The Word Exchange Alena Graedon, 2014-04-08 A dystopian novel for the digital age, *The Word Exchange* offers an inventive, suspenseful, and decidedly original vision of the dangers of technology and of the enduring power of the printed word. In the not-so-distant future, the forecasted “death of print” has become a reality. Bookstores, libraries, newspapers, and magazines are things of the past, and we spend our time glued to handheld devices called Memes that not only keep us in constant communication but also have become so intuitive that they hail us cabs before we leave our offices, order takeout at the first growl of a hungry stomach, and even create and sell language itself in a marketplace called the Word Exchange. Anana Johnson works with her father, Doug, at the North American Dictionary of the English Language (NADEL), where Doug is hard at work on the last edition that will ever be printed. Doug is a staunchly anti-Meme, anti-tech intellectual who fondly remembers the days when people used email (everything now is text or videoconference) to communicate—or even actually spoke to one another, for that matter. One evening, Doug disappears from the NADEL offices, leaving a single written clue: ALICE. It’s a code word he devised to signal if he ever fell into harm’s way. And thus begins Anana’s journey down the proverbial rabbit hole . . . Joined by Bart, her bookish NADEL colleague, Anana’s search for Doug will take her into dark basements and subterranean passageways; the stacks and reading rooms of the Mercantile Library; and secret meetings of the underground resistance, the Diachronic Society. As Anana penetrates the mystery of her father’s disappearance and a pandemic of decaying language called “word flu” spreads, *The Word Exchange* becomes a cautionary tale that is at once a technological thriller and a meditation on the high cultural costs of digital technology.

Substantial Classrooms Jill VIALET, Amanda von Moos, 2021-04-13 Transform Your School’s Substitute Teaching Experience Just like everything else, substitute teaching is about to undergo a big change. In *Substantial Classrooms: Redesigning the Substitute Teaching Experience*, authors Jill VIALET and Amanda von Moos usher in a new era of innovation in substitute teaching. Threaded with concrete and actionable ways to improve the experience of substitute teaching for administrators, students, and the teachers themselves, *Substantial Classrooms* is a leading voice for innovation and renewal in substitute teaching. Instead of viewing substitute teachers as a placeholder in an educator’s absence, this book encourages readers to view substitute teachers as vital resources that diversify the typical classroom learning experience. While other books look only at making a bad situation bearable, this book re-examines substitute teaching with an eye

towards reinventing it as a unique and valuable part of students' educational experience. Key themes of *Substantial Classrooms* include: How substitute teaching works today Applying human-centered design to create change in legacy systems like substitute teaching Concrete and inspiring examples of different models for substitute teaching, for example, reimagining it as paid fieldwork for aspiring teachers. In addition to these key themes, every chapter includes stories and techniques from dynamic and innovative educational practitioners. This must-have guide to substitute teaching can improve schools everywhere and revolutionize the way educators, school and district leaders, colleges, and community partners view the experience of substitute teaching as a lever to positively impact schools.

Eastman Was Here Alex Gilvarry, 2017-08-22 "Absorbing...Eastman is a riveting...presence who demands to be loved and remembered." —The Boston Globe An ambitious new novel set in the literary world of 1970s New York, following a washed-up writer in an errant quest to pick up the pieces of his life. One of Esquire's Best books of 2017 (So Far), The Millions' Most Anticipated Books of the Second Half of 2017, and BuzzFeed's Exciting New Books You Need To Read This Summer The year is 1973, and Alan Eastman, a public intellectual, accidental cultural critic, washed-up war journalist, husband, and philanderer; finds himself alone on the floor of his study in an existential crisis. His wife has taken their kids and left him to live with her mother in New Jersey, and his best work feels as though it is years behind him. In the depths of despair, he receives an unexpected and unwelcome phone call from his old rival dating back to his days on the Harvard literary journal, offering him the chance to go to Vietnam to write the definitive account of the end of America's longest war. Seeing his opportunity to regain his wife's love and admiration while reclaiming his former literary glory, he sets out for Vietnam. But instead of the return to form as a pioneering war correspondent that he had hoped for, he finds himself in Saigon, grappling with the same problems he thought he'd left back in New York. Following his widely acclaimed debut, *From the Memoirs of a Non-Enemy Combatant*, Alex Gilvarry employs the same thoughtful, yet dark sense of humor in *Eastman Was Here* to capture one irredeemable man's search for meaning in the face of advancing age, fading love, and a rapidly-changing world. "With his second book, Gilvarry establishes himself as a writer who defies expectation, convention and categorization. *Eastman Was Here* is a dark, riotously funny and audacious exploration of the sacred and the profane—and pretty much everything in between." —Téa Obreht, New York Times bestselling author of *The Tiger's Wife*

New Jersey Fan Club Kerri Sullivan, 2022-06-17 New Jersey Fan Club is an eclectic anthology featuring personal essays, interviews, photographs, and comics from a diverse group of writers and artists. An exploration of how the same locale can shape people in different ways, it will inspire readers to look at the Garden State with fresh eyes.

