Martin Edwards

The Cipher Garden Martin Edwards, 2011-07-25 In the peaceful village of Old Sawrey, set in the idyllic Lake District, a murderer strikes. Warren Howe, a husband and father of two, is brutally slaughtered with his own scythe by a mysterious hooded figure. The police manage to identify several suspects, but due to the lack of evidence they fail to make an arrest. Years later an anonymous tip-off sparks the interest of DCI Hannah Scarlett, who heads the local Cold Case Review Team. Scarlett's investigations lead her to suspect Howe's widow, Tina. Meanwhile, someone is sending vicious poison pen letters to Tina and her two children. With the help of a historian, and his information on the goings on in his unusual garden, Inspector Scarlett delves deeper and deeper in her quest for the truth, discovering old sins that are casting long shadows. The clues are eventually pieced together, leading to a shocking revelation that will change Hannah's life forever.

Today in the Taxi Sean Singer, 2022-12-28 From the passenger seat of Sean Singer's taxicab, we witness New York's streets livid and languid with story and contemplation that give us awareness and aliveness with each trip across the asphalt and pavement. Laced within each fare is an illumination of humanity's intimate music, of the poet's inner journey—a signaling at each crossroad of our frailty and effervescence. This is a guidebook toward a soundscape of higher meaning, with the gridded Manhattan streets as a scoring field. Jump in the back and dig the silence between the notes that count the most in each unique moment this poet brings to the page. “Sean Singer's radiant and challenging body of work involves, much like Whitman's, nothing less than the ongoing interrogation of what a poem is. In this way his books are startlingly alive... I love in this work the sense that I am the grateful recipient of Singer's jazzy curation as I move from page to page. *Today in the Taxi* is threaded through with quotes from Kafka, facts about jazz musicians, musings from various thinkers, from a Cathar fragment to Martin Buber to Arthur Eddington to an anonymous comedian. The taxi is at once a real taxi and the microcosm of a world—at times the speaker seems almost like Charon ferrying his passengers, as the nameless from all walks and stages of life step in and out his taxi. I am reminded of Calvino's *Invisible Cities*, of Sebald's *The Rings of Saturn*... *Today in the Taxi* is intricate, plain, suggestive, deeply respectful of the reader, and utterly absorbing. Like *Honey and Smoke* before it, which was one of the best poetry books of the last decade, this is work of the highest order.” —Laurie Sheck

Frost: Poems Robert Frost, 1997-06-24 From one of the most brilliant and widely read of all American poets, a generous selection of lyrics, dramatic monologues, and narrative poems. Robert Frost's poetry, steeped in the wayward and isolated

beauty of his native New England, has delighted generations of readers. This beautiful small hardcover selection contains many of his most classic poems, including Mending Wall, Birches, and The Road Not Taken, as well as poems less famous but equally great. Everyman's Library pursues the highest production standards, printing on acid-free cream-colored paper, with full-cloth cases with two-color foil stamping, decorative endpapers, silk ribbon markers, European-style half-round spines, and a jewel-toned jacket.
