The Jersey Shore Uncovered Peter Genovese, 2003 This is not your typical Jersey Shore book. Yes, you'll find the obvious beaches and boardwalks, lifeguards and lighthouses, fishing and food. But Peter Genovese will also take you off the beaten track for an insider's look at this famous (and infamous) 127-mile stretch from Sandy Hook to Cape May. Birders, tiki hut builders, beach cleaners, wheel-of-chance operators, she-crab soup makers-they're all here. You'll check out an Airstream-only trailer park and visit a Point Pleasant Beach house where the music of Frank Sinatra plays nearly 24/7. Genovese will introduce you to the owner of the Stone Pony and to participants at the grueling Atlantic City Around-the-Island Swim as they describe their battles with tides, exhaustion, and face-stinging jellyfish. All of that, plus you'll find out why Ocean Grove residents write their names on their flowerpots. Beach reading just doesn't get any better than this. Spend a summer with Peter Genovese as he chronicles a typical wild and wacky, kitschy and classy season along the New Jersey coastline. Lifeguards, surfers, beachgoers, birders, ice cream vendors, seashell sellers, banner pilots-they're all here. You'll be on the scene when Atlantic City's mayor officially begins summer by unlocking the ocean, get a whiff of the state barbeque championship, watch the nation's longest-running all-women lifeguard competition, and even spend a weekend, Survivor-style, on a Barnegat Bay island. The Ocean City Baby Parade, Clownfest, the state's hottest bikini contest, and the World Series of Surf Fishing are all covered. You'll also meet the folks at the Diamondback Terrapin Conservation Project, the Cape May Migratory Bird Refuge, and the Marine Mammal Stranding Center. Genovese introduces you to Little Miss Chaos and the King of Corn, the Jersey Shore Hot Dog Queen, and Lucky Leo. You'll go on patrol with the New Jersey State Marine Police, meet the man behind Big Mike's E-Z Bail Bonds, and find salvation at the Boardwalk Chapel. The Jersey Shore Uncovered flawlessly depicts the timeless allure of New Jersey beach culture. Along with his stories, Genovese brings readers hundreds of color and black-and-white photos that brilliantly capture exactly what makes this 127-mile stretch of shoreline unique. Whether you've never been to a New Jersey beach or you're a Jersey native who spends your summers down the Shore, you're certain to learn a thing or two from this book. So get settled in your beach chair, put on some suntan lotion, and enjoy.

100 Things to Do at the Jersey Shore Before You Die R.C. Staab, 2020-04-15 While the Jersey Shore is known as a destination where salt water taffy and frozen custard were born, Miss America was crowned and The Twist was invented, there's even more to the Shore just waiting to be discovered. With 100 Things to Do at the Jersey Shore Before You Die as your guide, you'll find the best places to thrill, eat, fish, party and swim on the 130 miles of the New Jersey shoreline from the Sandy Hook Lighthouse to Cape May Point. Admire the Painted Ladies mansions and discover the town chosen by seven U.S. Presidents as the Nation's Summer Capital. Learn about fun ideas for your family on rainy days, find free beaches (and parking), and choose the hottest nightclubs. Beyond the summer, this guide helps you enjoy the Shore year-round. Discover fall foliage at historic battlefields; take a brisk walk in the winter with a llama or hear the hottest rock bands at the legendary Stone Pony. Local author and Shore expert R.C. Staab deftly leads you through top tips and itineraries, whether you've spent many summers at the Jersey Shore or are looking for your next beach vacation. His book will help you dive deeper into Shore life and enhance your trip.

Historic Photos of Jersey Shore, 2007-12 For well over a century, the lure of scenic beaches and ocean waves have drawn visitors to the Jersey Shore. Presidents had summer homes where they could escape the pressures of office. Other visitors decided to stay, often building ornate, Victorian mansions that today are as much an intrinsic part of the area's charm as the lighthouses that guided ships to safe harbors. Historic Photos of Jersey Shore captures both the history and the magic of this unique section of America, utilizing rarely seen, striking, black-and-white photographs selected from local, state and national collections. Relive the days when the boardwalks were new and watch as wondrous seaside attractions rise to provide visitors with a wealth of amusements. Stroll the shaded streets of small towns where year-round residents call the Shore home. Join farm workers as they harvest cranberries and blueberries. Set sail with the oyster fleets. Witness the devastation of Atlantic storms and visit the military installations that protected this cherished shoreline. Experience the excitement and beauty that is the Jersey Shore.