Murder For Two Kellen Blair, Joe Kinosian, 2019-10 Officer Marcus Moskowicz is a small town policeman with dreams of making it to detective. One fateful night, shots ring out at the surprise birthday party of Great American Novelist Arthur Whitney and the writer is killed...fatally. With the nearest detective an hour away, Marcus jumps at the chance to prove his

sleuthing skills—with the help of his silent partner, Lou. But whodunit? Did Dahlia Whitney, Arthur's scene-stealing wife, give him a big finish? Is Barrette Lewis, the prima ballerina, the prime suspect? Did Dr. Griff, the overly-friendly psychiatrist, make a frenemy? Marcus has only a short amount of time to find the killer and make his name before the real detective arrives... and the ice cream melts!

From the Memoirs of a Non-Enemy Combatant Alex Gilvarry, 2012-01-05 The critically acclaimed debut from Alex Gilvarry, a darkly comic love letter to New York, told through the eyes of Boy Hernandez: Filipino immigrant, glamour junkie, Guantánamo detainee. Alex Gilvarry's widely acclaimed first novel is the story of designer Boy Hernandez: Filipino immigrant, New York glamour junkie, Guantánamo detainee. Locked away indefinitely and accused of being linked to a terrorist plot, Boy prepares for the tribunal of his life with this intimate confession, a dazzling swirl of soirees, runways, and hipster romance that charts one small man's undying love for New York City and his pursuit of the big American dream—even as the present nightmare of detainment chisels away at his vital wit andchutzpah. A New York Times Editor's Choice, *From the Memoirs of a Non-Enemy Combatant* unveils two of America's most illusory realms—high fashion and Homeland Security—in a funny, wise, and beguiling, and Kafkaesque tale for our strange times.

Free Food for Millionaires Min Jin Lee, 2007-07-02 In this mesmerizing novel from the New York Times bestselling author of *Pachinko*, the Korean-American daughter of first-generation immigrants strives to join Manhattan's inner circle (USA Today). Meet Casey Han: a strong-willed, Queens-bred daughter of Korean immigrants immersed in a glamorous Manhattan lifestyle she can't afford. Casey is eager to make it on her own, away from the judgements of her parents' tight-knit community, but she soon finds that her Princeton economics degree isn't enough to rid her of ever-growing credit card debt and a toxic boyfriend. When a chance encounter with an old friend lands her a new opportunity, she's determined to carve a space for herself in a glittering world of privilege, power, and wealth—but at what cost? Set in a city where millionaires scramble for the free lunches the poor are too proud to accept, this sharp-eyed epic of love, greed, and ambition is a compelling portrait of intergenerational strife, immigrant struggle, and social and economic mobility. Addictively readable, Min Jin Lee's bestselling debut *Free Food for Millionaires* exposes the intricate layers of a community clinging to its old ways in a city packed with haves and have-nots. Includes a Reading Group Guide.

Nature Is Nurture Megan E. Delaney, 2020 Humans have long interacted with the nature world, from foraging and hunting for food to more recently, finding solace and peace in a beautiful vista. Our connection to nature runs deep in our DNA, yet our modern world has humans indoors almost 93% of the day. There is growing evidence that being in nature provides a healing elixir for physical and mental ailments. In fact, some physicians are prescribing nature for relief of patient's ailments. Ecotherapy, a growing but lesser known construct in mental health, describes the reciprocal relationship humans have with nature and the capacity of that relationship to build strength and provide healing. This book provides an

overview of the theoretical constructs of Ecotherapy highlighting historical considerations and recent research within the discipline. Perspectives, examples and reflections are provided through the author's own experience as a former wilderness therapist and current Ecotherapist and counselor educator. Chapters include practical ways to incorporate Ecotherapy with children and adults, within schools settings, in group work and with veteran populations. Descriptions of other Ecotherapy modalities are also included, such as animal-assisted, equine-assisted, horticultural, forest bathing, green exercise and adventure based therapy. There is chapter devoted to designing an Ecotherapy course within a counseling program and finally, a chapter describing ways that a therapist can become an Ecotherapist. Case examples, techniques and practical and ethical considerations are provided throughout. To bring the content to life, several contributors offer stories, reflections and experiences with nature are a partner in the therapeutic relationship--

