Suburban Dicks Fabian Nicieza, 2021-06-22 *A finalist for the Edgar Award for Best First Novel* *A finalist for the Shamus Award for Best First P.I. Novel* From the cocreator of Deadpool comes a highly entertaining debut featuring two unlikely and unforgettable amateur sleuths. An engrossing murder mystery full of skewering social commentary, Suburban Dicks examines the racial tensions exposed in a New Jersey suburb after the murder of a gas station attendant. Andie Stern thought she'd solved her final homicide. Once a budding FBI profiler, she gave up her career to raise her four (soon to be five) children in West Windsor, New Jersey. But one day, between soccer games, recitals, and trips to the local pool, a very pregnant Andie pulls into a gas station--and stumbles across a murder scene. An attendant has been killed, and the local cops are in over their heads. Suddenly, Andie is obsessed with the case, and back on the trail of a killer, this time with kids in tow. She soon crosses paths with disgraced local journalist Kenneth Lee, who also has everything to prove in solving the case. A string of unusual occurrences--and, eventually, body parts--surface around town, and Andie and Kenneth uncover simmering racial tensions and a decades-old conspiracy. Hilarious, insightful, and a killer whodunit, Suburban Dicks is the one-of-a-kind mystery that readers will not be able to stop talking about.

You Can't Be Serious Kal Penn, 2022-08-09 Kal Penn's unlikely career arc has taken him from nerdy American kid from an immigrant family in the New York suburb of Montclair, New Jersey, to world-famous actor, to White House staffer under President Obama, and back to actor again. Now, in You Can't Be Serious, he reflects on the most ridiculous, offensive, and rewarding moments that have stood out during his journey. With intelligence, humor, and charm on every page, Penn explores what it means to be the embodiment of the American Dream, as the child of immigrant parents who came to this country with very little, and who never expected to see their son get his big break by sliding off an oiled-up naked woman in a raunchy Ryan Reynolds movie. He also pulls back the curtain on racism in Hollywood and the constant reminders that he would never fit in. And of course, he reveals how, after twenty-five years fighting for success in Hollywood, he made the terrifying but rewarding decision to walk away from it all for a career in politics. Above all, You Can't Be Serious shows that everyone can have more than one life story. Penn bravely demonstrates by example that no matter who you are and where you come from, you have many more choices than those presented to you. It's a story about struggle, triumph, and learning how to keep your head up. And okay, yes, it's also about whether Kal really smoked weed in the White House with the former

First Lady--because let's be honest, that's what you really want to know--

Dilla Time Dan Charnas, 2022-02-01 WINNER OF THE PEN/JACQUELINE BOGRAD WELD AWARD FOR BIOGRAPHY A NEW YORK TIMES BEST SELLER This book is a must for everyone interested in illuminating the idea of unexplainable genius." —QUESTLOVE Equal parts biography, musicology, and cultural history, *Dilla Time* chronicles the life and legacy of J Dilla, a musical genius who transformed the sound of popular music for the twenty-first century. He wasn't known to mainstream audiences, even though he worked with renowned acts like D'Angelo and Erykah Badu and influenced the music of superstars like Michael Jackson and Janet Jackson. He died at the age of thirty-two, and in his lifetime he never had a pop hit. Yet since his death, J Dilla has become a demigod: revered by jazz musicians and rap icons from Robert Glasper to Kendrick Lamar; memorialized in symphonies and taught at universities. And at the core of this adulation is innovation: a new kind of musical time-feel that he created on a drum machine, but one that changed the way "traditional" musicians play. In *Dilla Time*, Dan Charnas chronicles the life of James DeWitt Yancey, from his gifted childhood in Detroit, to his rise as a Grammy-nominated hip-hop producer, to the rare blood disease that caused his premature death; and follows the people who kept him and his ideas alive. He also rewinds the histories of American rhythms: from the birth of soul in Dilla's own "Motown," to funk, techno, and disco. Here, music is a story of Black culture in America and of what happens when human and machine times are synthesized into something new. *Dilla Time* is a different kind of book about music, a visual experience with graphics that build those concepts step by step for fans and novices alike, teaching us to "see" and feel rhythm in a unique and enjoyable way. Dilla's beats, startling some people with their seeming "sloppiness," were actually the work of a perfectionist almost spiritually devoted to his music. This is the story of the man and his machines, his family, friends, partners, and celebrity collaborators. Culled from more than 150 interviews about one of the most important and influential musical figures of the past hundred years, *Dilla Time* is a book as delightfully detail-oriented and unique as J Dilla's music itself.

