Management and War Joanne Murphy,2020-08-17 War and conflict are a reality of life throughout the world. While much is written about the impact of violence and disorder, how people and organisations adapt to these environments is poorly understood. This book tells the often hidden story of people managing, delivering services and sustaining economies through and beyond violent conflict. It is written for both general readers and academic specialists, combining first person interviews, insights from 'witness seminars; and informal conversations with more scholarly research. Building on what we already know about organisational behavior and conflict transformation, the book looks at the delivery of housing and public amenities, the management of public space and commemoration and the role of local businesses during and beyond violent conflict. In particular, it focuses on the role of organisational managers as peacebuilding entrepreneurs, generating and sustaining conflict transformation efforts.

Leeds Then and Now Eric Musgrave, 2019-07-04 The centre of Leeds is the wide thoroughfare of Briggate and it has been since at least 1207 when the path northwards from the crossing over the River Aire – literally the bridge gate – was established. As with most settlements, Leeds started out as dwellings next to the water. The first mention of Leeds was made by the scholarly monk The Venerable Bede in his Ecclesiastical History of the English People of 731 AD when he referred to the region of Loidis, but he was scant on details. The modern Leeds is a product of the Industrial Revolution, a great Victorian northern industrial city shaped by the manufacturing boom that began in the late 18th century and employed thousands of people for almost 200 years in industries like textiles, clothing manufacturing, metalworking and engineering. Using historic images, some dating back to the 19th century, paired with their modern-day viewpoint, Eric Musgrave charts the evolution of the city from its industrial heyday through the disruptions of two world wars, to its position as one of the most prominent of the northern powerhouses. Sites include: City Square, Park Place, Leeds University, Leeds Town Hall, Odeon Cinema, Kirkgate Market, Briggate, Headrow, Boar Lane, Vicar Lane, Duncan Street, Quarry Hill Flats, Queens Arcade, Cross Arcade, Leeds Cathedral.

Il Buco Donna Lennard, Joshua David Stein, 2020-11-10 Foreword by Alice Waters In honor of its twenty-fifth anniversary comes this full-color culinary celebration of Il Buco, one of New York City's most beloved restaurants, featuring more than 80 mouthwatering recipes and detailing the romantic origins of the restaurant's philosophy of sourcing the best prime materials, including olive oil, salt, vinegar and all that make the Mediterranean way of life so alluring. This book holds the succulent substance of Il Buco's history, which has always been guided by Donna's acute intuition. Through these pages, we travel around the Mediterranean, from the vineyards of Umbria to the salt flats of Sicily, visiting the farmers, artisans, and winemakers in their element. And then we return to Bond Street, stories and recipes in hand, to celebrate life and everything possible at the melting edge of sizzling pans and the heart of Italy.—Francis Mallmann In New York City, restaurants, even very good ones, come and go. But there are a very small number of establishments that take root and continue to flourish, where food, wine, atmosphere, history, and all the makers behind the scenes come together in a unique alchemy to create an experience. Il Buco is such a place. For over 25 years, Donna Lennard has presided over an international—and ever growing—family of artisans, farmers, winemakers, chefs and regulars from her outpost on Bond Street in the heart of New York City. Since 1994, Il Buco has withstood the test of time. In *Il Buco*, written with Joshua David Stein, Donna shares her incredible journey from antique shop owner to award-winning restaurateur and taste-maker. She reflects on the iconic ingredient-driven, farm-to-table Italian cooking that seduced palates and earned the loyalty of notoriously discriminating New York diners. Donna also expounds upon the essential elements of good eating and good living she learned over the restaurant's nearly three-decade history. Both a cookbook and a deeply personal journey through the places and with the people who have influenced the restaurant's ethos the most, *Il Buco* includes the beloved best-of dishes from the kitchen's roster of now-famous chefs: Ignacio Mattos's Black Kale Salad, Justin Smillie's Bucatini Cacio e Pepe, and Sara Jenkins's Porchetta alla Romana, to name a few. It also includes profiles of the artisans whose craftsmanship evokes the warm Mediterranean patinas that have enhanced the restaurants' atmosphere over the years. Donna has dedicated her life to identifying, cultivating, and celebrating the essential ingredients of a beautiful life well-lived. *Il Buco* isn't just a place, it's a feeling—of warmth, of home, of ease, of love—and *Il Buco* allows any home cook to experience some of the restaurant's beautiful and inviting magic, creating sumptuous easy meals to enjoy at his or her own table. Accompanying the mouthwatering recipes and gorgeous photography are Donna's insights on what it truly means to live well and to eat well and tributes to food producers in Spain, Italy, France and other parts of the world, including dedicated chapters on the building blocks to a perfect meal: salt, olive oil, wine, and salumi, among others. *Il Buco* is a very personal exploration of what makes

the heart of a restaurant and a lifestyle: a celebration of a true New York success story. It is a book about learning to listen to what pleases us, and a reminder of just how wide, wonderful, and flavorful the world is. Il Buco Locations: Il Buco (47 Bond Street, NYC 10012) Il Buco Alimentari & Vineria (53 Great Jones Street, NYC 10012) Il Buco Vita (4 East 2nd Street, NYC 10003) Il Buco (Ibiza, Spain)

In Camera is the perfect way to take your photography to that level; to master your camera, understand light, exposure and composition, and make amazing photographs, whatever your camera, without cheating after the event. One hundred of Gordon's beautiful photos are given with his own expert commentary; full settings and camera details are included, and a host of tips and tricks let photographers of any level learn something from every example. The shots are taken with a wide range of cameras, and the emphasis is on getting results by improving your own skills, not wasting money on expensive equipment.

The Family that Overtook Christ M. Raymond, 2014-01-10 This book is the fascinating account of a family that took seriously the challenge to follow Christ... and to overtake Him. With warmth and realism, Venerable Tescelin, Blesseds Alice, Guy, Gerard, Humbeline, Andrew, Bartholomew, Nivard and St. Bernard step off these pages with the engaging naturalness that attracts imitation. Here is a book that makes centuries disappear, as each member of this unique family becomes an inspiration in our own quest of overtaking Christ. One of the Biggest figures in this book is Bernard of Clairvaux. He was called the man of his age, the voice of his century. His influence towered above that of his contemporaries, and his sanctity moved God Himself. Men flocked to him—some in wonder, others in curiosity, but all drawn by the magnetism of his spiritual giant hood. Bernard—who or what fashioned him to be suitable for his role of counseling Popes, healing schisms, battling errors and filling the world with holy religious and profound spiritual doctrine? Undoubtedly, Bernard is the product of God's grace. But it is hard to say whether this grace is more evident in Bernard himself or in the extraordinary family in which God chose to situate this dynamic personality.