The American Revolution in Monmouth County Michael S. Adelberg, 2010-11-26 Like much of New Jersey during the American Revolution, Monmouth County was contested territory in between the great armies. As the Battles of Trenton, Princeton and Bound Brook raged nearby, the people of Monmouth County fought their own internal revolution; Loyalist partisans led insurrections and raids that laid waste to entire neighborhoods. In 1778, General George Washington rallied his Continental army and fought the British within Monmouth's borders, barely holding the field. Monmouth Countians joined the fight and then spent the following weeks caring for the wounded and burying the dead. The remaining war years brought more hardships, as they grappled with a local civil war charged with racial, religious and economic undercurrents--a local civil war that continued long after the Battle of Yorktown supposedly ended hostilities. Revolutionary War scholar Michael S. Adelberg brings to life the struggles within Monmouth County, a place that New Jersey governor William Livingston called the theatre of spoil and destruction.

In the Time of the Butterflies Julia Alvarez, 2010-01-12 Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez's *In the Time of the Butterflies* is beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary heroes who had opposed and fought against Trujillo. (Concepción de León, New York Times) Alvarez's new novel, *The Cemetery of Untold Stories*, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows of *Las Mariposas*—the Butterflies. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in

this novel of courage and love, and the human costs of political oppression. Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* winning praise from critics and gracing best-seller lists across the Americas.—Francisco Cantú, *The New York Times Book Review* This Julia Alvarez classic is a must-read for anyone of Latinx descent. —Popsugar.com A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion. —People Shimmering . . . Valuable and necessary. —Los Angeles Times A magnificent treasure for all cultures and all time.” —St. Petersburg Times Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed.—Cosmopolitan.com

Immigrant Model Mihaela Moscaliuc, 2015-01-19 The poems in *Immigrant Model* explore issues of individual and communal identity in the face of conflict, conflicting truths or histories, and uprootedness. They explore the notion of homeland as it relates to one's roots, adopted space, psychological terrain, gendered body. If the book reads as a collage of voices or shards rather than as a book with an identifiable arc, it's because that's the only way the poet has managed to answer, so far, the question, What is it like to be of this world and this world and this world, while also of the elsewhere skirting these worlds?

The Witch's Child Susan Van Kirk, 2021-10-15 Retired teacher Grace Kimball is elated when former student Fiona Mackenzie returns to Endurance to make burial plans for her recently deceased mother, Sybil Mackenzie. But this will be no ordinary funeral because Fiona's mother—a self-proclaimed witch—died in prison following a sensational Endurance murder trial ten years earlier. Detective TJ Sweeney doesn't need witchcraft or visions to know Sybil Mackenzie's presence—dead or alive—will rekindle anger in the residents of the small town. When the judge from Sybil's trial is poisoned, the evidence points toward Fiona, the witch's child. Who else has a garden full of poisonous plants? Who else lost her mother to ten years in prison? Who knows the kind of dark magic the witch's child can create? Her mother put a curse on all involved in her trial. Has Fiona returned to get revenge? TJ finds other suspects ripe with motives to murder. Add vicious whispers and malicious rumors in the local coffee shops, pushy reporters looking for a story, and clashing opinions on social media. The town of Endurance is like a tinderbox just waiting for someone to light a match. Can Grace and TJ find the judge's killer before that match is struck?

New Jersey Noir Jonathan Safran Foer, Bradford Morrow, Bill Pronzini, Robert Pinsky, Edmund White, S. J. Rozan, 2011-11-01 Discover the darker side of the Garden State with this anthology of gritty mystery stories. Akashic Books continues its award-winning series of original noir anthologies, launched in 2004 with *Brooklyn Noir*. Each volume is comprised of all-new stories, each one set in a distinct location within the geographical area of the book. In *New Jersey Noir*, a star-studded cast of authors sifts through the hidden dirt of the Garden State. Featuring brand-new stories (and a few

