**Barefoot Dreams of Petra Luna** Alda P. Dobbs, 2021-09-14 2022 Pura Belpré Honor Book NYPL Best Book of 2021 Texas Bluebonnet Master List Selection NPR Best Book of 2021 Based on a true story, the tale of one girl's perilous journey to cross the U.S. border and lead her family to safety during the Mexican Revolution. Wrenching debut about family, loss, and finding the strength to carry on.—Booklist, starred review Blazes bright, gripping readers until the novel's last page.—Publishers Weekly, starred review Vital and perilous and hopeful.—Alan Gratz, New York Times bestselling author of *Refugee* It is 1913, and twelve-year-old Petra Luna's mama has died while the Revolution rages in Mexico. Before her papa is dragged away by soldiers, Petra vows to him that she will care for the family she has left—her abuelita, little sister Amelia, and baby brother Luisito—until they can be reunited. They flee north through the unforgiving desert as their town burns, searching for safe harbor in a world that offers none. Each night when Petra closes her eyes, she holds her dreams close, especially her long-held desire to learn to read. Abuelita calls these barefoot dreams: They're like us barefoot peasants and indios—they're not meant to go far. But Petra refuses to listen. Through battlefields and deserts, hunger and fear, Petra will stop at nothing to keep her family safe and lead them to a better life across the U.S. border—a life where her barefoot dreams could finally become reality. Dobbs' wrenching debut, about family, loss, and finding the strength to carry on, illuminates the harsh realities of war, the heartbreaking disparities between the poor and the rich, and the racism faced by Petra and her family. Readers will love Petra, who is as strong as the black-coal rock she carries with her and as beautiful as the diamond hidden within it.—Booklist, starred review

**Animals and their Relation to Gods, Humans and Things in the Ancient World** Raija Mattila, Sanae Ito, Sebastian Fink, 2019-03-11 While Human-Animal Studies is a rapidly growing field in modern history, studies on this topic that focus on the Ancient World are few. The present volume aims at closing this gap. It investigates the relation between humans, animals, gods, and things with a special focus on the structure of these categories. An improved understanding of the ancient categories themselves is a precondition for any investigation into the relation between them. The focus of the volume lies on the Ancient Near East, but it also provides studies on Ancient Greece, Asia Minor, Mesoamerica, the Far East, and Arabia.

**War Along the Border** Arnolando De León, 2011 Scholars contributing to this volume consider topics ranging from the effects of the Mexican Revolution on Tejano and African American communities to its impact on Texas' economy and

agriculture. Other essays consider the ways that Mexican Americans north of the border affected the course of the revolution itself. .

*Satiristas* Paul Provenza, Dan Dion, 2010-05-11 Featuring our greatest comedic minds on the nature of humor, its relevance in society—and why sometimes you just need a good dirty joke to cleanse the palate—*Satiristas* is a hilarious multi-voiced manifesto on satire and comedy presented by Paul Provenza, co-creator of *The Aristocrats*.

L.A. Mexicano Bill Esparza, 2017-05-22 Richly photographed and authentically local, *LA Mexicano* showcases LA's famously rich and complex Mexican-food culture, including recipes; profiles of chefs, bakers, restaurateurs, and vendors; and neighborhood guides. Part cookbook, part food journalism, and part love song to LA, it's the definitive resource for home cooks, hungry Angelenos, and food-loving visitors. With a foreword by Taco USA's Gustavo Arellano.

**The Girl with the Sanpaku Eyes, Volume 1** Shunsuke Sorato, 2020-08-11 Amane Mizuno is struggling with her social life. To her friends and family, she's a shy, diligent girl. But to her classmates, her face screams intense, mean and maybe stand-offish. So when Amane falls for her classmate Katou her whole world seems to get flustered and agitated.

**Selective Security in the War on Drugs** Alke Jenss, 2023-01-09 The book offers a comparative analysis of security policies within the scope of the war on drugs in Colombia and Mexico and the authoritarian state transformation this entailed--

*Nacho López* Nacho López, 2008 Esta edición de Luna Córnea constituye una amplia monografíaa sobre Nacho López, uno de los fotógrafos mexicanos más importantes de la segunda mitad del siglo XX: mejor conocido por su fotoperiodismo en las revistas ilustradas, también exploró la arquitectura, la danza y la antropología. Pero son sus imágenes precisas y rigurosas, lúcidas y críticas, de las calles capitalinas las que lo convierten en el fotógrafo por excelencia de la contradictoria urbe de mediados de siglo. Nacho López también creó cierto tipo de cine, suerte de performance callejero, en el que despliega recursos narrativos eficientes e insospechados.

