No One Is Coming to Save Us Stephanie Powell Watts,2017-04-04 *THE INAUGURAL SARAH JESSICA PARKER PICK FOR BOOK CLUB CENTRAL* CHOSEN AS A 2017 BEST SUMMER READ PICK BY The Wall Street Journal • The Washington Post • The Seattle Times NAMED ONE OF THE MOST ANTICIPATED BOOKS OF 2017 BY Entertainment Weekly • Nylon • Elle • Redbook • W Magazine • The Chicago Review of Books JJ Ferguson has returned home to Pinewood, North Carolina, to build his dream house and to pursue his high school sweetheart, Ava. But as he reenters his former world, where factories are in decline and the legacy of Jim Crow is still felt, he's startled to find that the people he once knew and loved have changed just as much as he has. Ava is now married and desperate for a baby, though she can't seem to carry one to term. Her husband, Henry, has grown distant, frustrated by the demise of the furniture industry, which has outsourced to China

and stripped the area of jobs. Ava's mother, Sylvia, caters to and meddles with the lives of those around her, trying to fill the void left by her absent son. And Don, Sylvia's unworthy but charming husband, just won't stop hanging around. JJ's return—and his plans to build a huge mansion overlooking Pinewood and woo Ava—not only unsettles their family, but stirs up the entire town. The ostentatious wealth that JJ has attained forces everyone to consider the cards they've been dealt, what more they want and deserve, and how they might go about getting it. Can they reorient their lives to align with their wishes rather than their current realities? Or are they all already resigned to the rhythms of the particular lives they lead? *No One Is Coming to Save Us* is a revelatory debut from an insightful voice: with echoes of *The Great Gatsby* it is an arresting and powerful novel about an extended African American family and their colliding visions of the American Dream. In evocative prose, Stephanie Powell Watts has crafted a full and stunning portrait that combines a universally resonant story with an intimate glimpse into the hearts of one family.

In a fevered state Vishnu looks back on his love affair with the seductive Padmini and comedy becomes tragedy as his life draws to a close.

Helen on 86th St Nicole Kempfskie, Robby Stamper, 2012-03-06 12-year-old New Yorker Vita has her heart set on playing Helen of Troy in the school musical. After all, her mother is a Greek translator, so Vita knows the story better than anyone! But when the pretty Helen McGuire is cast instead, Vita's dreams of stardom -- and of her absent father coming home to see her in the show -- begin to dim. Even though her role has only one line, Vita holds onto her dreams, and soon, it seems that her luck may change. But will her star shine bright enough to guide her father home? This charming and big-hearted musical brings a new twist to a classic tale.

Deepstep Come Shining C.D. Wright, 2012-12-18 Rebellious and fiercely lyrical, the poems of C.D. Wright incorporate elements of disjunction and odd juxtaposition in their exploration of unfolding context. In my book, she writes, poetry is a necessity of life. It is a function of poetry to locate those zones inside us that would be free, and declare them so. C.D. Wright was born and raised in the Ozark Mountains of Arkansas. She has received numerous awards for her work, including grants from the National Endowment for the Arts, the Guggenheim Foundation, the American Academy and Institute for Arts and Letters, and the Lila Wallace-Reader's Digest Foundation. She teaches at Brown University in Rhode Island. Expertly elliptical phrasings, and an uncounterfeitable, generous feel for real people, bodies and places, have lately made Wright one of America's oddest, best and most appealing poets. Her tenth book consists of a single long poem whose sentences, segments and prose-blocks weave loosely around and about, and grow out of, a road trip through the rural South. Clipped twangs, lyrical 'goblets of magnolia light,' and recurrent, mysterious, semi-allegorical figures like 'the snakeman' and 'the boneman' share space with place names, lexicographies, exhortations and wacky graffiti ('God is Louise').... cherish Wright's latest 'once-and-for-all thing, opaque and revelatory, ceaselessly burning.'—Publishers Weekly For me, C.D. Wright's poetry is river gold. 'Love whatever flows.' Her language is on the page half pulled out of earth and rivers—still holding onto the truth of the elements. I love her voice and pitch and the long snaky arms of her language that is willing to hold everything—human and angry and beautiful.—Michael Ondaatje C.D. Wright is entirely her own poet, a true original.—The Gettysburg Review

Twice Removed Ralph Angel, 2001 A brilliant new collection by the winner of the James Laughlin Award.