poems) by Joyce Carol Oates, Jonathan Safran Foer, Robert Pinsky, Edmund White & Michael Carroll, Richard Burgin, Pulitzer Prize-winner Paul Muldoon, Sheila Kohler, C.K. Williams, Gerald Stern, Lou Manfredo, S.A. Solomon, Bradford Morrow, Jonathan Santlofer, Jeffrey Ford, S.J. Rozan, Barry N. Malzberg & Bill Pronzini, Hirsh Sawhney, and Robert Arellano. Praise for New Jersey Noir "Oates's introduction to Akashic's noir volume dedicated to the Garden State, with its evocative definition of the genre, is alone worth the price of the book . . . Highlights include Lou Manfredo's "Soul Anatomy," in which a politically connected rookie cop is involved in a fatal shooting in Camden; S.J. Rozan's "New Day Newark," in which an elderly woman takes a stand against two drug-dealing gangs; and Jonathan Santlofer's "Lola," in which a struggling Hoboken artist finds his muse Poems by C.K. Williams, Paul Muldoon, and others—plus photos by Gerald Slota—enhance this distinguished entry." —Publishers Weekly "It was inevitable that this fine noir series would reach New Jersey. It took longer than some readers might have wanted, but, oh boy, was it worth the wait . . . More than most of the entries in the series, this volume is about mood and atmosphere more than it is about plot and character . . . It should go without saying that regular readers of the noir series will seek this one out, but beyond that, the book also serves as a very good introduction to what is a popular but often misunderstood term and style of writing." —Booklist, Starred Review "A lovingly collected assortment of tales and poems that range from the disturbing to the darkly humorous." —Shelf Awareness

The Fall of Arthur John Ronald Reuel Tolkien, 2013 Presents the legend of King Arthur in an epic, but unfinished, poem written in Old English alliterative meter.

King Claude the Talking Dog Donna Saccone Pinamonti, 2020-06-29 Introducing King Claude, an adorable, friendly shih tzu puppy. Join King Claude as he meets his new family and learns many tricks, including how to talk and tell his family I love you! Children will love King Claude too as he grows and is encouraged to keep on trying. Look for more stories about King Claude's real-life adventures!

The Humane Gardener Nancy Lawson, 2017-04-18 In this eloquent plea for compassion and respect for all species, journalist and gardener Nancy Lawson describes why and how to welcome wildlife to our backyards. Through engaging anecdotes and inspired advice, profiles of home gardeners throughout the country, and interviews with scientists and horticulturalists, Lawson applies the broader lessons of ecology to our own outdoor spaces. Detailed chapters address planting for wildlife by choosing native species; providing habitats that shelter baby animals, as well as birds, bees, and butterflies; creating safe zones in the garden; cohabiting with creatures often regarded as pests; letting nature be your garden designer; and encouraging natural processes and evolution in the garden. *The Humane Gardener* fills a unique niche in describing simple principles for both attracting wildlife and peacefully resolving conflicts with all the creatures that share our world.

The Blue Frog Kiersten Hall, 2020-09-30 A classic 'whodunit' for children starring The Blue Frog! Taken from the

creative wisdom of the author's mom, this elusive amphibian creates mystery with its hijinks. The Blue Frog will be hopping into households this September!

Superstorm Sandy Diane C. Bates, 2016-01-18 Sandy was the costliest hurricane in U.S. history after Katrina, but the waters had barely receded from the Jersey coast when massive efforts began to “Restore the Shore.” Why do people build in areas open to repeated natural disasters? And why do they return to these areas in the wake of major devastation? Drawing on a variety of insights from environmental sociology, Superstorm Sandy answers these questions as it looks at both the unique character of the Jersey Shore and the more universal ways that humans relate to their environment. Diane C. Bates offers a wide-ranging look at the Jersey Shore both before and after Sandy, examining the many factors—such as cultural attachment, tourism revenues, and governmental regulation—that combined to create a highly vulnerable coastal region. She explains why the Shore is so important to New Jerseyans, acting as a key cultural touchstone in a state that lacks a central city or even a sports team to build a shared identity among the state’s residents. She analyzes post-Sandy narratives about the Jersey Shore that trumpeted the dominance of human ingenuity over nature (such as the state’s “Stronger than the Storm” advertising campaign) or proclaimed a therapeutic community (“Jersey Strong”)—narratives rooted in emotion and iconography, waylaying any thought of the near-certainty of future storms. The book also examines local business owners, politicians, real estate developers, and residents who have vested interests in the region, explaining why the Shore was developed intensively prior to Sandy, and why restoration became an imperative in the post-storm period. Engagingly written and insightful, Superstorm Sandy highlights the elements that compounded the disaster on the Shore, providing a framework for understanding such catastrophes and preventing them in the future.

Activating Democracy Sheryl Oring, 2016-09-02 Driven by a powerful belief in the value of free expression, Sheryl Oring has for more than a decade been helping people across the United States voice concerns about public affairs through her 'I Wish to Say' project. This book uses that project as the starting point for an exploration of a series of issues of public interest being addressed by artists today. It features essays by contributors ranging from art historians and practicing artists to scholars and creators working in literature, political science and architecture. All the contributors offer a different approach, but they share a primary goal of sparking a dialogue not just among makers of art, but among viewers, readers and the concerned public at large. The resulting volume will be an essential resource for politically engaged contemporary artists searching for innovative, cross-disciplinary ways of making and sharing art.
