Lidia Matticchio Bastianich,Tanya Bastianich Manuali

Ballerina Patricia Mears,Laura Jacobs,Jane Pritchard,Rosemary Harden,Joel Lobenthal,2019-10-15 A gorgeously illustrated look at the profound influence that classical ballet and the ballerina have had on high fashion *Ballerina: Fashion's Modern Muse* is a revelatory, irresistible treat for dance aficionados and fashionistas alike. Couturiers such as Balmain, Balenciaga, Chanel, Schiaparelli, Charles James, Dior, and Yves Saint Laurent designed ballet-inspired dresses and gowns, many featuring the boned bodices and voluminous tulle skirts of classical tutus. And ready-to-wear designers such as Claire McCardell found inspiration in ballet leotards and other practice clothing, creating knitted separates, bathing suits, and wrap dresses. Written by fashion and ballet experts, the book is illustrated with archival photography by such masters as Richard Avedon, Edward Steichen, Irving Penn, Man Ray, and Cecil Beaton, along with newly commissioned photography of contemporary ballerinas wearing ballet-influenced couture.

Everything I Never Told You Celeste Ng,2015-05-12 A New York Times Book Review Notable Book of the Year • A New York Times Book Review Editors' Choice • Winner of the Alex Award and the Massachusetts Book Award • Named a Best Book of the Year by NPR, San Francisco Chronicle, Entertainment Weekly, The Huffington Post, BuzzFeed, Grantland Booklist, St. Louis Post-Dispatch, Shelf Awareness, Book Riot, School Library Journal, Bustle, and Time Our New York The acclaimed debut novel by the author of *Little Fires Everywhere* and *Our Missing Hearts* “A taut tale of ever deepening and quickening suspense.” —O, the Oprah Magazine “Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family.” —Entertainment Weekly “Lydia is dead. But they don’t know this yet.” So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia’s body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, *Everything I Never Told You* is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another.

Just Like Rube Goldberg Sarah Aronson,2019-03-12 Discover how Rube Goldberg followed his dreams to become an award-winning cartoonist, inventor, and even an adjective in the dictionary in this inspiring and funny biographical picture

book. Want to become an award-winning cartoonist and inventor? Follow your dreams, just like Rube Goldberg! From a young age, Rube Goldberg had a talent for art. But his father, a German immigrant, wanted Rube to have a secure job. So, Rube went to college and became an engineer. But Rube didn't want to spend his life mapping sewer pipes. He wanted to follow his passion, so Rube got a low-level job at a newspaper, and from there, he worked his way up, creating cartoons that made people laugh and tickled the imagination. He became known for his fantastic Rube Goldberg machines—complicated contraptions with many parts that performed a simple task in an elaborate and farfetched way. Eventually, his cartoons earned him a Pulitzer Prize and his own adjective in the dictionary. This moving biography is sure to encourage young artists and inventors to pursue their passions.

The Serpent King Jeff Zentner, 2017-06-06 Named to ten BEST OF THE YEAR lists and selected as a William C. Morris Award Winner, *The Serpent King* is the critically acclaimed, much-beloved story of three teens who find themselves--and each other--while on the cusp of graduating from high school with hopes of leaving their small-town behind. Perfect for fans of John Green's *Turtles All the Way Down*. Move over, John Green; Zentner is coming for you. —The New York Public Library “Will fill the infinite space that was left in your chest after you finished *The Perks of Being a Wallflower*.” —BookRiot.com Dill isn't the most popular kid at his rural Tennessee high school. After his father fell from grace in a public scandal that reverberated throughout their small town, Dill became a target. Fortunately, his two fellow misfits and best friends, Travis and Lydia, have his back. But as they begin their senior year, Dill feels the coils of his future tightening around him. His only escapes are music and his secret feelings for Lydia--neither of which he is brave enough to share. Graduation feels more like an ending to Dill than a beginning. But even before then, he must cope with another ending--one that will rock his life to the core. Debut novelist Jeff Zentner provides an unblinking and at times comic view of the hard realities of growing up in the Bible belt, and an intimate look at the struggles to find one's true self in the wreckage of the past. “A story about friendship, family and forgiveness, it's as funny and witty as it is utterly heartbreaking.” —PasteMagazine.com “A brutally honest portrayal of teen life . . . [and] a love letter to the South from a man who really understands it.” —Mashable.com “I adored all three of these characters and the way they talked to and loved one another.” —New York Times

