Dr. Tommy John,Myatt Murphy

An Advanced Guide to Digital Photography Vincent Oliver,2005-03 An Advanced Guide to Digital Photography aims to unravel the complex world of digital imaging whilst also focusing on the images themselves. The time-honoured basics of composition, line and form remain fundamental but the new techniques, tools and materials of digital photography allow far greater control and expression than ever before. This book, the fourth in the Digital Photography series, is ideal for the enthusiast or professional, not just for the inspirational ideas it contains but as a source of reference for the future, when new approaches are sought or older ones revisited. This book will prove invaluable for anyone wishing to develop their skills from an intermediate level in digital photography and image processing to a semi-professional or professional level. For those seeking further creative inspiration for their work, it shares the techniques and tricks of the trade used to create stunning images. As well as tackling the equipment and technique necessary to master the advanced digital workflow and capture and edit the shot, the book also features contributions from recognised digital 'masters' sharing the secrets of their expertise across a diverse range of photographic genres. The book is illustrated with images, diagrams and screenshots that elucidate the photographer's technical and creative processes. Book jacket.

Unfolding Practice Arzu Mistry,2016-06-01 Unfolding Practice: Reflections on Learning and Teaching is a conversation between two artist-educators. Flowing across five chapters, the double sided accordion book has been curated from ten years of recorded conversations, field notes, planning, sketches, reflection, and teaching. The front of the book weaves text, illustration, cutouts, and screen prints, journeying through artistic process and educational practice. The back of the book is a guide, expanding on the practice of using accordion books as a tool for capturing, visualizing, and building upon reflective thinking. The brown paper alludes to the craft paper that is ubiquitous in schools and captures process more than the preciousness of a final product.

A Dog a Day Sally Muir,2019-04-02 A lovingly curated collection of 365 charming portraits of our favorite four-legged companions, with anecdotes celebrating dogs' endearing and irresistible quirks, based on Sally Muir's popular "Dog a Day" Facebook page. Sally Muir's debuted her "Dog a Day" project on Facebook in 2013: "My name is Sally Muir and this is a new gallery where I will add a dog drawing/painting every day, adding up to a massive 365-day dogfest." As her Facebook page took off, so did the number of Sally's portraits and her fame. Drawing on the substantial collection of artwork on her site, A

Dog a Day is an irresistible collection of 365 beautiful portraits of dogs of all shapes and sizes, depicted in a range of mediums—from loosely worked sketches, prints, and charcoal drawings to oil paintings and lithographs. The artwork is accompanied by short anecdotes throughout, that reflects on these beloved animals' goofy, loyal, and spunky dispositions. Charming and whimsical, A Dog a Day is a must for all dog lovers, a loving collection that guarantees a year's worth of tail-wagging sweetness.

Master of the Game Martin Indyk, 2021-10-26 A perceptive and provocative history of Henry Kissinger's diplomatic negotiations in the Middle East that illuminates the unique challenges and barriers Kissinger and his successors have faced in their attempts to broker peace between Israel and its Arab neighbors. "A wealth of lessons for today, not only about the challenges in that region but also about the art of diplomacy . . . the drama, dazzling maneuvers, and grand strategic vision."—Walter Isaacson, author of *The Code Breaker* More than twenty years have elapsed since the United States last brokered a peace agreement between the Israelis and Palestinians. In that time, three presidents have tried and failed. Martin Indyk—a former United States ambassador to Israel and special envoy for the Israeli-Palestinian negotiations in 2013—has experienced these political frustrations and disappointments firsthand. Now, in an attempt to understand the arc of American diplomatic influence in the Middle East, he returns to the origins of American-led peace efforts and to the man who created the Middle East peace process—Henry Kissinger. Based on newly available documents from American and Israeli archives, extensive interviews with Kissinger, and Indyk's own interactions with some of the main players, the author takes readers inside the negotiations. Here is a roster of larger-than-life characters—Anwar Sadat, Golda Meir, Moshe Dayan, Yitzhak Rabin, Hafez al-Assad, and Kissinger himself. Indyk's account is both that of a historian poring over the records of these events, as well as an inside player seeking to glean lessons for Middle East peacemaking. He makes clear that understanding Kissinger's design for Middle East peacemaking is key to comprehending how to—and how not to—make peace.

