The Burger King Jim McLamore, 2020-05-19 The co-founder and first CEO of Burger King recounts the journey of the international fast-food chain and offers a message to today's budding entrepreneur. A rags-to-\$9-billion-riches story. A crash course in Burger King history and fast food in America, *The Burger King* is McLamore's candid and conversational memoir. Written before his death in 1996, he talks of his life, the birth of the whopper, and the rise of Burger King. Inside, find out: How Burger King managed to create the worst advertising campaign of 1985 What Burger King shares with Pitbull, Scarface, and Marco Rubio Why Wendy's founder Dave Thomas called McLamore an "American original" McLamore's account of Burger King offers an instructive and inspiring tale to young entrepreneurs. Here's a story of entrepreneurship development from one of the top entrepreneurs of fast-food chains. Want to learn how to start a food business? Burger King's journey from south Florida drive-ins to international corporation reveals the ups and downs of entrepreneurship, whether in the food service industry or elsewhere. But the autobiography of McLamore doesn't end when he exits the company. So, what comes after success? To McLamore, it comes down to what's truly needed to live a full and good life—personal values, impacting the people around you, and juicy hamburgers. Praise for *The Burger King* "Inspiring." —Miami Herald "A must-read for aspiring entrepreneurs, for those who have worked in the business, and for those looking for inspiration from one of America's great innovators A great read for business owners and those who want to be one." —Jose Cil, CEO, Restaurants Brands International (parent company of Burger King, Popeyes & Tim Hortons)

Elevation Stephen King, 2019-11-12 From legendary master storyteller Stephen King, a riveting story about "an ordinary man in an extraordinary condition rising above hatred" (*The Washington Post*) and bringing the fictional town of Castle Rock, Maine together—a "joyful, uplifting" (*Entertainment Weekly*) tale about finding common ground despite deep-rooted differences, "the sign of a master elevating his own legendary game yet again" (*USA TODAY*). Although Scott Carey doesn't look any different, he's been steadily losing weight. There are a couple of other odd things, too. He weighs the same in his clothes and out of them, no matter how heavy they are. Scott doesn't want to be poked and prodded. He mostly just wants someone else to know, and he trusts Doctor Bob Ellis. In the small town of Castle Rock, the setting of many of King's most iconic stories, Scott is engaged in a low grade—but escalating—battle with the lesbians next door whose dog regularly drops his business on Scott's lawn. One of the women is friendly; the other, cold as ice. Both are trying to launch a new restaurant,

but the people of Castle Rock want no part of a gay married couple, and the place is in trouble. When Scott finally understands the prejudices they face—including his own—he tries to help. Unlikely alliances, the annual foot race, and the mystery of Scott's affliction bring out the best in people who have indulged the worst in themselves and others. "Written in masterly Stephen King's signature translucent...this uncharacteristically glimmering fairy tale calls unabashedly for us to rise above our differences" (Booklist, starred review). Elevation is an antidote to our divisive culture, an "elegant whisper of a story" (Kirkus Reviews, starred review), "perfect for any fan of small towns, magic, and the joys and challenges of doing the right thing" (Publishers Weekly, starred review).

Knights in Training Heather Haupt, 2017-05-30 Bringing chivalry back into our modern-day world, this book shows us how to inspire today's generation of young boys to pursue honor, courage, and compassion. In an age when respect and honor seem like distant and antiquated relics, how can we equip boys to pursue valor and courageously put the needs of others before their own? This book helps parents to inspire their boys by captivating their imagination and honoring their love for adventure. Heather Haupt explores how knights historically lived out various aspects of the knights' Code of Chivalry, as depicted in the French epic Song of Roland, and how boys can embody these same ideals now. When we issue the challenge and give boys the reasons why it is worth pursuing, we step forward on an incredible journey towards raising the kind of boys who, just like the knights of old, make an impact in their world now and for the rest of their lives.

Fairy Tale Stephen King, 2023-06-06 Stephen King goes into the deepest well of his imagination in this spellbinding novel about a seventeen-year-old boy who inherits the keys to a parallel world where good and evil are at war, and the stakes could not be higher—for that world or ours. Charlie Reade looks like a regular high school kid, great at baseball and football, a decent student. But he carries a heavy load. His mom was killed in a hit-and-run accident when he was ten, and grief drove his dad to drink. Charlie learned how to take care of himself—and his dad. When Charlie is seventeen, he meets a dog named Radar and her aging master, Howard Bowditch, a recluse in a big house at the top of a big hill, with a locked shed in the backyard. Sometimes strange sounds emerge from it. Charlie starts doing jobs for Mr. Bowditch and loses his heart to Radar. Then, when Bowditch dies, he leaves Charlie a cassette tape telling a story no one would believe. What Bowditch knows, and has kept secret all his long life, is that inside the shed is a portal to another world. --Publisher.

When the Beat Was Born Laban Carrick Hill,2013-08-27 Before there was hip hop, there was DJ Kool Herc. On a hot day at the end of summer in 1973 Cindy Campbell threw a back-to-school party at a park in the South Bronx. Her brother, Clive Campbell, spun the records. He had a new way of playing the music to make the breaks—the musical interludes between verses—longer for dancing. He called himself DJ Kool Herc and this is *When the Beat Was Born*. From his childhood in Jamaica to his youth in the Bronx, Laban Carrick Hill's book tells how Kool Herc came to be a DJ, how kids in gangs stopped fighting in order to breakdance, and how the music he invented went on to define a culture and transform the world.

