Color Choices Stephen Quiller, 2002-02-01 Internationally renowned artist and best selling author Stephen Quiller shows readers how to discover their own personal color sense in *Color Choices*, a book that offers readers a fresh perspective on perfecting their own color styles. With the help of his own Quiller Wheel, a special foldout wheel featuring 68 precisely placed colors, the author shows artists how they can develop their own unique color blends. Then he explains, step by step, how to develop five structured color schemes, apply underlays and overlays, and use color in striking, unusual ways. A Year of Coloring Affirmations for New Mothers - Adult Coloring Book Sarah Renae Clark, 2016-04-27 Combine the therapeutic art of coloring with the power of positive thinking! *A Year of Coloring Affirmations for New Mothers* is an adult coloring book that includes 52 coloring pages of positive affirmations to give new mothers the encouragement,

confidence, inner strength and coping abilities they need to get through the unexpected ups and downs of the early years of motherhood. Motherhood is something that nobody can really prepare for. You can read every book, follow every routine, do everything right, have the perfect baby, and still not cope. Sometimes it's hormones, sometimes it's post natal depression, and sometimes it's just a bad day. In those moments, it's hard to ask for help, but sometimes all it takes is an encouraging word or a boost of confidence to get through. One positive thought can change your entire day. Affirmations can sometimes feel forced and it can be hard to embrace them. We are encouraged by experts to repeat our affirmations out loud, multiple times a day. Coloring page affirmations combine the therapeutic art of coloring with the power of positive thinking and visualization. Through the meditation and mindful focus of coloring, you are absorbing the positive message on each page without having to force yourself to repeat it. You are expanding the concept of positive affirmations to appeal to more of your senses - rather than just speaking and hearing, you can now touch and visualize as well. By working on the same page for multiple days, you are establishing positive thoughts in your long term memory and changing your entire way of thinking. When your baby is crying because they don't want to have a nap today.... Color My baby loves me When you're feeling like a bad mother for using the TV so you can take a break... Color I am proud of the Mother I am When you are second guessing your decisions and feeling like a failure... Color I am strong enough to fight my insecurities When you've called your friend for the fifth time this week to settle your baby... Color It's ok to ask for help When you feel like you haven't slept all year... Color I am full of energy When your baby is teething in the middle of a growth spurt and won't eat or sleep... Color I have been through hard days before and I will get through today When you accidentally cut your child's fingers instead of cutting their nails... color I'm a good mother When you're eating breakfast while your husband is preparing lunch... Color If I'm out of my pajamas by noon, it's a great day When that nappy just wasn't big enough... Color This too shall pass When your baby finally falls asleep in your arms instead of their cot... Color I will enjoy every cuddle Each coloring page in A Year of Coloring Affirmations for New Mothers is single sided, so you can color without worrying about your colors bleeding through to the next page. This affirmations coloring book is a great gift for your mother, sister or wife. Add it to you Baby Registry or buy a few as Baby Shower gifts for friends. It is a must have for any new or expecting mother.

Celia on the Run Sarah Mandell, 2012-02-28 Nick Novaczek is a cautious soul, a 17-year old with a boring life, a

predictable future, and a quiet thirst for danger. On the eve of his beloved grandmother's funeral, danger finds him by the motel swimming pool. Her name is Celia and she's everything he's not. This foul-mouthed beauty is hitchhiking across the country to make amends with her estranged father and doesn't carry an ounce of fear or hesitation in her tattered suitcase. She's bad news all around, but for a rule-follower like Nick, she's intoxicating. Twenty-four hours after speaking to Celia for the very first time, following one extremely lucky night, Nick is hopelessly hooked and borrows his parents' car to join her cross-country mission, even though her story is full of holes. It's the mistake he's been waiting his whole life to make. Together, they dodge a train, jump off a bridge, and scam everyone in their path. Nick is blossoming into a teenage fugitive, just like Celia, and he's never been happier. She may not be who she says she is, but she's got his vulnerable heart. After weeks of detours, with hundreds of miles left to go, their wild adventure starts to unravel. The money dries up, Celia's dark secrets begin to surface, and it's clear they both want vastly different things out of this partnership. Celia is all about no strings attached and severing whatever they may have between them once they reach their destination, while Nick is head over heels in love and wanting a future with the girl in his passenger seat. They seem to reach a new low on a daily basis, but she won't turn back, no matter how desperate things get. After all, this is her trip and Nick is just the driver. Celia's got a charming smile to pay her way, a willing accomplice, a hidden agenda, and an endless supply of lies. Not to mention a gun.

She's moved to Milwaukee for an entry-level corporate job that, grueling as it may be, is the key that unlocks every door: she can pick up the tab at dinner with her new friend Tig, get her college buddy Thom hired alongside her, and send money to her parents back in India. She begins

dating women—soon developing a burning crush on Marina, a beguiling and beautiful dancer who always seems just out of reach. But before long, trouble arrives. Painful secrets rear their heads; jobs go off the rails; evictions loom. Sneha struggles to be truly close and open with anybody, even as her friendships deepen, even as she throws herself headlong into a dizzying romance with Marina. It's then that Tig begins to draw up a radical solution to their problems, hoping to save them all. A beautiful and capacious novel rendered in singular, unforgettable prose, *All This Could Be Different* is a wise, tender, and riveting group portrait of young people forging love and community amidst struggle, and a moving story of one immigrant's journey to make her home in the world.

From childhood with her parents on the family meat farm, to a desk job in the city, to finally experiencing love, she grapples with her body, men, and society, all the while imagining a softer world than the one she is in. Twining the

drama of the everyday — school-age crushes, paying bills, the sickness of parents — with the surreal — rivers of thighs, men for sale, and fields of throats — Cassie's realities alternate to create a blurred, fantastic world of haunting beauty.