Science Abstracts, 1995

Drive Daniel H. Pink, 2011-04-05 The New York Times bestseller that gives readers a paradigm-shattering new way to think about motivation from the author of *When: The Scientific Secrets of Perfect Timing* Most people believe that the best way to motivate is with rewards like money—the carrot-and-stick approach. That's a mistake, says Daniel H. Pink (author of *To Sell Is Human: The Surprising Truth About Motivating Others*). In this provocative and persuasive new book, he asserts that the secret to high performance and satisfaction—at work, at school, and at home—is the deeply human need to direct our own lives, to learn and create new things, and to do better by ourselves and our world. Drawing on four decades of scientific research on human motivation, Pink exposes the mismatch between what science knows and what business does—and how that affects every aspect of life. He examines the three elements of true motivation—autonomy, mastery, and purpose—and

offers smart and surprising techniques for putting these into action in a unique book that will change how we think and transform how we live.

Attack on Titan Hajime Isayama, 2018-07-03

This Very Moment Barbara Dilley, 2015-05-01 Memoir & teaching handbook of dance movement practices

Minimize Injury, Maximize Performance Dr. Tommy John, Myatt Murphy, 2018-06-05 Dr. Tommy John's unique program: a diet, lifestyle, and movement plan (Rethink. Rebuild. Replenish. Recover) for injury- and performance-proofing young athletes in every sport Beginning as early as age 6 and continuing through the teenage years and on into their twenties, both male and female athletes are more at risk of serious injuries at younger ages than ever before. Dr. Tommy John, son of lefty pitcher Tommy John and also a sports performance and healing specialist, offers an invaluable diet, lifestyle, and movement plan (Rethink. Rebuild. Replenish. Recover) for injury- and performance-proofing young athletes in every sport. Dr. John explores the sudden rise of Tommy John surgeries being performed on young athletes today, as well as the many injuries--and the surgeries required to fix them--increasing at an alarming rate in baseball and all youth sports. Dr. John's book outlines the three top causes behind this injury epidemic: The American lifestyle, the business of youth sports (from coaches to corporations), and the decisions we believe as parents are truly benefiting our children. *Minimize Injury, Maximize Performance* focuses on prevention, and also offers tips on how to tailor the advice for athletes coming back from an injury, with over 120 black and white photographs.

Publish!, 1997

The Book Proposal Book Laura Portwood-Stacer, 2021-07-13 A step-by-step guide to crafting a compelling scholarly book proposal—and seeing your book through to successful publication The scholarly book proposal may be academia's most mysterious genre. You have to write one to get published, but most scholars receive no training on how to do so—and you may have never even seen a proposal before you're expected to produce your own. *The Book Proposal Book* cuts through the mystery and guides prospective authors step by step through the process of crafting a compelling proposal and pitching it to university presses and other academic publishers. Laura Portwood-Stacer, an experienced developmental editor and publishing consultant for academic authors, shows how to select the right presses to target, identify audiences and competing titles, and write a project description that will grab the attention of editors—breaking the entire process into discrete, manageable tasks. The book features over fifty time-tested tips to make your proposal stand out; sample prospectuses, a letter of inquiry, and a response to reader reports from real authors; optional worksheets and checklists; answers to dozens of the most common questions about the scholarly publishing process; and much, much more. Whether you're hoping to publish your first book or you're a seasoned author with an unfinished proposal languishing on your hard drive, *The Book Proposal Book* provides honest, empathetic, and invaluable advice on how to overcome common sticking

points and get your book published. It also shows why, far from being merely a hurdle to clear, a well-conceived proposal can help lead to an outstanding book.

