Cuba (Winner of the Pulitzer Prize) Ada Ferrer,2022-06-28 In 1961, at the height of the Cold War, the United States severed diplomatic relations with Cuba, where a momentous revolution had taken power three years earlier. For more than half a century, the stand-off continued--through the tenure of ten American presidents and the fifty-year rule of Fidel Castro. His death in 2016, and the retirement of his brother and successor Raúl Castro in 2021, have spurred questions about the country's future. Meanwhile, politics in Washington--Barack Obama's opening to the island, Donald Trump's reversal of that policy, and the election of Joe Biden--have made the relationship between the two nations a subject of debate once more. Now, award-winning historian Ada Ferrer delivers an ambitious chronicle written for an era that demands a new reckoning with the island's past. Spanning more than five centuries, *Cuba: An American History* reveals the evolution of the modern nation, with its dramatic record of conquest and colonization, of slavery and freedom, of independence and revolutions made and unmade. Along the way, Ferrer explores the influence of the United States on Cuba and the many ways the island has been a recurring presence in US affairs. This is a story that will give Americans unexpected insights into the history of their own nation and, in so doing, help them imagine a new relationship with Cuba. Filled with rousing stories and characters, and drawing on more than thirty years of research in Cuba, Spain, and the United States--as well as the author's own extensive travel to the island over the same period--this is a stunning and monumental account like no other. --

Mean Baby Selma Blair, 2023-05-09 Selma Blair has played many roles: Ingenue in *Cruel Intentions*. Preppy ice queen in *Legally Blonde*. Muse to Karl Lagerfeld. Advocate for the multiple sclerosis community. But before all of that, Selma was known best as ... a mean baby. In a memoir that is as wildly funny as it is emotionally shattering, Blair tells the captivating story of growing up and finding her truth. Blair is a rebel, an artist, and it turns out: a writer.—Glenn Doyle, Author of the #1 New York Times Bestseller *Untamed* and Founder of Together Rising The first story Selma Blair Beitner ever heard about herself is that she was a mean, mean baby. With her mouth pulled in a perpetual snarl and a head so furry it had to be rubbed to make way for her forehead, Selma spent years living up to her terrible reputation: biting her sisters, lying spontaneously, getting drunk from Passover wine at the age of seven, and behaving dramatically so that she would be the center of attention. Although Selma went on to become a celebrated Hollywood actress and model, she could never quite shake the periods of darkness that overtook her, the certainty that there was a great mystery at the heart of her life. She often felt like her arms might be on fire, a sensation not unlike electric shocks, and she secretly drank to escape. Over the course of this beautiful and, at times, devastating memoir, Selma lays bare her addiction to alcohol, her devotion to her brilliant and complicated mother, and the moments she flirted with death. There is brutal violence, passionate love, true friendship, the gift of motherhood, and, finally, the surprising salvation of a multiple sclerosis diagnosis. In a voice that is powerfully original, fiercely intelligent, and full of hard-won wisdom, Selma Blair's *Mean Baby* is a deeply human memoir and a true literary achievement.

Camp L. C. Rosen,2020-05-26 Set in a summer camp, this sweet and sharp screwball comedy set in a summer camp for queer teens examines the nature of toxic masculinity and self-acceptance. Sixteen-year-old Randy Kapplehoff loves spending the summer at Camp Outland, a camp for queer teens. It's where he met his best friends. It's where he takes to the stage in the big musical. And it's where he fell for Hudson Aaronson-Lim—who's only into straight-acting guys and barely knows not-at-all-straight-acting Randy even exists. This year, however, it's going to be different. Randy has reinvented himself as 'Del'—buff, masculine, and on the market. Even if it means giving up show tunes, nail polish, and his unicorn bedsheets, he's determined to get Hudson to fall for him. But as he and Hudson grow closer, Randy has to ask himself: How much is he willing to change for love? And is it really love anyway, if Hudson doesn't know who he truly is?

