Nuclear Governance in the Asia-Pacific Mely Caballero-Anthony,Julius Cesar I. Trajano,2022-07-08 The contributors to this book explore approaches to building a framework for nuclear governance in the Asia-Pacific - encompassing nuclear safety, security, and safeguards/non-proliferation. Nuclear governance collaboration offers an avenue for states in the Asia-Pacific to tackle the emerging opportunities for and challenges to the peaceful uses of nuclear energy and the civilian applications of nuclear and radioactive materials. The nature of national actions, bilateral initiatives and regional cooperation in capacity building taking place in East Asia provides a good foundation to pursue a more robust collaborative framework for nuclear governance in the wider Asia-Pacific region. The contributors to this book explore the most critical nuclear safety, security and non-proliferation issues faced by states in the Asia-Pacific and the growing cooperation spearheaded by Southeast Asian countries, China, Japan, South Korea and the United States. This book is a valuable read for academics working on security and strategic studies, international relations, non-traditional security issues as well as nuclear-related issues.

Modest Major General Rupert Litherland,2020-10-09 Colonel Rupert Litherland's last published work was a highly regarded biography of Major General Bunny Burnett, and he has now returned to the fray with a biography of Major General Ronnie McAlister. Both men were 10th Gurkhas, both held the post of Major General Brigade of Gurkhas but were very different personalities. With Burnett what you saw was what you got: scruffy, laid back, extrovert, hail fellow well met, humorous, a smoker who enjoyed a drink, all of which did nothing to hide a great deal of common sense, tremendous professional competence and much operational experience that had won him an MC and a DSO. McAlister was much less of an extrovert, outwardly reserved, not at all showy, impeccably mannered, and a modest drinker but with a sharp and perceptive brain with the ability to reduce the most complicated situations to its basics that could be understood by all. In terms of authorship this biography was probably much more difficult to write than that of Burnett, if only because Ronnie McAlister was much more of a private person. Commissioned into the 3rd Gurkhas in 1942 and a temporary major three years later, he transferred to 10th Gurkhas when his own 3rd Gurkhas went to the army of the newly independent India. McAlister swiftly gained a reputation as a superb trainer and staff officer. Litherland traces this phase of his career in detail and shows how McAlister's reputation for being able to shine in any demanding staff appointment reduced his experience of

operations. That may well be so, but as this book shows admirably, when 'Ronnie Mac' took command of 1/10th Gurkha Rifles that battalion achieved more in the course of the Borneo campaign than any other Gurkha battalion - and that bar was very high indeed. Of particular value, not just to the Brigade but to military historians generally, is the account of the events on the Hong Kong border in 1967 when McAlister was in command of 1/10 GR. Litherland has gone to great lengths to uncover previously unpublished sources and to interview leading participants, and he has produced what is certainly the most accurate account to date, and which is unlikely to be surpassed. As Litherland says, those of us who knew General Ronnie and had served under him would have liked to acknowledge his service and his friendship at a memorial service, but it is the measure of the man that when he knew he was dying, at the very respectable age of ninety-two, he insisted that there was to be no fuss and no memorial service. This is an excellent book which well captures the character of a fine officer and a man of great kindness and humility who even when achieving high rank never lost the human touch. Gordon Corrigan - Author 'Mud, Blood and Poppycok: Britain and the First world War

Soldier in the Sand Simon Mayall, 2020-08-31 Insight into the Middle East from a general with long experience in the region: "His analysis of the revolution in Iran is particularly enlightening." —John Simpson, BBC journalist With the Middle East in a state of persistent change and upheaval, there has long been a need for a comprehensive yet readable study that can give the intelligent and interested layperson a greater understanding of this diverse, complex region. Simon Mayall, whose links with the area are deep and longstanding, provides just that in *Soldier in the Sand*. As well as analyzing the Middle East's history and religions, which strongly influence people's actions, attitudes, and relationships, Mayall draws on his own experiences and impressions based on his many years in key military and diplomatic appointments in numerous countries. In addition to knowing many of the key players personally, he has studied, at leading universities, British policy and engagement in the area and he understands the effects of this long-term engagement. This invaluable book's unique mixture of history, politics, academic study, and first-hand experience affords the reader an invaluable insight into a fascinating, fractured, and frustrating area of the world. General Mayall explains complex situations in a thoroughly accessible and human manner, as lecture audiences worldwide already know, and now his knowledge and common sense approach is also available in this important, entertaining book.

Lost and Found Cat Doug Kuntz, Amy Shrodes, 2017-01-31 This heartwarming true story of one lost cat's journey to be reunited with his refugee family gently introduces children to a difficult topic and shows how ordinary people can help with compassion and hope. When an Iraqi family is forced to flee their home, they can't bear to leave their beloved cat, Kunkush, behind. So they carry him with them from Iraq to Greece, keeping their secret passenger hidden away. But during the crowded boat crossing to Greece, his carrier breaks and the frightened cat runs from the chaos, disappearing. After an unsuccessful search, his family has to continue their journey, leaving brokenhearted. A few days later, aid workers in Greece

find the lost cat. Knowing how much his family has sacrificed already, they are desperate to reunite them. A worldwide community comes together to spread the word on the Internet and in the news media, and after several months the impossible happens—Kunkush’s family is found, and they finally get their happy ending in their new home. This remarkable true story is told by the real people involved, with the full cooperation of Kunkush’s family. “Bound to be a hit with cats and kids alike.” —People.com