Teaching Late-Twentieth-Century Mexicana and Chicana Writers Elizabeth Coonrod Martínez, 2020-12-15 Mexicana and Chicana authors from the late 1970s to the turn of the century helped overturn the patriarchal literary culture and mores of their time. This landmark volume acquaints readers with the provocative, at times defiant, yet subtle discourses of this important generation of writers and explains the influences and historical contexts that shaped their work. Until now, little criticism has been published about these important works. Addressing this oversight, *Teaching Late-Twentieth-Century Mexicana and Chicana Writers* starts with essays on Mexicana and Chicana authors. It then features essays on specific teaching strategies suitable for literature surveys and courses in cultural studies, Latino studies, interdisciplinary and comparative studies, humanities, and general education that aim to explore the intersectionalities represented in these works. Experienced teachers offer guidance on using these works to introduce students to border studies, transnational

studies, sexuality studies, disability studies, contemporary Mexican history and Latino history in the United States, the history of social movements, and concepts of race and gender.

**Brunei** Kate Mikoley, 2021-12-15 Readers visit the island of Borneo to explore the history, people, and culture of the nation of Brunei. They discover chapters devoted to Brunei's geography and environment, history and government, and economics and ethnic groups. In addition, they're treated to fun facts about the ways people relax, celebrate, and cook in this country. Up-to-date main text presents essential information and is paired with colorful photographs of the landscapes and daily life of Brunei. From learning the language to trying popular recipes, the interactive elements of this reading experience are sure to appeal to future world travelers.

**Luna Park** Luis Cardoza Arag--N, 2016 Poetry. Latino/Latina Studies. Art. Hand-sewn and bound in a recycled cardboard cover. Translated from the Spanish by Anthony Seidman. We hear Cardoza defend poetry not as an activity in service of the revolution, but as the expression of perpetual human subversion. Cardoza was the bridge between the vanguard and the poets of my age. A bridge extending not between two shores, but between two opposing forces. Octavio Paz Luis Cardoza y Aragon knows that his own existence and his capacity to interpret exactly the reason for his current location justifies the celebration of this refulgent promenade through the future. He knows that he can bend poetry in his favor. He can be swift and expose the register of his stroll through LUNA PARK, capture the scenes, the snapshots which approximate verbal selfies contrasted against distinct backdrops, from his multiple encounters with Luciferian characters who inhabit the boiling of a world in exquisite gestation. Alan Mills That conscience of speaking is a playful conscience, self-ironic, characteristic of a pleasurable and humorous exercise, celebratory and casual, pertaining to the language of the vanguard. It's not an accident that the epigraphs come from Apollinaire and Laforgue and allude to the paradoxical flight of a bird with only one wing and to the infinite as a station for lost trains. The space of travel is ever since his first chapbook a metaphor for exile, for the movement that typifies new art. Julio Ortega The Guatemalan supports his two initial books, LUNA PARK and Maelstrom, both published in Paris, on that effervescence that aims to establish Modernity by naming it after its most striking edges. It is in the eye of the hurricane, destructive and incarnate with their words of excitement for the new: the feverish rhythm, the kinetic visions, the cult of speed, cosmopolitanism, the touch of humor, the vertigo of big cities, the fraternity between things, carefree bohemia, the pleasure of experimenting and a preeminence for the Ultraist signature. Jorge Bocanera Luis Cardoza y Aragon is always a motive for homage. Augusto Monterroso Translator Bio: Anthony Seidman (Los Angeles, 1973) is a poet-translator who resides in his native city after having spent years living in the northern border region of Mexico, in Ciudad Juarez. His most recent books are CONFETTI-ASH: SELECTED POEMS OF SALVADOR NOVO (The Bitter Oleander, 2015) and A SLEEPLESS MAN SITS UP IN BED (Eyewear Publishing, 2016). He has published poetry, translations, and articles in the United States, France, England, Mexico, Nicaragua, Argentina, Romania, and Bangladesh, in such journals as

Newsweek en español, Nimrod, The Black Herald, Bengal Lights, Poets & Writers, La jornada semanal, Ambit, Huizache, and Cardinal Points, among others.

Memorias de Mi Viaje Olga Beatriz Torres,1994 Letters in both English and Spanish describe a young Mexican woman's impressions of the U.S. immediately following the Mexican Revolution.

**Estado de México. Censo de Población y Vivienda, 1995. Resultados definitivos. Tabulados básicos. Tomo II** INEGI,1996-01-01

*Sultry Moon* Mempo Giardinelli,1998 A man returns from his studies abroad to embark on a career as a law professor in his native Argentina. But he allows himself to be swayed by passion, murder follows, and he has to flee, his life ruined in a matter of seconds.

**Gabi, a Girl in Pieces** Isabel Quintero,2014-10-14 Gabi's a girl in pieces. She wants a lot of things. Will she find the thing she needs most?

