Modest Major General Rupert Litherland,2020-10-09 Colonel Rupert Litherland's last published work was a highly regarded biography of Major General Bunny Burnett, and he has now returned to the fray with a biography of Major General Ronnie McAlister. Both men were 10th Gurkhas, both held the post of Major General Brigade of Gurkhas but were very different personalities. With Burnett what you saw was what you got: scruffy, laid back, extrovert, hail fellow well met, humorous, a smoker who enjoyed a drink, all of which did nothing to hide a great deal of common sense, tremendous professional competence and much operational experience that had won him an MC and a DSO. McAlister was much less of an extrovert, outwardly reserved, not at all showy, impeccably mannered, and a modest drinker but with a sharp and perceptive brain with the ability to reduce the most complicated situations to its basics that could be understood by all. In terms of authorship this biography was probably much more difficult to write than that of Burnett, if only because Ronnie McAlister was much more of a private person. Commissioned into the 3rd Gurkhas in 1942 and a temporary major three years later, he transferred to 10th Gurkhas when his own 3rd Gurkhas went to the army of the newly independent India. McAlister swiftly gained a reputation as a superb trainer and staff officer. Litherland traces this phase of his career in detail and shows how McAlister's reputation for being able to shine in any demanding staff appointment reduced his experience of operations. That may well be so, but as this book shows admirably, when 'Ronnie Mac' took command of 1/10th Gurkha Rifles that battalion achieved more in the course of the Borneo campaign than any other Gurkha battalion - and that bar was very high indeed.Of particular value, not just to the Brigade but to military historians generally, is the account of the events on the Hong Kong border in 1967 when McAlister was in command of 1/10 GR. Litherland has gone to great lengths to uncover previously unpublished sources and to interview leading participants, and he has produced what is certainly the most accurate account to date, and which is unlikely to be surpassed.As Litherland says, those of us who knew General Ronnie and had served under him would have liked to acknowledge his service and his friendship at a memorial service, but it is the measure of the man that when he knew he was dying, at the very respectable age of ninety-two, he insisted that there was to be no fuss and no memorial service.This is an excellent book which well captures the character of a fine officer and a man of great kindness and humility who even when achieving high rank never lost the human touch. The White Shadow Andrea Eames, 2012 Tinashe is a young Shona boy living in a small village in rural Rhodesia. The guerilla war of the late 1960s haunts the bushlands, but it only infrequently affects his quiet life; school, swimming in the river, playing with the other kids on the kopje. When his younger sister, Hazvinei, is born, Tinashe knows at once that there is something special about her. Their life in the village, once disturbed only by the occasional visits of his successful uncle and city cousin, Abel, now becomes entangled with the dual forces of the Shona spirit world and the political turmoil of the nation. As Tinashe, Hazvinei and Abel grow older, their destinies entangle in ways they never expected. Tinashe is prepared to follow his sister anywhere - but how far can he go to keep her safe when the forces threatening her are so much darker and more sinister than he suspected? Andrea Eames weaves together folklore and suspense in this compelling tale of a boy struggling to do the right thing in an unpredictable world.

The Obsessive Joy of Autism Julia Bascom, 2015-05-21 'Being autistic, to me, means a lot of different things, but one of the best things is that I can be so happy, so enraptured about things no one else understands and so wrapped up in my own joy that, not only does it not matter that no one else shares it, but it can become contagious. This is the part about autism that I can never explain. This is the part I never want to lose.' Julia Bascom's depiction of the joy of autistic obsessions tells a story about autism that is very rarely told. It tells of a world beyond impairments and medical histories, where the multiples of seven can open a floodgate of untranslatable joy, where riding a train can make everything feel perfectly sized and full of light, and where flapping your hands just so amplifies everything you feel. *The Obsessive Joy of Autism* will resonate powerfully with other autistic people, and encourage those who have a person with autism in their lives to look out for that joy, to chase it, to get obsessed.

Soldier in the Sand Simon Mayall, 2020-08-31 Insight into the Middle East from a general with long experience in the region: "His analysis of the revolution in Iran is particularly enlightening." —John Simpson, BBC journalist With the Middle East in a state of persistent change and upheaval, there has long been a need for a comprehensive yet readable study that can give the intelligent and interested layperson a greater understanding of this diverse, complex region. Simon Mayall, whose links with the area are deep and longstanding, provides just that in *Soldier in the Sand*. As well as analyzing the Middle East's history and religions, which strongly influence people's actions, attitudes, and relationships, Mayall draws on his own experiences and impressions based on his many years in key military and diplomatic appointments in numerous countries. In addition to knowing many of the key players personally, he has studied, at leading universities, British policy and engagement in the area and he understands the effects of this long-term engagement. This invaluable book's unique mixture of history, politics, academic study, and first-hand experience affords the reader an invaluable insight into a fascinating, fractured, and frustrating area of the world. General Mayall explains complex situations in a thoroughly

accessible and human manner, as lecture audiences worldwide already know, and now his knowledge and common sense approach is also available in this important, entertaining book.

DSC 0255 300x200.jpg Introduction

In the digital age, access to information has become easier than ever before. The ability to download DSC 0255 300x200.jpg has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download DSC 0255 300x200.jpg has opened up a world of possibilities. Downloading DSC 0255 300x200.jpg provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the

days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading DSC 0255 300x200.jpg has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download DSC 0255 300x200.jpg. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading DSC 0255 300x200.jpg. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading DSC 0255

300x200.jpg, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download DSC 0255 300x200.jpg has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