Outrage Volume 1 Fabian Nicieza, 2022-11-29 From Fabian Nicieza, the co-creator of Deadpool, and Reilly Brown, artist of the smash hit Batman/Fortnite comes OUTRAGE! How many times have you wanted to reach through the Internet and strangle someone? Or, at the least, give `em a swift kick in the nuts? Yeah, everyone feels the same way. But... what if you could? Anonymously. Quickly. Violently. Would you...? In a future only five minutes away... Outrage is the story of a mysterious individual who can navigate the Internet and physically manifest at the source of the vile bile that spews throughout social media. Along with an array of weaponry limited only by his imagination, Outrage can exact swift, merciless justice on anyone who triggers, humiliates, mortifies, stalks, hawks, balks or otherwise abuses someone on the Internet. And also, anyone who doesn't know the difference between their, there and they're. But more importantly, Outrage is the story of trying to fight the anger inside the human soul. Who is Outrage? A virus is attacking people who abuse others on the

internet. Comedic ass-kickings are occurring across the country by a sentient electronic entity that appears through the personal devices of bullies and babies alike. Who or what is OUTRAGE?

The Sleepover Michael Regina,2021-11-09 Perfect for fans of Stranger Things, this middle grade graphic novel follows a group of kids trying to cheer up their friend after a recent loss with a fun-filled sleepover, but their plans soon take a dark turn when they discover his new nanny may literally be a monster. When the Russo family returns home from vacation to discover their nanny, Ruby, has unexpectedly passed away, Matthew takes the news the hardest. After weeks of reeling, his three best friends decide to cheer him up with a night of junk food, prank calls, and scary movies. But their plans for a sleepover are jeopardized when Matt's single mother—unable to take any more time off of work—is forced to hire a new nanny on the fly to watch over Matt and his younger sister, Judy. Miss Swan, however, is all too happy to have the boys over. And although she seems like the perfect babysitter, letting the kids eat whatever they want and mostly leaving them alone, there's something about her that Matt doesn't trust. He thinks she may actually be the witch from local legend—the one who torments children into the night and then eats them. Is he just having a hard time dealing with Ruby's replacement, as his friends suspect? Has he watched one too many scary movies, as his mom fears? Or are he and his horror-buff friends in for the fright of their lives as they come face-to-face with a real monster?

Wonder Woman: Evolution (2021-) #4 Stephanie Nicole Phillips,2022-02-15 Wrenched away from Earth and marooned on an alien world, Wonder Woman must stand trial as Earth's proxy as alien gods determine if humankind even deserves to exist. Diana believes she's the equal to any challenge placed in front of her, but even she is not ready to take on the entire Justice League in a battle with no quarter asked and none given! Wonder Woman goes cosmic with writer Stephanie Phillips (Harley Quinn) and artist Mike Hawthorne (Deadpool, Daredevil).

Wolfie the Bunny Ame Dyckman,2015-02-17 Families of all kinds will delight in this sweet tale of new babies, sibling rivalry, bravery, unconditional love...and veggies! The Bunny family has adopted a wolf son, and daughter Dot is the only one who realizes Wolfie can--and might--eat them all up! Dot tries to get through to her parents, but they are too smitten to listen. A new brother takes getting used to, and when (in a twist of fate) it's Wolfie who's threatened, can Dot save the day?

Hide and Don't Seek Anica Mrose Rissi,2021-08-03 A contemporary collection of original short stories by Anica Mrose Rissi that is sure to elicit chills, laughs, and screams, even from the most devoted fans of Scary Stories to Tell in the Dark! A game of hide-and-seek goes on far too long... A look-alike doll makes itself right at home... A school talent-show act leaves the audience aghast... And a summer at camp takes a turn for the braaaains... This collection of all-new spooky stories is sure to keep readers up past their bedtimes, looking over their shoulders to see what goes bump in the night. So if you're feeling brave, turn the page.

