**Technical Blogging** Antonio Cangiano, 2019-06-21 Successful technical blogging is not easy but it's also not magic. Use these techniques to attract and keep an audience of loyal, regular readers. Leverage this popularity to reach your goals and amplify your influence in your field. Get more more users for your startup or open source project, or simply find an outlet to share your expertise. This book is your blueprint, with step-by-step instructions that leave no stone unturned. Plan, create, maintain, and promote a successful blog that will have remarkable effects on your career or business. Successful people often get recognition by teaching what they know. Blogging is a reliable path to do that, while gaining influence in the process. The problem is getting it right. Far too often professionals start a blog with big hopes, only to quickly give up because they don't get speedy results. This book will spare you that fate, by outlining a careful plan of action. A plan that will bring amazing benefits to your career, new job possibilities, as well as publishing, speaking, and consulting opportunities. And if you are blogging for business, you'll attract new customers, partners, and outstanding employees. Understand what blogging is and how it can improve your professional (and personal) life. Devise a plan for your new or existing blog. Create remarkable content that ranks well in Google and is shared by readers. Beat procrastination by employing proven time-management techniques that make you an efficient and effective blogger. Promote your blog by mastering on-page and off-page SEO, as well as social media promotion, without compromising your ethics. Analyze your traffic to understand your audience and measure growth. Build a community around your blog and make the best of your newfound popularity, by maximizing its benefits for your career, business, or simply for extra income. Create and maintain a successful technical blog that will amplify your impact, influence, and reach by following Antonio's step-by-step plan.

NAMED A MOST ANTICIPATED BOOK BY New York Times • Time • Marie Claire • Elle • BuzzFeed • Huffington Post • Good Housekeeping • The Week • Goodreads • New York Post • and many more! “Powerful . . . A twisting tale of love, loss, and dark family secrets.” — Paula Hawkins, #1 New York Times bestselling author of *The Girl on the Train* and *Into the Water* A poignant and suspenseful drama that untangles the complicated ties binding three women—two sisters and their mother—in one Chinese immigrant family and explores what happens when the eldest daughter disappears, and a series of family secrets emerge, from the New York Times bestselling author of *Girl in Translation* It begins with a mystery. Sylvie, the beautiful, brilliant, successful older daughter of the Lee family, flies to the Netherlands for one final visit with her dying grandmother—and then vanishes. Amy, the sheltered baby of the Lee family, is too young to remember a time when her parents were newly immigrated and too poor to keep Sylvie. Seven years older, Sylvie was raised by a distant relative in a faraway, foreign place, and didn’t rejoin her family in America until age nine. Timid and shy, Amy has always looked up to her sister, the fierce and fearless protector who showered her with unconditional love. But what happened to Sylvie? Amy and her parents are distraught and desperate for answers. Sylvie has always looked out for them. Now, it’s Amy’s turn to help. Terrified yet determined, Amy retraces her sister’s movements, flying to the last place Sylvie was seen. But instead of simple answers, she discovers something much more valuable: the truth. Sylvie, the golden girl, kept painful secrets . . . secrets that will reveal more about Amy’s complicated family—and herself—than she ever could have imagined. A deeply moving story of family, secrets, identity, and longing, *Searching for Sylvie Lee* is both a gripping page-turner and a sensitive portrait of an immigrant family. Tuesdays with Morrie Mitch Albom, 2007-06-29 #1 NEW YORK TIMES BESTSELLER • A special 25th anniversary edition of the beloved book that has changed millions of lives with the story of an unforgettable friendship, the timeless wisdom of older generations, and healing lessons on loss and grief—featuring a new afterword by the author “A wonderful book, a story of the heart told by a writer with soul.”—Los Angeles Times “The most important thing in life is to learn how to give out love, and to let it come in.” Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was his college professor Morrie Schwartz. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn’t you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man’s life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final “class”: lessons in how to live. “The truth is, Mitch,” he said, “once you learn how to die, you learn how to live.” Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie’s lasting gift with the world.