Four Seasons at the Shore Richard Youmans, 2004 For generations, people have felt deeply connected to the New Jersey Shore. With 332 full-color photographs, intimate essays about each season by noted Shore writers and a prologue, this evocative new coffee-table book immerses the reader in this coast. From ocean to bay, from sand dunes to salt marsh, from

boardwalks to amusements and arcades, fifty-four contributors to this pictorial hardcover capture the heart and soul of the shore. It is an appreciation and a tribute; an extraordinary connection to place that is both personal--and shared. Featuring work from more than four dozen talented photographers, this handsome volume, (as described by Publishers Weekly) celebrates the Jersey Shore in large format and is printed on 224-pages of rich, heavyweight matte stock. The quintessential Jersey Shore from Sandy Hook to Cape May is revealed. Four Seasons at the Shore is a touchstone that anyone who has ever visited or lived here will want--no matter where they live now, or how long it has been since they've had Jersey Shore sand between their toes.

Down the Jersey Shore Russell Roberts, Richard Youmans, 1993 Summer visitors and year-round residents alike are sure to discover Jersey Shore lore that captures their fancy in this entertaining account of the people, places, and events that have shaped New Jersey's famous shoreline. From ghost stories and the comic misadventures of the early Miss America Pageant to the dynamics of the changing coastline and poignant portraits of traditional crafts workers, Russell Roberts and Rich Youmans have chronicled the fascinating history and heritage of the New Jersey Shore. In this book you'll meet the luminaries who've frequented the Shore--from President Ulysses Grant strolling through Long Branch to Grace Kelly learning to surf at Ocean City. You'll find out why the boardwalk was invented, and also why early ones were removable. Join the authors as they pay tribute to the Shore's forgotten inventors, including Simon Lake, who some consider the true father of the modern submarine. Relive the Jersey Shore's role in wartime and learn the story of the mysterious Nazi submarine sunken off of Point Pleasant Beach. Read about Lucy the Margate Elephant, as well as her two long-gone cousins. Discover all this and more as Roberts and Youmans explore the vast uncharted heritage of the New Jersey Shore.

Living with the New Jersey Shore Karl F. Nordstrom, 1986 This volume in the Living with the Shore series provides practical and specific information on the status of the nation's coast and useful guidelines that enable residents, visitors, and investors to live with and enjoy the shore without costly and futile struggles against the forces of nature.

Dishing Up® New Jersey John Holl, 2016-05-17 New Jersey native John Holl searched from Sussex County to Cape May to find the best recipes New Jersey has to offer, and the result is this rich and unique cookbook celebrating the foods, flavors, cultures, and traditions of the Garden State. These 150 recipes include dishes featuring New Jersey's own produce — tomatoes, corn, cranberries, blueberries, apples — along with deep-fried boardwalk treats, late-night diner bites, and recipes contributed by casinos, bison and dairy farms, food trucks, old-school delis, famous bakeries, and more. You'll find Pork Roll Surprise, Cucumber Gazpacho, Ukrainian Holubtsi, Funnel Cake at Home, Tomato and Onion Salad, Jersey Green Clam Chowder, Sunday Gravy, Saltwater Taffy, Traditional Amish Chili, Classic Lawrenceville Mac & Cheese, Jersey Disco Fries, Fresh Jersey Corn Cakes, Honey Thyme Caramel, Black and Blue Cobbler — and a classic Taylor Ham, Egg, and Cheese Sandwich. Beautifully photographed, this collection is the ultimate tribute to New Jersey's best.

