Crushing T. D. Jakes, 2019-04-16 Follow God's process for growth and find hope in life's darkest moments with Bishop T.D. Jakes's uplifting stories and advice from his own faith journey. In this insightful book, #1 New York Times bestselling author T.D. Jakes wrestles with age-old questions: Why do the righteous suffer? Where is God in all the injustice? Bishop Jakes tells crushing personal stories from his own journey -- the painful experience of learning his young teenage daughter was pregnant, the agony of watching his mother succumb to Alzheimer's, and the shock and helplessness he felt when his son had a heart attack. Bishop Jakes wants to show you how God uses difficult, crushing experiences to prepare you for unexpected blessings. If you are faithful through suffering, you will be surprised by God's joy, comforted by His peace, and fulfilled with His purpose. Crushing will inspire you to have hope, even in your most difficult moments. If you trust in God and lean on Him during setbacks, He will lead you through.

In the Shadow of Jezebel (Treasures of His Love Book #4) Mesu Andrews, 2014-03-04 Princess Jehosheba wants nothing more than to please the harsh and demanding Queen Athaliah, daughter of the notorious Queen Jezebel. Her work as a priestess in the temple of Baal seems to do the trick. But when a mysterious letter from the dead prophet Elijah predicts doom for the royal household, Jehosheba realizes that the dark arts she practices reach beyond the realm of earthly governments. To further Athaliah and Jezebel's strategies, she is forced to marry Yahweh's high priest and enters the unfamiliar world of Yahweh's temple. Can her new husband show her the truth and love she craves? And can Jehosheba overcome her fear and save the family--and the nation--she loves? With deft skill, Mesu Andrews brings Old Testament passages to life, revealing a fascinating story of the power of unconditional love.

The God Contest Carl Laferton, 2021 Teach children about two extraordinary events in history when the God of the Bible proved himself to be the one true God. Kids today are faced with a huge range of different views on who God is (or isn't). How can they be sure who's got it right? This beautifully illustrated hardback storybook for children aged 3-6 is written by the team behind *The Garden*, *the Curtain* and *the Cross*. It retells two extraordinary events in history when the God of the Bible proved himself to be the one true God. First it takes children back to Elijah's time and the gripping God contest between the God of the Bible, Yahweh, and the false god Baal. Then it fast-forwards to a different mountain and another God contest at an empty tomb. Once the evidence is examined, it invites kids, in a world of so many options, to decide with confidence to join Team Jesus.

A Small If: The Inspiring Story of a 17-Year-Old with a Fatal Disease-and a Mission to Cure It Elijah Stacy, 2021-09-28 How hard would you fight if you only had a sliver of hope? Elijah Stacy suffers from Duchenne muscular dystrophy, a fatal muscle wasting disease. At the age of sixteen, to avoid agonizing surgery, he had to endure enough physical therapy to change the shape of his own spine. It had never been done before, but still, his doctor gave him a small if. In *A Small If*, Elijah shares thirteen lessons he's learned throughout his life's journey of losing his ability to walk, getting bullied in school, losing his brother Max to Duchenne, and learning that his other brother has the same disease. Elijah explains how to overcome extreme suffering by developing an adapter's mindset, understanding what it means to control something rather than influencing it, and using other people's negative energy as the ultimate motivation. Today, Elijah's mission to minimize human suffering and propel human prosperity is fueling his ambition to cure his disease. He's been told he has less than ten years to live, but he's faced long odds before. Sometimes, all you need is *A Small If*.

Saving Elijah Fran Dorf, 2000 Set in Westport and New York City, the novel opens at a major medical center, where psychologist and twice-monthly newspaper columnist Dinah Rosenberg Galligan -- mother of Elijah, a 5-year-old coma victim -- meets a ghost with a surprising connection to her troubled past. The spirit who calls himself Seth Lucien proves a very seductive fellow indeed. Claiming to know what lies in store for Dinah and her family, Seth promises he can make everything turn out all right. Otherwise, Elijah is destined to live out the rest of his life as a stone child -- trapped in a vegetative state that, with the help of modern technology, could go on for years. Estranged from her parents, unable to communicate with her

husband or two older children, Dinah seizes on this opportunity to snatch her boy back from a cruel and pointless future. And so an unearthly bargain is struck -- one that brings Dinah back to a place she has long avoided, nearly destroys her marriage, yet ultimately leaves her where she needs to be.

The Days of Elijah John Noble,2019-10-29 Elijah's friends are dead, and without a miracle, he's next. Elijah is a young prophet studying the Torah, when the soldiers of Queen Jezebel burn his school and massacre his teachers. He escapes, barely, but finds himself on the run and hunted as Queen Jezebel attempts to stamp out the worship of the Hebrew God in Israel and replace it with the worship of Ba'al. As the queen's soldiers close in on him, Elijah discovers a little known promise in the Scroll of Deuteronomy and prays for something impossible - that God would turn the skies to bronze and stop the rain on the kingdom that has abandoned Him. And God says yes. As drought and famine grip the cloudless land of Israel, God tells Elijah to hide and sends him to the land of Tyre, to a widow and her son who are on the edge of starvation. In Tyre Elijah finds a darkness at the heart of the city, a darkness that threatens to consume Israel next. But even if he survives, will Israel listen to his warning?

Atlas of Forecasts Katy Borner,2021-08-31 Forecasting the future with advanced data models and visualizations. To envision and create the futures we want, society needs an appropriate understanding of the likely impact of alternative actions. Data models and visualizations offer a way to understand and intelligently manage complex, interlinked systems in science and technology, education, and policymaking. Atlas of Forecasts, from the creator of Atlas of Science and Atlas of Knowledge, shows how we can use data to predict, communicate, and ultimately attain desirable futures. Using advanced data visualizations to introduce different types of computational models, Atlas of Forecasts demonstrates how models can inform effective decision-making in education, science, technology, and policymaking. The models and maps presented aim to help anyone understand key processes and outcomes of complex systems dynamics, including which human skills are needed in an artificial intelligence-empowered economy; what progress in science and technology is likely to be made; and how policymakers can future-proof regions or nations. This Atlas offers a driver's seat-perspective for a test-drive of the future.
