Highlights

The Online Journalism Handbook Paul Bradshaw, 2017-08-14 The Online Journalism Handbook has established itself globally as the leading guide to the fast-moving world of digital journalism, showcasing the multiple possibilities for researching, writing and storytelling offered to journalists through new technologies. In this new edition, Paul Bradshaw presents an engaging mix of technological expertise with real world practical guidance to illustrate how those training and working as journalists can improve the development, presentation and global reach of their story through web-based technologies. The new edition is thoroughly revised and updated, featuring: a significantly expanded section on the history of online journalism business models; a new focus on the shift to mobile-first methods of consumption and production; a brand new chapter on online media law written by Professor Tim Crook of Goldsmiths, University of London, UK; a redeveloped section on interactivity, with an introduction to coding for journalists; advice on the journalistic uses of vertical video, live video, 360 and VR. The Online Journalism Handbook is a guide for all journalism students and professional journalists, as well as being of key interest to digital media practitioners.

Gaston Kelly DiPucchio, 2014-06-03 A bulldog and a poodle learn that family is about love, not appearances in this adorable doggy tale from New York Times bestselling author Kelly DiPucchio and illustrator Christian Robinson. This is the story of four puppies: Fi-Fi, Foo-Foo, Ooh-La-La, and Gaston. Gaston works the hardest at his lessons on how to be a proper pooch. He sips—never slobbers! He yips—never yaps! And he walks with grace—never races! Gaston fits right in with his poodle sisters. But a chance encounter with a bulldog family in the park—Rocky, Ricky, Bruno, and Antoinette—reveals there's been a mix-up, and so Gaston and Antoinette switch places. The new families look right...but they don't feel right. Can these puppies follow their noses—and their hearts—to find where they belong?

One Block Wonders Maxine Rosenthal, 2010-11-05 1 Great Fabric + 1 Block = 1 Stunning Quilt! • Brand new technique is all about texture, movement, sparkle, and swirl! • Choose hexagons or octagons-you're the designer • Easy random cutting! No planning, no fussy cuts, no mess-ups • Simple piecing with NO Y-SEAMS! Amaze your friends! Maxine shows you exactly how to choose a large-scale print, figure yardage, cut and piece these drop-dead gorgeous quilts. Big pieces and clever short-cut methods make these quilts go together faster than you'd think. Choose one of two projects or use the techniques in any

size quilt you can imagine.

Jews of Paterson David Wilson, 2012 Something unique happened when Jews immigrated to Paterson in the early 20th century. Instead of sewing shirtwaists and schmattahs in sweatshops, they came as skilled weavers from the Russian Polish textile centers of Lodz and Bialystok. They brought strong notions of social justice and living righteously; ideas that came alive during the 1913 Industrial Workers of the World silk strike then animated the social life in their Jewish neighborhoods. They raised families, became Americans, and reluctantly moved when the economic base collapsed. Despite this, Paterson Jews defend the aging, gritty city as a wonderful place, and they never left it spiritually or emotionally. Former and current residents recall the Hamilton Avenue bagel bakery, Purity Cooperative rye bread, candy stores, delicatessens, the YMHA, bar mitzvah coaches, rabbis, the baby doctor, pediatricians, schoolteachers, and even the synagogue shammes. They remember and honor the past as a bridge between the present and the future. Jews of Paterson is more than just nostalgia it is the remarkable story of how a particular group built a community and made it into a special place.

Darling Rose Gold Stephanie Wrobel, 2021-03-30 A dark, shocking, bestselling thriller debut about a mother and daughter—and the lengths to which a daughter will go to find independence. “Nobody wants to hear the truth from a liar.” For the first eighteen years of her life, Rose Gold Watts believed she was seriously ill. She was allergic to everything, used a wheelchair, and practically lived at the hospital. Neighbors did all they could, holding fundraisers and offering shoulders to cry on, but no matter how many doctors, tests, or surgeries, no one could figure out what was wrong with her. Turns out her mom, Patty Watts, was just a really good liar. After serving five years in prison, Patty gets out with nowhere to go and begs her daughter to take her in. The entire community is shocked when Rose Gold says yes. Patty insists all she wants is to reconcile their differences. She says she’s forgiven Rose Gold for turning her in and testifying against her. But Rose Gold knows her mother. Patty Watts always settles a score. Unfortunately for Patty, Rose Gold is no longer her weak little darling... And she’s waited such a long time for her mother to come home.

