Text Book of Educational Philosophy Ram Nath Sharma,2000

Veterinary Virology Frank J. Fenner,Peter A. Bachmann,E. Paul J. Gibbs,2014-06-28 Veterinary Virology deals with basic biomedical virology and the clinical discipline of infectious diseases. The book discusses the principles of virology as effecting future developments in the search for preventive and management of infectious diseases in animals, whether singly or as a whole herd or flock. Part I explains the principles of animal virology including the structure, composition, classification, nomenclature, cultivation, and assay of viruses. This part also discusses viral genetics, replication, and evolution (including mutation and genetic engineering). The book also reviews the pathogenesis of viruses, host resistance and susceptibility, as well as the mechanisms of persistent infections and tumor induction. Part II deals with viruses found in domestic animals; this part also explains in detail the properties, replication methods, pathogenesis, immunity, diagnosis, and control of some common viruses. The book discusses some other families of viruses of which no members are yet known as to have caused serious or important diseases in animals. Veterinarians, immunologists, virologists, molecular researchers, students, and academicians in the discipline of virology and cellular biology, as well as livestock owners will find this book helpful.

Tell Her Everything Mirza Waheed,2023-02-07 “[A] a powerful tale of guilt and betrayal...Tell Her Everything...is about a doctor who betrays the principle of empathy. But it is through the empathic act of writing - of putting pen to paper and reckoning with those who have suffered at his hands - that he succeeds in recovering his humanity and coming back from his own living death...plotted with great care.” —The Guardian Tell Her Everything is a layered recital of intricately woven hauntings, decisions, and confessions...[A] story that is at once haunting, tender, and gripping. — Chicago Review of Books A doctor working in a prosperous Middle Eastern city finds himself placed in an unconscionable situation ... As he prepares for a visit from his long-estranged daughter, Dr K., a retired surgeon enjoying the comforts of retirement in London, rehearses the conversation he will finally have with her. It’s been years since he has seen her, and he has spent much of that time polishing the confession he wants to make to her. But as her visit draws closer, he finds his memories to be freshly torturous.

He recalls leaving his childhood home in India to accept a dream job, working for a state hospital in a prosperous oil monarchy. Suddenly, he'd had access to a lifestyle that he would never have had back home. Money and success came quickly . . . as long as he performed certain tasks for the state. The price for that proved steep and often unbearable, especially to a wife and daughter who watch him walk the perilous path of lifelong ambition. Tell Her Everything is a tense, visceral, and moving novel about a father's love for his daughter, and about a medical professional grappling with remorse, shame and despair. Recalling the work of Ishiguro, Coetzee and Kafka, it asks: Where does one draw the line between empathy and sacrifice? Between integrity and survival? Between prosperity and love?

Mr Peacock's Possessions Lydia Syson, 2018-05-17 An intimate, intense and beautifully realised novel of possession, power and the liberating loss of innocence, this will delight fans of MISTER PIP and THE POISONWOOD BIBLE. Oceania, 1879. For two years the Peacocks, a determined family of settlers, have struggled to make a remote volcanic island their home. At last, a ship appears. The six Pacific Islanders on board have travelled over eight hundred miles in search of new horizons. Hopes are high, until a vulnerable boy vanishes. In their search for the lost child, settlers and newcomers together uncover far more than they were looking for. The island's secrets force young Lizzie Peacock to question her deepest convictions, and slowly this tiny, fragile community begins to fracture . . . 'Intelligent, beautifully written' The Times 'Historical fiction fans, meet your new favourite author' Stella Magazine 'Beautifully written, immaculately researched and powerfully imagined' Lancashire Evening Post

The Book Of Gold Leaves Mirza Waheed, 2014-10-30 *Shortlisted for the DSC Prize for South Asian Literature 2016* Mirza Waheed's extraordinary new novel The Book of Gold Leaves is a heartbreaking love story set in war-torn Kashmir. In an ancient house in the city of Srinagar, Faiz paints exquisite Papier Mache pencil boxes for tourists. Evening is beginning to slip into night when he sets off for the shrine. There he finds the woman with the long black hair. Roohi is prostrate before her God. She begs for the boy of her dreams to come and take her away. Roohi wants a love story. An age-old tale of love, war, temptation, duty and choice, The Book of Gold Leaves is a heartbreaking tale of a what might have been, what could have been, if only. 'I loved it. The voice is lyrical, to match the beauty of Kashmir, and yet it is tinged with melancholy and grief, as is the story it tells' Nadeem Aslam (on The Collaborator) 'Waheed's prose burns with the fever of anger and despair; the scenes in the valley are exceptional, conveying, a hallucinatory living nightmare that has become an everyday reality for Kashmiris' Metro (on The Collaborator) Mirza Waheed was born and brought up in Kashmir. His debut novel The Collaborator was shortlisted for the Guardian First Book Award and the Shakti Bhat Prize, and longlisted for the Desmond Elliott Prize. It was also book of the year for The Telegraph, New Statesman, Financial Times, Business Standard and Telegraph India, among others. Waheed has written for the BBC, The Guardian, Granta, Al Jazeera English and the New York Times. He lives in London.

