See Naples and Die Penelope Green, 2012 A captivating travel memoir Penelope Green delves into the myths surrounding Naples, and with the help of many locals she finds out which are true, which are not, and bravely creates a few myths of her own. Penny Green returned to Italy after a holiday in Australia ready for a challenge. She was looking for a new job and

romance, and found work and perhaps love in the toughest Italian city of them all Napoli. Penny takes on her new home with almost the same open acceptance she had when she first arrived in Rome four years ago. Now, though, she is older, wiser and more experienced when it comes to breaking into a new city. The result is a colourful, first-hand account of life in a city that is filled with fear, crime, rubbish, beauty, great food, generous inhabitants and a thrilling sense of living every moment to the fullest.

The Photo Ark Joel Sartore, 2017 This book of photography represents National Geographic's Photo Ark, a major cross-platform initiative and lifelong project by photographer Joel Sartore to make portraits of the world's animals -- especially those that are endangered. His message: to know these animals is to save them. Sartore intends to photograph every animal in captivity in the world. He is circling the globe, visiting zoos and wildlife rescue centers to create studio portraits of 12,000 species, with an emphasis on those facing extinction. He has photographed more than 6,000 already and now, thanks to a multi-year partnership with National Geographic, he may reach his goal. This book showcases his animal portraits: from tiny to mammoth, from the Florida grasshopper sparrow to the greater one-horned rhinoceros. Paired with the prose of veteran wildlife writer Douglas Chadwick, this book presents an argument for saving all the species of our planet.

Girl by Sea Penelope Green, 2011-01-01 The conclusion to Penelope Green's bestselling trilogy about her life in Italy that includes *When in Rome* and *See Naples and Die*. From her rooftop terrace, Penelope looks out across the sparkling waters of the Bay of Naples, and into a garden of lemon trees and magnolias. Has her Italian dream come true? Imagine catching a ferry home and stepping onto a waterfront lined with multicoloured buildings, busy with fishing boats and couples strolling to their favourite café. For Penny and her Italian love Alfonso, the idyllic island of Procida can offer the life they are looking for. But first Penny has to find a way into its small community. One thing she has in common with the locals is a love of food, so she sets herself a goal - to master the Procidan cuisine and become more than just a visitor. Across kitchen tables, in bustling cafés, and over long lunches under vine-covered pergolas, Penny learns the art of Italian cooking, builds friendships, and discovers the rhythms and secrets of island life. 'It's a lovely chronicle of the joys and pitfalls of moving to a small community... A charming concoction of love, food and life ? with recipes!' - The Australian Women's Weekly 'With her observant eye for detail, young Sydney-born journalist Penelope Green's account of her time living on the beautiful Italian island of Procida with her partner, Alfonso, is an endearing insight into a small community where life, love and food reign supreme' - Sunday Telegraph 'interspersed with mouthwatering recipes and Procida is explored from a historical, cultural, architectural, social and heart-on-the-sleeve personal perspective. Delivered with a light and breezy tone, it's easy to consume' - Courier Mail Author Biography Penelope Green was born in Sydney and worked as a print journalist around Australia for a decade before moving to Rome in 2002. Her first book, *When in Rome*, recounts her early experiences in the

Eternal City. In 2005 she moved to Naples to work for ANSAmed, a Mediterranean news service. She found an apartment in the city's colourful Spanish Quarter, worked hard at mastering the Neapolitan dialect, and writing her second travel memoir, *See Naples and Die*. *Girl by Sea* completes Penny's Italian experience as she moves to the idyllic island of Procida, across the bay from Capri, with her Italian partner, Alfonso. When the Sahara Was Green Martin Williams, 2023-11-07 The little-known history of how the Sahara was transformed from a green and fertile land into the largest hot desert in the world The Sahara is the largest hot desert in the world, equal in size to China or the United States. Yet, this arid expanse was once a verdant, pleasant land, fed by rivers and lakes. The Sahara sustained abundant plant and animal life, such as Nile perch, turtles, crocodiles, and hippos, and attracted prehistoric hunters and herders. What transformed this land of lakes into a sea of sands? *When the Sahara Was Green* describes the remarkable history of Earth's greatest desert—including why its climate changed, the impact this had on human populations, and how scientists uncovered the evidence for these extraordinary events. From the Sahara's origins as savanna woodland and grassland to its current arid incarnation, Martin Williams takes us on a vivid journey through time. He describes how the desert's ancient rocks were first fashioned, how dinosaurs roamed freely across the land, and how it was later covered in tall trees. Along the way, Williams addresses many questions: Why was the Sahara previously much wetter, and will it be so again? Did humans contribute to its desertification? What was the impact of extreme climatic episodes—such as prolonged droughts—upon the Sahara's geology, ecology, and inhabitants? Williams also shows how plants, animals, and humans have adapted to the Sahara and what lessons we might learn for living in harmony with the harshest, driest conditions in an ever-changing global environment. A valuable look at how an iconic region has changed over millions of years, *When the Sahara Was Green* reveals the desert's surprising past to reflect on its present, as well as its possible future.