The Freedmen's Book Lydia Maria Child, 1866

Bourgeois Radicals Carol Anderson, 2015 *Bourgeois Radicals* explores the NAACP's key role in the liberation of Africans and Asians across the globe even as it fought Jim Crow on the home front during the long civil rights movement. In the eyes of the NAACP's leaders, the way to create a stable international system, stave off communism in Africa and Asia, and prevent capitalist exploitation was to embed human rights, with its economic and cultural protections, in the transformation of colonies into nations. Indeed, the NAACP aided in the liberation struggles of multiple African and Asian countries within the limited ideological space of the Second Red Scare. However, its vision of a third way to democracy and nationhood for the

hundreds of millions in Asia and Africa was only partially realized due to a toxic combination of the Cold War, Jim Crow, and die-hard imperialism. *Bourgeois Radicals* examines the toll that internationalism took on the organization and illuminates the linkages between the struggle for human rights and the fight for colonial independence.

The Assignment Liza Wiemer, 2021-08-31 Inspired by a real-life incident, this riveting novel explores the dangerous impact discrimination and antisemitism have on one community when a school assignment goes terribly wrong. Would you defend the indefensible? That's what seniors Logan March and Cade Crawford are asked to do when a favorite teacher instructs a group of students to argue for the Final Solution--the Nazi plan for the genocide of the Jewish people. Logan and Cade decide they must take a stand, and soon their actions draw the attention of the student body, the administration, and the community at large. But not everyone feels as Logan and Cade do--after all, isn't a school debate just a school debate? It's not long before the situation explodes, and acrimony and anger result. Based on true events, *The Assignment* asks: What does it take for tolerance, justice, and love to prevail? An important look at a critical moment in history through a modern lens showcasing the power of student activism. --SLJ

"Who, When, and Where", Jefferson County, Pa ,1987

Mary's Last Dance Mary Li, 2021-10-19 I can vividly remember the last steps of the last ballet, walking off the stage led by a mother and knowing the decision I had to make. That was my last dance. Mary Li (nee McKendry) is an international ballet star and a mother like no other. She became a household name when her husband Li Cunxin published his bestselling memoir, *Mao's Last Dancer* - but that book told only half the story. Growing up in a rambunctious family in Rockhampton, Mary discovered an extraordinary early passion for ballet. It saw her move to London at age sixteen, to study at the Royal Ballet School and dance at the London Festival Ballet with the likes of Nureyev, and later to Houston Ballet, where as Principal Dancer she fell in love with the acclaimed Chinese ballet dancer Li Cunxin. The couple became the darlings of the dance world, and were happier than they could have imagined at the arrival of their firstborn daughter, Sophie. Then right at the height of her international career, Mary seemingly disappeared from view, leaving the fans aghast. What could have happened to cause a woman so committed, so talented, to give it all away in a heartbeat? Now, almost twenty years on, fans finally get their answer about what happened next to this inspiring family, and learn why it is Mary's turn to tell a truly remarkable tale. This is a powerful and uplifting memoir about chasing an impossible dream, and sacrificing one's own ambition for the love of a child. It is a moving and unforgettable story of passion, dedication and devotion - and the highly anticipated sequel to one of the world's most beloved books.

The Gender Knot Johnson, 2007-09

Mary Poppins, She Wrote Valerie Lawson, 2013-12-03 A portrait of the English author of the classic children's story traces her long life, the creation of her mysterious and beloved title character, and her tumultuous relationship with Walt Disney.

I Am Smoke Henry Herz, 2021-09-14 Named to the Evanston Public Library's Blueberry List: Kids' Book that Inspire Love of Nature and Action for Planet Earth Selected for the Notable Social Studies 2022 list Named to the ALA Notable Children's Books 2022 "Wowww!"— Raina Telgemeier, #1 NY Times, #1 USA Today, #1 Publishers Weekly bestselling author/illustrator KIRKUS STAR: Lustrous illustrations and meditative text reflect on the role of smoke in nature and civilization... Smoke dissipates quickly, but this poetic text will linger. KIRKUS'S LIST OF 150 MOST ANTICIPATED FALL 2021 BOOKS Smoke itself acts as narrator, telling us how it has served humankind since prehistoric times in signaling, beekeeping, curing and flavoring food, religious rites, fumigating insects, and myriad other ways. Smoke speaks in mesmerizing riddles: "I lack a mouth, but I can speak.... I lack hands, but I can push out unwanted guests.... I'm gentler than a feather, but I can cause harm.... This rhythmically powerful narration is complemented by illustrations in which swirling smoke was captured on art paper held over smoky candle flames, and the dancing smoke textures were then deepened and elaborated with watercolors and Photoshop finishes. With this unique method, Merce López "let the smoke decide how the idea I had in mind would dance with it, giving freedom to the images." The resulting illustrations are astounding, and they resonate with the otherworldly text.

