Voice Lessons Cara Mentzel, 2017-10-10 Voice Lessons is the story of one younger sister growing up in the shadow of a larger-than-life older sister—looking up to her, wondering how they were alike and how they were different and, ultimately, learning how to live her own life and speak in her own voice on her own terms. As Cara Mentzel, studied, explored, married, gave birth (twice) and eventually became an elementary school teacher, she watched her sister, Idina Menzel, from the wings and gives readers a front row seat to opening night of Rent and Wicked, a seat at the Tonys, and a place on the red carpet when her sister taught millions more, as the voice of Queen Elsa in the animated musical Frozen, to “Let It Go.” Voice Lessons is the story of sisters—sisters with pig tails, sisters with boyfriends and broken hearts, sisters as mothers and aunts, sisters as teachers and ice-queens, sisters as allies and confidantes. As Cara puts it, “My big sister is Tony-Award-Winning, Gravity-Defying, Let-It-Go-Singing Idina Menzel who has received top billing on Broadway marquees, who has performed for Barbra Streisand and President Obama, at the Super Bowl and at the Academy Awards. The world knows her as 'Idina Menzel', but I call her 'Dee'.” Voice Lessons is their story.

The Boys in the Boat Daniel James Brown, 2013-06-04 Now a Major Motion Picture Directed by George Clooney The #1 New York Times–bestselling story about the American Olympic rowing triumph in Nazi Germany—from the author of *Facing the Mountain*. For readers of *Unbroken*, out of the depths of the Depression comes an irresistible story about beating the odds and finding hope in the most desperate of times—the improbable, intimate account of how nine working-class boys from the American West showed the world at the 1936 Olympics in Berlin what true grit really meant. It was an unlikely quest from the start. With a team composed of the sons of loggers, shipyard workers, and farmers, the University of Washington’s eight-oar crew team was never expected to defeat the elite teams of the East Coast and Great Britain, yet they did, going on to shock the world by defeating the German team rowing for Adolf Hitler. The emotional heart of the tale lies with Joe Rantz, a teenager without family or prospects, who rows not only to regain his shattered self-regard but also to find a real place for himself in the world. Drawing on the boys’ own journals and vivid memories of a once-in-a-lifetime shared dream, Brown has created an unforgettable portrait of an era, a celebration of a remarkable achievement, and a chronicle of one extraordinary young man’s personal quest.

Introduction to Crime Scene Photography Edward M. Robinson, 2012-08-15 *Introduction to Crime Scene Photography* acquaints the reader with the essentials of basic crime scene photography techniques. It looks at the concepts related to composition and relates them to the types of photographs captured by crime scene photographers. It then proceeds with a discussion of the benefits of bounce flash and how to utilize this technique to properly compose the subject of interest. The United States Football League, 1982-1986 Paul Reeths, 2017-03-21 One of the most ambitious (and short-lived) endeavors in professional sports history, the United States Football League was founded in 1982. Premiering with a spring schedule and an abundance of talent that included top rookies and National Football League veterans, the USFL gained national attention with broadcast and cable television contracts, controversial player signings, ownership battles and an unsuccessful billion-dollar lawsuit against the NFL. The USFL folded after four years yet represented the last major challenge to America's big four sports leagues--the NFL, the National Basketball Association, the National Hockey League and Major League Baseball. Based upon extensive research and interviews with owners, coaches, players and administrators, this book chronicles the league's formation, its three seasons of play and its long-term effects on pro sports.

Don't Make a Scene Valerie Block, 2008-12-18 As Diane Kurasik nears the rapids of her fortieth birthday, it seems her world is taking on the bittersweet tones of a life-change comedy from the 1970s, something starring Glenda Jackson or Jill

Clayburgh. The director of a Greenwich Village revival house cinema and a single woman who has watched everyone else move on, Diane is reminded daily of her status and her limitations. Clearly there is some lesson she was supposed to have learned by now, but what it is continues to elude her. Vladimir Hurtado Padrón has troubles of his own. Although he fled Cuba a decade earlier, he still can't convince his estranged wife in Havana to grant him a divorce. When Diane meets and falls for Vladimir, he is up front about the stalemate in his personal life, letting her make her own decisions. Diane considers the minor role he has to offer and wonders: Would Ingrid Bergman put up with this? An eviction notice jolts Diane out of her home and her routine--aren't all New York stories ultimately about real estate? Diane shuttles between the couches of friends and family, dodging advice and criticism in equal measure and touring countless fatally flawed Manhattan apartments. Meanwhile, Vladimir refuses to succumb to nostalgia as he deals with the exile's dilemma: What happens when you can't go home? Then an unexpected visitor from Vladimir's past arrives on the scene and becomes captivated by Diane just as her ardor for Vladimir is cooling. Diane considers returning his affections, and wonders if she's lost her mind. An unabashed valentine to cinema, *Don't Make a Scene* is a sparkling, witty novel that asks, Do movies satisfy the yearning, or merely fan the flames? Valerie Block uses tart humor and a deceptively light touch in this fiercely intelligent look at how the movies shape and haunt us, and what happens when the eternal allure of classic movies collides with the daily indignities of contemporary life. *Don't Make a Scene* is a refreshing comedy about finding fascination, irritation, and joy in unexpected places.

