New Jersey Turnpike Authority

The New Jersey Turnpike Michael Lapolla, Thomas A. Suszka, 2005 Follow the road through New Jersey, the Jersey Turnpike, the road that brings the industrial prosperity and businesses of the state together. A main thoroughfare through the state, don't miss the many diners along the way! The New Jersey Turnpike chronicles the history of the highway from 1949 through the present day. With vivid images, it follows the road's progress from an ambitious vision, through construction, to opening, and into the future. Built as a utilitarian, four-lane, limited-access highway, the New Jersey Turnpike has evolved into the economic engine of New Jersey, the foundation of industrial prosperity and personal mobility. The highway traverses the entire state and is part of the Interstate 95 Corridor Coalition, which covers the East Coast from Maine to Florida. Today, more than two hundred forty million vehicles travel along the route, and many of those travelers stop at the turnpike's twelve service areas.

The Glory Years of the Pennsylvania Turnpike Mitchell E. Dakelman, Neal A. Schorr, 2016-12-05 The Pennsylvania Turnpike was opened to traffic on October 1, 1940. Built using the right-of-way and unfinished tunnels of the never completed South Pennsylvania Railroad, it was a supreme achievement of civil engineering. The new highway immediately captured the public's imagination and proved to be an unqualified success. Motorists flocked from around the country to drive on the new superhighway, and it became a tourist destination in and of itself. But along with that success were planted the seeds of its eventual fall from grace. Under-engineered, poorly maintained, and the victim of premature obsolescence, the highway became the object of public scorn in little more than a generation. Only since the turn of the 21st century were real efforts made to change that perception.

The New Jersey Turnpike , 1993

Looking for America on the New Jersey Turnpike Angus Kress Gillespie, Michael Aaron Rockland, 1992-12 .

Annual Report - New Jersey Turnpike Authority New Jersey Turnpike Authority, 1997

The Pennsylvania Turnpike Mitchell E. Dakelman, Neal A. Schorr, 2004-06-16 The Pennsylvania Turnpike is one of the best-known highways in the United States. Most Pennsylvania Turnpike travelers are unaware that its construction was inspired by the route of the never completed South Pennsylvania Railroad. In the 1930s, men of great vision conceived, planned, and built the nation's first long-distance superhighway using the abandoned railroad's partially finished tunnels as

its foundation. Originally predicted to be a financial failure, the project was a tremendous success, and the turnpike came to be known as the World's Greatest Highway. Over the years, the Pennsylvania Turnpike was expanded and improved, laying the groundwork for the nation's Interstate Highway System. The Pennsylvania Turnpike draws from the extensive photograph collection in the Pennsylvania State Archives. Many were taken by photographers hired by both the Pennsylvania Turnpike Commission and its contractors, and most have never been published previously.

Turnpike Trooper John I. Hogan, 2005-09-06 Harrowing experiences and shocking details regarding the societal phenomenon known as, Racial Profiling fill the pages of this true story based on the life of New Jersey State Trooper John Hogan. Following his involvement in the infamous, Turnpike Shooting which ignited the nations firestorm regarding the issue of racial profiling, observe a first hand look at how New Jerseys politicians, not the facts of the case, influenced the outcome of this tragedy. Turnpike Trooper is an emotional depiction of the selection process and training regiment of the New Jersey State Police and ultimately takes you on patrol on one of Americas most dangerous roadways, the enigma known as the New Jersey Turnpike. Witness how Trooper Hogans unblemished service career, reputation and life were singled out and shattered solely for political gain by New Jerseys elected officials.

Michigan Turnpike Review, July 1, 1955 Michigan Turnpike Authority, 1955

Annual Report New Jersey Turnpike Authority, 1959

The Pennsylvania Turnpike Dan Cupper, 2001

The History of the New Jersey Turnpike and Its Economic Impact on the Area it Borders Within the State of New Jersey James Steve Himich (Jr.), 1960

Newark Airport Henry M. Holden, 2009 Newark Airport was the first major airport in the New York metropolitan area. It opened on October 1, 1928, occupying an area of filled-in marshland. In 1935, Amelia Earhart dedicated the Newark Airport Administration Building, which was North America's first commercial airline terminal. Newark was the busiest airport in the world until LaGuardia Airport, in New York, opened in 1939. During World War II, Newark was closed to passenger traffic and controlled by the United States Army Air Force for logistics operations. The Port Authority of New York took over the airport in 1948 and made major investments in airport infrastructure. It expanded, opened new runways and hangars, and improved the airport's terminal layout. The art deco administration building served as the main terminal until the opening of the North Terminal in 1953. The administration building was added to the National Register of Historic Places in 1979.