The Jetsetters Amanda Eyre Ward, 2021-03-30 NEW YORK TIMES BESTSELLER • REESE'S BOOK CLUB PICK • Named One of the Best Beach Reads of the Year by Parade, O: The Oprah Magazine, and Good Housekeeping "The exuberant activity aboard the Splendido Marveloso is no match for the fireworks set off as the lies explode. Full of wicked humor and delicious destination details."—People (Book of the Week) NAMED ONE OF THE BEST BOOKS OF THE YEAR BY ESQUIRE When seventy-year-old Charlotte Perkins submits a sexy essay to the Become a Jetsetter contest, she dreams of reuniting her estranged children: Lee, an almost-famous actress; Cord, a handsome Manhattan venture capitalist who can't seem to find a partner; and Regan, a harried mother who took it all wrong when Charlotte bought her a Weight Watchers gift certificate for her birthday. Charlotte yearns for the years when her children were young, when she was a single mother who meant everything to them. When she wins the contest, the family packs their baggage—both literal and figurative—and spends ten days traveling from sun-drenched Athens through glorious Rome to tapas-laden Barcelona on an over-the-top cruise ship, the Splendido Marveloso. As lovers new and old join the adventure, long-buried secrets are revealed and old wounds are reopened, forcing the Perkins family to confront the forces that drove them apart and the defining choices of their lives. Can four lost adults find the peace they've been seeking by reconciling their childhood aches and coming back together? In the vein of *The Nest* and *The Vacationers*, *The Jetsetters* is a delicious and intelligent novel about the courage it takes to reveal our true selves, the pleasures and perils of family, and how we navigate the seas of adulthood.

To Be a Friend Is Fatal Kirk W. Johnson, 2013-09-03 The "searing" (The New Yorker), "must read" (The Philadelphia Inquirer) memoir of "one of the few genuine heroes of America's war in Iraq" (Dexter Filkins). In January 2005 Kirk Johnson,

then twenty-four, arrived in Baghdad as USAID's (US Agency for International Development) only Arabic-speaking American employee. Despite his opposition to the war, Johnson felt called to civic duty and wanted to help rebuild Iraq. Working as the USAID's first reconstruction coordinator in Fallujah, he traversed the city's IED-strewn streets, working alongside idealistic Iraqi translators—young men and women sick of Saddam, filled with Hollywood slang, and enchanted by the idea of a peaceful, democratic Iraq. It was not to be. As sectarian violence escalated, Iraqis employed by the US coalition found themselves subject to a campaign of kidnapping, torture, and assassination. On his first brief vacation, Johnson, swept into what doctors later described as a "fugue state," crawled onto the ledge outside his hotel window and plunged off. He would spend the next year in an abyss of depression, surgery, and PTSD—crushed by having failed in Iraq. One day, Johnson received an email from an Iraqi friend, Yaghdan: People are trying to kill me and I need your help. That email launched Johnson's now seven-year mission to get help from the US government for Yaghdan and thousands of abandoned Iraqis like him. *To Be a Friend Is Fatal* is Kirk W. Johnson's "truly incredible" (Ira Glass) portrait of the human rubble of war and his efforts to redeem a shameful chapter of American history. "It is difficult to imagine a book more urgent than this" (The Boston Globe).

Hallelujah Anyway Kenneth Patchen, 1967 Poems.

The Most Fun We Ever Had Claire Lombardo, 2021-04-06 NEW YORK TIMES BEST SELLER • "A gripping and poignant ode to a messy, loving family in all its glory." —Madeline Miller, bestselling author of *Circe* In this "rich, complex family saga" (USA Today) full of long-buried family secrets, Marilyn Connolly and David Sorenson fall in love in the 1970s, blithely ignorant of all that awaits them. By 2016, they have four radically different daughters, each in a state of unrest. Wendy, widowed young, soothes herself with booze and younger men; Violet, a litigator turned stay-at-home-mom, battles anxiety and self-doubt; Liza, a neurotic and newly tenured professor, finds herself pregnant with a baby she's not sure she wants by a man she's not sure she loves; and Grace, the dawdling youngest daughter, begins living a lie that no one in her family even suspects. With the unexpected arrival of young Jonah Bendt—a child placed for adoption by one of the daughters fifteen years before—the Sorensons will be forced to reckon with the rich and varied tapestry of their past. As they grapple with years marred by adolescent angst, infidelity, and resentment, they also find the transcendent moments of joy that make everything else worthwhile.