Miracle on Grass David Fanucchi,2012-11-01 The true story of how an unknown squad of American minor leaguers stunned the international baseball powerhouse from Cuba. Led by Hall-of-Fame manager Tommy Lasorda, the 2000 USA Olympic Baseball team pulled off one of the biggest upsets in Olympic history. This is a behind the scenes look at how the executives in charge went about selecting the players, how Lasorda persuaded management into giving him the opportunity to coach the team, and how capturing the gold medal in Sydney changed the lives of every player, coach and administrator involved.-- T.p. 4

The Promise Girls Marie Bostwick,2017-03-28 Three unconventional sisters are reunited in this “beautiful story about the ties that bind” from the New York Times bestselling author (Melanie Benjamin). Every child prodigy grows up eventually. For the Promise sisters, escaping their mother’s narcissism and the notoriety that came with her bestselling book hasn’t been easy. Minerva Promise claimed that her three “test tube” daughters—gifted pianist Joanie, artistic Meg, and storyteller Avery—were engineered and molded to be geniuses. In adulthood, their modest lives fall far short of her grand ambitions. But now, twenty years after the book’s release, she hopes to redeem herself by taking part in a new documentary. Meg, who hasn’t picked up a paintbrush in years, adamantly refuses to participate, until a car accident leaves her with crushing medical bills. While she recuperates in Seattle, the three sisters reluctantly meet with filmmaker Hal Seeger, another former prodigy. Like them, he’s familiar with the weight of failed potential. But as he digs deeper, he uncovers secrets they’ve hidden from each other—and a revelation that will challenge their beliefs, even as it spurs them to forge their own extraordinary lives at last. Praise for Marie Bostwick “Reading Marie Bostwick is like wrapping yourself up in a warm, hand-crafted quilt. Her books, rich in character and plot, are stitched together by a skilled wordsmith.” —Debbie Macomber, #1 New York Times bestselling author “Marie Bostwick is my go-to author . . . always powerful, inspiring, and uplifting.” —Robyn Carr, #1 New York Times bestselling author

Seven Stages Joe Lambert,2013

Hiking in Norway - South Ute Koninx,2021-02-15 This guide describes 10 shorter hut-to-hut treks showcasing southern Norway's wild natural beauty, with highlights including Galdhøpiggen - Norway's highest peak at 2469m - and the iconic Pulpit Rock and Kjeragbolten on the Lysefjord. The routes range from 3 to 8 days (although many can be adapted or combined to create longer or shorter routes) and cover Jotunheimen, Rondane, Dovrefjell, Trollheimen and Ryfylke. They are suitable for experienced hikers with a good level of fitness and can be walked from mid-July to the end of September. Clear route description and mapping are provided for each hike. Stages are graded according to difficulty: although all of the routes follow waymarked trails, some cross remote and challenging terrain which may include exposed sections calling for a

sure foot and a good head for heights. However, in many instances, alternatives are provided avoiding the most demanding sections. The guide also offers comprehensive advice on public transport access and accommodation options, and background notes on each of the featured mountain regions. From narrow ridges to wide glacial valleys and from shimmering fjords to striking alpine peaks, Norway is home to many awe-inspiring landscapes. Throw in the warmth and hospitality of the Norwegian Trekking Association's extensive hut network and you have all the ingredients of a fantastic adventure. This guide is an ideal companion to discovering some of Norway's classic shorter hikes and best-loved mountain landscapes.

More Than a Season Dayton Moore, Matt Fulks, Alex Gordon, Ned Yost, 2016-04-01 Provides a blueprint for becoming a champion, both on and off the field When Dayton Moore arrived in Kansas City in 2006, the Royals hardly resembled a contender. The general manager inherited a major league club that had just one winning season in the previous decade. Moore, a Kansas native who grew up as a Royals fan, implemented a plan to return the franchise to its glory years. Though not without a few bumps in the road, that plan came to fruition in 2014 and 2015, as the Royals reached the World Series both years and were crowned 2015 World Series champions. In *More Than a Season*, Moore shares how his faith and leadership principles guided his rebooting of the Royals. The general manager describes how he built one of baseball's best farm systems and international scouting departments out of nothing. He shares insight on how he persevered through six consecutive losing seasons and the critical response to controversial trades of Zack Greinke and Wil Myers—transactions that ultimately yielded the foundation of a champion. Full of never-before-told stories from inside the Royals organization *More Than a Season* features an introduction by William F. High, CEO of the National Christian Foundation Heartland. This updated edition features an all-new prologue and an additional chapter celebrating the 2015 World Series championship season.