The Underpants Steve Martin, 2015-08-04 Theobald Maske has an unusual problem: his wife's underpants won't stay on. One Sunday morning they fall to her ankles right in the middle of town--a public scandal! Mortified, Theo swears to keep her at home until she can find some less unruly undies. Amid this chaos he's trying to rent a room in their flat. The prospective lodgers have some underlying surprises of their own. In *The Underpants*, Steve Martin brings his comic genius and sophisticated literary style to Carl Sternheim's classic 1910 farce, *Die Hose*. His hilarious new version was staged by Artistic Director Barry Edelstein, and opened in March '02 on Off-Broadway to critical acclaim.

Geek Love Katherine Dunn, 2011-05-25 National Book Award Finalist • Here is the unforgettable story of the Binewskis, a circus-geek family whose matriarch and patriarch have bred their own exhibit of human oddities--with the help of amphetamines, arsenic, and radioisotopes. Their offspring include Arturo the Aquaboy, who has flippers for limbs and a megalomaniac ambition worthy of Genghis Khan . . . Iphy and Elly, the lissome Siamese twins . . . albino hunchback Oly, and the outwardly normal Chick, whose mysterious gifts make him the family's most precious—and dangerous—asset. As the Binewskis take their act across the backwaters of the U.S., inspiring fanatical devotion and murderous revulsion; as its members conduct their own Machiavellian version of sibling rivalry, *Geek Love* throws its sulfurous light on our notions of

the freakish and the normal, the beautiful and the ugly, the holy and the obscene. Family values will never be the same.

We Are Taking Only What We Need Stephanie Powell Watts, 2018-02-06 In these powerfully rendered, prizewinning stories, working-class African Americans across the South strive for meaning and search for direction in lives shaped by forces beyond their control. The ten stories in this resonant collection deal with both the ties that bind and the gulf that separates generations, from children confronting the fallibility of their own parents for the first time to adults finding themselves forced to start over again and again. In “Highway 18” a young Jehovah’s Witness going door to door with an expert field-service partner from up north is at a crossroads: will she go to college or continue to serve the church? “If You Hit Randall County, You’ve Gone Too Far” tells of a family trying to make it through a tense celebratory dinner for a son just out on bail. And in the collection’s title story, a young girl experiences loss for the first time in the fallout from her father’s relationship with her babysitter. Startling, intimate, and prescient on their own, these stories build to a kaleidoscopic understanding of both the individual and the collective black experience over the last fifty years in the American South. With *We Are Taking Only What We Need*, Stephanie Powell Watts has crafted an incredibly assured and emotionally affecting meditation on everything from the large institutional forces to the small interpersonal moments that impress upon us and direct our lives.

The Deeper the Roots Michael Tubbs, 2021-11-16 “Insightful, emotional, and enraging. By sharing his story in gripping detail, Michael Tubbs embodies an old feminist tradition whereby the personal is political. He empowers us to fight for equal opportunities for our communities, and encourages us to amass the courage to overcome loss and injustice.” —Ibram X. Kendi, National Book Award-winning author of *Stamped from the Beginning* and *How to Be an Antiracist* The making of a visionary political leader—and a blueprint for a more equitable country “Don’t tell nobody our business,” Michael Tubbs’s mother often told him growing up. For Michael, that meant a lot of things: don’t tell anyone about the day-to-day struggle of being Black and broke in Stockton, CA. Don’t tell anyone the pain of having a father incarcerated for 25 years to life. Don’t tell anyone about living two lives, the brainy bookworm and the kid with the newest Jordans. And also don’t tell anyone about the particular joys of growing up with three “moms”—a Nana who never let him miss church, an Auntie who’d take him to the library any time, and a mother, “She-Daddy”, who schooled him in the wisdom of hip-hop and taught him never to take no for an answer. So for a long time Michael didn’t tell anyone his story, but as he went on to a scholarship at Stanford and an internship in the Obama White House, he began to realize the power of his experience, the need for his perspective in the halls of power. By the time he returned to Stockton to become, in 2016 at age 26, its first Black mayor and the youngest-ever mayor of a major American city, he knew his story meant something. *The Deeper the Roots* is a memoir astonishing in its candor, voice, and clarity of vision. Tubbs shares with us the city that raised him, his family of badass women, his life-changing encounters with Oprah Winfrey and Barack Obama, the challenges of governing in the 21st century and everything