Biosafety in Microbiological and Biomedical Laboratories Centers for Disease Control (U.S.), 1988

Queer Dance Clare Croft, 2017 'Queer Dance' challenges social norms and enacts queer coalition across the LGBTQ community. The text joins forces with feminist, anti-racist, and anti-colonial work to consider how bodies are forces of social change.

Lidia's Italy Lidia Matticchio Bastianich, Tanya Bastianich Manuali, 2010-08-18 Featuring 140 mouthwatering new

recipes, a gastronomic journey of the Italian regions that have inspired and informed Lidia Bastianich's legendary cooking. For the home cook and the armchair traveler alike, Lidia's Italy offers a short introduction to ten regions of Italy—from Piemonte to Puglia—with commentary on nearby cultural treasures by Lidia's daughter Tanya, an art historian. · In Istria, now part of Croatia, where Lidia grew up, she forages again for wild asparagus, using it in a delicious soup and a frittata; Sauerkraut with Pork and Roast Goose with Mlinzi reflect the region's Middle European influences; and buzara, an old mariner's stew, draws on fish from the nearby sea. · From Trieste, Lidia gives seafood from the Adriatic, Viennese-style breaded veal cutlets and Beef Goulash, and Sacher Torte and Apple Strudel. · From Friuli, where cows graze on the rich tableland, comes Montasio cheese to make fricos; the corn fields yield polenta for Velvety Cornmeal-Spinach Soup. · In Padova and Treviso rice reigns supreme, and Lidia discovers hearty soups and risottos that highlight local flavors. · In Piemonte, the robust Barolo wine distinguishes a fork-tender stufato of beef; local white truffles with scrambled eggs is "heaven on a plate"; and a bagna cauda serves as a dip for local vegetables, including prized cardoons. · In Maremma, where hunting and foraging are a way of life, earthy foods are mainstays, such as slow-cooked rabbit sauce for pasta or gnocchi and boar tenderloin with prune-apple Sauce, with Galloping Figs for dessert. · In Rome Lidia revels in the fresh artichokes and fennel she finds in the Campo dei Fiori and brings back nine different ways of preparing them. · In Naples she gathers unusual seafood recipes and a special way of making limoncello-soaked cakes. · From Sicily's Palermo she brings back panelle, the delicious fried chickpea snack; a caponata of stewed summer vegetables; and the elegant Cannoli Napoleon. · In Puglia, at Italy's heel, where durum wheat grows at its best, she makes some of the region's glorious pasta dishes and re-creates a splendid focaccia from Altamura. There's something for everyone in this rich and satisfying book that will open up new horizons even to the most seasoned lover of Italy.

Merce Cunningham Redux James Klosty, 2019-11-12 James Klosty's Merce Cunningham was the first book ever published about Cunningham. It appeared in 1975 and was republished in 1986. Now, for the 100th anniversary of Cunningham's birth, it is reincarnated for a twenty-first-century audience in duotone printing, redesigned and completely reimaged with an additional 140 pages of photographs, many published never before. In the years since their passing, the historical importance of the partnership of John Cage and Merce Cunningham has grown to the point where no consideration of avant-garde art, music, and dance in America makes sense if Cunningham and Cage are not posited, serene and smiling, at the wellspring of its inspiration. This is true not only in America but around the globe as well. Art does not exist in a vacuum and neither did Cunningham and Cage. Painters such as Robert Rauschenberg, Jasper Johns, Andy Warhol, Frank Stella, and Robert Morris, and composers such as Earle Brown, Christian Wolff, Morton Feldman, David Tudor, and Pauline Oliveros joined the endeavor. Jasper Johns slyly lured Marcel Duchamp into allowing his iconic Large Glass to be used as decor for a Cunningham dance. Cunningham repeatedly invited Erik Satie (without Satie's permission) into his musical family. This

seemingly haphazard association of innovative artists served as the nearest thing America could offer in counterbalance to Diaghilev and his Ballets Russes. In addition to Klosty's photographs of the artists, composers, and dancers; and the dances themselves, both in rehearsal and performance; the book contains texts from Cunningham's associates including John Cage, Jasper Johns, Robert Rauschenberg, Carolyn Brown, Paul Taylor, Lincoln Kirstein, Edwin Denby, and a dozen others.