Reviving Critical Planning Theory Tore Øivin Sager, 2012-08-21 Discussing some of the most vexing criticism of communicative planning theory (CPT), this book goes on to suggest how theorists and planners can respond to it. Looking at issues of power, politics and ethics in relation to planning, this book is for both critics and advocates of CPT, with lessons for all. With severe criticisms being raised against CPT, the need has arisen to systematically think through what responsibilities planning theorists might have for the end-uses of their theoretical work. Offering inventive proposals for amending the shortcomings of this widely adhered planning method, this book reflects on what communicative planning theorists and practitioners can and should do differently.

The Book of New Family Traditions (Revised and Updated) Meg Cox, 2012-05-22 Offers instructions or recipes for creating new family rituals or traditions, in categories such as holidays, family festivities and ceremonies, and rites of passage.

Ishi in Two Worlds Theodora Kroeber, 2004 Originally published: 1961. With new foreword.

Walking and Trekking in the Sierra Nevada Richard Hartley, 2023-03-28 This guidebook offers a selection of 38 routes from simple day walks, high mountain scrambles to very demanding multi-day treks in the striking Sierra Nevada, the highest mountain range in mainland Spain. Easily accessible from Granada and Malaga, it is a world of soaring, snow-clad peaks and deep valleys, far removed from the crowded beaches of the Costa del Sol just two hours away. The routes are spread across the national park, with attractive towns and villages such as Trevelez, Lanjaron, Hoya de la Mora and Cumbres Verdes serving as potential bases for a walking holiday. From more leisurely outings in the Cumbres Verde area to ascents of mainland Spain's highest summit, Mulhacen, there are routes to suit a range of abilities, although most require a reasonable degree of fitness, navigational skill and experience of high mountain terrain. Whilst some of the routes are day or half-day walks, others take advantage of the region's network of mountain shelters or offer an opportunity to wild camp. Also included are three longer traverses: 'Los Tres Picos' (the Spanish Three Peaks - Veleta, Mulhacen and Alcazaba), 'Los Tres Miles' Integral (a multi-day trek covering all the major 3000m peaks in the range) and an overview of the 302km Sulayr GR240. The walks can be enjoyed most of the year, however conditions may prove too hot at the peak of summer and extra care and equipment will be required in snow or ice: the descriptions assume summer conditions, but include additional notes for winter walking. The guide also includes advice on transport, bases and safety, a tick-list of the 3000m peaks and a Spanish-English glossary.

Trekking in Greenland - The Arctic Circle Trail Paddy Dillon, 2024-01-04 At just over 100 miles long, and taking 7 to 10 days to complete, the Arctic Circle Trail crosses the largest ice-free patch of West Greenland. This splendid trekking route, lying 25-30 miles north of the Arctic Circle runs from Kangerlussuaq to Sisimiut (both of which have airport access). The trail traverses remote, empty, silent and stunningly scenic arctic tundra, and is mostly gently graded with just a few short, steep and rocky slopes. However, the landscape between the two towns of Kangerlussuaq and Sisimiut is extremely remote and those who choose to take on this route must be completely self-sufficient. The book includes plenty of practical information on what to take with you and when to go, as well as on safety, travel and accommodation. Fully illustrated with a variety of photographs and its route is highlighted on continuous trekking maps. The guide also includes an optional extension to the Greenlandic ice cap.

Through the Leopard's Gaze Njambi McGrath, McGrath Njambi, 2020 In her captivating memoir Through the Leopard's Gaze, Njambi McGrath details the harrowing circumstances of her life as a young girl in Kenya, who one fateful night was beaten to a pulp and left for dead. Thirteen-year-old Njambi, fearing her assailant would return to finish her, courageously escaped, walking through the night in the Kenyan countryside, risking wild animals, robbers and murderers, before being picked up by two shabbily dressed but safe men. She buries the memories of that fateful day and night, and years later ends up in London with a British husband and children. Then one day a simple unassuming wedding invitation arrives in her

mailbox causing her to have to confront the remnants of a past she had thought was behind her. This is a book about survival, and courage when all else fails. It's a searingly honest examination of human cruelty and strength in equal measure.

The Collaborator Mirza Waheed, 2012 Four teenage boys, who used to spend their afternoons playing cricket, or singing Bollywood ballads down by the river, have disappeared one by one, to cross into Pakistan and join the movement against the Indian army. A tale tinged with grief, 'The Collaborator' describes the heart of a war that is all too real.

DSC 0375 200x300.jpg: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. DSC 0375 200x300.jpg : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the

dangers of obsession and the power of evil.
