**Presenting Nature** Linda Flint McClelland, 1993

*Down by Jim Long's Stage* Al Pittman, 1976-06 Fishy rhyming tail.

*Hermit* Jeffrey H. Ryan, 2019-07-15 When Jim Whyte settled outside the slate mining town of Monson, Maine, in 1895, people hardly knew what to make of him. Almost 130 years later, we still don't. A world traveler who spoke six languages fluently, Whyte came to town with sacks full of money and a fierce desire to keep to himself. It was clear that Whyte was hiding something -- enough to make the FBI come looking. But even the Feds couldn't imagine how Whyte, who lost every penny he had when WWI broke out, amassed another fortune before he died. Based on the true story, *Hermit* follows one man's quest to discover all he can about Whyte's secret life before it's too late--from back cover.

**Dog Island and Other Florida Poems** Laurence Donovan, 2003 The title poem of this book records a sojourn to a small island off the Florida Panhandle. Reachable only by boat, Dog Island provides a quiet respite where Miami poet-artist Laurence Donovan contemplates the sea, sand, and sky and transforms them into words and etchings. Donald Justice, in his foreword, calls Donovan doubly gifted in both his poetry and his art. This volume presents both, the latter in fifteen of his etchings. He was also known for his linocuts, represented here by the small scorpion at the end of the book.

**Nothing's Ever Lost** Emma G. Rose, 2019-07-24 Jack and Anna are dead. At least Jack is. Anna might just be having a near-death experience. How far is Anna willing to go for her friend? What role did Jack play in their accident? They'll have to trust each other to get through the afterlife, but how can they when they're both keeping secrets?

**AMC Maine Mountain Guide** Amc Books, 1988-05

*Apartment Seven* Miriam Waddington, 1989 In this lively collection of essays--some appearing in print for the first time, others reprinted for a new generation of readers--Waddington has created a unique portrait of the Canadian literary world that is part memoir, part reflection. Whether describing a Jewish literary salon in Montreal in the 1930's or, in the book's title essay, remembering the fledgling literary life of Toronto in the 1940's, Waddington brings to life moments in the history of Canadian letters. With a keen eye for detail, and a passion for social justice, she recalls her childhood on the prairies and her growing sense of herself as a writer, a woman, and a Jew in patriarchal wasp culture. The subjects that interest her range widely, from women writers to Yiddish writing to the Canadian literary tradition, and such diverse writers as Stephen

Leacock, Moshe Nadir, John Sutherland, Anais Nin, Simone de Beauvoir, V.S. Naipul. Apartment 7 also includes two out-of-print essays from Waddington's esteemed study of the poet A.M. Klein. This collection will be essential reading not only for all admirers of Miriam Waddington's humane poetry but for anyone interested in the literary history of Canada.

Conversations with Richard Wilbur Richard Wilbur, 1990 With wit, charm, and grace the interviews in this collection demonstrate what readers of Wilbur's poems long have suspected: that this former U.S. poet laureate is no less persuasive and forceful in extemporaneous speech than he is in verse and prose. Wilbur proves as enlightening and thought-provoking with student reporters from Amherst College, his alma mater, as with journalists for THE PARIS REVIEW, displaying the same dazzling talents that garnered him the Pulitzer Prize in 1957 and again thirty years later. Opinionated yet ever-charitable, he presents the case for rhyme and meter in a dozen different ways in just as many interviews. He expresses a degree of admiration for poetic opposites such as Allen Ginsberg and addresses the objections of his critics. Wilbur's comments and keen insights on his coevals and his craft read as articulately as fine prose. His observations never fail to stimulate or to challenge.

**Becoming Odyssa** Jennifer Pharr Davis, 2011-07 Originally published in 2010 with the subtitle *Epic adventures on the Appalachian Trail*.

*Wide Open Writing* Nancy Coleman, 2021-05-23 *Wide Open Writing* is designed as an experience of what can happen when you take the time and space for your essential writer to emerge. It is in the fashion of an in-person retreat based on the first WOW getaway. Every chapter contains at least one writing prompt.

*The Appalachian National Scenic Trail* Charles H. W. Foster, 1987 In 1968, management of the Appalachian Trail shifted from control by an informal alliance of private-citizen volunteers to a designated responsibility of the National Park Service. To protect it from adverse development, Congress had made the trail part of the national park system and endorsed a unique private/public cooperative management system involving scores of private organizations and public jurisdictions. The volunteers still have the lead role in defining the work, but public agencies have the accountability. This June 1987 history is the inside story of how the pieces of that puzzle were put together, by the chairman of a group of volunteers and state-appointed officials that crafted this model of private/public stewardship of public recreational lands.

*The Secret Pool* Kimberly Ridley,2016-03-15 You might walk right by a vernal pool and not notice it. Often mistaken for mere puddles in the woods, vernal pools are the source of life for many interesting creatures. These secret pools form every year when low places on the forest floor fill up with rain and melted snow. They soon become home to hatching wood frogs, spotted salamanders, and fairy shrimp. Even in late summer and fall, creatures such as turtles and snakes rely on these places for shelter and food.

**Cradle of Gold** Neil B. The Moosehead Lake Region Nathan D. Hamilton,Cynthia A. Thayer,1995-08-01 The pristine natural beauty of the Moosehead Lake Region is legendary. Towering white pines, clear, free-flowing rivers, rugged, massive Mount Kineo, and the unforgettable, stunning expanse of the lake itself have offered spiritual renewal to civilization-weary people for centuries.
