best Medicine** Obayed Khan,2016-09-29 This is a collection of my favourite jokes that I have put together, and I hope you'll enjoy them as much as the guy who had an asthma attack from laughing too hard did. While this book may not be the size of your average forest murdering phonebook, I can guarantee you that every single page will make you laugh till it hurts and if not this book can also be used as a weapon to actually physically hurt you. I've always firmly believed quality > quantity and hope you'll share some of my jokes with all of your friends, or at the very least help you actually get some friends to share jokes with.

Laughter Is the Best Medicine ,2006 Laughter is an instant antidote to stress and anxiety and with this hilarious book you will soon be feeling on top of the world. Crammed with jokes, cartoons, witticisms and script extracts which enable you to appreciate the genius behind comedy classics such as Hancock's 'The Blood Donor'.

**Laughter Is the Best Medicine** Dave Coverly,2014 Dave Coverly's A Prescription for Laughter takes no prisoners as he boldly crosses the lines of patient/doctor confidentiality to document the funny, often bizarre, and sometimes hilarious

encounters a patient can have with a doctor. There's no denying that a good laugh is very good medicine for the soul, and it's with a keen eye that Coverly finds humor in everything from (un)routine office visits to inhospitable hospital stays. For example, there's a doctor confessing to his patient, I'll be the first to admit, the results of your autopsy were very surprising, or a couple sitting with their newborn as an officer appears to say, I'm sorry, ma'am, but there was a mix-up at the hospital, and we think you brought home the wrong husband,, or a surgeon explaining, We put a screw in your hip, and since you were under, we figured we'd just tighten the loose one in your head.

I reckon I have the best job in the whole world - I'm a clown doctor.' Jean-Paul Bell Imagine being a child in hospital, away from the home and feeling sad, frightened, lonely or in pain. This is where the Clown Doctors step in to help with their own quirky style of 'medicine'. Join this very special troupe as they do their rounds in children's hospitals all over Australia, bringing laughter and joy to more than 100,000 patients and their families each year. Meet Dr B Loony and Dr Twang, Dr Know-It-All and others when they conduct their clown rounds through children's and emergency wards, intensive care, burns and oncology units, dispensing jokes and songs with skill and compassion. And always with the aim of helping families, hospital staff, and especially the children to forget their illnesses and fears for a while and return to a world that is about fun and play. Welcome to a day in the lives of the Clown Doctors, filled with special moments, courage, tears, smiles and laughter.

**Laughter, the Best Medicine: Holidays** Editors of Reader's Digest,2012-10-11 If ever there was a time of year in which we need a sense of humor, it's the holidays in America—and the latest little book in this best-selling series is here to help! Brimming with America's funniest stories, one-liners, cartoons, quotes, and jokes, this side-splitting collection explodes the myth that the holidays are the picture of clean homes, well-behaved children, meticulously wrapped gifts, absolutely perfect food, distinguished guests, and perpetual, shiny white smiles. Here is just a sampling of the holiday havoc we all recognize—and love: "Thanksgiving dinners take eighteen hours to prepare. They are consumed in twelve minutes. Half-

times take twelve minutes. This is not coincidence.” —Erma Bombeck Last Christmas morning, after all the presents were opened, it was clear that my five-year-old son wasn’t thrilled with the ratio of toys to clothes he’d received. As he trudged slowly up the stairs, I called out, “Hey, where are you going?” “To my room,” he said, “to play with my new socks.” “The one thing women don’t want to find in their stockings on Christmas morning is their husband.” —Joan Rivers

*Laughter Is the Best Medicine* Joseph Haynor Goldfuss, 2011-11 Brevity is the soul and wit of this publication; however, the medical industry is the largest and most complex combination of human resources ever assembled, earning it a status

well worth writing about. Certain epigrams are gentle and subtle, and others quite caustic, but all contain some form of social or scientific commentary. If the reader has a morbid sense of humor, this book will be especially enjoyed.