Knockout Presentations Diane DiResta, 2018-06-19 Called the Bible of Public speaking, Knockout Presentations is a “seminar in a book” that reduces fear and gives speakers the steps to craft and deliver a talk that will make them a knockout on the platform! It’s the next best thing to having Diane DiResta there to teach in person. DiResta provides all the fundamentals without the fluff. Speakers learn what confidence looks like, sounds like, and how to speak the language of confidence, reduce preparation time, craft a compelling talk, size up an audience, overcome fear, and master questions and answers. The Dos and Don’ts at the end of each chapter help speakers review and remember the principles even after putting them into practice. Speaking is the new competitive advantage and Knockout Presentations gives speakers tools and techniques, templates, and resources to improve their skills.

A Gift of Time Beth Flynn, 2016-07-16 RECOMMENDED FOR READERS 18 AND OLDER DUE TO STRONG LANGUAGE, SEXUAL SITUATIONS, AND VIOLENCE. This is Book 3 of 3 in the Nine Minutes Trilogy. A Gift of Time is the third installment in the Nine Minutes Trilogy. It is not intended to be a stand-alone novel, but could be read as one. Still, I highly recommend that you read my first two novels, Nine Minutes and Out of Time, to be able to understand the background stories of the main characters. There are many twists and turns in both books that can best be connected if read consecutively. Are some secrets meant to stay buried? Three months have passed since Jason Grizz Talbot was put to death by lethal injection for crimes he committed. His former wife, Ginny, whom he had abducted from a convenience store when she was a teenager and became the love obsession of his life, has spent more than the last decade trying to carve out a life of normalcy in the bustling suburbs of Fort Lauderdale—including a thriving and happy marriage to Tommy Grunt Dillon, a former member of Grizz's gang. Tired of the secrets and the lies, Ginny and Tommy thought the final piece of their past could be left behind forever with Grizz's execution. However, the past comes crashing around Ginny and Tommy when a newly discovered secret threatens to destroy their marriage. When tragedy strikes, Ginny is forced to reach into her heart and decide, once and for all, what she really wants. In this third book in the Nine Minutes trilogy, A Gift of Time takes readers from the busy tropical metropolis of South Florida into the serenity of the North Carolina Blue Ridge mountains as Ginny chases down the answers she needs. Will she have the strength to confront the secrets of her past...and her heart?

Angelarium: Book of Watchers Peter Mohrbacher, 2021-09 Book two in the Angelarium series. This artbook is a chronicle of Enoch, a living man wandering the world of Angels. Seeking a path home, Enoch witnesses a rogue order of Angels invading his home and threatening the existence of humanity. The book includes illustrations, poetry, and short stories centering around the fallen Angels known as the Watchers.

PC/Computing , 1998

Speed of Life Carol Weston, 2017-04-04 From award winning author Carol Weston comes an uplifting, heartfelt tale of bravery and strength in the face of loss and grief, perfect for tweens, teens and adults alike. I will eagerly place it on my daughter's bookshelf, so that she, like Sofia, can find her own resilience and voice in our painful, joyful, speeding world.—New York Times Sofia lost her mother eight months ago, and her friends were 100% there for her. Now it's a new year and they're ready for Sofia to move on. But being a motherless daughter is hard to get used to, especially when you're only fourteen. Problem is, Sofia can't bounce back, can't recharge like a cellphone. She decides to write Dear Kate, an advice columnist for Fifteen Magazine, and is surprised to receive a fast reply. Soon the two are exchanging emails, and Sofia opens up and spills all, including a few worries that are totally embarrassing. Turns out even advice columnists don't have all the answers, and one day Sofia learns a secret that flips her world upside down. 2018 Best Fiction for Young Adults - American Library Association A 2018 Best Children's Book of the Year - Bank Street College of Education 2017 Best Fiction for Older Readers - Chicago Public Library 2019 2020 Young Hoosier Book Award Longlist Four STARRED Reviews Read the first page from *Speed of Life*: WARNING: This is kind of a sad story. At least at first. So if you don't like sad stories, maybe you shouldn't read this. I mean, I'd understand if you put it down and watched cat videos instead. I like cat videos too. Then again, this book is already in your hands. It starts and ends on January 1, and I was thinking of calling it *The Year My Whole Life Changed*. Or *Life, Death, and Kisses*. Or maybe even *The Year I Grew Up*. For me, being fourteen was hard. Really hard. Childhood was a piece of cake. Being a kid in New York City and spending summers in Spain, that was all pretty perfect, looking back. But being fourteen was like climbing a mountain in the rain. In flip-flops. I hoped I'd wind up in a different place, but I kept tripping and slipping and falling and wishing it weren't way too late to turn around. This book does have funny parts. And I learned two giant facts: Number one: everything can change in an instant—for worse, sure, but also for better. Number two: sometimes, if you just keep climbing, you get an amazing view. You see what's behind you and what's ahead of you and—the big surprise—what's inside you.