The Hardest Hidden Pictures Book Ever Highlights, 2021-03-09 Packed with dozens of the most difficult Hidden Pictures puzzles Highlights has ever created, this book is perfect for advanced puzzlers ages 8-12 looking for a next-level challenge! This jam-packed collection includes over 80 advanced Hidden Pictures puzzles, including photo puzzles, puzzles without clues, puzzles with scrambled clues and more. A great gift for anyone who loves a puzzle challenge, this engaging activity book is filled with more than 1,500 total objects to find. Kids (and grown-ups, too) will need to keep their eyes peeled searching through hilarious scenes like sloths playing ping pong, dogs enjoying a fiesta, and a fishy carnival. There are both full-color and classic black-and-white scenes to solve. Over 125 pages of puzzles adds up to hours of screen-free fun, great for

keeping kids engaged during road trips or rainy afternoons at home. Plus, this book is crafted by puzzle experts to include learning benefits parents can count on. Searching for hidden objects is a great way for kids to develop important school skills like vocabulary, concentration and visual perception. Every puzzle solved will boost kids' confidence and encourage them to take on new challenges.

Habits for Holiness Ames Cfr Fr Mark-Mary,2021-03-04 The ideal of holiness can seem impossible as we find ourselves busier and more distracted in our increasingly complicated world. Yet the witness of the Franciscan Friars of the Renewal (CFRs) offers us hope that it is possible to become a saint while living in the world. In fact, it is by opening ourselves up to others and making time for prayer and sacrifices in our daily lives that we can bring God's love to the world. Then we will be transformed ourselves. Join Fr. Mark-Mary Ames, CFR, as he guides you with small, practical steps that will lead you-poco apoco, little by little-on the journey to holiness. Book jacket.

Menswear Tom Phillips,2012 This series celebrates the Bodleian Library's acquisition of Tom Phillips's archive of over 50,000 photographic postcards dating from the first half of the twentieth century, a period in which, thanks to the ever cheaper medium of photography, 'ordinary' people could afford to own their portraits. Each title in this series is thematically assembled and designed by the artist, the covers featuring a linked painting specially created for each title from Tom Phillips's signature work, A Humument. With an illuminating foreword by Eric Musgrave, 'Menswear' presents postcards of men in all manner of outfits, whether formal, practical or casual, dating from around 1900 up to c. 1949. Most of the subjects are posing for portraits, displaying both their individual style and an interpretation of the fashions of the time. The rich variety of accessories on display includes ties, gloves, pocket squares, walking sticks, canes, boutonnieres and spats.

The Lake of Dead Languages Carol Goodman,2005-12-27 "A gothic and elegant page-turner."—The Boston Globe Twenty years ago, Jane Hudson fled the Heart Lake School for Girls in the Adirondacks after a terrible tragedy. The week before her graduation, in that sheltered wonderland, three lives were taken, all victims of suicide. Only Jane was left to carry the burden of a mystery that has stayed hidden in the depths of Heart Lake for more than two decades. Now Jane has returned to the school as a Latin teacher, recently separated and hoping to make a fresh start with her young daughter. But ominous messages from the past dredge up forgotten memories. And young, troubled girls are beginning to die again—as piece by piece the shattering truth slowly floats to the surface. . . .

Home-made Vladimir Arkhipov,2006 Edited by Vladimir Arkhipov. Foreword by Susan B. Glasser.

Want, Waste or War? Philip Andrews-Speed,Raimund Bleischwitz,Tim Boersma,Corey Johnson,Geoffrey Kemp,Stacy D. VanDeveer,2014-11-13 In addition to environmental change, the structure and trends of global politics and the economy are also changing as more countries join the ranks of the world's largest economies with their resource-intensive patterns. The nexus approach, conceptualized as attention to resource connections and their governance ramifications, calls attention to

the sustainability of contemporary consumer resource use, lifestyles and supply chains. This book sets out an analytical framework for understanding these nexus issues and the related governance challenges and opportunities. It sheds light on the resource nexus in three realms: markets, interstate relations and local human security. These three realms are the organizing principle of three chapters, before the analysis turns to crosscutting case studies including shale gas, migration, lifestyle changes and resource efficiency, nitrogen fertilizer and food systems, water and the Nile Basin, climate change and security and defense spending. The key issues revolve around competition and conflict over finite natural resources. The authors highlight opportunities to improve both the understanding of nexus challenges and their governance. They critically discuss a global governance approach versus polycentric and multilevel approaches and the lack of those dimensions in many theories of international relations.