Fat Chance, Charlie Vega Crystal Maldonado,2021-02-02 Coming of age as a Fat brown girl in a white Connecticut suburb is hard. Harder when your whole life is on fire, though. A NEW ENGLAND BOOK AWARD WINNER! Charlie Vega is a lot of things. Smart. Funny. Artistic. Ambitious. Fat. People sometimes have a problem with that last one. Especially her mom. Charlie wants a good relationship with her body, but it's hard, and her mom leaving a billion weight loss shakes on her dresser doesn't help. The world and everyone in it have ideas about what she should look like: thinner, lighter, slimmer-faced, straighter-haired. Be smaller. Be whiter. Be quieter. But there's one person who's always in Charlie's corner: her best friend Amelia. Slim. Popular. Athletic. Totally dope. So when Charlie starts a tentative relationship with cute classmate Brian, the first worthwhile guy to notice her, everything is perfect until she learns one thing--he asked Amelia out first. So is she his second choice or what? Does he even really see her? Because it's time people did. A sensitive, funny, and painfully honest coming-of-age story with a wry voice and tons of chisme, *Fat Chance, Charlie Vega* tackles our relationships to our parents, our bodies, our cultures, and ourselves. An NPR Best Book of the Year! Named to the TAYSHAS Reading List A POPSUGAR Best New YA Novel! A Cosmopolitan Best New Book! A Bustle Most Anticipated Debut!

*Bugambilias* Salvador Camacho Sandoval,Araceli Suárez Aroche,2010 A comprehensive research of the history of art and culture in Aguascalientes during the 20th century, when culture was seen as an investment by the Mexican post-revolutionary governments. From a perspective of historiography in Mexico, the author examines the power in the construction of aesthetic cultures, in particular the relationship between the region and the center (Mexico City) in the years following the 1940's. The book fills a gap left by the early studies of post-revolutionary aesthetics (social realism, muralism, etc) that created a dominant and centralized voice of what was happening then in the Mexican art scene, while ignoring the local artistic, architectonic and cultural contributions of Aguascalientes.

*Votes, Drugs, and Violence* Guillermo Trejo, Sandra Ley, 2020-09-03 One of the most surprising developments in Mexico's transition to democracy is the outbreak of criminal wars and large-scale criminal violence. Why did Mexican drug cartels go to war as the country transitioned away from one-party rule? And why have criminal wars proliferated as democracy has consolidated and elections have become more competitive subnationally? In *Votes, Drugs, and Violence*, Guillermo Trejo and Sandra Ley develop a political theory of criminal violence in weak democracies that elucidates how democratic politics and the fragmentation of power fundamentally shape cartels' incentives for war and peace. Drawing on in-depth case studies and statistical analysis spanning more than two decades and multiple levels of government, Trejo and Ley show that electoral competition and partisan conflict were key drivers of the outbreak of Mexico's crime wars, the intensification of violence, and the expansion of war and violence to the spheres of local politics and civil society.

**Furniture** Anna Yudina, 2015-03-10 Presents a wave of designers who are applying architectural techniques to create innovative new furnishing options *Furniture* is a sourcebook exploring the furnishings, interior environments, and solutions for small spaces at the meeting point between design and architecture. The book features the work of a rising generation of designers across the globe who are starting to think about furniture in an architectural way, resulting in pieces that brilliantly transform interior spaces. Boosted by digital design and new manufacturing possibilities, furniture design that morphs into "micro architecture" is one of the most innovative fields of design today. Surveyed here are hundreds of examples of these objects, including bookshelves that can dynamically divide and reshape a room, chairs that create intimate room-like enclosures, and self-contained, expandable kitchen cubes. From Chicago-based firm Bureau Spectacular's "Briefcase house," and Japanese architect Shigeru Ban's moving boxes within rooms to Dutch designers Makkink & Bey's conversational Ear Chairs and the French atelier 37.2's series of self-standing cubes, *Furniture* opens the door to a world of design invention and innovation. Presented in a compact, beautifully illustrated format, this volume will be an essential resource for designers and hip consumers everywhere.

Pedro Páramo Juan Rulfo, Josephine Sacabo, Margaret Sayers Peden, 2002-11-01 Beseched by his dying mother to locate his father, Pedro Paramo, whom they fled from years ago, Juan Preciado sets out for Comala. Comala is a town alive with whispers and shadows--a place seemingly populated only by memory and hallucinations. 49 photos.

Adopting the Beat of Expression: An Psychological Symphony within **Luna Mexicana 1.jpg**

In a global eaten by displays and the ceaseless chatter of instant transmission, the melodic splendor and psychological symphony created by the published term often disappear in to the background, eclipsed by the persistent noise and

disruptions that permeate our lives. But, located within the pages of **Luna Mexicana 1.jpg** a charming fictional prize full of fresh thoughts, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, that captivating masterpiece conducts readers on an emotional journey, skillfully unraveling the hidden songs and profound affect resonating within each cautiously crafted phrase. Within the depths with this moving evaluation, we shall examine the book is key harmonies, analyze its enthralling publishing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
