The Artifact Hunters Janet Fox,2020-08-25 Isaac Wolf can travel through time. But he's also in a race against it. With tensions in Prague rising at the height of World War II, Isaac Wolf is forced to leave home with nothing more than a small backpack and a pendant in the shape of an eternity knot. His parents believe the pendant will keep him safe--if he can discover what it really means. This clue leads him to Rookskill Castle, home of the Special Alternative Intelligence Unit where gifted children can learn to harness their powers to support the Allies' cause. With the help of his new friends and an antique watch that allows him to travel through time, Isaac must unlock his own powers and uncover the true meaning of the eternity knot. The only way he can do that, though, is by hunting for a series of magical artifacts that are scattered throughout the past . . . and Isaac isn't the only artifact hunter. Soon he finds himself in a race against a threat just as deadly as the war itself--one that his parents had been trying to shield him from all along.

Keep It Together, Keiko Carter: A Wish Novel Debbi Michiko Florence,2020-05-05 Fans of Wendy Mass and Lisa Greenwald are sure to fall head-over-heels for this sweet story about first crushes, friendship drama, and finding the courage to stand up for yourself. Seventh grade is supposed to be a game changer. And Keiko thinks she's got it covered, especially with Audrey and Jenna by her side to shop for a new look, pick out a prime lunch spot, and even hit up that cute new bubble tea place after school. Her trio is ready to tackle life as they always have... together. But when Audrey decides they need boyfriends before Fall Ball, it looks like things may be changing in all the wrong ways. Jenna is sick of caving in to Audrey's demands, and soon Keiko's besties are barely talking, leaving her caught in the middle. While she's been dreaming about triple-dates, first kisses, and a boy she really shouldn't have a crush on, the friendship she's always thought was rock-solid is beginning to crumble. Keiko feels pulled in two directions. Should she try to help her friends -- even if it means losing one of them -- or follow her heart? When it comes to flirting, friendships, and fallouts, how is Keiko supposed to keep it all together?

Nature Inside William D. Browning, Catherine O. Ryan, 2020-10-09 Written by a leading proponent of biophilic design, this is the only practical guide to biophilic design principles for interior designers. Describing the key benefits, principles and processes of biophilic design, *Nature Inside* illustrates the implementation of biophilic design in interior design practice, across a range of international case studies – at different scales, and different typologies. Starting with the principles of biophilic design, and the principles and processes in practice, the book then showcases a variety of interior spaces – residential, retail, workplace, hospitality, education, healthcare and manufacturing. The final chapter looks ‘outside the walls’, giving a case study at the campus and city scale. With practical guidance and real-world solutions that can be directly applied in day-to-day practice, this is a must-have for designers interested in applying biophilic principles.

The Charmed Children of Rookskill Castle Janet Fox, 2017-03-07 “An enchanting, ghostly story that had me in its grip until the last page.—Jennifer A. Nielsen, New York Times and USA Today best-selling author of *The False Prince* “Keep calm and carry on.” That’s what Katherine Bateson’s father told her, and that’s what she’s trying to do: when her father goes off to the war, when her mother sends Kat and her brother and sister away from London to escape the incessant bombing, even when the children arrive at Rookskill Castle, an ancient, crumbling manor on the misty Scottish highlands. But it’s hard to keep calm in the strange castle that seems haunted by ghosts or worse. What’s making those terrifying screeches and groans at night? Why do the castle’s walls seem to have a mind of their own? And why do people seem to mysteriously appear and disappear? Kat believes she knows the answer: Lady Eleanor, who rules Rookskill Castle, is harboring a Nazi spy. But when her classmates begin to vanish, one by one, Kat must uncover the truth about what the castle actually harbors—and who Lady Eleanor really is—before it's too late.