My Omaha Obsession Miss Cassette, 2020-11 *My Omaha Obsession* takes the reader on an idiosyncratic tour through some of Omaha's neighborhoods, buildings, architecture, and people, celebrating the city's unusual history. Rather than covering the city's best-known sites, Miss Cassette is irresistibly drawn to strange little buildings and glorious large homes that don't exist anymore as well as to stories of Harkert's Holsum Hamburgers and the Twenties Club. Piecing together the records of buildings and homes and everything interesting that came after, Miss Cassette shares her observations of the

property and its significance to Omaha. She scrutinizes land deeds, insurance maps, tax records, and old newspaper articles to uncover a property's singular story. Through conversations with fellow detectives and history enthusiasts, she guides readers along her path of hunches, personal interests, mishaps, and more. As a longtime resident of Omaha, Miss Cassette is informed by memories of her youth combined with an enduring curiosity about the city's offbeat relics and remains. Part memoir and part research guide with a healthy dose of colorful wandering, *My Omaha Obsession* celebrates the historic built environment and searches for the people who shaped early Omaha.

Jaws: Memories from Martha's Vineyard Matt Taylor, 2012-09-25 The filming of the blockbuster film *Jaws* is regarded as a landmark event in both the history of motion pictures and the quaint New England island of Martha's Vineyard, where the geographic isolation necessitated the hiring of hundreds of locals to work as actors and laborers. Radical: My Year with a Socialist Senator Sofia Warren, 2022-06-15 You won the election... now what? Activist organizing meets government gridlock as a millennial New Yorker cartoonist follows a first-year senator on her unforgettable journey — from outsider to insider. In early 2018, cartoonist Sofia Warren was not paying attention to New York state politics. But that summer, her Brooklyn neighborhood began buzzing about Julia Salazar, a 27-year-old democratic socialist running for state senate whose grassroots campaign was inspiring an army of volunteers. When they beat the odds and won, Warren found herself wondering what would happen next. How does it work when an outsider who runs on revolutionary change has to

actually do the job? So she decided to find out. Using the graphic memoir format, *Radical: My Year with a Socialist Senator* is a remarkable first-hand account of Warren's experience embedded with Julia Salazar and her staff during their first year in office. From candid conversations and eyewitness experiences, Warren builds a gripping and intimate portrait of a scrappy team of community organizers battling entrenched power structures, particularly to advance Julia's marquee issue of housing rights. At every key point during the year — setting up an office, navigating insider politics, public pushback, testy staff meetings, emotional speeches, protest marches, setbacks, and victories — Warren is up close and personal with Julia and her team, observing, questioning, and drawing, as they try to translate their ideals into concrete legislation. Along the way, Warren works toward answers to deeper questions: what makes a good leader? What does it mean to be a part of a community? Can democracy work? How can everyday people make change happen? All these themes are explored — with nuance, compassion, and humor — in Sofia Warren's remarkable debut.

This Will All Be Over Soon Cecily Strong, 2022-08-09 A powerful memoir from the Saturday Night Live cast member Cecily Strong about grieving the death of her cousin—and embracing the life-affirming lessons he taught her—amid the coronavirus pandemic. Cecily Strong had a special bond with her cousin Owen. And so she was devastated when, in early 2020, he passed away at age thirty from the brain cancer glioblastoma. Before Strong could attempt to process her grief, another tragedy struck: the coronavirus pandemic. Following a few harrowing weeks in the virus epicenter of New York City, Strong relocated to an isolated house in the woods upstate. Here, trying to make sense of Owen's death and the upended world, she spent much of the ensuing months writing. The result is *This Will All Be Over Soon*—a raw, unflinching memoir about loss, love, laughter, and hope. Befitting the time-warped year of 2020, the diary-like approach deftly weaves together the present and the past. Strong chronicles the challenges of beginning a relationship during the pandemic and the fear when her new boyfriend contracts COVID. She describes the pain of losing her friend and longtime Saturday Night Live staff member Hal Willner to the virus. She reflects on formative events from her life, including how her high school expulsion led to her pursuing a career in theater and, years later, landing at SNL. Yet the heart of the book is Owen. Strong offers a poignant account of her cousin's life, both before and after his diagnosis. Inspired by his unshakable positivity and the valuable lessons he taught her, she has written a book that—as indicated by its title—serves as a moving reminder: whatever challenges life might throw one's way, they will be over soon. And so will life. So make sure to appreciate every day and don't take a second of it for granted.
