Notes on an Execution Danya Kukafka, 2022-01-25 NATIONAL BESTSELLER • WINNER OF THE 2023 EDGAR AWARD FOR BEST NOVEL • NEW YORK TIMES BEST CRIME NOVEL OF THE YEAR “Defiantly populated with living women . . . beautifully drawn, dense with detail and specificity . . . Notes on an Execution is nuanced, ambitious and compelling.” —Katie Kitamura, NEW YORK TIMES BOOK REVIEW (Editors' Choice) A searing portrait of the complicated women caught in the orbit of a serial killer. . . . Compassionate and thought-provoking. -BRIT BENNETT, #1 New York Times bestselling author of The Vanishing Half Recommended by New York Times Book Review • Los Angeles Times • Washington Post • Entertainment Weekly • Esquire • Good Housekeeping • USA Today • BuzzFeed • Goodreads • Real Simple • Marie Claire • Rolling Stone • Business Insider • Bustle • PopSugar • The Millions • The Guardian • and many more! In the tradition of Long Bright River and The Mars Room, a gripping and atmospheric work of literary suspense that deconstructs the story of a serial killer on death row, told primarily through the eyes of the women in his life—from the bestselling author of Girl in Snow. Ansel Packer is scheduled to die in twelve hours. He knows what he's done, and now awaits execution, the same chilling fate he forced on those girls, years ago. But Ansel doesn't want to die; he wants to be celebrated, understood. Through a kaleidoscope of

women—a mother, a sister, a homicide detective—we learn the story of Ansel’s life. We meet his mother, Lavender, a seventeen-year-old girl pushed to desperation; Hazel, twin sister to Ansel’s wife, inseparable since birth, forced to watch helplessly as her sister’s relationship threatens to devour them all; and finally, Saffy, the detective hot on his trail, who has devoted herself to bringing bad men to justice but struggles to see her own life clearly. As the clock ticks down, these three women sift through the choices that culminate in tragedy, exploring the rippling fissures that such destruction inevitably leaves in its wake. Blending breathtaking suspense with astonishing empathy, *Notes on an Execution* presents a chilling portrait of womanhood as it simultaneously unravels the familiar narrative of the American serial killer, interrogating our system of justice and our cultural obsession with crime stories, asking readers to consider the false promise of looking for meaning in the psyches of violent men. Poetic and mesmerizing . . . Powerful, important, intensely human, and filled with a unique examination of tragedy, one where the reader is left with a curious emotion: hope. —USA TODAY “A profound and staggering experience of empathy that challenges us to confront what it means to be human in our darkest moments. . . . I relished every page of this brilliant and gripping masterpiece.—ASHLEY AUDRAIN, New York Times bestselling author of *The Push*

The process of creating and building raised beds is a cinch, too, thanks to the extensive gallery of design ideas and step-by-step projects. This gardening strategy is taking serious root. Why? Several reasons: · Raised beds allow gardeners to practice space efficiency as well as accessibility (the beds can be customized to be any height). · Raised beds permit gardeners to use their own soil, and they can be designed with wheels for easy portability if partial sunlight is a problem. · Water conservation is easier for gardeners who use raised beds. · Pest control is assisted

because most garden pests can't make the leap up into the raised bed. Find out more about why everyone is joining the raised bed revolution, roll up your sleeves and join in! "This is a great good for the experienced gardener as well as the novice." —David Williams, Four Shires magazine

The Circle Dave Eggers, 2013-10-08 INTERNATIONAL BESTSELLER • A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (Vanity Fair). When Mae Holland is hired to work for the Circle, the world’s most powerful internet company, she feels she’s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users’ personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company’s modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can’t believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What

begins as the captivating story of one woman's ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

Building a Wood-Framed Panelized Yurt Robin Michal Koontz, Marvin Denmark, 2018-10-22 I personally am really impressed with the quality and step by step instructions in this book. - Kent Griswold, publisher, The Tiny House Blog & Tiny House Magazine. Marvin Denmark, a carpenter and craftsman with 50+ years of experience, shares the procedures he used to build and assemble all the components of a 12-sided wood-panelized yurt. The structure is based on the original yurt design, employing a center ring and tension cable, but it is built using wood-framed panelized construction that includes radial rafters similar to a traditional yurt. A panelized building system means that the components can be constructed off-site and then transported to the site for assembly. There are two editions of this book. This is the BLACK & WHITE EDITION: Detailed instructions, photographs and illustrations include the design, materials list and cut-list for a 16-foot diameter wood structure. There are also links to three videos that demonstrate construction of the components. This yurt was a 1st-place winner in the 2018 Tiny Homes Contest on Instructables.com.

Hemlock Susan Wittig Albert, 2021-09-07 From Susan Wittig Albert, the New York Times bestselling author of *A Plain Vanilla Murder*, comes a tightly crafted novel that juxtaposes the disappearance of a rare, remarkably illustrated 18th-century herbal with the true and all-too-human story of its gifted creator, Elizabeth Blackwell. Herbalist China Bayles' latest adventure takes her to the mountains of North Carolina, where her friend Dorothea Harper serves as the director and curator of the Hemlock House Library, a priceless collection of rare gardening books housed in a haunted mountainside mansion that once belonged to Sunny Carswell, a reclusive heiress. But the most valuable book—*A Curious Herbal*, created by Elizabeth Blackwell in the 1730s—is missing and Dorothea is under suspicion. China's search for the thief takes on a new urgency when she discovers Miss Carswell's bookseller, the victim of an attempted murder. Is his shooting connected with the theft? And there are other urgent questions: What is the Hemlock Guild? Who owns Socrates.com? Did Sunny Carswell really kill herself, or does her ghost have a different story to tell? And what is the real truth behind the many tantalizing mysteries of *A Curious Herbal*? *Hemlock* is a compelling mix of mystery and herb lore, past secrets and present sins, and characters who are as real as your friends and neighbors—in an absorbing novel that only Susan Wittig Albert could create.
