Camp L. C. Rosen, 2020-05-26 Set in a summer camp, this sweet and sharp screwball comedy set in a summer camp for queer teens examines the nature of toxic masculinity and self-acceptance. Sixteen-year-old Randy Kapplehoff loves spending the summer at Camp Outland, a camp for queer teens. It's where he met his best friends. It's where he takes to the stage in the big musical. And it's where he fell for Hudson Aaronson-Lim—who's only into straight-acting guys and barely knows not-at-all-straight-acting Randy even exists. This year, however, it's going to be different. Randy has reinvented himself as 'Del'—buff, masculine, and on the market. Even if it means giving up show tunes, nail polish, and his unicorn bedsheets, he's determined to get Hudson to fall for him. But as he and Hudson grow closer, Randy has to ask himself: How much is he willing to change for love? And is it really love anyway, if Hudson doesn't know who he truly is?

American Jewish Year Book 2015 Arnold Dashefsky, Ira M. Sheskin, 2016-02-03 This Year Book, now in its 115th year, provides insight into major trends in the North American Jewish communities and is the Annual Record of the North American Jewish Communities. The first two chapters of Part I examine Jewish immigrant groups to the US and Jewish life on campus. Chapters on “National Affairs” and “Jewish Communal Affairs” analyze the year’s events. Three chapters analyze the demography and geography of the US, Canada, and world Jewish populations. Part II provides Jewish Federations, Jewish Community Centers, social service agencies, national organizations, overnight camps, museums, and Israeli consulates. The final chapters present national and local Jewish periodicals and broadcast media; academic resources, including Jewish Studies Programs, books, articles websites, and research libraries; and lists of major events in the past year, Jewish honorees, and obituaries. For those interested in the North American Jewish community—scholars, service providers, volunteers—this volume undoubtedly provides the single best source of information on the structure, dynamics, and ongoing religious, political, and social challenges confronting the community. It should be on the bookshelf of everyone interested in monitoring the dynamics of change in the Jewish communities of North America. Sidney Goldstein, Founder and Director, Population Studies and Training Center, Brown University, and Alice Goldstein, Population Studies and Training Center, Brown University The American Jewish Year Book is a unique and valuable resource for Jewish community professionals. College Essay Essentials Ethan Sawyer,2016-07-01 Writing an amazing college admission essay is easier than you think! So you're a high school senior given the task of writing a 650-word personal statement for your college application. Do you tell the story of your life, or a story from your life? Do you choose a single moment? If so, which one? The options seem endless. Lucky for you, they're not. College counselor Ethan Sawyer (aka The College Essay Guy) will show you that there are only four (really, four!) types of college admission essays. And all you have to do to figure out which type is best for you is answer two simple questions: 1. Have you experienced significant challenges in your life? 2. Do you know what you want to be or do in the future? With these questions providing the building blocks for your essay, Sawyer guides you through the rest of the process, from choosing a structure to revising your essay, and answers the big questions that have probably been keeping you up at night: How do I brag in a way that doesn't sound like bragging? and How do I make my essay, like, deep? Packed with tips, tricks, exercises, and sample essays from real students who got into their dream schools, College Essay Essentials is the only college essay guide to make this complicated process logical, simple, and (dare we say it?) a little bit fun.

Every Shot Must Have a Purpose Pia Nilsson,Lynn Marriott,Ron Sirak,2005-09-22 Two legendary coaches give golfers a powerful new approach to the game... and to life. As coaches to some of golf's top players, Pia Nilsson and Lynn Marriott have designed and refined a revolutionary way of teaching the game, with phenomenal results. They don't believe in prescribing the same stance, grip, and swing to everyone, followed by hours of purposeless drilling. They don't even believe in beginning with physical technique. Their success has proven to them that a great game begins with a great vision. Unlike any other golf book, Every Shot Must Have a Purpose offers cutting-edge techniques for integrating the physical, technical, mental, emotional, and social parts of a player's game. The book's revolutionary pre-shot routine will improve your focus, leading to a golf swing that is not only successful but can be repeated under extreme pressure. Emphasizing the individual golfer rather than a rigid set of mechanics, their VISION54 method takes the frustration out of the game. Why 54? Because they believe it's possible to shoot a 54 (making a birdie on every hole of a par-72 course) if you have the right mind-set and

well-honed intuitive power. An engaging read for the beginner or the seasoned golfer, *Every Shot Must Have a Purpose* is inspiration for life, not just the links.
