Dead Feminists Chandler O'Leary, Jessica Spring, 2016-10-11 A national bestseller, this lushly illustrated book is an inclusive celebration of inspiring women who transformed the world and created social change. Dead Feminists is a gorgeously illustrated letterpress-inspired book showcasing feminist history with a vision for a better future. The Land Gardeners Bridget Elworthy, Henrietta Courtauld, 2023-02-07 From enriching the soil to creating floral arrangements, *The Land Gardeners* explores all aspects of creating a productive cut-flower garden. When Bridget Elworthy and Henrietta Courtauld established their firm Land Gardeners, which specializes in cut flowers, they revived the tradition of working with the land to produce abundant, seasonal flowers for use in decoration, design, and events. Yet, as beautiful and idyllic as their designs are, soil health and productivity are their main concerns. Beginning with their philosophy and origins as gardeners, *The Land Gardeners* provides vital information on everything you need to create your own cut-flower garden, from necessary tools and how to support health to what plants flourish in which seasons and advice on gathering, preparing, and arranging your blooms. In this gorgeous volume, the authors provide a plan for growing flowers in all four seasons. **The Camping Trip** Jennifer K. Mann, 2020-04-14 Ernestine has never been camping before, but she's sure it will be lots of fun . . . won't it? An endearing story about a girl's first experience with the great outdoors. My aunt Jackie invited me to go camping with her and my cousin Samantha this weekend. I've never been camping before, but I know I will love it. Ernestine is beyond excited to go camping. She follows the packing list carefully (new sleeping bag! new flashlight! special trail mix made with Dad!) so she knows she is ready when the weekend arrives. But she quickly realizes that nothing could have prepared her for how hard it is to set up a tent, never mind fall asleep in it, or that swimming in a lake means that there will

be fish — eep! Will Ernestine be able to enjoy the wilderness, or will it prove to be a bit too far out of her comfort zone? In an energetic illustrated story about a first sleepover under the stars, acclaimed author-illustrator Jennifer K. Mann reminds us that opening your mind to new experiences, no matter how challenging, can lead to great memories (and a newfound taste for s'mores).

**The Tulip Anthology** Ron van Dongen, 2010-08-01 No flower incites passion and fervour quite like the tulip. Revered, cultivated and coveted for more than a thousand years, the tulip is at once historically significant and disarmingly modern.

THE TULIP ANTHOLOGY brings its history and enduring power into sharp focus, marrying celebrated photographer Ron van Dongen's exquisite contemporary studies of the Tulipa genus with the words and artworks it has inspired over the last millennium. From eleventh-century poetry, through the Dutch Masters of the early sixteen hundreds, to twenty-first century photographs, it demonstrates our entanglement with a flower that has the capacity to enchant, inspire and even lead men to their ruin.

*The Jewel Garden* Monty Don, Sarah Don, Monty Don & Sarah Don, 2012-03-01 'TRULY INSPIRING' Mail on Sunday Now familiar to millions of Gardeners' World fans as Longmeadow (the home of Nigel & Nellie), this is the story of Monty & Sarah Don's early days there. THE JEWEL GARDEN is the story of the garden that bloomed from the muddy fields around the Dons' Tudor farmhouse, a perfect metaphor for the Monty and Sarah's own rise from the ashes of a spectacular commercial failure in the late '80s. At the same time THE JEWEL GARDEN is the story of a creative partnership that has weathered the greatest storm, and a testament to the healing powers of the soil. Monty Don has always been candid about the garden's role in helping him to pull back from the abyss of depression; THE JEWEL GARDEN elaborates on this much further. Written in an optimistic, autobiographical vein, Monty and Sarah's story is truly an exploration of what it means to be a gardener.

**Flowers** Carolyne Roehm,2012-11-06 It has been more than a decade since Carolyne Roehm first shared her love of gardening and flower arranging. Now, for the first time ever, she turns her own photographic lens to that passion with *Flowers*, showcasing more than 300 images of the varieties in her abundant gardens, all captured at their most vibrant and exquisite moments throughout the season. With a gardener's intimate understanding and a designer's elegant eye, Roehm shows us the flowers she has cultivated for decades in and around Weatherstone, her historic Connecticut home. While alternating dramatic close-ups with portraits of lovely arrangements and sweeping views of her land, Roehm writes with wit, emotion, and affection of what flowers have meant to her, as well as of the joys and travails of the committed gardener's life. What began as a casual hobby ultimately became a multi-year endeavor, as Roehm used her camera to explore the special relationship a gardener enjoys with her carefully nurtured beauties. The outcome is a remarkably personal visual essay: sumptuous, surprising, and as revealing of the sensibility behind the camera as the magnificent species that stand before it. This beautiful objet d'art—a flower garden in a book—is Carolyne Roehm's most significant and singular volume yet.

**Tulips & Chimneys** E.E. Cummings,2019-01-16 Edward Estlin Cummings (1894-1962), a native of Cambridge, Massachusetts, and a Harvard University graduate, is best known for his rejection of traditional poetic forms. As e. e. cummings, he conducted radical experiments with spelling, syntax, and punctuation that inspired a revolution in twentieth-century literary expression and excited the admiration and affection of poetry lovers of all ages. With his 1923 debut, *Tulips & Chimneys*, the 25-year-old poet rattled the conservative literary scene, directing his avant-garde approach to the traditional subjects of love, life, time, and beauty. His playful treatment of punctuation and language adds enduring zest to such popular and oft-anthologized poems as *All in green went my love riding*, *in Just-*, *Tumbling-hair*, *O sweet spontaneous*, *Buffalo Bill's*, and *the Cambridge ladies who live in furnished souls*. This edition presents complete and textually accurate editions of Cummings's work, in keeping with the original manuscripts and the poet's intentions.