Twitter For Dummies Laura Fitton,Anum Hussain,Brittany Leaning,2014-12-31 A fully updated new edition of the fun and

easy guide to getting up and running on Twitter With more than half a billion registered users, Twitter continues to grow by leaps and bounds. Angela Davis Gerry Beegan, Donna Gustafson, Lisbet Tellefsen, 2020 Beginning in 1970 with her arrest in connection with a courtroom shootout, then moving through her trial and acquittal, the book traces Davis's life and work during the subsequent decades and her influential career as a public intellectual. Profusely illustrated with materials found in the archive, including press coverage, photographs, court sketches, videos, music, writings, correspondence, and Davis's political writings, the book also features interviews with Angela Davis and Lisbet Tellefsen, the archivist who collected those materials--

Good Bones Maggie Smith, 2020-07-15 Featuring "Good Bones"—called "Official Poem of 2016" by the BBC/Public Radio International. Maggie Smith writes out of the experience of motherhood, inspired by watching her own children read the world like a book they've just opened, knowing nothing of the characters or plot. These are poems that stare down darkness while cultivating and sustaining possibility, poems that have a sense of moral gravitas, personal urgency, and the ability to address a larger world. Maggie Smith's previous books are *The Well Speaks of Its Own Poison* (Tupelo, 2015), *Lamp of the Body* (Red Hen, 2005), and three prize-winning chapbooks: *Disasterology* (Dream Horse, 2016), *The List of Dangers* (Kent State, 2010), and *Nesting Dolls* (Pudding House, 2005). Her poem "Good Bones" has gone viral—tweeted and translated across the world, featured on the TV drama *Madam Secretary*, and called the "Official Poem of 2016" by the BBC/Public Radio International, earning news coverage in the *New York Times*, *Washington Post*, *Slate*, the *Guardian*, and beyond. Maggie Smith was named the 2016 Ohio Poet of the Year. "Smith's voice is clear and unmistakable as she unravels the universe, pulls at a loose thread and lets the whole thing tumble around us, sometimes beautiful, sometimes achingly hard. Truthful, tender, and unafraid of the dark..."—Ada Limón "As if lost in the soft, bewitching world of fairy tale, Maggie Smith conceives and brings forth this metaphysical Baedeker, a guidebook for mother and child to lead each other into a hopeful present. Smith's poems affirm the virtues of humanity: compassion, empathy, and the ability to comfort one another when darkness falls. 'There is a light,' she tells us, 'and the light is good.'"—D. A. Powell "Good Bones is an extraordinary book. Maggie Smith demonstrates what happens when an abundance of heart and intelligence meets the hands of a master craftsperson, reminding us again that the world, for a true poet, is blessedly inexhaustible."—Erin Belieu

Jersey City of To-day... Its History, People, Trades, Commerce, Institutions & Industries Walter Gregory] 1870-Ed [Muirheid,2022-10-27 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. unlock your storybook heart Amanda Lovelace,ladybookmad,2022-03-15 “life is not something that can be experienced on a deadline.” amanda lovelace, the bestselling & award-winning author of the “women are some kind of magic” poetry series, presents unlock your storybook heart, the third & final installment in her feminist poetry series, “you are your own fairy tale.” this is a collection about being so caught up in the fable that is perfectionism that you miss out on your own life. be honest: when was the last time you stopped to take in the everyday enchantment all around you?

When Langston Dances Kaija Langley,2021-09-07 Inspired by watching a performance of the Alvin Ailey Dance Company, a young black boy longs to dance and enrolls in ballet school.

Never Grow Up Jackie Chan,2019-09-10 “You’ll be hard-pressed to find a Hollywood memoir with this much blood and (broken) bone” (Entertainment Weekly) in this candid, thrilling autobiography from one of the most recognizable, influential, and beloved cinematic personalities in the world. Everyone knows Jackie Chan. Whether it’s from Rush Hour, Shanghai Noon, The Karate Kid, or Kung Fu Panda, Jackie is admired by generations of moviegoers for his acrobatic fighting style, comic timing, and mind-bending stunts. In 2016—after over fifty-five years in the industry, over 200 films, and many broken bones—he received an honorary Academy Award for his lifetime achievement in film. But Jackie is just getting started. Now, in *Never Grow Up*, the global superstar reflects on his early life, including his childhood years at the China Drama Academy (in which he was enrolled at the age of six), his big breaks (and setbacks) in Hong Kong and Hollywood, his numerous brushes with death (both on and off film sets), and his life as a husband and father (which has been, admittedly and regrettably, imperfect). In this “impossibly colorful memoir” (USA TODAY), Jackie applies the same spirit of openness to his “legendary life, with many fascinating stories waiting for you to discover” (Jet Li), proving time and time again why he’s beloved the world over: he’s honest, funny, kind, brave beyond reckoning and—after all this time—still young at heart.

