Bike Snob BikeSnobNYC,2011-04-29 "Equal parts critical manifesto and tender mini-memoir about a boy and his bikes" from Eben Weiss, blogger and author of The Enlightened Cyclist (GQ). Cycling is exploding in a good way. Urbanites everywhere, from ironic hipsters to earth-conscious commuters, are taking to the bike like aquatic mammals to water. BikeSnobNYC—cycling's most prolific, well-known, hilarious, and anonymous blogger—brings a fresh and humorous perspective to the most important vehicle to hit personal transportation since the horse. Bike Snob treats readers to a laugh-out-loud rant and rave about the world of bikes and their riders and offers a unique look at the ins and outs of cycling, from its history and hallmarks to its wide range of bizarre practitioners. Throughout, the author lampoons the missteps, pretensions, and absurdities of bike culture while maintaining a contagious enthusiasm for cycling itself. Bike Snob is an essential volume for anyone who knows, is, or wants to become a cyclist. "This is a social manual that should be bundled with every bike shipped in America." —Christian Lander, author of Stuff White People Like "I like to think I know a thing or two (or three) about being ruthless and relentless—either trying to win the Tour or fighting cancer. The Snob knows it too. Keeping us dorks in line is tough work. I take pleasure in getting picked on by the Snob, slightly more pleasure in reading his writing, but take the most pleasure punishing his ass (my payback) on the bike either in Central Park or on 9W/River Road. Long live the Snob." —Lance Armstrong

New York Bike Style Sam Polcer, 2014-04-21 Together, these striking images create the ultimate style guide for anyone who pedals their way through the Big Apple. America may be a nation obsessed with automobiles, but today the bicycle is giving the car a run for its money. And while New York is just one of many cities that is implementing new bike friendly policies, the local cyclist population stands out as one of the most diverse, inventive, and stylish in the world. New York Bike Style celebrates this with full-page photographs of riders and their bikes. Photographer Sam Polcer has combed New York's five boroughs looking for subjects who reflect the myriad styles and demographics of the city's cyclists—from Puerto Rican Schwinn aficionados with vintage bikes to fixed gear freaks; from BMX kids honing their bar-spins at skateparks to fashionistas floating down leaf-strewn streets in dresses. Each page is captioned with the subject's name, what kind of bike they ride, where the photo was taken, and where they're headed. The book also features close-up shots of gear as well as a startlingly stylish array of bike fashion. Whether they're pedaling to work or play, racing with a club, or out for a lazy ride, New York Bike Style pays photographic tribute to a city in love with biking in all its forms.

To Shake the Sleeping Self Jedidiah Jenkins, 2019-12-31 NEW YORK TIMES BESTSELLER • “With winning candor, Jedidiah Jenkins takes us with him as he bicycles across two continents and delves deeply into his own beautiful heart.”—Cheryl Strayed, author of *Wild* and *Tiny Beautiful Things* On the eve of turning thirty, terrified of being funneled into a life he didn't choose, Jedidiah Jenkins quit his dream job and spent sixteen months cycling from Oregon to Patagonia. He chronicled the trip on Instagram, where his photos and reflections drew hundreds of thousands of followers, all gathered around the question: What makes a life worth living? In this unflinchingly honest memoir, Jed narrates his adventure—the people and places he encountered on his way to the bottom of the world—as well as the internal journey that started it all. As he traverses cities, mountains, and inner boundaries, Jenkins grapples with the question of what it means to be an adult, his struggle to reconcile his sexual identity with his conservative Christian upbringing, and his belief in travel as a way to wake us up to life back home. A soul-stirring read for the wanderer in each of us, *To Shake the Sleeping Self* is an unforgettable reflection on adventure, identity, and a life lived without regret. This edition features a new afterword and a reader's group guide. “[Jenkins is] a guy deeply connected to his personal truth and just so refreshingly present.”—Rich Roll, author of *Finding Ultra* “This is much more than a book about a bike ride. This is a deep soul deepening us. Jedidiah Jenkins is a mystic disguised as a millennial.”—Tom Shadyac, author of *Life's Operating Manual* “Thought-provoking and inspirational . . . This uplifting memoir and travelogue will remind readers of the power of movement for the body and the soul.”—Publishers Weekly

Pedal Power Allan Drummond, 2017-03-28 Cycling rules the road in Amsterdam today, but that wasn't always the case. In the 1970's, Amsterdam was so crowded with vehicles that bicyclists could hardly move, but moms and kids relied on their bicycles to get around the city. PEDAL POWER is the story of the people who led protests against the unsafe streets and took over a vehicles-only tunnel on their bikes, showing what a little pedal power could do! Author and illustrator Allan Drummond returns with the story of the people that paved the way for safe biking around the world.