Artist's & Graphic Designer's Market 2017 Noel Rivera, 2016-11-16 Build a successful art career! Do you want to establish or expand a career for yourself in fine art, illustration, or design? Then *Artist's & Graphic Designer's Market 2017* is the must-have reference guide you need. Inspiring and informative interviews with successful professionals including illustrator Peter Sis, artists Seth Lyons and Kevin T. Kelly, and concept artists Gilles Beloeil and Lauren Airriess.

The Silent Shore Charles L. Chavis Jr.,2022-01-11 The definitive account of the lynching of twenty-three-year-old Matthew Williams in Maryland, the subsequent investigation, and the legacy of modern-day lynchings. On December 4, 1931, a mob of white men in Salisbury, Maryland, lynched and set ablaze a twenty-three-year-old Black man named Matthew Williams. His gruesome murder was part of a wave of silent white terrorism in the wake of the stock market crash of 1929, which exposed Black laborers to white rage in response to economic anxieties. For nearly a century, the lynching of Matthew Williams has lived in the shadows of the more well-known incidents of racial terror in the deep South, haunting both the Eastern Shore and the state of Maryland as a whole. In *The Silent Shore*, author Charles L. Chavis Jr. draws on his discovery of previously unreleased investigative documents to meticulously reconstruct the full story of one of the last lynchings in Maryland. Bringing the painful truth of anti-Black violence to light, Chavis breaks the silence that surrounded Williams's death. Though Maryland lacked the notoriety for racial violence of Alabama or Mississippi, he writes, it nonetheless was the site of at least 40 spectacle lynchings after the abolition of slavery in 1864. Families of lynching victims rarely obtained any form of actual justice, but Williams's death would have a curious afterlife: Maryland's politically ambitious governor Albert C. Ritchie would, in an attempt to position himself as a viable challenger to FDR, become one of the first governors in the United States to investigate the lynching death of a Black person. Ritchie tasked Patsy Johnson, a member of the Pinkerton detective agency and a former prizefighter, with going undercover in Salisbury and infiltrating the mob that murdered Williams. Johnson would eventually befriend a young local who admitted to participating in the lynching and who also named several local law enforcement officers as ringleaders. Despite this, a grand jury, after hearing 124 witness statements, declined to indict the perpetrators. But this denial of justice galvanized Governor Ritchie's Interracial Commission, which would become one of the pioneering forces in the early civil rights movement in Maryland. Complicating historical narratives associated with the history of lynching in the city of Salisbury, *The Silent Shore* explores the immediate and lingering effect of Williams's death on the politics of racism in the United States, the Black community in Salisbury, the broader Eastern Shore, the state of Maryland, and the legacy of modern-day lynchings.

What They Don't Teach in Art School Will Terry,2021 A marketing and best businesses practice manual for aspiring

illustrators to use after they have mastered the art of illustration. This book will help artists learn techniques to land illustration in house jobs, freelance jobs, and create and market their own branded products online.
