Genealogy of the Sharpless Family Gilbert Cope, 1887

History of Downingtown, Chester County, Pa Charles H. Pennypacker, 1909 History of Downingtown, Chester County, Pa by Charles H Pennypacker, first published in 1909, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

Genealogical and Personal Memorial of Mercer County, New Jersey Francis Bazley Lee, 1907

Colonial families of Philadelphia John W. Jordan, LL. D., 1911

A History of New Sweden Israel Acrelius, 2023-09-28 Reprint of the original, first published in 1874.

Some of the Descendants of Peter Cleaver William Jessup Cleaver, 2017-08-24 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the

original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Journal & Letters of Philip Vickers Fithian, 1773-1774 Philip Vickers Fithian, 1957

Common Places Dell Upton, John Michael Vlach, 1986 Exploring America's material culture, *Common Places* reveals the history, culture, and social and class relationships that are the backdrop of the everyday structures and environments of ordinary people. Examining America's houses and cityscapes, its rural outbuildings and landscapes from perspectives including cultural geography, decorative arts, architectural history, and folklore, these articles reflect the variety and vibrancy of the growing field of vernacular architecture. In essays that focus on buildings and spaces unique to the U.S. landscape, Clay Lancaster, Edward T. Price, John Michael Vlach, and Warren E. Roberts reconstruct the social and cultural contexts of the modern bungalow, the small-town courthouse square, the shotgun house of the South, and the log buildings of the Midwest. Surveying the buildings of America's settlement, scholars including Henry Glassie, Norman Morrison Isham, Edward A. Chappell, and Theodore H. M. Prudon trace European ethnic influences in the folk structures of Delaware and the houses of Rhode Island, in Virginia's Renish homes, and in the Dutch barn widely repeated in rural America. Ethnic, regional, and class differences have flavored the nation's vernacular architecture. Fraser D. Neiman reveals overt changes in houses and outbuildings indicative of the growing social separation and increasingly rigid relations between seventeenth-century Virginia planters and their servants. Fred B. Kniffen and Fred W. Peterson show how, following the westward expansion of the nineteenth century, the structures of the eastern elite were repeated and often rejected by frontier builders. Moving into the twentieth century, James Borchert tracks the transformation of the alley from an urban home for Washington's blacks in the first half of the century to its new status in the gentrified neighborhoods of the last decade, while Barbara Rubin's discussion of the evolution of the commercial strip counterpoints the goals of city planners and more spontaneous forms of urban expression. The illustrations that accompany each article present the artifacts of America's material past. Photographs

of individual buildings, historic maps of the nation's agricultural expanse, and descriptions of the household furnishings of the Victorian middle class, the urban immigrant population, and the rural farmer's homestead complete the volume, rooting vernacular architecture to the American people, their lives, and their everyday creations.

Documents Relating to the Revolutionary History of the State of New Jersey ,1901

Everyday Architecture of the Mid-Atlantic Gabrielle M. Lanier, Bernard L. Herman, 1997-07-15 Everyday Architecture of the Mid-Atlantic gives proof to the insights architecture offers into who we are culturally as a community, a region, and a nation.