Great Storms of the Jersey Shore Larry Savadove, Margaret Thomas Buchholz, 1993 Offers illustrations and maps to provide a historical look at the hurricanes and other natural storms which have caused havoc on the Jersey coast since colonial times

A Shore Thing Nicole Polizzi, 2011-06-28 Two cousins--carefree party girl Gia Spumanti and quiet athlete Bella Rizzoli--spend an adventurous summer in Seaside Heights, New Jersey.

Jersey Shore Wayne O. Welshans, 2006 Jersey Shore, a small town with a seemingly misplaced name, was on the edge of the western frontier during Revolutionary War days, and those who settled in this area prior to 1784 found themselves outside the jurisdiction of both Great Britain and the commonwealth. Out of this was produced a Fair Play society, the Pine Creek Declaration of Independence, and something known as the Big Runaway. By 1800, a little village began to form along the banks of the west branch of the Susquehanna River. Over time, the West Branch Canal, lumbering, and a very large New York Central Railroad shop brought growth and prosperity to the area. Jersey Shore presents a visual story of the area through pictures taken by local photographers, including Joseph Mick, William H. Garman, and Jonathan Potter, dating from Civil War days to around 1930.

Down the Shore Bob Krist, 2005 Over 30 million people a year go down the shore, as the locals say, for surf, sand and fun. The beauty, traditions, and offbeat culture of the Jersey shore is shown in stunning National Geographic-style photography.

Long Beach Island George C. Hartnett, Kevin Hughes, 2004 Long Beach Island stretches for eighteen miles alongside the southern New Jersey mainland. A barrier island, it has a vivid history that includes wild game and bountiful fish, early whalers and tragic shipwrecks, paddle-wheel steamboats and grand hotels. With its rare and previously unpublished images, Long Beach Island portrays the unforgettable place that today is known for its white sandy beaches, fresh seafood, and bright red and white lighthouse. Shown are islanders engaged in pound fishing and salt hay harvesting, and, later, visitors crossing Barnegat Bay to the island resorts called Barnegat City and Beach Haven.

Local Color Ray Fisk, 2021-09 In this uniquely different look at Long Beach Island's past, historic black and white photographs, meticulously hand-colored, are paired with fascinating historical descriptions, quotes, and short passages. We see anew the colorful characters, history, rich stories, and lost landmarks of a vibrant New Jersey Shore community. Blurring the lines between a fine art coffee-table book and a history, Local Color is like visiting a gallery exhibition. The images, combined with the text vignettes, carry the moods and feelings of a vanished world. New life is breathed into the moments and lives of the Island's past and we enter a colorful world long gone.

Jimmy Hoffa's Ghost Ghost Towns of the Pinelands Ghost Beacons of the Tuckerton Tower The Phantom Lifeguard An entertaining look into the haunted history of the New Jersey coastline, with tales of pirates and treasure, loves lost at sea, Civil War ghosts, and monsters and other strange beings that lurk in the countryside.

Down the Shore - Tales from the Beaches and Boards of New Jersey Trent Redman, 2012-12-01 Down the Shore - Tales From the Beaches and Boards of New Jersey is a story about fun and good times, and about a place that is special to millions of people. Life has been severely disrupted here recently, and the author hopes that this book will serve as a reminder that, even in the face of disaster, our memories are wonderful things to have. Hurricane Sandy. I am not going to follow the crowd and call it the superstorm, as I do not intend to show her that much respect. We all know how this most horrendous storm recently devastated Seaside Heights, New Jersey, and a whole lot more of the Jersey Shore. Memories, however, are fleeting but stable things, and no act of nature can wash them away or blow them out to sea. This terrible storm reminded me of how easily the things and places we hold dear to us can be taken away, just like that... In contrast, this little book is all about fun, good times, parties and great places to be. Sprinkled in among the anecdotes are some true statistics and some reference to the popular music as it related to the times when these events took place. Most of what you are about to read here happened in the late '70s and early '80s, though it does follow through straight to the present day. So sit back and relax, and have a good laugh, or maybe a good shake of the head. Take a ride with me down the shore; walk the boards, stroll the beach, ride the rides and revel in the music of the times, while I share some truly fun experiences with you.