in between—en route to unveiling his compelling vision for America rooted in his experiences in his hometown.

In the Falling Snow Caryl Phillips, 2009-09-01 From one of our most admired fiction writers: the searing story of breakdown and recovery in the life of one man and of a society moving from one idea of itself to another. Keith—born in England in the early 1960s to immigrant West Indian parents but primarily raised by his white stepmother—is a social worker heading a Race Equality unit in London whose life has come undone. He is separated from his wife of twenty years, kept at arm's length by his teenage son, estranged from his father, and accused of harassment by a coworker. And beneath it all, he has a desperate feeling that his work—even in fact his life—is no longer relevant. Deeply moving in its portrayal of the vagaries of family love and bold in its scrutiny of the personal politics of race, this is Caryl Phillips's most powerful novel yet.

Sky Ward Kazim Ali, 2013-02-27 Winner of the Ohioana Book Award in Poetry (2014) Drunk on the sun and the sea, Kazim Ali's new poems swoop linguistically but ground themselves vividly in the daily and real. Both imprisoned by endlessness and dependent on it for nurturing and care, in *Sky Ward* Ali goes further than ever before in sounding out the spaces between music and silence, between sky and ocean, between human and eternal. "Daily I wish stitched here to live," moans his Prometheus, wondering what release from familiar bondage might actually portend. "So long liberation," his Icarus sings as he plummets from the sky with desperation and grace, ready to unfeather and plunge into the everything-new. Whether in the extended poem-prayer to Alice Coltrane or in the "deleted scenes" and "alternate endings" to his critically acclaimed volume *Bright Felon*, or in the spirit-infused and multi-faceted lyrics he has become known for, Ali once again reinvents possibilities for the personal lyric and narrative.

A Theatre Project Richard Pilbrow, David Collison, 2011-01-01

Your Crib, My Qibla Saddiq M. Dzukogi, 2021-03 Derek Walcott Prize for Poetry Winner Julie Suk Award Winner Nigeria Prize for Literature shortlist *Your Crib, My Qibla* interrogates loss, the death of a child, and a father's pursuit of language able to articulate grief. In these poems, the language of memory functions as a space of mourning, connecting the dead with the world of the living. Culminating in an imagined dialogue between the father and his deceased daughter in the intricate space of the family, *Your Crib, My Qibla* explores grief, the fleeting nature of healing, and the constant obsession of memory as a language to reach the dead.

Flowers In The Attic V.C. Andrews, 2011-02-08 Celebrate the fortieth anniversary of the enduring gothic masterpiece *Flowers in the Attic*—the unforgettable forbidden love story that earned V.C. Andrews a fiercely devoted fan base and became an international cult classic. At the top of the stairs there are four secrets hidden—blond, innocent, and fighting for their lives... They were a perfect and beautiful family—until a heartbreaking tragedy shattered their happiness. Now, for the sake of an inheritance that will ensure their future, the children must be hidden away out of sight, as if they never existed. They are kept in the attic of their grandmother's labyrinthine mansion, isolated and alone. As the visits from their seemingly

unconcerned mother slowly dwindle, the four children grow ever closer and depend upon one another to survive both this cramped world and their cruel grandmother. A suspenseful and thrilling tale of family, greed, murder, and forbidden love, *Flowers in the Attic* is the unputdownable first novel of the epic Dollanganger family saga. The Dollanganger series includes: *Flowers in the Attic*, *Petals in the Wind*, *If There Be Thorns*, *Seeds of Yesterday*, *Garden of Shadows*, *Beneath the Attic*, and *Out of the Attic*.