Come from Away Genevieve Graham,2018-04-24 From the bestselling author of *Tides of Honour* and *Promises to Keep* comes a poignant novel about a young couple caught on opposite sides of the Second World War. In the fall of 1939, Grace Baker’s three brothers, sharp and proud in their uniforms, board Canadian ships headed for a faraway war. Grace stays behind, tending to the homefront and the general store that helps keep her small Nova Scotian community running. The war,

everyone says, will be over before it starts. But three years later, the fighting rages on and rumours swirl about “wolf packs” of German U-Boats lurking in the deep waters along the shores of East Jeddore, a stone’s throw from Grace’s window. As the harsh realities of war come closer to home, Grace buries herself in her work at the store. Then, one day, a handsome stranger ventures into the store. He claims to be a trapper come from away, and as Grace gets to know him, she becomes enamoured by his gentle smile and thoughtful ways. But after several weeks, she discovers that Rudi, her mysterious visitor, is not the lonely outsider he appears to be. He is someone else entirely—someone not to be trusted. When a shocking truth about her family forces Grace to question everything she has so strongly believed, she realizes that she and Rudi have more in common than she had thought. And if Grace is to have a chance at love, she must not only choose a side, but take a stand. *Come from Away* is a mesmerizing story of love, shifting allegiances, and second chances, set against the tumultuous years of the Second World War.

Olympians: Dionysos George O'Connor, 2022-03-08 In the final volume of the New York Times–bestselling *Olympians* graphic novel series, author/artist George O’Connor focuses on Dionysos, the god of wine and madness. The *Olympians* saga draws to a close with the tale of Dionysos, the last Olympian, and maybe, just maybe, the first of a new type of God. His story is told by the first Olympian herself, Hestia, Goddess of the hearth and home. From her seat in the center of Mt. Olympus, Hestia relates the rise of Dionysos, from his birth to a mortal mother, to his discovery of wine, his battles with madness and his conquering of death itself, culminating, finally, in his ascent to Olympus and Godhood.

Mouse Paint Ellen Stoll Walsh, 2006-03 One day three white mice discover three jars of paint—red, blue, and yellow. Both parents and children alike will appreciate this lighthearted presentation of a lesson in color. Walsh’s cut-paper collage illustrations have bold colors and just the right simplicity for the storyline. A real charmer that’s great fun as well as informative.--School Library Journal

In the Time of the Butterflies Julia Alvarez, 2010-01-12 Celebrating its 30th anniversary in 2024, internationally bestselling author and literary icon Julia Alvarez’s *In the Time of the Butterflies* is beautiful, heartbreaking and alive ... a lyrical work of historical fiction based on the story of the Mirabal sisters, revolutionary heroes who had opposed and fought against Trujillo. (Concepción de León, New York Times) Alvarez’s new novel, *The Cemetery of Untold Stories*, is coming April 2, 2024. Pre-order now! It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo’s dictatorship. It doesn’t have to. Everybody knows of *Las Mariposas*—the Butterflies. In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors

of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human costs of political oppression. Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* winning praise from critics and gracing best-seller lists across the Americas.—Francisco Cantú, *The New York Times Book Review* This Julia Alvarez classic is a must-read for anyone of Latinx descent. —Popsugar.com A gorgeous and sensitive novel . . . A compelling story of courage, patriotism and familial devotion. —People Shimmering . . . Valuable and necessary. —Los Angeles Times A magnificent treasure for all cultures and all time.” —St. Petersburg Times Alvarez does a remarkable job illustrating the ruinous effect the 30-year dictatorship had on the Dominican Republic and the very real human cost it entailed.—Cosmopolitan.com