We've Got This Eliza Hull,2022-03-01 How do two parents who are blind take their children to the park? How is a mother with dwarfism treated when she walks her child down the street? How do Deaf parents know when their baby cries in the night? When writer and musician Eliza Hull was pregnant with her first child, like most parents-to-be she was a mix of excited and nervous. But as a person with a disability, there were added complexities. She wondered: Will the pregnancy be too hard? Will people judge me? Will I cope with the demands of parenting? More than 15 per cent of Australian households have a parent with a disability, yet their stories are rarely shared, their experiences almost never reflected in parenting literature. In *We've Got This*, twenty-five parents who identify as Deaf, disabled or chronically ill discuss the highs and lows of their parenting journeys and reveal that the greatest obstacles lie in other people's attitudes. The result is a moving, revelatory and empowering anthology. As Rebekah Taussig writes, 'Parenthood can tangle with grief and loss. Disability can include joy and abundance. And goddammit – disabled parents exist.' Contributors include Jacinta Parsons, Kristy Forbes, Graeme Innes, Jessica Smith, Jax Jacki Brown, Nicole Lee, Elly May Barnes, Neangok Chair, Renay Barker-Mulholland, Micheline Lee and Shakira Hussein. *We've Got This* will appeal to readers of *Growing Up Disabled* in Australia and other titles in the *Growing Up* series.

The Secret Byron Preiss,2016-10-05 The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels, are buried. The key to finding each can be found within the twelve full color paintings and verses of *The Secret*. Yet *The Secret* is much more than that. At long last, you can learn not only the whereabouts of the Fair People's treasure, but also the modern forms and hiding places of their descendants: the Toll Trolls, Maitre D'eamons, Elf Alphas, Tupperwerewolves, Freudian Sylphs, Culture Vultures, West Ghosts and other

delightful creatures in the world around us. The Secret is a field guide to them all. Many armchair treasure hunt books have been published over the years, most notably *Masquerade* (1979) by British artist Kit Williams. *Masquerade* promised a jewel-encrusted golden hare to the first person to unravel the riddle that Williams cleverly hid in his art. In 1982, while everyone in Britain was still madly digging up hedgerows and pastures in search of the golden hare, *The Secret: A Treasure Hunt* was published in America. The previous year, author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum. Preiss was killed in an auto accident in the summer of 2005, but the hunt for his casques continues.

All Good People Here Ashley Flowers, 2023-12-26 #1 NEW YORK TIMES BESTSELLER • In the propulsive debut novel from the host of the #1 true crime podcast *Crime Junkie*, a journalist uncovers her hometown's dark secrets when she becomes obsessed with the unsolved murder of her childhood neighbor—and the disappearance of another girl twenty years later. ONE OF THE BEST BOOKS OF THE YEAR: PopSugar You can't ever know for sure what happens behind closed doors. Everyone from Wakarusa, Indiana, remembers the infamous case of January Jacobs, who was discovered in a ditch hours after her family awoke to find her gone. Margot Davies was six at the time, the same age as January—and they were next-door neighbors. In the twenty years since, Margot has grown up, moved away, and become a big-city journalist. But she's always been haunted by the feeling that it could've been her. And the worst part is, January's killer has never been brought to justice. When Margot returns home to help care for her uncle after he is diagnosed with early-onset dementia, she feels like she's walked into a time capsule. Wakarusa is exactly how she remembers—genial, stifled, secretive. Then news breaks about five-year-old Natalie Clark from the next town over, who's gone missing under circumstances eerily similar to January's. With all the old feelings rushing back, Margot vows to find Natalie and to solve January's murder once and for all. But the police, Natalie's family, the townspeople—they all seem to be hiding something. And the deeper Margot digs into Natalie's disappearance, the more resistance she encounters, and the colder January's case feels. Could January's killer still be out there? Is it the same person who took Natalie? And what will it cost to finally discover what truly happened that night twenty years ago? Twisty, chilling, and intense, *All Good People Here* is a searing tale that asks: What are your neighbors capable of when they think no one is watching?

#ICP Concerned David Campany, 2021-10 On March 13, 2020 when the global coronavirus pandemic brought life as we know it to an abrupt halt, the International Center of Photography, just weeks after opening in a brand-new building on Manhattan's Lower East Side that was buzzing with visitors, was forced to close its doors. Wanting to do more than virtual exhibition tours, ICP announced the *#ICPConcerned* open call on March 20th, an invitation for people to make, upload, and tag images on Instagram of whatever was going on in their lives wherever they were. What resulted was more than sixty thousand submissions from countries as far flung as France, Singapore, Argentina, Nigeria, Canada, and Iran. From the halls of medical facilities to eerily empty streets and domestic settings converted into home offices and classrooms, the more than 800 photographs collected here are organized chronologically and accompanied by headlines gathered from various global news entities. Taken together, these words and pictures represent the pain, heartbreak, hope, and occasional humor we've all experienced this past year against the backdrop of COVID-19, unrelenting racial injustice, and a divisive political climate. Exhibition: ICP International Center for Photography, New York, USA (01.10.2020 - 03.01.2021).