Sea Isle City Michael F. Stafford, 2001 The founder of Sea Isle City, Charles K. Landis, was a man of action. He had a dream of what the ideal seashore resort should be. In the 1870s, his dream began to take shape. It has been said, Each age is a dream that is dying or a dream that is coming to life. This is the fascinating story of how Sea Isle City, located along the New Jersey coast in Cape May County, evolved. Sea Isle City is a pictorial tour of the founding and early history of this resort

by the sea. Almost overnight the island town became accessible by railroad and by turnpike. Hotels and cottages appeared throughout the island. The Braca, Busch, Cronecker, Dever, Kehner, Pfieffer, and Rey families played a vital role in the growth of the town. Another family, the Hafferts, formed the Garden State Publishing Company, which contributed significantly to employment and economic stability. Commercial fishing became an important industry in the development of the town with the coming of the Hatmen at the beginning of the twentieth century. The influential people who shaped the community and countless other families, schoolchildren, and local legends are finally brought together in Sea Isle City.

The Black Dragon Joseph Collum, 2010 Chronicles modern racial profiling developed by New Jersey State Troopers that was used against minority motorists on the New Jersey Turnpike, also known as the Black Dragon. Also covers the war between black and white troopers and the New Jersey Senate hearings into the profiling and how that resulted in the impeachment of a New Jersey Supreme Court justice.

The Jersey Devil James F. McCloy, Ray Miller, 1976 In the course of its extraordinary history, the Jersey Devil has been exorcised, shot, electrocuted, declared officially dead, and scoffed as foolishness--none of which has had any effect on it or the people who persist in seeing it! This mysterious creature is said to prowl the lonely sand trails and mist-shrouded marshes of the Pine Barrens, and emerge periodically to rampage through the towns and cities of New Jersey and eastern Pennsylvania, leaving many communities in near-hysteria. The authors show that while a few appearances have been outright fraud and others have likely been the result of mass hysteria, this creature has been seen by enough sane, sober, and responsible citizens to keep the possibility of its existence alive and tantalizing. Over 50,000 in print

The Delaware and Raritan Canal Linda J. Barth, 2002 For nearly one hundred seventy years, the Delaware and Raritan Canal has meandered across the narrow waist of New Jersey through bustling cities, suburban towns, and rural landscapes. One of the most successful towpath canals in the United States, the Delaware and Raritan carried more tonnage in 1866 than the famous Erie Canal. Transporting mainly anthracite coal, the Delaware and Raritan also stimulated industries as diverse as Roebling's wire-rope factory in Trenton, Johnson & Johnson pharmaceuticals in New Brunswick, and Fleischmann's Distillery in East Millstone. Today, as the centerpiece of the Delaware and Raritan Canal State Park, the canal provides the people of central New Jersey with both a water supply and a premier recreational facility. The Delaware and Raritan Canal introduces you to this manmade waterway through some two hundred historical photographs and postcards. In these pages, discover the locks, aqueducts, and machinery that enabled the waterway to transport military men and supplies between New York and Philadelphia during three wars. See how inventor John Holland used the canal to deliver his Holland VI submarine to Washington for its naval trials and how luxury yachts, including J.P. Morgan's Tarantula, cruised the waterway. The Delaware and Raritan Canal documents a historical and recreational gem in the heart of New Jersey.

New Jersey Noir Jonathan Safran Foer, Bradford Morrow, Bill Pronzini, Robert Pinsky, Edmund White, S. J.