An Absolutely Remarkable Thing Hank Green, 2018-09-25 THE INSTANT #1 NEW YORK TIMES BESTSELLER “Sparkling with mystery, humor and the uncanny, this is a fun read. But beneath its effervescent tone, more complex themes are at play.” —San Francisco Chronicle In his wildly entertaining debut novel, Hank Green—cocreator of Crash Course, Vlogbrothers, and SciShow—spins a sweeping, cinematic tale about a young woman who becomes an overnight celebrity before realizing she's part of something bigger, and stranger, than anyone could have possibly imagined. The Carls just appeared. Roaming through New York City at three a.m., twenty-three-year-old April May stumbles across a giant sculpture. Delighted by its appearance and craftsmanship—like a ten-foot-tall Transformer wearing a suit of samurai armor—April and her best friend, Andy, make a video with it, which Andy uploads to YouTube. The next day, April wakes up to a viral video and a new life. News quickly spreads that there are Carls in dozens of cities around the world—from Beijing to Buenos Aires—and April, as their first documentarian, finds herself at the center of an intense international media spotlight. Seizing the opportunity to make her mark on the world, April now has to deal with the consequences her new particular brand of fame has on her relationships, her safety, and her own identity. And all eyes are on April to figure out not just what the Carls are, but what they want from us. Compulsively entertaining and powerfully relevant, *An Absolutely Remarkable Thing* grapples with big themes, including how the social internet is changing fame, rhetoric, and radicalization; how our culture deals with fear and uncertainty; and how vilification and adoration spring for the same dehumanization that follows a life in the public eye. The beginning of an exciting fiction career, *An Absolutely Remarkable Thing* is a bold and insightful novel of now.

Make Something Good Today Erin Napier, Ben Napier, 2018-10-02 From Ben and Erin Napier, the stars of the hit HGTV show Home Town, comes Make Something Good Today, a memoir that tells us all to seek out the good in life, celebrate the beauty of family and friends, and prosper within our communities because everything we need in life to be happy, is within

our grasp. Long before their hugely popular TV show, an expanding family, or demolition day on their dream home, Erin began keeping a daily online journal to help her stay focused on the positive and count her blessings in life. She never expected that her depictions of small-town life in the tiny swath of Mississippi where she Ben call home would catch the eye of a television producer and set them off on the journey of a lifetime. *Make Something Good Today* offers a behind-the-scenes glimpse into the struggles and triumphs of a couple that America has come to know and love for their easy humor, adoring relationship, and ability to utterly transform a place into something beautiful and personal. This is the poignant story of how Erin and Ben took a small, tight-knit town into their own hands (literally) and used ingenuity, community, and authenticity to rebuild a once-thriving American Main Street. And how, by combining Ben's carpentry skills with Erin's design eye, *Home Town* is making it clear to us all that small-town living can feel as big as you make it. Complete with family photographs, Erin's hand-painted sketches, and never-before-heard personal stories, this inspirational memoir reminds us all not to give up hope that great love stories are possible, big things can bloom in small towns, and there is always magic in the ordinary if you know where to look for it.

This Here Flesh Cole Arthur Riley, 2023-01-31 NEW YORK TIMES BESTSELLER • In her stunning debut, the creator of *Black Liturgies* weaves stories from three generations of her family alongside contemplative reflections to discover the "necessary rituals" that connect us with our belonging, dignity, and liberation. "This is the kind of book that makes you different when you're done."—Ashley C. Ford, New York Times bestselling author of *Somebody's Daughter* "Reaches deep beneath the surface of words unspoken, wounds unhealed, and secrets untempered to break them open in order for fresh light to break through."—Morgan Jerkins, New York Times bestselling author of *This Will Be My Undoing* and *Caul Baby* ONE OF THE BEST BOOKS OF THE YEAR: *The Root*, Library Journal "From the womb, we must repeat with regularity that to love ourselves is to survive. I believe that is what my father wanted for me and knew I would so desperately need: a tool for survival, the truth of my dignity named like a mercy new each morning." So writes Cole Arthur Riley in her unforgettable book of stories and reflections on discovering the sacred in her skin. In these deeply transporting pages, Arthur Riley reflects on the stories of her grandmother and father, and how they revealed to her an embodied, dignity-affirming spirituality, not only in what they believed but in the act of living itself. Writing memorably of her own childhood and coming to self, Arthur Riley boldly explores some of the most urgent questions of life and faith: How can spirituality not silence the body, but instead allow it to come alive? How do we honor, lament, and heal from the stories we inherit? How can we find peace in a world overtaken with dislocation, noise, and unrest? In this indelible work of contemplative storytelling, Arthur Riley invites us to descend into our own stories, examine our capacity to rest, wonder, joy, rage, and repair, and find that our humanity is not an enemy to faith but evidence of it. At once a compelling spiritual meditation, a powerful intergenerational account, and a tender coming-of-age narrative, *This Here Flesh* speaks potently to anyone who suspects that our stories might have

something to say to us.

Enoch's Journey Earl A. Jones, 2018-12-26 Enoch's Journey will shed light on Enoch's walk with God, as well as your own. The book discusses Enoch's three-hundred-year walk, including some of the issues that he would face along the way—problems that would come to hinder and impede his close fellowship with God. It also discusses the more clearly defined journeys of Joseph and Job. If you have read their stories in the Bible, you know that both faced plenty of challenges, fraught with peril and trial. However, there was a purpose to reshape them so that they could be transported into the next phase of their lives, ready to fulfill the larger calling that God had always intended for them. Many other biblical figures are also discussed in this book, generally in a lighthearted manner. Rest assured that there is always a higher purpose to every trial and challenge that we face in life. Reading this book will encourage us to continue to walk with God and keep up the pace so we can see the end of the journey, as well as the beginning, and we can know how to thrive in God's true purpose for our lives.