Nigel Sylvester: GO Nigel Sylvester, 2022-10-11 The first book by professional BMX athlete, entrepreneur, content creator, and cultural icon Nigel Sylvester; photographed by director, cinematographer, and graphic designer Harrison Boyce. Inspired by his globally acclaimed digital series GO, which documents the Queens, NY native's ambitious desire to ride his bicycle around the world, the two hundred-plus page coffee table book (out this October with Rizzoli) transports audiences to marquee cities worldwide, placing them in the front seat to various thrill-seeking moments documented through dynamic photos and short stories including sumo wrestling in Tokyo, fencing at Somerset House in London, racing Ferraris along the Malibu coast, and jumping out of a plane with his BMX bike in hand into the Dubai desert, just to name a few. Unprecedented moments like this make it easy to understand how the BMX icon's ubiquitous influence has redefined the sport on his terms and become one of the most recognizable faces in the sports world. Sylvester's cultural relevance is also embedded throughout the book, with cameos from Nigo, Super Bowl champion wide receiver Victor Cruz, rapper Rick Ross, DJ Khaled, celebrity jeweler Greg Yuna, Jamie Chung, ASAP Ferg, Steve Aoki, and NBA champion Nick Young.

Racing Through the Dark David Millar, 2012-06-26 WORLD-CLASS CYCLIST, Tour de France stage winner, and time trial

specialist David Millar offers a vivid portrait of his life in professional cycling—including his soul-searing detour into performance-enhancing drugs, his dramatic arrest and two-year ban, and his ultimate decision to return to the sport he loves to race clean—in this arrestingly candid memoir, which he wrote himself. As a young Scottish expat living in Hong Kong with his father after his parents' divorce, Millar showed early promise with mountain biking and BMX. Two wise local cyclists took him under their wings, encouraging him to concentrate on road racing. Millar proved a ready convert. *Racing Through the Dark* offers the winning account of his climb through the ranks—first as an amateur and then as a pro, riding for the French team Cofidis. Among his early triumphs were several stage wins in the Tour de France. From the moment Millar turned pro, he began to see hints of the unethical measures that many—maybe most—of the other pros were taking in order to race at the very tops of their games . . . and beyond. At first, he felt that he was immune to temptation, that he could win clean. But the ugly pervasiveness of performance-enhancing drugs and the seemingly universal attitude that condoned it began to corrode his willpower. *Racing Through the Dark* details his eventual capitulation, his subsequent arrest and two-year ban from cycling, and his remarkable comeback as a clean cyclist who is now doing his utmost to keep performance-enhancing drugs out of the sport he so loves. Filled with thrilling descriptions of the world's most spectacular courses, *Racing Through the Dark* captures the pure joy of cycling and includes some of the most vivid accounts of racing ever written by a true insider.

The Time-Crunched Cyclist Chris Carmichael, Jim Rutberg, 2017-03-07 The Time-Crunched Cyclist reveals the fastest way to get fit for road racing, century rides, gravel grinders, cyclocross, Gran Fondos, and mountain bike events. With elite cycling coach Chris Carmichael's innovative, time-saving approach, busy cyclists will develop fitness, speed, and power in just 6 hours a week. Now powered by Strava, this updated third edition of The Time-Crunched Cyclist training program taps into the most popular cycling social network to help cyclists get fired up to crush their workouts, one segment at a time. Through his popular endurance coaching service, Carmichael noticed that many busy cyclists are unable to make performance gains using conventional training methods; they simply don't have enough time to train. So CTS developed a new approach—the Time-Crunched Training Program—to help cyclists achieve competitive fitness and power without the impossible time demands of traditional training methods. The Time-Crunched Cyclist shows cyclists how to build fitness on a realistic schedule by tapping the power of high-intensity interval training (HIIT) workouts. Cyclists learn the science behind this alternative approach to training before performing the CTS field tests to get a baseline reading of their fitness. Nine comprehensive training plans include effective time-crunched workouts, nutrition guidelines, and strength training to develop the speed and endurance for a wide variety of cycling races and events. The new Time-Crunched Training Plans cover: New and Experienced plans for criteriums, road races, and cyclocross New, Experienced, and Competitive plans for century rides and Gran Fondos Gravel racing and ultraendurance mountain biking plans Intermediate and Advanced plans

for commuters This new, third edition integrates Strava, the popular ride tracking and analysis program. Powered by Strava, the Time-Crunched program becomes interactive, social, highly motivating and focuses riders on the training data that matters most. It also adds the Time-Crunched Diet, a sports nutrition approach designed to help riders optimize their power-to-weight ratio with new guidelines on eating behaviors and delicious recipes from chefs Michael Chiarello and Matt Accarrino. A new chapter on hydration and managing heat stress will show athletes simple ways to avoid overheating that lead to better performance. The Time-Crunched Cyclist can help you capture your best performance all in the time you have right now.

The Death of Marco Pantani Matt Rendell, 2012-11-15 The intimate biography of the charismatic Tour de France winner Marco Pantani, now updated to include the 2014 and 2015 investigation into Pantani's death. National Sporting Club Book of the Year Shortlisted for the William Hill Sports Book of the Year Award 'An exhaustively detailed and beautiful book . . . a fitting, ambivalent tribute - to the man, and to the dark heart of the sport he loved' Independent On Valentine's day 2004, Marco Pantani was found dead in a cheap hotel. It defied belief: Pantani, having won the rare double of the Giro d'Italia and the Tour de France in 1998, was regarded as the only cyclist capable of challenging Lance Armstrong's dominance. Only later did it emerge that Pantani had been addicted to cocaine since 1999. Drawing on his personal encounters with Pantani, as well as exclusive access to his psychoanalysts, and interviews with his family and friends, Matt Rendell has produced the definitive account of an iconic sporting figure.