Rozan,2011-11-01 Discover the darker side of the Garden State with this anthology of gritty mystery stories. Akashic Books continues its award-winning series of original noir anthologies, launched in 2004 with Brooklyn Noir. Each volume is compromised of all-new stories, each one set in a distinct location within the geographical area of the book. In New Jersey Noir, a star-studded cast of authors sifts through the hidden dirt of the Garden State. Featuring brand-new stories (and a few poems) by Joyce Carol Oates, Jonathan Safran Foer, Robert Pinsky, Edmund White & Michael Carroll, Richard Burgin, Pulitzer Prize-winner Paul Muldoon, Sheila Kohler, C.K. Williams, Gerald Stern, Lou Manfredo, S.A. Solomon, Bradford Morrow, Jonathan Santlofer, Jeffrey Ford, S.J. Rozan, Barry N. Malzberg & Bill Pronzini, Hirsh Sawhney, and Robert Arellano. Praise for New Jersey Noir "Oates's introduction to Akashic's noir volume dedicated to the Garden State, with its evocative definition of the genre, is alone worth the price of the book . . . Highlights include Lou Manfredo's "Soul Anatomy," in which a politically connected rookie cop is involved in a fatal shooting in Camden; S.J. Rozan's "New Day Newark," in which an elderly woman takes a stand against two drug-dealing gangs; and Jonathan Santlofer's "Lola," in which a struggling Hoboken artist finds his muse Poems by C.K. Williams, Paul Muldoon, and others—plus photos by Gerald Slota—enhance this distinguished entry." —Publishers Weekly "It was inevitable that this fine noir series would reach New Jersey. It took longer than some readers might have wanted, but, oh boy, was it worth the wait . . . More than most of the entries in the series, this volume is about mood and atmosphere more than it is about plot and character . . . It should go without saying that regular readers of the noir series will seek this one out, but beyond that, the book also serves as a very good introduction to what is a popular but often misunderstood term and style of writing." —Booklist, Starred Review "A lovingly collected assortment of tales and poems that range from the disturbing to the darkly humorous." —Shelf Awareness

Regarding Cocktails Sasha Petraske,Georgette Moger-Petraske,2016-10-31 Regarding Cocktails is the only book from the late Sasha Petraske, the legendary bartender who changed cocktail culture with his speakeasy-style bar Milk & Honey. Forewords by Dale DeGroff and Robert Simonson. Here are 85 cocktail recipes from his repertoire—the beloved classics and modern variations—with stories from the bartenders he personally trained. Ingredients, measurements, and preparations are beautifully illustrated so that readers can make professional cocktails at home. Sasha's advice for keeping the home bar, as well as his musings, are collected here to inspire a new generation of bartenders and cocktail enthusiasts.

Wild New Jersey David Wheeler,2011 Wild New Jersey brings the reader on a real-life safari through the Garden State's wildlife and natural wonders.-Tom Gilmore, President, New Jersey Audubon Society.

The Case That Never Dies Lloyd Gardner,2012-06-12 Essential reading for anyone interested in the most famous American crime of the twentieth century Since its original publication in 2004, The Case That Never Dies has become the standard account of the Lindbergh Kidnapping. Now, in a new afterword, historian Lloyd C. Gardner presents a surprise conclusion based on recently uncovered pieces of evidence that were missing from the initial investigation as well as an

evaluation of Charles Lindbergh's role in the search for the kidnappers. Out of the controversies surrounding the actions of Colonel Lindbergh, Norman Schwarzkopf, commander of the New Jersey State Police, and FBI director J. Edgar Hoover, Gardner presents a well-reasoned argument for what happened on the night of March 1, 1932. *The Case That Never Dies* places the Lindbergh kidnapping, investigation, and trial in the context of the Depression, when many feared the country was on the edge of anarchy. Gardner delves deeply into the aspects of the case that remain confusing to this day, including Lindbergh's dealings with crime baron Owney Madden, Al Capone's New York counterpart, as well as the inexplicable exploits of John Condon, a retired schoolteacher who became the prosecution's best witness. The initial investigation was hampered by Colonel Lindbergh, who insisted that the police not attempt to find the perpetrator because he feared the investigation would endanger his son's life. He relented only when the child was found dead. After two years of fruitless searching, Bruno Richard Hauptmann, a German immigrant, was discovered to have some of the ransom money in his possession. Hauptmann was arrested, tried, and sentenced to death. Throughout the book, Gardner pays special attention to the evidence of the case and how it was used and misused in the trial. Whether Hauptmann was guilty or not, Gardner concludes that there was insufficient evidence to convict him of first-degree murder. Set in historical context, the book offers not only a compelling read, but a powerful vantage point from which to observe the United States in the 1930s as well as contemporary arguments over capital punishment.

Whispering the Strategies of Language: An Psychological Quest through **NJ Turnpike.jpg**

In a digitally-driven earth where screens reign great and instant conversation drowns out the subtleties of language, the profound secrets and psychological nuances hidden within words usually get unheard. Yet, nestled within the pages of **NJ Turnpike.jpg** a captivating fictional treasure blinking with fresh thoughts, lies a fantastic journey waiting to be undertaken. Composed by a skilled wordsmith, this enchanting opus invites viewers on an introspective trip, delicately unraveling the veiled truths and profound impact resonating within the very fabric of each and every word. Within the psychological depths of this touching review, we will embark upon a sincere exploration of the book's primary styles, dissect their charming publishing type, and fail to the strong resonance it evokes strong within the recesses of readers' hearts.
