The Middle Finger Project Ash Ambirge, 2020-02-11 Fresh, funny, and fearless, The Middle Finger Project is a point-by-point primer on how to get unstuck, slay imposter syndrome, trust in your own worth and ability, and become a strong, capable, wonderful, weird, brilliant, ballsy, unfuckwithable YOU. Don't worry, this isn't a book about God, nor is it a book about Ryan Gosling (second in command). But it is a book about authority and becoming your own. --Ash Ambirge After a string of dead-end jobs and a death in the family, Ash Ambirge was down to her last \$26 and sleeping in a Kmart parking lot when she faced the truth: No one was coming to her rescue. It was up to her to appoint herself. That night led to what eventually became a six-figure freelance career as a sought-after marketing and copywriting consultant, all while sipping coffee from her front porch in Costa Rica. She then launched The Middle Finger Project, a blog and online course hub, which has provided tens of thousands of young women who disobey with the tools and mindset to give everyone else's expectations the finger and get on your own path to happiness, wealth, independence, and adventure. In her first book, Ash draws on her unconventional personal story to offer a fun, bracing, and occasionally potty-mouthed manifesto for the transformative power of radical self-reliance. Employing the signature wit and wordsmithing she's used to build an avid following, she offers paradigm-shifting advice along the lines of: • The best feeling in the world is knowing who you are and what you're capable of doing. • Life circumstances are not life sentences. If a Scranton girl who grew up in a trailer park can make it, so can you. • What you believe about yourself will either murder your chances or save your life. So why not believe something good? • You don't need a high-ranking job title to be authorized to contribute. You just need to contribute. • Be your own authority. Authority only works as long as you trust that someone smarter than you is making the rules. • The way you become a force is by being the most radically real version of yourself that you can be. • You only have 12 fucks a day to give, so use them wisely.

Cattywampus Ash Van Otterloo, 2020-08-04 The magical story of a hex that goes haywire, and the power of friendship to set things right! In the town of Howler's Hollow, conjuring magic is strictly off-limits. Only nothing makes Delpha McGill's skin crawl more than rules. So when she finds her family's secret book of hexes, she's itching to use it to banish her mama's money troubles. She just has to keep it quieter than a church mouse -- not exactly Delpha's specialty. Trouble is, Katybird

Hearn is hankering to get her hands on the spell book, too. The daughter of a rival witching family, Katy has reasons of her own for wanting to learn forbidden magic, and she's not going to let an age-old feud or Delpha's contrary ways stop her. But their quarrel accidentally unleashes a hex so heinous it resurrects a graveyard full of angry Hearn and McGill ancestors bent on total destruction. If Delpha and Katy want to reverse the spell in time to save everyone in the Hollow from rampaging zombies, they'll need to mend fences and work together. Fans of *A Snicker of Magic* and *The Witch Boy* will love this funny, folksy, fresh debut from Ash Van Otterloo that proves sometimes it takes two witches to make the strongest magic happen.

of their belongings. It's something she's always kept hidden -- especially from her big, chaotic family. Their lives are already chock-full of worries about Daddy's job and Mama's blues without Tennie rocking the boat. But when the Lancasters move to the mountains for a fresh start, Tennie's gift does something new. Instead of just memories, her touch releases a ghost with a terrifying message: Trouble is coming. Tennie wants to ignore it. Except her new friend Fox -- scratch that, her only friend, Fox -- is desperate to go ghost hunting deep in the forest. And when Tennie frees even more of the spirits, trouble is exactly what she gets... and it hits close to home. The ghosts will be heard, and now Tennie must choose between keeping secrets or naming an ugly truth that could tear her family apart. Magic and mayhem abound in this spooky story about family legacies, first friendships, and how facing the ghosts inside can sometimes mean stirring up a little bit of ruckus.

Think Like a Monk Jay Shetty, 2020-09-08 Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and

Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, *Think Like a Monk* reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

As If on Cue Marisa Kanter, 2023-10-24 A pair of fierce foes are forced to work together to save the arts at their school in this “enemies-to-lovers rom-com of my dreams” (Rachel Lynn Solomon, author of *Today Tonight Tomorrow*) that fans of Jenny Han and Morgan Matson are sure to adore. Lifelong rivals Natalie and Reid have never been on the same team. So when their school's art budget faces cutbacks, of course Natalie finds herself up against her nemesis once more. She's fighting to direct the school's first ever student-written play, but for her small production to get funding, the school's award-winning band will have to lose it. Reid's band. And he's got no intention of letting the show go on. But when their rivalry turns into an all-out prank war that goes too far, Natalie and Reid have to face the music, resulting in the worst compromise: writing and directing a musical. Together. At least if they deliver a sold-out show, the school board will reconsider next year's band and theater budget. Everyone could win. Except Natalie and Reid. Because after spending their entire lives in competition, they have absolutely no idea how to be co-anything. And they certainly don't know how to deal with the feelings that are inexplicably, weirdly, definitely developing between them...

Love & Literacy Paul Bambrick-Santoyo, Stephen Chiger, 2021-05-04 When our students enter middle and high school, the saying goes that they stop learning to read and start reading to learn. Then why is literacy still a struggle for so many of our students? The reality is that elementary school isn't designed to prepare students for Othello and Song of Solomon: so what do we do? *Love and Literacy* steps into the classrooms of extraordinary teachers who have guided students to the highest levels of literacy. There is magic in their teaching, but that magic is replicable. It starts with a simple premise: kids fall in love with texts when they understand them, and that understanding comes from the right knowledge and/or the right strategy at the right time. *Love and Literacy* dissects the moves of successful teachers and schools and leaves you with the tools to make these your own: Research-based best practices in facilitating discourse, building curriculum, guiding student comprehension and analysis, creating a class culture where literacy thrives, and more Video clips of middle and high school teachers implementing these practices An online, print-ready Reading and Writing Handbook that places every tool at your fingertips to implement effectively Discussion questions for your own professional learning or book study group Great reading is more than just liking books: it's having the knowledge, skill, and desire to experience any text in all its fullness. *Love and Literacy* guides you to create environments where students can build the will and wherewithal to truly fall in love with literacy.

Bishop Sylvester sends Flavia from her convent to seek Emperor Constantine's permission to build great churches and determine the canon of Scripture. But the enemies of God are on the move.