Much Ado About You Samantha Young,2021-02-02 The cozy comforts of an English village bookstore open up a world of new possibilities for Evie Starling in this charming new romantic comedy from New York Times bestselling author Samantha Young. At thirty-three-years old Evangeline Starling's life in Chicago is missing that special something. And when she's passed over for promotion at work, Evie realizes she needs to make a change. Some time away to regain perspective might be just the thing. In a burst of impulsivity, she plans a holiday in a quaint English village. The holiday package comes with a temporary position at Much Ado About Books, the bookstore located beneath her rental apartment. There's no better dream vacation for the bookish Evie, a life-long Shakespeare lover. Not only is Evie swept up in running the delightful store as soon as she arrives, she's drawn into the lives, loves and drama of the friendly villagers. Including Roane Robson, the charismatic and sexy farmer who tempts Evie every day with his friendly flirtations. Evie is determined to keep him at bay because a holiday romance can only end in heartbreak, right? But Evie can't deny their connection and longs to trust in her handsome farmer that their whirlwind romance could turn in to the forever kind of love.

The Rebel Andrew J. Fenady,2006-04-03 As he makes his way home to Texas, former rebel soldier Johnny Yuma's first task is to find the mother and sister of his closest friend who died in battle. How could Johnny know he's walking into another battle? Based on the classic TV series written and produced by the author. Original.

Recipes with Friends Alice Oehr,2020-08-20 A low-fi collection of more than 200 recipes, gathered from the people around me. An ode to a similar project completed by my class of grade 2 in 1996. The book brings together a diverse array of recipes for sweets, savouries & drinks, and reflects the colourful variety within Australian home-cooking. Dishes featured include family favourites, party specialties, and go-to's for weeknight dinners. Many were transcribed from the scrawl of grandmothers, dictated verbally, and some were even (previously) a secret. 220 fully illustrated pages, spiral bound and printed on recycled paper. Letter-pressed covers in three eye-popping colours, expertly printed by the wonderful people at Hungry Workshop, also on recycled card (and the mustard is made from coffee cups!).

Household War Lisa Tendrich Frank, LeeAnn Whites, 2020 Household War is a collection of essays that explores the Civil War through the household. According to the editors, the household served as 'the basic building block for American politics, economics, and social relations.' As such, the scholars of this volume make the case that the Civil War can be understood as a revolutionary moment in the transformation of the household order. From this vantage point, they look at the interplay of family and politics, studying the ways in which the Civil War shaped and was shaped by the American household. The volume offers a unique approach to the study of the Civil War that allows an inclusive examination of how the war 'flowed from, required, and . . . resulted in the restructuring of the household' between regions and those enslaved and free. This volume seeks to address how households redefined and reordered themselves as a result of the changes stemming from the Civil War. Scholars of this volume provide compelling histories of the myriad ways in which the household played a central role during an era of social upheaval and transformation--

Первая Ласточка Лена Балашова, 2019-09-02 Душевная, тонкая и очень тёплая лирика. Если хочется уютно устроиться с чашечкой горячего чая под тёплым пледом с книгой, то эта книга для Вас!

J M Barrie and the Lost Boys Andrew Birkin, 2003-07-11 This literary biography is "a story of obsession and the search for pure childhood . . . Moving, charming, a revelation" (Los Angeles Times). J. M. Barrie, Victorian novelist, playwright, and author of Peter Pan, or The Boy Who Wouldn't Grow Up, led a life almost as interesting as his famous creation. Childless in his marriage, Barrie grew close to the five young boys of the Davies family, ultimately becoming their guardian and surrogate father when they were orphaned. Andrew Birkin draws extensively on a vast range of material by and about Barrie, including notebooks, memoirs, and hours of recorded interviews with the family and their circle, to describe Barrie's life, the tragedies that shaped him, and the wonderful world of imagination he created for the boys. Updated with a new preface and including photos and illustrations, this "absolutely gripping" read reveals the dramatic story behind one of the classics of children's literature (Evening Standard). "A psychological thriller . . . One of the year's most complex and absorbing biographies." —Time "[A] fascinating story." —The Washington Post

Unveiling the Energy of Verbal Beauty: An Mental Sojourn through **IMG 5634.jpg**

In some sort of inundated with monitors and the cacophony of instant connection, the profound power and psychological resonance of verbal beauty frequently diminish in to obscurity, eclipsed by the regular assault of sound and distractions. However, located within the lyrical pages of **IMG 5634.jpg**, a captivating perform of fictional splendor that pulses with natural emotions, lies an remarkable trip waiting to be embarked upon. Composed by way of a virtuoso wordsmith, that

interesting opus books visitors on a psychological odyssey, lightly revealing the latent potential and profound influence embedded within the delicate web of language. Within the heart-wrenching expanse of this evocative examination, we shall embark upon an introspective exploration of the book is central subjects, dissect its fascinating writing model, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