Ordinary Citizens David King,2003 The book consists of 166 photographs taken from the interrogation files of the secret police in Moscow of those arrested on falsified charges, found guilty and shot during Stalin's reign of terror from the late 1920s until his death in 1953 - engineers, artists, factory workers, teachers, housewives, heroes of the Soviet Union, even secret policemen themselves. Each photograph is accompanied by the basic details of that person's life and the charges brought against them. - abstract from Francis Boutle Publishers website.

Calandra thought about ignoring Damon or denying it, but what was the point? This was nothing more than a dream, and the slippery logic of dreams fuzzed her will to keep her more rebellious thoughts to herself. “You know, I shouldn’t even be talking to you. An Unredeemed male. I could get in big trouble.” The corners of his mouth curved under his trim goatee. “And who will report you?” He indicated the black water around them. “Certainly not I. I exist only in your mind.” She crossed her arms and cocked her head, studying him. “Have you ever been Redeemed?” His expression became stony. “Redemption is for humans.” “Redemption is for men. To make them safe. It just happens that the only men are human.” Thinking of Osaze’s dread, she wondered again at the morality of it. Uncrossing her arms, she shifted her gaze from Damon’s face to his bronze chest. “And one of them is my friend.” “All humans should be controlled,” he replied nonchalantly, drawing nearer. “They have not the patience nor discipline to control themselves. And I am not human, yet I am male.” She looked up at him, eyes narrowed. “I can see that. What are you? I’ve never seen an undine with golden eyes.” He smiled knowingly. “Not human. But I could be your friend.” That same feeling of security and warmth from their first encounter enveloped her, as though he were projecting it from himself intentionally. She frowned, wanting to accept it and shake off her heavy heart, but not daring to trust him yet. “What do you want from me?” “I want to help you.” Damon came near enough to touch her but didn’t, pausing before her with his arms to the sides in a placating gesture. She wrapped her arms around herself and glared into the blackness beyond him. “Yeah, well, you can’t. Not unless you can tell me how to control powers that could sink an island and heal the Heartstone without going Mad.” “Little lark,” he said, amusement dripping from his voice like honey from a spoon, “that is exactly what I intend to do.”

A New Look at Mercury Retrograde Robert Wilkinson, 2016-12-05 Anyone involved in communications can attest to periods of time--lasting about three weeks, three to four times a year--when even the most simple messages seem to be wildly misinterpreted. Also during this time, mechanical and electronic things tend to break down out of the blue. An astrologer will tell you that this happens when Mercury is retrograde--a phenomenon that almost everyone's heard of but nobody really understands. Robert Wilkinson offers the inside scoop on Mercury retrograde, teaching you how to play it to your own advantage. He also offers ways to value Mercury retrograde people, projects, and situations to make the best of Mercury retrograde energies. For astrologers, Wilkinson describes a wide variety of ways a retrograde Mercury may manifest for each sign, and provides lists of characteristics showing how the energy behaves in the signs and houses in natal, progressed, return, and transit charts. Wilkinson helps the rest of us understand why people born during a Mercury retrograde think and act the way they do, and how to interact with them productively. And for celebrity hounds and history buffs, he includes a list of famous people born during Mercury retrograde; information about world events that occurred during Mercury retrogrades in the last 150 years (revealing some thought provoking patterns); and an ephemeris of Mercury retrograde periods for 1900-2035. This book will prove as relevant 50 years from now as it is today!

Devilish King Kylie Kent, 2022-02-28 Dark Mafia Romance, Contains scenes that could be triggering to some, read with caution. This is book 1 of a trilogy, an epic cliff-hanger can be expected!! Theo My whole life was mapped out, designed for me, before I was even a twinkle in my old man's eye. I am the heir to the Valentino throne. A kingdom built with blood and dirty money. But one I'll rule all the same. My father was the youngest Don to ever be crowned king. However, with any luck, the controlling bastard will drop soon, allowing me to beat his record by a few years. I love my father-respect the hell out of

him. But some of his choices lately, the plans he's laid out for me, they're... archaic. I was happy to go along with his proposition, to embody the role I was assigned at birth. Until I met her. She wasn't part of his carefully orchestrated game board. She's not part of the lifestyle. She'd get eaten alive if I were to bring her into the fold. Those innocent emerald eyes of hers hold me captive from the moment our paths collide. To hell with the plans for my future. This girl, who has no place being in my world, has become its entirety. Holly A new job. A new city. A new country. This is the new me. Or at least that's what I'm telling myself as I step off the plane at JFK. New York, I couldn't think of a better city to force myself out of my comfort zone, to step out from under my sister's shadow. My dream once included finding the husband, having the kids, building that white picket fence. It's funny how things change over time. My new dream? Experience life to the fullest. Explore and discover who I am, without my other half. Surviving the New York culture shock, without getting mugged or killed, is also high on that list. That is, until I run into him. And just like that, my life takes a one-eighty. Again. There's something dark inside him-it calls to a part of me I never knew existed. Can I really go against my moral compass, every belief I've held onto so tightly, just to answer it? To be with him?
